So kindly look through your
wardrobe remove such garments
you no longer use. The church will
be glad to get them and sent to

FAIR ASSOCIATION TO MEET
Indianapolis, Ind. Should Indiana
have pari-mutual racing? Is the
present method of awarding 4-H
premiums at county and state
fairs equitable?

Those are two of the subjects to
be discussed at the thirty-fifth
annual convention of the Indiana
Association of County and District
Fairs, January 2-3-4, at the Sever-
in Hotel, Indianapolis.

CANNED 1500 TONS

Mr. Donald Cecil, owner and
manager of the Cecil Food Process-
ing Company, reports that they
have completed the canning of to-
matoes for the season. It has been
considered a very good season with
the run of tomatoes of normal size
and above. They processed some
1500 tons of tomatoes and employ-
ed about 100 people at the peak of
the season. Much of the pack will
be shipped under their own label
of Cecil's Fancy Whole Tomatoes.

If it is the truth what does it
matter who says it.—Anonymous
