PLANS FOR FALL FESTIVAL
REPORTED UNDER WAY

According to a report from Gordon Johnson, the plans for the annual Syracuse Fall Festival are nearing completion. The complete program is not entirely ready for announcement, but the date has been set for August 30, 31, and September 1 and 2, and most of the amusements, attractions, etc., from out of town have been secured.

The Edward Weyerson Amusement Enterprises Company has been engaged to bring twenty-five concessions, two free acts, four shows, and five rides, including a merry-go-round, ferris wheel, tilt-a-whirl, and two others, one of which will be entirely for the kids.

The festival is sponsored each year by the Wawasee Post 223 of the American Legion who assure a complete and very attractive program for this year's event. Mr. Gordon Johnson, who is in charge

of the concession spaces urges that all local people who wish such a space make arrangements as early as possible, for the spaces are filling up rapidly and it is believed that several will need to be refused.
