

SYRACUSE "HI" TIMES

(Cont. from page seven.)
Bob Burrow getting to history class on time . . . and, any junior not being an angel—CAN YOU?

Notice: All names are fictitious and any similarity to living persons is purely coincidental.

One of our members, Eugene Smith, underwent an operation on his leg, Monday, Oct. 3rd. We hope he will be back with us soon.

Senior Class News.

Charles Miller won the local corn husking contest last Friday, having husked a total amount of 345 1-2 lbs. in twenty minutes. Thurlow Mock was second with a total of 320 pounds. Charles had a little bad luck; as it started to rain when his turn came. He also husked in the county contest, but the report of the winner is not in yet, although he says he's certain he didn't come any place near the top.

"Shirt Sleeves," a domestic comedy, has been selected as the senior class play. The title is a suggestion of the plot, which is based on the old saying that is three generations from "shirt sleeves" to "shirt sleeves." The play provides parts for nine boys and nine girls. The date has not been definitely set. It was necessary to change the date previously set because of failure to secure the play first selected. The cast will be announced in the next issue.

Claypool Wins Championship.

While "Slim" Becker, Claypool pitcher, was ably retiring Syracuse batsmen in the game between those two teams last Saturday, the game which decided the softball championship of the county, his team mates were getting their hits in groups and taking advantage of Syracuse misplays. Result: Claypool became county softball champions by defeating Syracuse 4 to 2 at Pierceton.

Syracuse gave the worst exhibition at the plate I have ever seen. Although they got two runs, their six hits were distributed among 4 players, Byrket, O'Haver, Plank and Beck. When somebody did get on base, he couldn't be brought around. Twice there was a man on second with no one out; then the next 3 batters popped out. Your reporter has never seen so many pop ups in his life. Syracuse made only three outs in the whole game on ground balls.

Byrket gave nine hits, seven singles, a double and a homer. Beck and Stoelting letting a pop. The team's fielding was marred by up drop between them for a hit.

As you know, Saturday's game ended the 1939 softball season. It's too bad that Syracuse having come so close to winning its first softball championship, let all of their fine playing go to waste. Oh, well, they can always try again.

Now that softball is over, the boys are beginning basketball practice for the season's opener, November 3rd, with Cromwell. There are 25 out for the two teams, five seniors, 5 juniors, 7 sophomores and 8 freshmen. Season tickets will be on sale soon by the players so why not buy one and give the team a little support?

Eighth Grade.

The "Up to the Minute Club" met Thursday afternoon to pay their dues which are one penny per week. The "Clean Up" committee is in action this week. They are hard on the "kids" who have to clean out their desks for a change.

It was rumored that Forest Myers had a crush on Joanne Xanders. Now we are sure of it, because Wednesday in English class we had to describe a beautiful picture, and in his description, he mentioned Joanne's name.

The attendance was good so the "Good Deed" committee hasn't been in action.

FARMERS ORGANIZE
CONSERVATION GROUP

The farmers of Turkey Creek township held a meeting at the grade school Friday evening for the purpose of electing the members of the Soil Conservation Committee for 1940 and to make plans for the 1940 program. Burton Howe, chairman and Mr. Arch DeFries conducted the meeting. Mr. Howe was again elected chairman, Jess Grady, vice-chairman and Russell Warner, the third member of the committee. Alternatives were Vivian Disher and Wilmot Jones, Sr. Mr. Howe was also selected as a delegate to the county election and Claude Green, the alternate.

Burton Howe, Jess Grady and Lee Henwood of Syracuse, Allen Swisher and Mr. R. Kayser of New Paris attended the corn festival held at El Paso, Illinois, on Tuesday. They saw for the first time in history, the use of a combine.

LADIES OF ROUND TABLE
MEET WITH MRS. OSBORNBOY SCOUTS TREK
TO INDIANA STATE

The Ladies of the Round Table met Monday evening in the home of Mrs. Esther Osborn. Mrs. Olive Bushong had charge of the program, her subject being medical research and discovery of surgery. Mrs. Bushong brought a book with her written by Dr. Franklin Martin, a personal friend of one of our home doctors, Dr. Clifford Hoy.

In the book, Dr. Martin told of all the hard struggles of doctors giving their lives and time to science. One point of interest in the book was about the young Doctors Mayo at a convention in Chicago in 1893. Mrs. Bushong should be highly complimented on the wonderful preparation of this subject. Light refreshments were served by the hostess.

Several thousand Indiana and Illinois Boy Scouts will attend the annual Boy Scout Day at Indiana State Teachers College next Saturday. It is the day of the Indiana State-Valparaiso University football game. In the morning the scouts will attend demonstrations on the campus of science, radio, and industrial arts.

Miss Olga and Mr. Vernon Beckman spent Sunday in Indianapolis. Miss Beckman remained, however, to spend a week.
