Fits on any faucet.

**S. H. S. HIGH SCHOOL NEWS****Movies**

Friday afternoon a movie, "Body Defenses Against Disease" was shown in the gym. In the movie we saw the three natural barriers which the body puts up against bacteria and germs. The skin, the lymphatic system, and the blood stream.

Following the movie, Rev. Joseph Koble, of the Church of God, gave a talk on Moderation vs. Temperance. In his message, he explained how easy it may be to confuse the two and how important it is to understand the difference between them.

After the message from Rev. Koble, Mr. Slabaugh presented honor sweaters to five senior boys who have earned them this season. To win the sweaters, it was necessary for each boy to participate in at least four basketball games. The seniors who received the sweaters were Max Workman, Glenn Stiffler, Phillip Strieby, Keith Koble, and William Johnston. Another award was given to the boy on the basketball team who made the greatest percentage of free throws during this season. To be eligible for this award, the player had to have at least 25 free throws. The award, a gold pin with a basketball player on the front and SHS '48 engraved on the back, was given to a senior also, Phil Strieby. His free throw percentage was 71.9.

**Who's Who**

This week, in the spotlight, we find Glenn Lamar Stiffler, another of the "charter members" of the Class of '48. He was born July 26, 1920, near Syracuse. He has attended school in Syracuse for twelve long years. For six years, he has been a member of the high school band, and for four years, he has sung in the chorus. Glenn played basketball for three years. He has been active in 4-H work for 7 years and has served in the capacity of junior leader for 2 years. He is five feet, eight inches tall, has brown hair and brown eyes.

His dislikes include "long skirts." Seems his weakness is blondes. Everyone in school is certainly surprised to hear that, Glenn. His favorite food is ice cream and cake; favorite sport, basketball; hobby, playing the cornet. At least, he says that is his hobby. However, we've heard that another hobby is turning left at the first dirt road on the north side of Road 6. Any explanation, Stiffler? To precede with the story of Glenn's favorites, we notice the best orchestra is Spike Jones; song, "I'm Looking Over a Four-Leaf Clover"; vocalist, Vaughn Monroe; school subject shop. Glenn prefers the color blue, and particularly likes the "Hit Parade" program.

After graduation next spring, Glenn will farm. His ambition is to own a farm some day and we seniors wish Glenn the best of luck.

**S.H.S. Class Tourney**

This year as in times past there will be a class tourney at Syracuse High School. Again, as in most cases, the seniors have the powerhouse because their starting five consists of five members of the basketball team. The juniors should give a good account of themselves, as they also have five boys from the basketball team. The juniors lack height which is in favor of the seniors. The average height for each team is: Seniors, 5 feet, 11 inches; juniors, 5 feet, 9 inches; sophomores, 5 feet, 9 inches; freshman, 5 feet, 8 inches. This should be a good tourney because it's made up of boys that have good defensive as well as offensive play.

The team for the tourney will probably be:

Seniors—K. Koble, F; Workman, F; Strieby, C; Stiffler, G; Johnston, G; J. Kitson, G; Stetler, C.

Juniors—Bitner, F; Bloeker, C; Hoover, G; Dietrick, G; G. Kitson, F; R. Fry, C; Swark, G. Sophomores—Grindle, G; Barnhart, C; C. Koble, F; Underwood, F; Bushong, F; Stuckey, C.

Freshman—Meek, G; Lung, C; Reagan, G; Hughes, F; Gladieux, C; J. Blocker, F; J. Fry, G; Beck, F; Grindle, F.

Ten members of the basketball squad, Mr. Riser, Mr. Slabaugh and Mr. Beck attended the sectional basketball fish fry at Leesburg, Monday night. Everybody enjoyed the fish dinner, but the program which followed was a little off key.

The senior members of the basketball team will attend the semi-finals at Muncie next Saturday.

Milford lost to Monroeville Saturday. The difference was one sprained ankle. With all three of Milford's main players in shape to play, Monroeville would have had a different problem. Tough luck Milford.

Eighteen of the more hardy boys are limbering up for track and will be all ready as soon as the weather man cooperates a little.

We have just returned from a buying trip to Chicago, bringing with us all the new "spring pretties" that we could carry, and they are shipping more. Come in and see these brand new styles and fabrics. You'll have no trouble in outfitting your child for Easter with our fine spring collection of goods.—Audrey & Jimmie Butt of The Tot Shop.
