**SNOW** test shows why an  
insulated house is warmer  
with less fuel!

This winter, and every winter, your house can be warmer and you can save up to 30% in heating costs by insulating with Johns-Manville Rock Wool Batts. This is particularly important now that there is a critical fuel shortage. Your house will be more comfortable in summer, too.

Remember, you pay for insulation in wasted heat when you don't have it. So why not enjoy its comfort and fuel savings—it soon pays for itself! J-M Rock Wool is fireproof, rotproof, permanent as stone. We have big thick J-M Super-Felt Batts right in stock. Call us today.

## SCHOOL NEWS.

### F. B. I. REPORT

Mr. Laird, a special agent of  
the F. B. I. who has been touring  
many schools, gave a talk con-  
cerning their efficiency in appre-  
hending criminals. The talk was  
given January 24, the fourth  
period.

He explained the benefit of the  
laboratory, which is worth a mil-  
lion dollars. He told how crimes  
can be solved in the laboratory by  
ballistics, and analysis of fabrics  
and paints.

The F. B. I. has 100,000,000  
criminal's finger prints on file.

These are the only positive means  
of identification.

He stated that they have never  
discovered a perfect crime.

Mr. Laird brought his talk to a  
close by giving the students the  
opportunity of asking questions.

### Junior Class

Every year in January the Ju-  
nior class takes over the assign-  
ment of preparing the news of  
Syracuse High School for the local  
newspaper. Last Friday they  
elected the persons to relieve the  
Senior of the year old task.

The election results were as  
follows: Typists, Marshall Coy,  
Dariene Miller, eBitty Hart; proof-  
readers, Mary Benson and Ross  
Stuckman; Interscholastic sports  
editor, Robert Smith; Editor,  
Stanley Carr; Associate Editor,  
Arlin Zollinger; Sports reporter,  
Robert Zollinger; Feature writer  
Delores Lee; Senior reporter, Pa-  
tricia Treadway; Junior reporter,  
Robert Shock; Sophomore reporter,  
Ruby Hunnicut; Freshman re-  
porter, Robert Dust; Junior high  
school reporter, Grace Held; band  
reporters, Donna Darr, Caelyn  
Baugher.

The Junior class rings have fi-  
nally arrived. Mr. Thornburg re-  
ceived them Monday afternoon.

Mr. and Mrs. Richard Miller  
and son, Tommy, were guests  
Sunday of Mrs. Miller's parents,  
Mr. and Mrs. Elmer Wills in Lo-  
ganport.

### 25 Years Ago...

From the Files of The Journal

Thursday, Feb. 3, 1921  
Mr. and Mrs. B. F. Kitson an-  
nounce the engagement of their  
daughter, Pearl, to Asa Turner,  
of Denver, Colo. The wedding  
will take place this summer.

Mattie Katzer and J. Edward  
Ballou have purchased the famous  
chicken dinner establishment op-  
erated for the past many years on  
the south side of Lake Wawasee  
by Mr. and Mrs. D. H. Brunjes.  
New improvements will be made  
and the place enlarged so that  
hotel accommodations will be great-  
ly increased.

Wade Zerbe and Joe Rapp have  
leased the Blazed Trail garage at  
Ligonier, recently acquired by S.  
C. Lepper. They will take charge  
March 1.

Miss Ida Deardorff, R. N. spent  
last week-end in North Webster  
nursing Carl Bockman, who was  
suffering with acute rheumatism.

Mr. and Mrs. Guy M. Jarrett  
left Monday for Dixon, Ill., to  
make their home where Mr. Jar-  
rett is now employed by the San-  
dusky Cement company as chem-  
ist.

Contributions are being receiv-  
ed by any of the pastors of the  
local churches or the State Bank  
of Syracuse, for the Near East  
relief fund.

Mrs. Ruth Roop died last Fri-  
day at the home of her daughter  
Mrs. Ernest Mathew. She was 78  
years old. Other survivors are a  
son, John Roop, of Milford and  
Mrs. James Dewart, Syracuse.

## CHICAGO MARKETS

(Reported by John Clay & Co.)

With major packinghouses back  
to work under government su-  
pervision, trading in livestock re-  
sumed its normal condition. De-  
mand for cattle, however, was not  
as active as when only shippers  
and small packers were the only  
outlet for the subnormal runs.

The hog market supply continued  
below requirements and demand  
was brisk at full ceiling levels.  
Lamb and sheep receipts increas-  
ed sharply, but the huge backlog  
of orders cleared the crop at fully  
steady prices.

During the recent strike, it is  
claimed that bulk of the cattle  
worked above beef compliance  
limits set by the government.  
With an investigation started by  
the federal authorities to deter-  
mine whether small eastern kill-  
ers were selling product at fig-  
ures exceeding prescribed limits,  
call from Atlantic seaboard area  
dropped off sharply. Then too,  
buyers know there are many cat-  
tle to be marketed which slow  
down demand.

The hog trade is closing the  
third month of the winter pack-  
ing season with little product  
stored up. Pork chops are smallest  
on record for this season of  
the year, while lard reserves are  
smallest for this time in eight  
years. These facts should prove a  
stout prop under the swine price  
structure.

The pent up crop of fed lambs  
will probably not move freely un-  
til after February 1, at which  
time subsidy payments move up  
another 50¢ per cwt. Effective  
Friday of this week the grant to  
owners of lambs scaling over 90  
lbs. will be \$3.15 cwt., while 65  
to 90 lb. offerings will receive  
\$2.50 per cwt. Everything else  
in the bovine line continues at  
the flat rate of \$1 per cwt.

### 8,000 CHICKENS ARE LOST IN FIRE JAN. 24

Eight thousand 3-pound broil-  
ers and a 3-story brooder house  
were destroyed by fire Jan. 24  
on the Ellis Eby Farm, three  
miles north of Syracuse, at a loss  
estimated at more than \$15,000.

The fire was discovered shortly  
after 8 o'clock by Mrs. Eby and  
having no telephone she drove a  
half mile to the Manford Mishler  
farm to phone the alarm to the  
Syracuse fire department. Upon  
arrival a call was placed to sum-  
mon the New Paris department  
to assist in combating the blaze  
which had gained considerable  
headway.

The building, converted into an  
all-modern three-story brooder  
house, was 35 feet wide and 70  
feet long. Last summer the own-  
ers had installed a new watering  
and feeding system and made  
other improvements, including in-  
stallation of a steam heating  
plant.
