**SOPHOMORE WRITERS**  
Both sections of Mrs. Robinson's sophomore literature classes have been engaging in the art of writing to illustrate different literary styles.

Nursery rhymes were written in the following ways: as Shakespeare would have written them; as they would have appeared in the Bible; as Uncle Remus would have told them; and as Time magazine would carry them in its columns.

One section used Little Bo-Peep; the other, Three Little Pigs.

### BIRTHDAYS

The Seniors would like to wish the following students a very Happy Birthday:

Jane Godshalk, April 12.  
Fon Chow, April 13.  
Sharon Miller, April 14.  
Nancy Hostetler, April 14.

### JUNIOR NEWS

Discussion of the "do's" and "don't's" of selling was the main topic in the Junior class meeting, Wednesday, March 31.

Plans to have a party in the near future were discussed also.

— Kay Powell.

### EIGHTH GRADE

Wednesday, March 24, the 8th grade met in Mr. Longenbaugh's room to decide on their class party. A potluck supper with games and dancing afterwards was voted and chosen.

The time and date were set for May 1st at 6:30 p.m.

The committees were chosen as follows: refreshment: Shirley Hickman, Martha Firestone, and Ellnor Holloway; clean-up: Kent Hursey, Dennis and Dallas Bjella; decoration: Jane Nusbaum, Billy Dorsey and Eddie Anglemeyer; entertainment: Patsy Jessup, Susan Klink and Verla Carol Clayton.

Wednesday, March 31, the 8th grade met in Mr. Longenbaugh's room. The class voted on whose parents were going to be invited by formal invitation to the Junior High dance. Susan Klink's mother and father, Mr. and Mrs. Robert Clevenger, were chosen.

### SEVENTH GRADE

The Seventh Grade held a class meeting in Mrs. Vance's room on March 31. The meeting was called to discuss the Junior High king and queen dance. The

Student Council has decided that the dance will be held April 10 from 7:30 p.m. to 10:30 p.m. They also decided that the decoration committee will make the crowns for the king and queen. The votes for king and queen will be counted between 7:30 and 8:00 p.m. by Mr. Longenbaugh, the 8th grade sponsor and Mrs. Vance, the 7th grade sponsor. The names of the king and queen will then be announced and Judy Jones, the seventh grade president will crown them.

The class also elected the parents who will act as chaperones. Mr. and Mrs. Herdrich were chosen, but since it will be impossible for them to attend, Mr. and Mrs. Seifert will act as chaperones.

The seventh grade is very proud to announce that two of their classmates won first and second places in the essay contest. Larry Michael won first, and Steve Bornman won second place.

— Sue Herdrich.

### STUDENT COUNCIL

The Student Council met Friday, March 26th to plan the forthcoming King and Queen Dance on April 9.

It was decided that outside guests will not be admitted to this dance and that the president of the Student Council will crown the King and Queen, as was done last year.

The Junior High will have their dance April 10, and to divide the work evenly they will take down the decorations.

The possibility that a cheerleader might not return to Syracuse School next year was discussed and it was decided to have the person in the next position automatically take his place. The person in this position will not be known, however, unless such an occasion arises.

— Lenora Reagan.

### G. A. A.

The G. A. A. had a short business meeting. They decided to have a party May 4, after school and that it would be a potluck supper. They then went down to the gym and played volleyball.

— Ruthann Cory.

### SECOND GRADE

Easter is the predominating theme in our room. We made Easter lilies for the windows, rabbits and still more rabbits for the chalk board border, and a

really pretty flower frieze for the bulletin board. "The Egg Tree," which was read to us at story time by Ann Vanderford and Benjie Closson made us want one of our own, so a large thorn bush was painted with white tempera, and is decorated with many attractive eggs.

We've completed the unit of "Our Friends at Work" in basic reader and are now reading in our last unit. We've begun the "ow-oa" word group in Mastery of Words.

Helpers for last week and this week were Ann Vanderford, Jerry Glass, Donna Dreher, Tommy Clapp, Roberta Silver, Pat Appenzeller, Ann Vanderford, Paul Brewer, Carrol Beam, Jerry Fischer, and Benjie Closson.

**Chevrolet is out ahead**  
**in powerful performance**

You can easily tell the difference between engines when you drive—and the difference is all in Chevrolet's favor! That's because Chevrolet's great engines deliver full horsepower where it counts—on the road. What Chevrolet promises, Chevrolet delivers!

**Chevrolet is out ahead**  
**in economy**

There's new power, new performance and new economy in both 1954 Chevrolet engines—the "Blue-Flame 125" in Powerglide models and the "Blue-Flame 115" in gearshift models. And they bring you the highest compression ratio of any leading low-priced car. That's why they can deliver a big gain in power, acceleration and all-around performance, along with important gasoline savings!

Year after year more people buy  
Chevrolets than any other car!

Your test car's ready now... We'll be glad to have you compare the smooth, quiet performance of this new Chevrolet with any other car in its field. Come in and put it through any kind of "proving ground" test you care to, and judge its performance for yourself. Your test car's ready now and we hope you are, too.
