GRANDMA SPEAKIN'...

COUSIN HARRIET SAYS: a pat on the back develops character, if applied often enough, young enough and low enough.

IT'S SIMPLE: as two and two make four, if you want a margarine that's fine for the table, then look for the package that says "Table-Grade." Yep, Nu-Maid is Table-Grade Margarine made 'specially' for the table. It's no good tastin'.

A GOOD REPUTATION is like lots of money, takes a life-time to make it, but only a few minutes to throw it away.

IT JES STANDS TO REASON that what you use for seasonin' vegetables should be sweet and fresh tastin' by itself. That's why so many folks use Nu-Maid.

CHANGE of LIFE?

Are you going through the functional "middle age" period peculiar to women (38 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, highstrung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

When Your Back Hurts -

And Your Strength and Energy Is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and easy urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

HOUSEHOLD HINTS

A traveling clothes line saves steps and eliminates walking on wet grass, etc. The wire may be threaded through a well pulley attached at the kitchen window and another on the garage, tree, post, or whatever is situated at a convenient distance and line is reeled out or in as clothes are hung or taken off.

Keep glass coffee makers fresh and sweet by frequently rinsing upper and lower bowls in baking soda solution. Rinse filters in solution (one tablespoon of soda to a cup of water), let dry, then rinse before using.

Roast meats will carve more easily if allowed to "set" a few minutes after they are taken from the oven.

High ceilings appear lower when painted a dark, rich color—such as red or royal blue.

Open wrapper of wrapped bread carefully on one end. Replace unused slices of bread and roll wrapper down tight; bread will remain fresh until last crust is used.

Save time by placing sliced bacon in skillet without trying to separate slices: slices will separate easily with a fork as they begin to warm.

Backaches, leg pains, broken sleep, painful passages usually go so much quicker if you switch to Foley (the new kidney-bladder) Pills. They regulate sluggish kidneys; they ALLAY BLADDER IRRITATION. That's the cause of most pains, aches, urges once though entirely due to kidneys. So for quicker, longer-lasting relief, soothe bladder as well as stimulate kidney action. don't use Harsh Laxatives

Keep regular this healthful way—

The juice of a lemon in a glass of water, when taken first thing on arising, is all that most people need to insure prompt, normal elimination.

No more harsh laxatives that irritate the digestive tract and impair nutrition! Lemon in water is good for you!

Generations of Americans have taken lemons for health—and generations of doctors have recommended them. They are rich in vitamin C, supply valuable amounts of B₁ and P. They alkalize; aid digestion.

Not too sharp or sour, lemon in water has a refreshing tang—clears the mouth, wakes you up. It's not a purgative—simply helps your system regulate itself. Try it 10 days.

How to help your sick child GET WELL FASTER

... as recommended in the interest of child welfare by ROSE G. ANDERSON, Ph.D., Director of The Psychological Service Center, New York

1. The after-effects of your child's illness are often more important than the illness itself. Pampering, catering to whims, oversolicitude reaches a child to dominate through weakness. Such well-meant kindness may prolong his convalescence.

2. You'll be smart to help him amuse himself. Give him something which doesn't require an adult's constant attention. Give him your "Eveready" flashlight... or let him one of his own. If he tires of flashing the beam, or flicking out imaginary signals, then...

3. Show him how to cut designs or figures from stiff paper and how to throw their shadows on the ceiling or wall. Moving the figures will make them dance. Watch his pride in what he's done. Watch him get well faster because he's happier!

Proof!... in the laboratory... in your own flashlight...
"EVEREADY" BATTERIES OUTLAST ALL OTHER BRANDS!

● Brighter light, longer life! That's what you want in a flashlight battery—and that's what you get with "Eveready" brand batteries. Laboratory tests prove it. And the best "laboratory" of all—your own flashlight—proves it! That's why "Eveready" batteries outlast all other brands—because they outlast all other brands!
