(Continued from front page)
Syracuse Church of God, Jonathan Club will stage the fry.

An advertiser writes "The article I advertised (last week) was sold from the Store News before the Journal was issued. Fine service." Even a conservative newspaper feels proud enough to brag about this from time to time.

Change in Schedules Is Effective Sunday

New passenger train schedules will go into effect Sunday on the Baltimore and Ohio Railroad, according to Agent Charles A. Caple.

Westbound trains will leave Syracuse at 5:10 a.m. local time, and at 1:15 p.m. Eastbound train from Chicago will be at 2:33 p.m. A second eastbound train, from Chicago, arrives here approximately 2 a.m., but only stops to discharge passengers, and does not run from Chicago on Sunday night.

The schedule changes coincide with the change to Daylight Saving Time of a number of cities. Syracuse and most of north-eastern Indiana have remained on fast time, all year for some time now.

We of the Katering Insurance Service wish to take this opportunity of expressing our appreciation to the Volunteer Firemen and others who have so unselfishly contributed of their time and money in the helping to re-organize and equip our fire department so quickly after our recent loss.

Windows Are Broken at Two Businesses

Two incidents where windows were broken by BB guns were reported in Syracuse over the week end. Damaged were windows at Gil's Pure Oil Station on South Huntington, and the Journal office, on North Huntington.

Sheriff's officers and marshals at Pierceton and North Webster reported more than \$2,000 damage done to homes and windows in that area. Apparently the incidents took place after 10 p.m. Sunday.

Local marshal Don Enyeart and deputies Dan Ganger and Fred Personette are participating in the investigation.

Ladies of Round Table:

The Ladies of the Round Table were entertained Monday evening in the home of Mrs. M. E. Rapp with Mrs. Clair Dreher as co-hostess. The president, Mrs. Dreher, opened the meeting with the pledge to the flag and the club collect. Fourteen members answered roll call with interesting assigned responses.

The program was given by Mrs. Eloise Method whose topic was "National Council of Churches" and by Miss Ethel Bowser who spoke on "Reforms of Pope John XIII."

A "Get Well" card was signed by all members to send to member Mrs. Orval Carr, who is a patient in Parkview Hospital, Fort Wayne. The hostesses served a salad course and coffee at the close of the evening.

Temperance Week

Mrs. Cleo Parrish, Fountain City, president of the Indiana WCTU, and Mrs. Paul Childress, Dunreith, general secretary of the Indiana YTC, have announced the observance of Youth Temperance Education Week 24-29 April as proclaimed by Governor Harold W. Handley.

A state-wide rally will be held Sunday at 2 p.m. (DST) at the EUB Church Portland. George R. Davis, Kokomo, principal of the Northwestern High School of Howard County and trustee-at-large of the Indiana Temperance League, will speak.

AT THE HOSPITAL

Vern Cory of Syracuse has been admitted to the Goshen General Hospital.

Janice Pilcher, daughter of Mr. and Mrs. Douglas Pilcher, has been released from the Goshen Hospital.

KINDERGORTEN ROUNDUP

The Kindergarten roundup will be held Monday at 7 p.m. in the kindergarten room in the elementary school building. To enroll for next year's classes the child must be five years old before 1 October 1960 and must take birth certificate. The Syracuse kindergarten is sponsored by the Junior Mothers Club and Mrs. Edgar Speer is the kindergarten project chairman.

OVERHEATED HEATER

Firemen were called Tuesday night to the Jack Vanderford residence on Ideal Beach, and they reported that a heater became overheated.

CORVAIR
BY CHEVROLET
DRIVE IT!
GET
OUR
DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor... real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Rear-engine traction... that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.
