John Peters To Run For Lt. Governor

JOHN PETERS

Asserting that the "administration of our government, at all levels, has become so complex that governmental experience is essential for the holder of a major office," John Peters, the present Treasurer of State, announced his candidacy for the Republican nomination for Lieutenant Governor.

Peters made the announcement at an informal supper and rally to which he had invited all Republican workers and officeholders at New Albany in his home county of Floyd. Several G. O. P. leaders from other counties in the Eighth Congressional District also attended.

Peters cited his own long service in various offices, and explained that since he is now in the last year of the second of two two-year terms as Treasurer he is not eligible for re-election to that position.

He also said that "it is apparent that the nominee for Governor will come from northern

Indiana. To maintain geographical balance it would seem logical for the nominee for Lieutenant Governor to come from downstate.

He told his neighbors he would not accept any other nomination except that of Lieutenant Governor.

"All signs point to continued progress and prosperity for Indiana. We must have firm and experienced hands directing the affairs of every branch of our state government if we are to utilize the great opportunity that is now ours."

Peters was born August 31, 1900, at Elizabeth, in Harrison County, Indiana. He attended the public schools at Elizabeth and New Albany and then New Albany Business College. He is married and they have a son who served with U. S. Navy in the Pacific area in World War II.

GIRLS 4-H

The meeting was brought to order by the president. We had the pledges. The American pledge was led by Carol Hostetler, the 4-H pledge was led by Melody Gustafson.

There were songs led by Diana Hoffman. The roll was called by what you had baked in the last two days, then we had recreation

in the gym.

Martha Firestone gave a demonstration, then we had refreshments and the meeting was adjourned.

Back in the 1800's it was the custom to enroll very young boys in the Navy. David Farragut, for example, was appointed a midshipman when he was less than 10 years old.
