WHAT PRICE SOCIAL SECURITY!

"As news came that the federal budget for the year just ended showed a welcome billion dollar surplus, it was ruefully admitted that the Social Security fund had shrunk by the same amount. It wasn't forecast by the experts, who had thought the fund would be in the black after two straight years in the red. Even the new higher Social Security taxes weren't enough. It's a simple matter of more people taking more money out. And, if it goes on it is certain that taxes will have to be raised quickly just to cover present benefits.

"The plan to cover medical expenses would raise taxes, too, and steeply . . . Congress must not railroad through an ill-considered medical aid bill that will be a mortgage on our whole futures."

Views and Reviews . . .

Mr. and Mrs. Ralph Thornburg Jr. and Jill and Tom attended the Purdue-U.C.L.A. football game Saturday at Lafayette. It was not only the opening of the football season but, high school band day, too, with 125 bands, including Syracuse, with over 6,000 members participating. It was a warm day for football, they said, but a thrilling spectacle to see the 600 band students and hear them perform under the direction of Allen Harness.

While temperatures stayed in the high seventies and eighties all last week, color is beginning to appear in the maple tree foliage, a sure indication of fall. It still is a little early for much bright color even in Michigan, according to some who have driven north recently, but it won't be long.

Mr. and Mrs. Rue Hunnicutt left last week for Englewood, Florida, several weeks earlier than planned because they learned that their trailer had turned over during the devastating winds of Hurricane Donna.

Mrs. Melville Smith accompanied Mrs. Betsy Lynn to Indian Lake Estate, Florida, shortly after the hurricane ravage. Mrs. Lynn, a houseguest of Mrs. Smith for a month, tried for four days before succeeding in putting through a phone call to learn what damage if any had taken place. She finally learned that the damage in that area was not as severe as in other parts of Florida.

According to a TV report recently, Indiana auto license plates will sport new colors in 1961. Letters and numerals will be white on a red background. Distribution of the new plates already has started. Inmates at the Michigan City state prison make the plates, and trustys deliver them by truck.

John Gordy was taking a walk Sunday afternoon near his home. Looks like there is no "keeping a good man down" and he is proving that he is making a good recovery from a stroke suffered a little over two weeks ago.

Since the sidewalk is completed in front of the bank, it is beginning to look like it won't be much longer until workmen complete the outside work. Its hard to tell how fast the interior is progressing but today's impression is that it will present a spacious appearance.

Wednesday Club Luncheon Opens 1960-61 Program

The Wednesday Club enjoyed a social luncheon at the Wawasee Golf Club Wednesday September 21. Bouquets of large dahlias and fernery decorated the tables.

Mrs. Ben Crews, president, presided during the informal program devoted to amusing and interesting incidents of the summer as told by each member.

Serving on the committee with Mrs. Crews were Mrs. Richard Heyde, Mrs. Nelson Auer and Mrs. Miriam Ridings.

Mrs. Bill Warner of Kansas City, Mo., daughter-in-law of Mrs. Paul Warner, was a guest.

The next meeting will be October 5 at the Crews home.

Stover Hire Competes In National Race

Stover Hire competed in the national championship boat races at Terre Haute during the week end.

In the B Utility race, he won a first in the first heat. In the second he was washed out giving him an all over third place.

Thirty-six boats participated in the B utility class.

The next race will be at Marion September 24.

The Letter Box

(The Journal welcomes contributions to the Letter Box. Because of limited space, letters of 200 words or less are most suitable. All letters are subject to careful condensation. Requests that writers' names not be published will be respected, but the names and addresses must be submitted.)

☆☆☆

Just a few lines to let you know we survived Hurricane Donna and still exist.

All of us like it down here. Heard by way of "grapevine" it was rumored we were ready to come back. I don't know how such rumors start but this one is certainly unfounded.

I never realized a small town could be as peaceful and quite nor people so considerate, helpful and friendly as they are here. Even the town board here can get a lot accomplished for the good of the community without letting personal feelings or past experiences mar their working together.

We visited Saturday evening with Bill and Evelyn Cory in Orlando. Bill is with the Florida Highway Patrol. Hadn't seen them for years. Sure enjoyed ourselves.

Must close for now but will keep you posted from time to time.

Good luck on your semi weekly publication.

As ever, Pat and Cliff Cripe

From where I sit... by Joe Marsh

Huck Saves the Day

Saturday's always "together" day for Huck Roberts and his missus. Five days a week Huck's selling on the road, so they like to spend Saturday afternoon by themselves.

Most of Huck's friends know this and stay away unless invited. All except one couple. Then Huck found a polite way to send them home.

Soon as Huck would spot the couple driving up, he'd put on his hat and coat—and step out the front door. Polite as could be, Huck would say, "Sorry we can't ask you in, we're just on our way out!" Then, soon's

the couple drove off, Huck went right back inside!

From where I sit, neighborliness means a mutual respect between neighbors—for one's privacy, feelings and preferences. This holds for little things too. For instance, when a neighbor prefers a glass of beer or buttermilk, that's his business. And it's our job to respect his preference every day of the week—Saturdays, Sundays and holidays included.

Joe Marsh
