## Watch Your Kidneys!

## Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove wastes from the body if they may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, after-meal dizziness, getting up at night, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disease are frequent, burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's Pills have been friends for more than forty years. They have a nation-wide reputation. They are recommended by grateful people the country over. Ask your neighbor!

## For Joyful Cough Relief, Try This Home Mixture

This splendid recipe is used by millions every year, because it makes such a dependable, effective medicine for coughs due to colds. It is so easy to mix—a child could do it.

From any druggist, get 2 $\frac{1}{2}$  ounces of Pinex, a special compound of proven ingredients, in concentrated form, well-known for its soothing effect on throat and bronchial irritations.

Then make a syrup by stirring two cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking needed. Or you can use corn syrup or liquid honey, instead of sugar syrup.

Put the Pinex into a pint bottle and fill up with your syrup. This gives you a few pints of cough medicine, very effective and quick-acting, and you get about four times as much for your money. It never spoils, and is very pleasant—children love it.

You'll be surprised by the way it takes hold of coughs, giving quick relief. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Money refunded if it doesn't please you in every way.

'Columbus Clocks' Found To Be but Fair Souvenirs

At the Chicago World's fair (Columbian exposition) in 1893, thousands of souvenir clocks were sold bearing a portrait of Columbus and the date 1492, says Collier's. Years later upon the death of the original purchasers, a large number of these souvenirs came into the possession of descendants and others, many of whom, believing they owned "a clock brought over by Columbus," sought an estimate of its value from clock authorities and antique dealers, only to be disillusioned.
