W. C. T. U. MEETING

Twenty-one members and friends of the Woman's Christian Temperance Union enjoyed the annual picnic held Tuesday on the lawn of Mr. and Mrs. Alva Nicholai on the banks of Syracuse lake. At one o'clock the president, Mrs. J. C. Bailey presided at regular meeting with the members responding with timely topics. Rev. Bailey gave the devotion using Psalms 24-31 and 104-1-4. The salute to the nation, christian and temperance flags was led by Mrs. S. A. Bauer. July 18th was set by the state for a day of fasting and prayer.

The county president, Mrs. Cyrus E. Gallitan, of Winona, gave an address on "Add to Your Virtue, Knowledge." Miss Margaret Wertz also of Winona gave the echo from Executive meeting of state workers at Indianapolis and from the S. T. I. School held recently in Winona.

Mrs. Gallitan then tied the white ribbon on little Dennis Darr making him a White Ribbon Recruit.

During the business session the following officers were elected:

President — Mrs. J. C. Bailey;
Vice President — Mrs. James Druckmiller; Record Secy. — Mrs. Lester Darr; Cor. Secy. — Mrs. Joseph Koble; Treasurer — Mrs. Eston B. Clayton.

Guests at this meeting included Mr. and Mrs. Gallitan and Miss Wertz of Winona Mrs. Katie Ort of Churubusco and Mrs. Katie Hall of Corey, Pa., besides several from Syracuse.

CANCER SOCIETY
ASKS MORE FUNDS

Frank Ohmart, Kosciusko county campaign chairman of the Cancer society, has issued an urgent appeal for additional funds. The county's quota was set at \$2,800 and the total collected in the campaign was only \$2,118, approximately \$700 short of the amount needed to carry on the work locally and to make the proper contribution to the national organization. The amount raised this year is nearly \$900 below the \$2,907 total collected in 1949. Last year the local society spent approximately \$1,500 in giving local assistance.

The campaign this year was conducted solely through letters, with no house-to-house solicitation, and the response was not as good as expected. The biggest disappointment in the campaign was in the donations from residents of Warsaw. Last year Warsaw people contributed \$1,220 and this year only \$514. This shortage alone represents deficit for the entire county. Some townships in the county oversubscribed their quotas while a few others were slightly under the marks set for the campaign.

Of the amount collected, 40 per cent goes to the national organization; 20 per cent goes to the state for research and education, and the remaining 40 per cent remains in the treasury of the local society for home use.

In the appeal for additional subscriptions to bring the county's fund up to the campaign quota, persons of the county are urged to send their contribution to Willard Cain, Warsaw, the county chairman.

Franklin D. Roosevelt (In 1932): "Any government like any family, can for a year spend a little more than it earns. But you and I know that a continuance of that habit means the poorhouse."
