## John LeCount, Malcolm Sidle Win Prizes

Eleven year old Malcom Sidle won second prize last week in the Let's Go Fishin' Contest with an 8 pound 33" pike caught in Wawasee. Malcolm is a summer resident from

First prize was awarded to John LeCount of Syracuse whose 34 1/4" pike tipped the scales at 8 1/2 pounds. This prize winner was caught in Syracuse Lake.

Both awards were presented Sunday night on the 10 o'clock WSJV-TV show over Channel 28 from Elkhart.

No tagged fish were caught last week.

All fish entered in the Let's Go Fishin' contest must be registered at the Ken Harkless Wawasee Boat company at Wawasee Lake.

Fish tagged with a 28 marker have first chance at the prize. First prize is a spin cast rod and reel by South Bend Tackle Company. If no tagged fish is registered during the contest week which goes from Friday noon to Friday noon, the largest untagged fish receives the prize with the next largest fish claiming second prize of a spin cast reel.

There are two more months in the contest. Final date is August 26. 500 tagged fish were placed in Wawasee Lake this year just as there were last year for the contest. So chances for catching a marked fish are better this year than last.

A grand prize will be given for the biggest catch of the season. A 12 foot aluminum fishing boat from Aero with a 5 1/2 h.p. Johnson motor from Harkless is a

prize worth fishing for by fishermen of all ages and skills. So join the fun and register your big fish at Harkless boat company.
