SARVER'S STANDARD SERVICE  
SYRACUSE, INDIANA

To Our Many Friends and Patrons of  
Syracuse and Wawasee, Ind.

Dear Friends:

We have disposed of our business, known as Sarver's Standard Service, to take over another and better connection with the Standard Oil Company.

We wish to take this opportunity to express our sincere appreciation for all the fine friendship extended to us while we have lived in Syracuse. We were made to feel as neighbors to everyone. It is with deep feeling of regret that we leave these fine neighbors.

I wish to especially thank all my patrons for their friendly attitude and for their fine amount of business. Without them, our business would not have been a success; without them, our stay in Syracuse would not have been such a happy one.

I wish to take this same opportunity to introduce Mr. E. H. Blair, who has taken over the station, and who I am sure, will give you the same Standard Service that I have tried to give.

Mr. Blair intends to make his home in Syracuse, and I am sure that he will enjoy and appreciate the same wonderful friendships and the same fine customers.

Drive in to see him.

Sincerely yours,

Ralph R. Sarver
