SUBSCRIPTION RATES

Per Year \$1.00

ONLY 2 CENTS PER WEEK
AND WORTH IT, TOO!

If you have been a subscriber to the Journal since it began publication in December of 1937, with this issue you will have received your 95th copy. You have paid just two dollars for subscriptions and you have ten more copies coming to you before your subscription expires on December the 10th, since that date is the date of the first issue. Just stop to consider exactly what the paper has cost you! Counting fifty-two issues per year at the regular subscription rate of only one dollar, the paper has only cost you 2 CENTS PER WEEK. This is a very insignificant sum, but it pays our mailing cost and a small part of the other shop expense. We do not expect to make a lot of money from our subscribers for it is known that the greatest source of revenue for any newspaper is in advertising.

At such a small cost no resident of Syracuse or nearby community can afford to be without the Journal every week of the year. The Journal offers you more good reading material than many other newspapers which would cost you more for a subscription. It contains more columns of local news, more feature stories and more comics. The advertisements are, for the most part, those of local merchants and businessmen who invite you to their stores and business places with offers of special interest to you. Each issue contains several opportunities for you to save money.

ARE YOU AN ADVERTISER?

Are you a merchant or a businessman who advertises in one newspaper or another. If you are—ask yourself these questions.

Am I getting the circulation of my advertisement that is due me? Am I paying MORE per inch for my space than some favored few who also advertise in the same paper? Are my ads placed in the paper which carries the greatest reader interest? Is each of my advertisements given the utmost care in layout and display? Is the newspaper in which I place my ads worthy of my support? These are only a few of the important questions regarding your advertising—but let us answer them for you.

The Journal gives you the advantage of over 800 paid local subscriptions among people who offer you the best outlets for your merchandise. The Journal maintains only ONE advertising rate which is quoted to ALL advertisers—you pay NO MORE per inch than any other advertiser.

We carry more local news, more and better feature material and thus MORE READER INTEREST than any other newspaper in this vicinity. Each advertisement, large or small, is given our best care in selection of type styles and arrangement and is placed in our paper so that it has the best possible appeal to our readers. The Journal IS WORTHY of your support for after the old Journal had suspended publication, your

present newspaper began operation (thanks to Ed and Ira) when Syracuse was without a newspaper and was built up from the very bottom.

We, the management, do not DEMAND your support; rather we are asking that you give it to us as our due. We feel that we are worthy of it, that we can give you just what you desire, and need, for the advertisement of your business or your public service. We DO NOT solicit out of town advertisements which conflict readily with those we receive from our local merchants; we print them only when they are brought personally and directly to our office—and TWICE we have turned advertisements, even then, which we felt were too strongly conflicting with our local business people. Can any other nearby newspaper say the same?

PRIZES AWARDED TO
J. B. B. CONTEST WINNERS

Twenty-two prizes were awarded to winners of the J. B. B. contest which came to close last week. For having worked the hardest and brought in the most coupons, Miss Patricia Byers was awarded first prize, a beautiful bicycle. The arrangements for the awarding of the other prizes was novel in that each winner was given his choice of the prizes in the order in which they were placed at the end of the contest. Second prize went to Bob Smith who chose the ivory radio; 3rd, Joe Rapp, watch. Others follow in their respective order with the prize that they chose: James Slabaugh, movie camera; Laddie Laughlin, camera; Charles Searfoss, gun; Joe Bauer, watch; Bill Cory, wagon; Stan Hoopingarner watch; Sara Hinderer, lapel watch; Jack Carr, camera; Betty Wolf, zipper bag; Jack Kitson, scooter; Luella Rensberger, camera; Dorothy Causer, basketball; Jean Ketting, manicure set; Elizabeth Miles, first-aid kit; Duane Unruh, flashlight; Gloria Byland, toilet set; William Darr, military set; James Harvey, flashlight; Jim Connolly, flashlight.

These prizes represent no small sum of money and the winners should be very thankful to the sponsors, The Thornburg Drug Co., for the business knowledge they have acquired, besides the various prizes which were awarded.

It is our belief that there will be a lot of "shootin'," "scootin'," "posin'," "watchin'," "fixin' up" etc., as the result of this contest.

MARRIAGE LICENSE ISSUED

A marriage license was issued late Friday afternoon by County Clerk Orvel E. Phillips to Carl E. Conrad, 21, bread salesman, Napanee, son of Charles M. Conrad, and Fern L. Wiseman, 23, Syracuse, daughter of Charles Wiseman.—(Times.)

Hobart Jarret has shown very little improvement which is a result of being overcome by the heat as he was working on the railroad.

The new 1940 automobiles have been provided with a complete new unit of lighting.

The new equipment is known as "The Sealed Beam Headlight System." No dirt, dust or moisture can penetrate the sealed unit to corrode the reflecting surfaces and lens. More light, properly distributed is thrown on the road surfaces.

The new lamps throw two light beams. The lower beam is for city driving and the top beam for country driving.

These lights will provide more protection and greater safety after dark on the nation's streets and highways.

JIM STUCKY TO START
WITH N. C. SATURDAY

With the opening football game of the season scheduled for next Saturday against a powerful Carroll college (Waukesha, Wis.) team, Coach Gordon Fisher of North Central College, Naperville, Ill., is making final shifts in his lineup to find an effective combination to win over the Wisconsin team.

A well balanced first team has been built around six lettermen. The line averages 182 pounds with five veterans in the forward wall which is made up of Co-captain Fred Gillogly and Robert Juhnke at ends, Jim Stucky, Syracuse, and Charles Douglas at the tackle posts, Harold Riebel and Dave Leonard as guards and Gail Gibson at center.

Douglas, who tips the scales at 181, and Gibson, weighing 190, are both sophomores, while Stucky the other tackle, weighs 195.

Stucky, a senior, was one of last year's lettermen.

STETLERS HONOR
OPERA SINGER

On Sunday evening Mr. and Knox H. Stetler entertained a number of couples in honor of Mrs. Albert Holfeit of New York City who is here visiting her parents, Mr. and Mrs. Emory Strieby at Ogden Island. Mrs. Holfeit who will be remembered by her many friends as Violet Strieby, studied grand opera four years in Italy and is now regularly singing in New York.

Those present were Mr. and Mrs. Dewey Granger of South Bend, Mr. and Mrs. Farrel Ott of Ligonier, Mr. and Mrs. Joe Rapp, Mr. and Mrs. Harry Judy, Mrs. Emory Strieby and Mrs. Holfeit. Four couples, some of whom were schoolmates of Mrs. Holfeit were unable to attend.

Mrs. Holfeit, better known to her public in her performances as Violetta Flores, meaning "Beautiful Flower," then rendered several beautiful numbers in Italian, French and Spanish. These were greatly enjoyed by all. Refreshments of ice cream, cake and coffee were then served by the hostess.
