## MERCHANTS DEFEAT FORT WAYNE TEAM

Vanette Wins Close Game  
By 3 To 0 Score

The Syracuse Merchants baseball team came through with a win last Sunday by a very close margin of 3 to 0 over the Fort Wayne Printing Company.

Here was another thriller from start to finish, being a veritable pitchers battle throughout, with very few errors during the game.

Bob Vanette, with the assistance of Hite, pitched a swell game by going the full route of nine innings, allowing only two hits, three bases on balls and three runs while he gained eleven strike outs. His team got behind him by collecting six hits and bringing in two runs in the 3rd and one in the 6th to win the ball game.

Watson and Long were batters for the visitors, allowing six hits, two bases on balls and gaining four strike-outs.

Both teams played well during the entire game, the Merchants committing only one error and the Printers, two. Hits were scattered for both sides, making this a tough game for the pitchers who were forced to "bear down" with the coming of every frame.

The local boys proved that they can win by gaining this second victory over the Printers, whom they defeated two weeks ago by a larger score. Of course, the visitors were out for revenge and pushed the Merchants from the start.

The Goshen Gliders play here next Sunday and from all reports have a good team of players who really know their baseball and who are always out to give a nice exhibition. Manager Byland states that Syracuse fans will be sure to see a good game and hopes that a large number will be present. There is no admission charged at these games, but a free will offering is asked at each game in order to meet expenses and to make the team self-supporting without demanding financial aid from the businessmen of the town. Let's give them our support next Sunday.

### MILO LONG WILL ANSWER CHECK CHARGE AGAINST SYRACUSE BUSINESS FIRM

### FOUR GENERATIONS AT YAKES HOME

The representation of four generations of one family is very seldom realized, but we of Syracuse can boast of this accomplishment.

Mr. Elmer Yakes of this city, had as guests at his home for the Fourth of July vacation, his son, Kenneth, who was accompanied by his daughter, Mrs. Elizabeth Nilah Henderson, and her son, Robert Lindsley Henderson, all of Detroit, Michigan.

The four were all born in Michigan and Mr. Elmer Yakes moved to this vicinity about a year and one half ago. Kenneth, who is a building contractor in Detroit, has visited his father several times since he established his home here, but the granddaughter and the great-grandson have just paid their first visit. Mrs. Henderson states that their time here was very pleasant and that she is looking forward to a return trip soon.

Other visitors at the home of Mr. Yakes were Mr. and Mrs. Howard Gould, of Detroit, who made the trip with Kenneth, Mrs. Henderson, and Bobby.

### LAUNDRY TRUCK IN ACCIDENT

The H. & H. Laundry truck, driven by the owner, Mr. Huey, figured in an auto accident last Sunday when Mr. Huey was making a left turn on the road just west of town, and his truck was struck by a car driven by a Mr. Foust, of Urbana, Ind.

Mr. Foust evidently was following Mr. Huey rather closely, expecting to pass the truck, when Mr. Huey signalled for the turn and was unable to avoid the collision.

Neither car was damaged beyond repair although the truck was damaged on the side with both fenders dented considerably and had to be towed into town.

Incidentally, Mr. Foust figured in another accident later that evening and his car had to be towed into town, also.

### PROUD PARENTS OF DAUGHTER

Mr. and Mrs. Hilary Bachman are the proud parents of a six-pound daughter, born Wednesday night at nearly 12:00.

As yet the new daughter, the second of the family there being a four-year-old girl, is unnamed, but "Dad" says that she will have a name soon even if it must be "Junior"—(we think he wants a boy anyway).

Both the mother and the new baby are getting along very nicely at the home in Syracuse.

And, while congratulations are in order, we want to be among the first to congratulate the new parents.

### IN APPRECIATION

We of the Syracuse-Wawasee Journal wish to sincerely thank our many readers who have weekly been sending or calling in news with which to fill our columns.

Many people have mailed news to us at different intervals, while others have kept our telephone ringing regularly, besides those who help us to get the news by giving accounts to Miss Wilma Robison, who is employed for this work.

The aid that has been given us is very helpful and is truly appreciated to the fullest, and we hope that our readers will continue to give us their unfailing support.
