inward man."

CHURCH OF THE BRETHREN

Rev. Ralph G. Rarick, Pastor

Sunday school, 10:00 a.m., Guy
Symesma, superintendent. Interna-
tional Lesson—"Isiah: Fortell-
ing the Birth of the Messianic
King." Scholl will start off with
the new organization of officers
and teachers the Sunday after-
wards, on Oct. 1. Ralph Coy will
be the new superintendent, while
the Intermediate Department will
continue under the leadership of
Mrs. Roy Meek.

Rev. John Metzler, on the facul-
ty of the Bourbon high school, is
being solicited to give the pulpit
message here at 11:00. He will
probably speak on the timely
theme of "Peace," in line with his
work as president of the district
board of Christian education.

At 6:45 p.m., a meeting of the
Brethren Young People's Depart-
ment.

"Church of the Brethren at
Work in China," will be the four-
reel educational and inspirational
moving picture that will be shown
in the Sunday evening service, be-
ginning at 7:30 o'clock. Leonard
Barnhart will operate the projec-
tor and the explanatory lecture
will be given by Mrs. Rarick.

This will be the concluding
Sunday of the pastor's revival
near Defiance, Ohio.

Ladies Aid will meet for re-
organization of the society, at the
church, Thursday, Sept. 28.

Coming: "The House Upon the
Sand," an impressive play, to be
given in this church, directed by
Rev. Buryl E. Hoover, with a
well-trained cast of players from
his church—the Church of the
Brethren at Wawaka. Date—Sun-
day evening, Oct. 1.

MINISTERIAL CHANGES ARE ANNOUNCED

At the annual conference of the
church of the United Brethren in
Christ recently held at Winona
Lake, Rev. J. C. Bailey, who for
the past three years has been the
pastor of the local United Brethren
church, was transferred to
Solomon Creek. Rev. Dr. O. G.
Alwood, who for the past two
years has been the efficient pas-
tor of the Solomon Creek church
was stationed at Pymont. Rev.
Gerald Geiger, who has been on
the Brimfield charge for the past
six years, was transferred to Syra-
cuse. Strange things happen sometimes;
Rev. Geiger declined the
Syracuse Appointment. Dr. Al-
wood chose not to go to Pymont,
and in the final shift of matters
through the conference superin-
tendent, Dr. B. H. Cain of War-
saw, Rev. Geiger was appointed to
the Pymont church and Rev. Al-
wood and Rev. Bailey were reap-
pointed to the Solomon Creek and
Syracuse charges respectively.

GIRL SCOUTS HAVE NEW MEETING PLACE

The local organization of the
Girl Scouts of America has been
donated the use of a room in the
Pickwick block for their regular
meeting place in the future. Until
this room was acquired, the
girls had been holding their
meetings on the Methodist church
lawn, but because of bad weather
which will be here within the
the next few weeks, a different
meeting place was necessary and
the organization is very grateful
for the donation of the use of the
room.

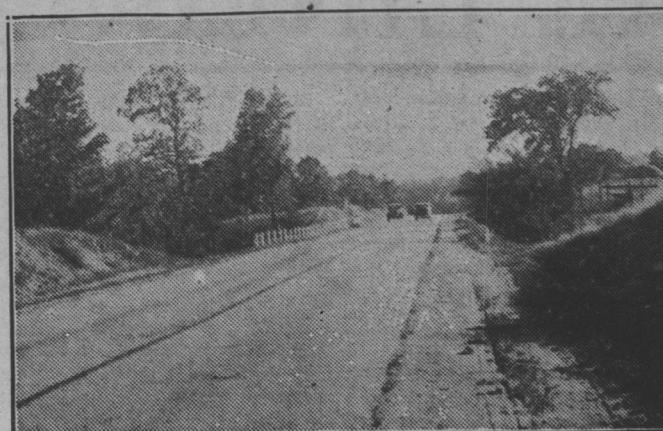

For several years the Boy
Scouts have been donated the use
of the room above the Thornburg
Drug Store and since this ar-
rangement was completed, the
boys organization has grown con-
siderably and has been able to
make themselves an influential or-
ganization of the town.

Now with both groups having
the facilities of a regular meeting
place, they are bound to become
even more popular and influen-
tial as social and business groups.

Doners of the meeting places
are both to be commended upon
their interest in the young people
of the community and should be
followed in their lead to greater
youth organization in this com-
munity.

Farm fatalities in Kansas dropped
from 83 in 1937, to only 57
in 1938, and there is no doubt
that this excellent showing was
due largely to the efforts of the
state safety council and associated
agencies.

SCENIC HOOSIER HIGHWAYS BECKON AUTUMN MOTORISTS

months is the completion of con-
struction work on the highway
system, eliminating detours and
providing improved, modern roads
over which the motorist may trav-
el. During the spring and summer
months, construction and im-
provement work has been in pro-
gress on approximately a thousand
miles of state highways. This has
included the building of new
bridges, the construction of struc-
tures to carry highway traffic
over or under railroad tracks.

While the southern part of In-
diana with its rugged landscape
and tree-covered hills is a favorite
with the motorists of this and
other states during the autumn
months when the leaves assume
their vivid coloring, it is but one
part of the fall show in Hoosier-
land. Northern Indiana with its
prairie-like expanses and its hun-
dreds of lakes hidden among rolling
hills has a special charm for
the autumn motorist, especially if
he combines fishing with his out-
ing. Even the rich agricultural
areas throughout the central part
of the state take on a new scenic
beauty when "the frost is on the
pumpkin and the fodder's in the
shock."

Another factor in the enjoy-
ment of Indiana's scenic beauty
during the fall and autumn

is the completion of con-
struction work on the highway
system, eliminating detours and
providing improved, modern roads
over which the motorist may trav-
el. During the spring and summer
months, construction and im-
provement work has been in pro-
gress on approximately a thousand
miles of state highways. This has
included the building of new
bridges, the construction of struc-
tures to carry highway traffic
over or under railroad tracks.

With the approach of autumn
the major part of this construc-
tion and improvement work has
been completed and detours have
been removed. Other work, now in
progress, will be completed during
the coming weeks and these sec-
tions of improved highways will
be opened to traffic. Some work
will be in progress throughout the
winter months, necessitating a
few detours but with the network
of improved roads which Indiana
has in the state highway system,
detours are rarely a serious in-
convenience to the motorist. Bul-
letins of detours and other high-
way conditions are issued regular-
ly for the information of motorists
aid in the selection of routes
who are planning trips and will
which are free from detours.

RAILROAD EMPLOYEES

CALLED BACK TO WORK

Baltimore, Md., Sept. 11, 1939
—Announcement was made at the
Baltimore and Ohio general offices
here today that more than 800
furloughed employees of the
maintenance of equipment depart-
ment of the company had been
called back to work at various
points on the railroad to repair
and build locomotives and freight
cars. This has been made neces-
sary by the increased volume of
freight moving during recent
weeks.

I. U. PREPARES FOR

FOOTBALL SEASON

Preparing for Hoosier football's
big kickoff, when Indiana will
meet Nebraska at Bloomington,
Sept. 20, in the annual Homecom-
ing contest, Coach B. McMillin
has set a vigorous workout sched-
ule for the next week.

In addition to the traditional
Homecoming festivities scheduled
for the game, 3,000 high school
students will be admitted at a re-
duced price. Sale of these tickets
will close with requests postmark-
ed next Monday, Sept. 25.
