Hi-C Clubs Join For Halloween Hayride

(Held Over From Last Week)

Forty young people from North Webster and several surrounding communities braved the cold weather Saturday night for what was probably the last hayride of the season. The venture was the beginning of a Halloween party for the Hi C club which just recently formed a branch club at North Webster.

The young people met at Center Park in Warsaw where they boarded the wagons and journeyed to the country farm home of Rev. R. Paul Miller. There they played outdoor games and later were entertained with special music as they were seated on bales of hay around a bonfire.

Guest speaker was Rev. Nathan Meyer, pastor of the Leesbuh Grace Brethren church. A winner roast and toasted marshmallows were welcomed by the young people, who by this time were feeling the effect of the chill night air.

Once again they boarded the wagons, and after a scavenger hunt which led them through a cemetery, were driven back to the original starting point at Center Lake, thus ending a very entertaining evening.
