**WANTED: Dependable Man to List and Show Farms.**

**BUSINESS** is good! The post-war demand for farms and country real estate is increasing, week by week and month by month. The years ahead contain problems of readjustment for millions of Americans who right now are giving serious thought to the security and independence of rural life.

The **UNITED FARM AGENCY**, now seeking a local representative in your community, was established twenty-two years ago with **DEPENDABLE SERVICE** as its guiding principle. We are proud of the reputation for fair dealing and leadership in sales, and advertising which we have built up over two decades of doing business the **UNITED** way. Today, approximately 200 **UNITED** men are serving the public throughout 18 states of the west and mid-west, backed up by the largest volume of newspaper, magazine, and radio advertising the country has ever seen. Our famous bargain catalog of farms and country real estate is circulated all over the world, bringing buyers to **UNITED** men in ever-increasing volume.

Our program of careful selection of local representatives and adherence to the highest standards of business ethics has been one of the big reasons for our steady progress and success. The man we select in your community must be thoroughly honest and dependable, able to furnish surety bond, under sixty years of age, own an automobile and real estate, willing to devote full time, completely familiar with his territory and hold the goodwill and respect of his fellow men. No real estate experience is necessary for the man who will follow advice and instruction.

As a **UNITED** man, you can build up your own business, be independent, enjoy pleasant out-of-doors work and become one of the income leaders of the community. If you mean our requirements, and want to do business in conformity with our ideals of dependable service, we are vitally interested in you and your future. We are eager to meet you in person so that we can take full measure of each other.

Write today for particulars. Join the **UNITED** team, and help sell rural America to Americans the **UNITED** way!
