Dear Editor:

This past week was set aside  
as National Newspaper Week  
a time for Americans to pay  
tribute to their nation dailies  
and weeklies, which act as one  
of the primary defenders of  
our basic freedoms. The Kos-  
ciusko County Chapter of the  
American National Red Cross  
is anxious to join in this tri-  
bute.

More particularly, we would  
like to take this occasion to  
acknowledge our debt of grati-  
tude for the job done year in  
and year out by your news-  
paper and its fine staff in in-  
terpretation that is vital in  
building the public under-  
standing and good will so nec-  
essary in carrying out our hu-  
manitarian aims.

The Kosciusko County  
Chapter has always been  
proud of its relationship with  
your newspaper and grateful  
for the great public service  
you perform in telling our  
story to the people of Syracuse  
and the surrounding area.

Our best wishes to the Syra-  
cuse Journal in the coming  
year.

Sincerely yours,

Fred J. Anglin

Kosciusko County Chairman

Thanks to the Syracuse-  
Wawasee Journal and Ameri-  
can Legion Post for sending  
me the Journal for the last  
year. It has made my stay in  
Europe more pleasant know-  
ing what the people back  
home are doing.

I am looking forward to see-  
ing the many changes that  
have taken place since I left.  
Thank you once again.

Editor, Journal:

After the breakup of the  
rendezvous on the island of  
the teen-age beer parties many  
persons have come to me say-  
ing they knew this was going  
on for a long time. Things  
just cannot exist if people  
knowing of it and doing nothing  
about it, and you now have  
township officers who will do  
something about anything un-  
lawful. There was very little  
publicity, no names, no arrests,  
no broken hearted parents to  
face the fact it was one of  
their sons and daughters who  
was or who has attended  
these drinking parties lasting  
until the early hours of morn-  
ing. Do you parents know  
where and with whom your  
children are when they came  
home after mid-night? The  
raid was tipped off by 7 boys  
in a boat the oldest 15 years  
of age with a bottle containing  
liquor thrown into the lake to  
get rid of the evidence and the  
time was after mid-night.  
They came from far and near  
by car and by boat and infor-  
mation furnished they have  
been able to buy beer and  
liquor from a couple of boys  
peddling it out of a car, and  
many of the big parties were  
promoted by a 17 year old  
Indianapolis girl.

Last Saturday evening three  
blond boys about 14 years of  
age loitered around the South  
Shore Hotel lobby until about

9 p.m. as they left each picked  
up a chair from an umbrella  
set on the front bank and  
started running for their  
boat at the hotel pier. They  
dropped the chairs when some-  
one shouted and roared away  
in their boat. Mr. C. E. Rich-  
ardson, Elkhart, Indiana, had  
two valuable chairs (\$150.00)  
each stolen from his boat a  
few weeks ago. This vandal-  
ism and stealing just will not  
be tolerated. If you see anyone  
acting suspiciously report  
immediately to Constable Jack  
D. Clark Ph. 105 or to Bud L.  
Cripe Ph 303-R, Frank Putt or  
Elmo Burson. These men are  
township law enforcement of-  
ficers, live in our community,  
serve without pay, and avail-  
able at all times willing to  
help, in any way to counsel  
these youngsters. The time to  
help is before things happen  
and its from this premise  
these men are trying to  
operate.

Know where and with whom  
your children are at all times  
save your self the sorrow if  
one of your sons or daughters  
are brought home by an of-  
ficer from one of these drink-  
ing parties. Just learned a  
group gathered one night last  
week end on Mason's Point  
burned the scaffolding and a  
ladder from a house under-  
construction nearby. You par-  
ents now know they are still  
trying to get away with flaunt-  
ing the law. They will be ar-  
rested venued to Juvenile  
Court and you may rest as-  
sured The Honorable Seth E.  
Rowdabaugh will have some-  
thing very interesting to say  
to them.

**Burl D. Silver**

DEMOCRAT

Fully Qualified and Able

Born in Boone County, Indiana, 1909. Mrs. Silver and I selected Kosciusko Coun-  
ty as our home, buying property near North Webster in 1952, after 17 years of legal  
and military service.

Educated at Ben Harrison and Lincoln law schools, graduating with a bachelor  
of legal law degree. Also attended a psychology course at Indiana U. Entered the  
practice of law with the firm of F. F. Knachel, at Indianapolis, in 1935.

Served until World War II as deputy clerk of the superior court in Indianapolis.  
Entered the chemical warfare branch of the armed services in 1943, discharged fall  
of 1945.

Served as legal counsel for the office of rent stabilization until 1953, practicing  
before state and federal courts.

Attends North Webster Methodist Church; Mason, Scottish Rite and Shrine.

If elected, I will give you your first full-time prosecuting attorney. I will not  
accept outside legal business that will interfere with the office of prosecuting  
attorney.

It is my belief that with a full-time prosecuting attorney, a deputy is an un-  
necessary county expense and could be eliminated from the budget.
