Ike Greet Dorothy Causar In Paris

President Eisenhower greeted many men and women on duty in U. S. service in Paris France, last month while attending the conference there. Among them was Sp/3rd Dorothy Causar, daughter of Mrs. Agnes Causar.

In a letter received last week, Dorothy wrote her mother that men and women in the U. S. Army, Navy and Air Force, stationed in Paris, were in full dress uniform for the parade and as an added measure to hold back the crowds from the President and his bodyguard.

As President Eisenhower left the gateway at the SHAPE building, he was expected to enter his car for the parade but instead walked along the street going from side to side shaking hands and greeting them. And Dorothy was one with whom he shook hands and said "Good morning."

It was a thrill to her, she said, as well as others in the American forces, to have their President in France and to have him extend this friendliness.

After the President left for home, most of the forces left for vacations and Dorothy spent the holidays in Garnish, Germany.

In her letter she also wished to thank the many people in Syracuse who sent her greetings at Christmas time.

Serving with the WAC in the signal corps, her address is Sp/3rd Dorothy J. Causar, WA 8510641, 7th Sig. Svc. Bn., APO 55, New York.
