Board Names Speed Limits For Town Traffic Control

A resolution to regulate the traffic in the town of Syracuse has been prepared by the town board which designates speed limits and traffic control.

At the regular meeting Tuesday, with Don Fnyeart, town marshall, sitting in on the discussion, it was decided that West and South Main Street and Boston Street would be posted for 20 mph. North Huntington Street will have a 30 mph limit. Harrison and Lake Streets 25 mph.

Huntington Street south from Indiana Avenue is controlled by the state which has posted a 30 mph limit for SR 13 within the town.

Cross walks on Huntington, Boston and Main streets have been marked with white paint in accordance with the school patrol plan which will go into effect this year. A roving patrol will assist in directing children to the proper paths leading to the school.

Traffic controls will be in effect upon publication of the ordinance which will be done as soon as final approval by the board is given.

Otis Clyde Butt appeared in behalf of the Medusa Street association. He questioned the proper clearance of the overhang at Syracuse Enterprises. He also asked if it would be possible for the street to be given its full 40 foot width as in the legal description. Both matters are to be investigated by the board.

Ralph Disher Improves In LaPorte Hospital

Ralph A. Disher, 59, of Milford, brother of Vivian, Lloyd and Floyd Disher, was critically injured Saturday night when his truck overturned along US 6 one mile east of Walkerton. Taken to the Holy Family Hospital at LaPorte, he was reported to be improved Tuesday but still listed as serious.

Traveling east, State police said Disher apparently lost control of his vehicle an empty tank truck, when its front wheels dropped off the pavement onto the berm. In attempting to steer back into the highway, the truck flipped over twice in the middle of the road.

At first he was taken for dead. Officers arriving on the scene recognized that he was severely injured. Disher suffered broken ribs and internal injuries. Damage to the truck was estimated at \$3,500.

A former Syracuse resident, Disher managed the Milford hotel at one time and presently operates the Milford Cafe.
