Sectional Tourney At Syracuse In February

For the third consecutive year, the local sectional basketball tournament will be played in the Syracuse gym 26, 27, 28 February and 1 March. Announcement of sectional tourney sites was made in Indianapolis Friday by the Indiana High School Athletic Association.

Columbia City and Larwill from Whitley County will participate with the thirteen county teams, including Warsaw, which is the same line-up as in past years.

Winner of the sectional at Syracuse will advance to the Elkhart regional along with sectional champions from Elkhart, South Bend and Plymouth. Winner of this regional meet will play in the Fort Wayne state semi-final games and the state finals will be played in Indianapolis.

Jackets Score Victory Over Milford 68-59

Syracuse Yellowjackets defeated the Milford Trojans by a score of 68-59 in the Milford gym Friday night.

In a rough and tumble, see-saw first half, it was anyone's ball game. Tied 8 all at the end of the first period, the Trojans led by one slim point, 26-25, at half time.

Going in leaps and bounds the Jackets pulled ahead early in the third quarter leading 47-36 as the gun sounded.

In the final stanza, the Jackets held the lead. Milford, working hard for the ball came to within four points of the Jackets several times but Syracuse was nine points ahead as the gun sounded the end of a thrill packed game.

Bill Dorsey held high place honors for the winning Jackets with 21 points, followed by Swenson with 17. Fleischauer bucketed 27 for Milford's high point honors.

The only foul outs of the game were Bob Swenson of Syracuse (continued on page 10)

County Tourney Starts Tonight; Beaver Dam vs. Atwood, 7 P.M.; Syracuse Plays Friday

OFFICIALS

Roy Kilby _____ Columbia City
Frank Sanders _____ Warsaw
Don McCoy _____ Fort Wayne

Beaver Dam and Atwood tip off for the first game of the 1958 County Tourney in the Syracuse gym tonight at 7:00 Standard Time.

Only undefeated team of the twelve county teams participating is Etna Green, defending county champion. Pierceton, another strong county team has won ten games out of twelve, losing to Manchester and Etna Green.

Syracuse drew Pierceton for its first game which will be played Friday afternoon at 1:30. Although losing to Pierceton in the

second game of the season, a hard fought battle ending 55-53, the Yellowjackets have a good chance of coming out ahead.

Local predictions are that if Syracuse wins its first tourney game, it will meet North Webster in the semi-finals. The Yellowjackets in its first game in November, lost to Webster by one, thin point, 44-43. Further predictions are that Syracuse could find themselves playing in the final game Saturday night. But right now, it's anybody's tourney.

Syracuse firemen again will direct traffic in the parking lots

near the school house. In past years at the sectional tourneys these men have handled the parking admirably.

Doors to the gym will be open to tourney fans one hour before games begin. Syracuse marshals will assist in maintaining orderly entrance to the building and gym in order to avoid undue rushing and jamming at the doors.

All games in the tourney will be played on Standard Time and as indicated in the above schedule.

Will Award Trophies To All-Tourney Team

Individual trophies will be awarded to the All-County Tourney basketball team by the Warsaw Times-Union. This is the second year the Times-Union has awarded these trophies.

For the first time this year, selection of the eight honor players will be made by ballots of the twelve head coaches thereby making the choices unanimous of the entire county representation.

The first team will be comprised of the eight players receiving the most votes from the coaches for their performances in the tourney. Each of the eight will receive a trophy. All other players who receive votes will be included on the honorable mention list.

Awarding of trophies probably will be made at the pre-sectional fish fry to be held in February.

Each coach, between halves of the championship game Saturday night, will submit to Times-Union Sports Editor, Danny Lee, at the scoring table, his eight-player all-star team. The two coaches of the teams playing in the final game may submit their all-tourney ballots at the conclusion of the championship game.

Principals and coaches approved the plan, as presented by Bill Long, public relations manager of the Times-Union, at the Atwood pre-tourney meeting last week.

WE-MA-TAN-O-KI

We had our business meeting. We discussed our plans for the ceremony and about how to fix our boleros.

There were twelve present at our meeting.

School Board Plan Subject of PTA Panel

Public Invited To January Meeting

A general discussion of the proposed School Board plan will be of primary interest at the next regular meeting of the Turkey Creek Parent-Teachers Association scheduled for 20 January. The public is invited to join the membership to learn more about the proposed School Board system.

Following a recommendation resulting from a recent Advisory Board meeting, a panel discussion on all phases of the school board plan will be conducted, followed by a question and answer period.

The meeting will be held at the school house.

Two Entries So Far In First Baby Contest

Two families have entered the contest for the first baby born in 1958 in this area. Both babies were born Friday 3 January. One entry was reported to the Journal office and the other was received at the Pickwick Theatre.

So that other eligible parents may enter the contest in accordance with rules published in last week's Journal, applications will be accepted until noon CDT Saturday 11 January. After that time the winner will be named and will be the applicant whose baby was born at the earliest time after 12:01 a.m. 1 January as previously stated.

Announcement of the winner will be made next week.

Local Drug Store Sells Fishing Licenses

Hunting and fishing licenses are available at Thornburg Drug in Syracuse, North Webster and Warsaw, and also at the Frog Tavern on Wawasee Lake.

Several other business places in the Syracuse community have applied to the Indiana Department of Conservation for permit to sell these licenses and will be announced as soon as they qualify.

Regular resident license for fishing, hunting and trapping is \$2.50. Ladies' license for fishing only is \$1.50.

The annual non-resident fishing license is \$3.50. There is also a 14-day non-resident fishing license available at \$2.50.

Trustee of Turkey Creek Township since 1951, Mr. Beck will complete his second term at the end of this year.

TO THE MANY PEOPLE WHO SENT FOOD TO THE KITSONS

So many people prepared food which was taken to the home of Mrs. Rebecca Kitson during the days following their recent tragedy.

In expressing her gratitude, Mrs. Kitson says that she does not know to whom many of the dishes belong and she would appreciate hearing from the owners so that the dishes can be returned.
