LEGAL NOTICES

ORDINANCE NUMBER 431
AN ORDINANCE PROVIDING FOR
THE NUMBERING OF RESIDENCES
AND BUILDINGS IN THE TOWN OF
SYRACUSE AND FOR THE
REGULATION THEREOF

Be it ordained by the Board of Town
Trustees of the Incorporated Town of
Syracuse, Kosciusko County, in the
State of Indiana, as follows:

SECTION I

That all dwelling houses, business
and commercial buildings and all im-
provements, other than out buildings
and accessory buildings, situated in
the Town of Syracuse and fronting on
any public street therein shall be
numbered.

SECTION II

That the base or starting point for
the numbering of all buildings and
improvements required to be num-
bered under Section I above shall be
the center of Main and Huntington
Streets in the said Town of Syracuse.
Main Street to be the East and West
base street and Huntington Street to
be the North and South base street.
For the purpose of this ordinance and
for said numbering, each street or part
of street in the town North of Main
Street and running North and South
shall have the word "North" prefixed to
its name, each street or part of street
in the town South of Main Street and
running North and South shall have
the word "South" prefixed to its name,
each street or part of a street in the
town East of Huntington Street and
running East and West shall have the
word "East" prefixed to its name, and
each street or part of a street in the
town West of Huntington Street and
running East and West shall have the
word "West" prefixed to its name.

SECTION III

That for the purposes of this ordi-
nance and for said numbering the first
block or square on any street in each
direction from either of said base
streets shall be numbered one hundred,
and the second block shall be num-
bered two hundred, and from there on
to the end of said street each consecu-
tive block shall be numbered one
hundred higher than the block next
nearer to said base street.

SECTION IV

(a) That in each block each full lot or
its equivalent shall be different by 6
from its neighbor or adjoining lot.
Buildings facing North and buildings
facing West shall be designated by
even numbers. Buildings facing South
and buildings facing East shall be
designated by odd numbers. The figure
"1/2" shall be added to designate upper
floor entrances.

(b) Where buildings are situated upon
one-half lots the building nearer the
effective base street shall have as-
signed to it the number applicable to
the full lot and the other building
shall have assigned to it a number
larger by 4. (Example: 413 South
Blank Street and 417 South Blank
Street, the difference in numbers being
4 on one-half lot designations.)

(c) Where buildings are situated upon
one-third lots the building nearer the
effective base street shall have as-
signed to it the number applicable to
the full lot and the other buildings
shall have assigned to them a number
larger by 2 running in the direction
away from the applicable base street.
(Example: 413 South Blank Street, 417
South Blank Street, and 419 South
Blank Street, the difference in num-
bers being 2 on one-third lot designa-
tions.)

(d) Where buildings are situated upon
one-half or one-third lots cross-
ing original lot lines the number by which
the building shall be designated shall
be the equivalent number determined
by applying the provisions of sub-
paragraphs a, b, and c of this section.

(e) Where the number by which a
building shall be designated can not
be determined by any of the provisions
of sub-paragraphs a, b, c, and d of this
section, the Building Commissioner for
the Town of Syracuse shall determine
and assign the number by which the
building shall be designated.

SECTION V

That for the purpose of this ordi-
nance and for said numbering, a block
on any street shall be from one inter-
secting street to the next intersecting
street, whether the same be shorter
or longer than an ordinary city block
and whether the said intersecting
streets or either of them shall cross
said street or only enter into and not
cross the same.

SECTION VI

That for the purpose of this ordi-
nance and for said numbering, diagon-
al streets shall be considered north
and south streets or east and west
streets as the case may be, according
to whether their course lies nearest
north, south or east and west: those
whose course lies nearest north and
south shall be considered north and
south streets, and those whose course
lies nearest east and west shall be con-
sidered east and west streets. Street
lying at an angle of 45 degrees shall
be considered north and south streets.

SECTION VII

That hereafter in case of the estab-
lishment, extension or vacation of any
street or part of street in said city, the
numbering on a part or whole of said
street as the case may be, shall be
made or remade to conform to this
ordinance.

SECTION VIII

That within ninety days after the
publication and final passage and
adoption of this ordinance, it shall be
the duty of the Building Commissioner
for the Town of Syracuse to notify the
owner or agent of the owner of each
building in the town fronting on any
street thereof to number said building
in conformance with this ordinance.
Said notice shall be in writing and the
number designated for the building
shall be specified therein and the time
within which said numbering shall
be done shall also be specified. Said
notice shall be served upon said owner
or upon the agent of the owner per-
sonally or by leaving a copy there-
of at the last and usual place of resi-
dence of said owner or agent. If the
owner of any building to be numbered
under the provisions of this ordinance
shall be a non-resident and shall have
no agent in the jurisdiction of the
town, the notice for such numbering
shall be forwarded to such non-resi-
dent by registered mail.

SECTION IX

Notice to the owner or agent of any
building to be numbered under the
provisions of this ordinance as pro-
vided for in Section VIII hereof shall
grant the said owner or agent at least
thirty days in which to comply with
said notice. The numbering shall be by
either raised or indented numerals and
said numerals shall be a minimum of
three inches in height. Said numbers

shall be in a conspicuous place on the
outside of the building or premises.

SECTION X
That hereafter from time to time,
as circumstances may require, in case
of the renumbering of any street or in
case buildings shall be built or rebuilt,
or numbers shall be destroyed, or for
any other reason buildings shall not be
properly numbered, notices shall be
given and the numbering required as
in this ordinance provided.

SECTION XI

Upon the failure of any owner or
agent of any building in the town to
conform to the provisions of this ordi-
nance after having received the notice
as provided for in Section VIII above,
and such owner or agent shall fail, re-
fuse or neglect to number the building
or buildings within the time specified
in said notice, the Building Commis-
sioner for the Town of Syracuse shall
cause the said building or buildings to
be properly numbered and the cost
thereof shall be assessed to the said
owner or his agent by the Town Clerk-
Treasurer of the Town of Syracuse. In
the event the said owner or agent shall
fail and refuse to pay the cost of such
numbering performed by the Building
Commissioner within thirty days from
the receipt of said assessment, the
Town Clerk-Treasurer shall certify the
amount due from such owner or agent
to the Kosciusko County Auditor for
collection as taxes. The mailing of said
assessment to the owner or agent shall
be taken as receipt thereof by said
owner or agent. Neither the Building
Commissioner nor any of his agents
shall in any wise be taken to be
trespassers when numbering buildings
under the provisions of this section.

SECTION XII
This ordinance shall be in full force
and effect from and after its passage,
publication according to law, and final
approval.
