### Plan Plowing Contest For County Farmers

County Agent Paul Jackson announced Monday that a plowing contest will be held on Tuesday August 2 for Kosciusko County farmers. Plows with four-teen or sixteen inch bottoms may be used in the contest and each participant will be required to plow one-half of an acre.

Contestants using two four-teen inch bottoms will be given 66 minutes to complete their area. Those using two sixteen inch bottoms, three fourteen inch bottoms and three sixteen inch bottoms, will be given 58 minutes.

The contest is scored on furrow straightness, furrow conformation and uniformity, quality of tillage surface, trash coverage, straightness of land ends, straightness and uniformity of dead furrow and head land, and safety. Trash is to be completely covered and the plowed area is to be uniform and rough to hold rain and snow.

Entries for the contest must be in the County Agents Office by noon Saturday July 30. The winner of the county contest will participate in an area contest at LaGrange on August 23. The winner of the LaGrange contest will then participate in the national contest to be held in Wabash County on September 14, 15 and 16.

### 1st Toll Structure Completed Friday

Completion of the first structure on the Northern Indiana East-West Toll Road was scheduled for last Friday, officials of the J. E. Greiner Company, engineering consultant on the project, have announced.

It is a bridge which will carry traffic on Indiana Route 3 over the toll road about a mile northwest of Brighton in LaGrange County.

Blacktop paving on the bridge was to be completed 21 July and the facility was then to be opened to Ind. 3 traffic. The bridge is on a 12-mile section of the toll road being built by the S. J. Groves & Sons Company of Minneapolis, Minnesota.

There will be a total of 260 such structures on the 156-mile toll road to permit users of the road to underpass or overpass all intersecting highways, railroads and waterways.

The toll road is not scheduled for completion until November, 1956, but a 50-mile section from the Ohio border west may be opened by mid-summer next year.

### Married This Monday At Rev. Bailey Residence

Joseph M. Line and Kathryn Chappell, both of Goshen, were united in a single ring ceremony Monday afternoon by the Rev. J. C. Bailey in his home.

Mr. and Mrs. John Sheire were attendants. Others present were Mrs. Louis Solt, John E. Sheire and Mrs. J. C. Bailey.

### Local News...

Mr. and Mrs. Rudy Stelich's sister, Mrs. Elmer Olson, is visiting.

### 450 at E. U. B. Confab At Oakwood This Week

Approximately 450 young people are assembled this week at Oakwood Park for the Youth Assembly of the Indiana Conference North of the Evangelical United Brethren Church.

The Assembly, which ends this Sunday, includes a workshop program in the mornings and a recreational program for high school age and older Assembly delegates.

Main speaker for the week is Dr. Harry DeWitt from the Theological Seminary in Dayton where he is professor of psychology. Dean of the leadership school in connection with the Assembly is the Rev. Lynn Henry of South Bend.

The Rev. David Livingood, Youth Director from Kendallville, said that an interesting feature of the week is a water carnival Saturday afternoon after the coronation of a king and queen of the camp.

He added that the purpose of the camp was to direct young people toward definite Christian purposeful living.

Camp members are from EUB churches in northern Indiana.
