Dewey Coy, of route three, underwent a major operation Tuesday at the Goshen hospital.

25 YEARS AGO

JANUARY 24, 1924

Mrs. Minerva Eagles returned home on Friday from Chicago where she spent several weeks with her sister, Mrs. A. J. Thibadeau.

Mrs. Edna Hess who teaches school at Vawter Park, is quarantined at the home of Mr. and Mrs. B. C. Green, where one of the children has scarlet fever. Miss Helen Anderson is teaching in her stead.

Mr. and Mrs. Chauncey Coy, of Mishawaka, are the proud parents of a baby girl. Mrs. Coy was formerly Zella Bowser, of Syracuse.

Greely Yoder had a radio installed in his home on Tuesday.

Mrs. Sila Arnold, of Constantine, Mich., is a guest here in the home of Miss Della Ottis.

The infant son of Mr. and Mrs. Fred Baumgartner has been seriously ill.

C. A. Gillett, who recently purchased the Oakland Theatre has closed the place indefinitely.

Mrs. Celeste Hillbold left on Saturday for Bloomington, Ill., to visit her daughter, Mrs. Fred J. Bryan.

Mr. and Mrs. Jim Whistler returned home on Monday from a few days visit with Mr. and Mrs. Amos Medlam in Elkhart.

Mrs. Tillman Hiré, Mrs. Andrew Edmunds, Mrs. John Meek, and Mrs. Ella Wolf enjoyed a "quilting party" today with Mrs. P. W. Soltan at her home Lake Wawasee.

Fred Hoopingarner received a telegram announcing the sudden death of his father, B. F. Hoopingarner, at Tampa, Fla., at 8 o'clock this morning.

Quite a number of people are taking advantage of the excellent sleighing just now. The condition of the roads are perfect for this old time pleasure. On Tuesday evening the following couples enjoyed a bob-sled party to Ligonier where they spent the evening in the home of Mr. and Mrs. Farrell Ott: Mr. and Mrs. Hallie Holloway, Mr. and Mrs. Pete Harkless, Mr. and Mrs. Joe Rapp and Mr. and Mrs. George Xanders.

Evidently Marilyn Lippenger doesn't like Civics as she claims it is her pet peeve.

Marilyn first saw Syracuse July 11, 1931. She has light brown hair, and blue eyes. She seems a little timid before you really get to know her.

Before entering S.H.S. in the Sophomore year, she attended the Albion high school. Her favorite color is blue, and her favorite sport is basketball. Home Ec. is her best liked subject. In the food line, she didn't mention any particular kind. Is it because she is around it all the time? Tommy Dorsey playing "Until" sends Marilyn in a swoon. She has been in chorus three years, a member of Junior Ladies one year. Her weakness is a certain soldier. Marilyn's plans after graduation are indefinite. Perhaps she'll continue working at the Wawasee Restaurant. The class of '49 wish her luck.

The technicolor movie "Green Harvest" was shown Friday afternoon before the final exam. It had to do with the conservation and reforestation of our forests.

Study Hall No. 1 went over the top on their Infantile Paralysis collection, Tuesday noon.

No. 2 Study Hall is still short \$5.69. What's the matter 7th and 8th grades; can't you give up that one Sundae.

We have placed 22 cans for Infantile Paralysis collections at convenient places around town. These cans will be collected next Monday, and we hope to find all of them full and over flowing.

To date, (Tuesday evening) there has been three clubs to send in collection or donations. We hope to hear from the other 12 before next Monday.

If some good cake bakers will donate three or four nice cakes, we will raffle them off at the Etna Green game Friday, Feb. 4, with all proceeds going to the Infantile Paralysis Association.
