Enrollment Tuesday in the Syracuse schools totalled 820 according to report of Lewis Immel, superintendent. Immel said an increase is anticipated as illness kept some pupils from reporting Tuesday morning for registration, and new families are moving into the community.

Registration according to grades are as follows:

First 75; second 71; third 95; fourth 80; fifth 78; sixth 81 which makes the initial enrollment for the grade school 480.

In junior high, seventh grade enrolled 70; eighth 58. Enrollment in high school shows ninth with 56; tenth 61; eleventh 57; and twelfth 38. Total for junior and senior high grades for first enrollment is 340.

In 1958, total enrollment first day was 481 in the first six grades, 322 in junior and senior high schools, making a total of 803.
