GREENCASTLE, INDIANA, SATURDAY, OCTOBER 7, 1939

NO. 306

HENRY PERDUE PLACED FIRST FOR HUSKING

HIGH SCHOOL AGRICULTURAL VOCATIONAL HUSKING CONTEST FRIDAY

AT FRANK DAVIS FARM

Evans of Green Township placed Third But Had More Weight Than Others

First high school agricultural husking contest staged in Green township, was held Friday afternoon at the Frank Davis farm of Roachdale with thirteen schools from the Tenth district, comprising Putnam, Montgomery, Boone and part of Boone county, taking part.

Mr. Akers, chairman of the agricultural committee of the Roachdale Club aided materially in the contest by furnishing wagons and horses, while the Farm Bureau supplied the motive power in the form of tractors and two teams of horses. Henry Perdue of New Richmond, high man in the contest, his net weight being 596 pounds. Donald Evans of Green township who was placed third, had more weight than any other contestant, but he was more corn left in the field and husks. The penalties applied finally put him in third place.

The contestants and the place in which they finished were as follows: Henry Perdue, New Richmond, 596 lbs.

Edward Whight, Thorown, 590.325 lbs.

Donald Evans, Green township, 595 lbs.

Canine, New Ross, 541.605 lbs.

Donald Knauer, Greencastle, 539.82 lbs.

Don Denny, Advance, 519 lbs.

Long, New Market, 451.5 lbs.

James Shera, Jamestown, 438.6 lbs.

Harold Gray, Waveland, 419.64 lbs.

Joseph Hammond, Reelsville, 407 lbs.

Jack Smith, Zionsville, 352.82 lbs.

Arthur Dye, Jefferson township, 350 lbs.

Donald Fulwider, Wingate, 262.05 lbs.

The winner husked 660.5 pounds during his 40 minute period, but was penalized enough to make his net weight 596 lbs.

H. Coughell of Reelsville was chairman of the committee having the contest in charge and it proved to be successful as well as it demonstrated that the modern farm is a good corn husker.

Petition Filed In Court Friday

HEIRS OF LATE JACOB CROUSE NOT SATISFIED WITH SETTLEMENT

The dissatisfaction held by some of the heirs of the late Jacob Crouse with the settlement of his estate, which was the cause of an extended trial in the Putnam court last term, in which a finding was entered that the court at that time, is the ground for a petition filed in court Friday afternoon asking that the final settlement of the estate be set aside. The suit is filed by Hodson, Lucas & Hillis of Kokomo.

The plaintiffs in this suit are Ralph, Robert, Fred, Philip and Deane Crouse, Nine Belt, Mabel Cooper and Maude Woods. Theodore Hawley as administrator of the Jacob Crouse estate, is named as defendant.

The complaint claims that there is considerable property—real and personal—in the estate which was sold or was not sold to the best advantage, whereby, it is claimed, the heirs did not receive as much of the distribution as they should.

CIRCUIT COURT NOTES

Fillmore State Bank vs. Herbert Lawson, (filed Nov. 17, 1933) dismissed. Same plaintiff vs. Claude Lawson and Robert Lawson, dismissed at costs of plaintiff.

Hartford Insurance company of Hartford, Conn., vs. Carl and Emma Brockshire, dismissed at plaintiff's costs.

Madison E. Masten vs. Philander Pratt, dismissed.

Secony-Vacuum Oil company, Inc., vs. Ernest F. Miller et al, condemnation of land, the defendants Miller filed a motion that their objections to the appraisers' report be dismissed, and the court sustained the motion.

FORUM SPEAKER

Dr. George B. Manhart

Dr. Manhart Will Be Speaker Sunday

PRESBYTERIAN CHURCH FORUM MEETS AT 10 O'CLOCK; SECOND OF SERIES

Dr. George B. Manhart, professor of European History of DePauw University, will speak on Sunday morning at 10:00 at the Presbyterian Church Forum.

This is the second of series of 30 Sunday morning discussions on popular subjects to be presented by authorities. This is one of the most outstanding series of programs that has been presented for Greencastle residents.

Dr. Manhart will speak on the changes taking place in Europe today as affecting Christianity in the various countries. His talk will not only be informative but will prepare the listener for the future programs to be presented on conditions in Russia, Germany and England, to be given on successive Sundays.

The program commences at 9:45 each Sunday at the Presbyterian church auditorium. The speaker starts at 10:00, and his talk is followed by discussion and questions. A hearty invitation is extended to everyone to attend these programs.

Nazi Offer May Alienate Italy

SCORN AND DERISION WERE HEAPED UPON FUHRER'S REICHTAG SPEECH

LONDON, Oct. 7.—(UP)—Adolf Hitler's "final peace offer" not only faces rejection by the allied powers but it may widen an apparent gap between Germany and Italy, it was understood today.

Scorn and derision were heaped upon the Nazi Fuhrer's Reichstag speech in quarters representative of British national opinion. But nobody here, taking the government and the people as a whole, had had the slightest idea that the speech would be acceptable.

More important, it was understood that Hitler made his "peace" offer against the strong advice of Premier Benito Mussolini, and that Joachim von Ribbentrop, German foreign minister, had brusquely brushed aside a program offered by Count Galeazzo Ciano, Italian foreign minister, in the name of his father-in-law, Mussolini.

Well informed embassy quarters reported that when Ciano went to Berlin Oct. 1 at the invitation of the German government (it was reported also that Mussolini was invited first and declined to go) he conveyed to Ribbentrop and Hitler a conciliatory peace plan which Mussolini had worked out, providing among other things for the re-creation of an independent Polish state of restricted size, its integrity to be guaranteed by all the great powers of Europe instead of by Germany and Russia alone.

20 Years Ago IN GREENCASTLE

Among members of the W. R. C. who went to Danville for the district meeting were Mrs. Lincoln Snider and Mrs. Walter J. Ashton.

The Veronica club met with Mrs. Otis Gardner.

Harry Hawkins purchased the Cloverdale garage, Roy Herbert was to operate it for Mr. Hawkins.

L. R. Eckhardt was assigned to the Fillmore and Bainbridge charges by the Northwest Indiana Conference.

(From Fincastle.) Milligan Young and family of Greencastle spent Sunday with Elmer Watson and wife.

Jacob Hirt, Jr., was confined to his home by sickness.

DR. C. S. ELL NEW HEAD OF UNIVERSITY

IS PERMANENT PRESIDENT OF NEW ENGLAND DEPAUW ALUMNI ASSOCIATION

FROM STAUNTON, INDIANA

Member Of Phi Delta Kappa; Daughter Is Graduate Of DePauw University

BOSTON, Mass., Oct. 7.—Dr. Carl Stephens Ell, a native of Staunton, Indiana, and permanent President of the New England DePauw Alumni Association, has been elected President of Northeastern University, it was announced here today by Robert G. Dodge, chairman of the board of trustees.

Dr. Ell, at present Vice President in charge of the Day Division at Northeastern, will assume his new office on June 30, 1940. He succeeds Dr. Frank Palmer Spore, Northeastern's president for the past 42 years, whose resignation will take effect at that time.

The new president has been a member of the Northeastern faculty since 1909, when he was graduated from DePauw University. He has been in complete charge of the Day Division since 1917, when Northeastern was reorganized.

Under Dr. Ell's direction, Northeastern's single Day College of Engineering has grown from a student body of eight to its present annual enrollment of approximately 2200. He also has added the Day Colleges of Business Administration and Liberal Arts, so Northeastern's day enrollment totals approximately 3500.

Dr. Ell is a Fellow of the American Association for the Advancement of Science, an Associate Member of the American Society of Civil Engineers, and a licensed professional engineer in New York, Maine, and Connecticut, although he does no more active work in the field.

He is also a member of the American Society of Mechanical Engineers, the Boston Society of Civil Engineers, the Engineering Societies of New England, the Harvard Teachers' Association, the Massachusetts Schoolmasters' Club, the New England Association of Colleges and Secondary Schools, and the Massachusetts Civic League.

Aside from his educational and professional affiliations, Dr. Ell is Vice President and a Trustee of the New England Deaconess Hospital, trustee of the Newtonville Methodist Church, and a member of Phi Delta Kappa, Delta Upsilon, University Club of Boston, Boston Chamber of Commerce, and Claffin Club of Newtonville.

His daughter, Dorothy Ell, is a graduate of DePauw.

Leaves Cancelled Due To Sabotage

CAPTAIN WIRELESSED HE HAD TAKEN NECESSARY PRECAUTIONS

SAN PEDRO, Cal., Oct. 7 (UP)—All leaves of sailors aboard the battleship U. S. S. Arizona were cancelled today, reportedly because of evidence of a sabotage plot aboard the warship.

Naval authorities declined to make any comment on a report that an effort had been planned to damage the big dreadnaught.

The spokesman for Admiral C. Bloch, commander-in-chief of the U. S. fleet, refused also to comment on a report that a casualty occurred aboard the ship in connection with such a plot.

Orders cancelling leaves aboard the Arizona also brought all shore-going members of her crew back aboard the ship.

After a week of target practice in the navy's drill waters off San Clemente Island, the Arizona had returned to the fleet anchorage in San Pedro yesterday.

METHODIST CHURCH CONFERENCE MONDAY

The first Quarterly Conference of Gobin Memorial Methodist church for the new year, will be held Monday evening at 7:00 o'clock. Heads of the various departments of the church will present written reports. Dr. J. E. Porter, superintendent of the Greencastle district will preside.

The High School and Intermediate Epworth Leagues of Gobin Memorial Methodist church held their annual hayride and wiener roast last night. There were 232 young people in attendance.

SWEEPING THE SEA—Nazis plant mines in the North Sea and the British take them up. Here are British mine-sweepers in "sweeping formation," as they clear an area of the deadly explosives. After operation, area is marked by buoys, to indicate it is free of mines.

Chandler To Be Appointed Monday

WILL RESIGN AS GOVERNOR TO BECOME UNITED STATES SENATOR

FRANKFORT, Ky., Oct. 7.—Albert Chandler's career will pass another milestone Monday when he resigns as Governor to be appointed to the United States Senate by his successor, Lieutenant Governor Keen Johnson.

On that day, a high official source disclosed, Governor Chandler, who only nine years ago assumed his first public office as a state senator, will submit his resignation, make a public statement and, with Johnson's appointment in his pocket, board a train for Washington to take the late Senator M. M. Logan's seat.

The 41-year-old Governor busied himself in his office today, seeking scores of visitors, making numerous last-minute appointments and cleaning out his desk and files.

In high honor, Chandler remarked he would carry an umbrella when he introduces Barkley. "That's appeasement for you," he chuckled. Barkley was opposed by Chandler for renomination last year in a spirited campaign.

For Johnson, too, Monday will be a red-letter day, for he will have the unusual experience of becoming Governor two months before he hoped he would. If elected Nov. 7, he will be the first Kentucky Governor to succeed himself in 36 years.

Because Logan died less than 60 days before a general election, Chandler will serve until the 1940 election.

Express Belief FDR May Mediate

PITTMAN BELIEVES PRESIDENT MAY OFFER SERVICES FOR EUROPEAN PEACE

WASHINGTON, Oct. 7 (UP)—Chairman Key Pittman, D., Nev., of the Senate foreign relations committee expressed belief today that President Roosevelt would again offer his services for peace in Europe but would delay until a "spirit of adjustment" is apparent.

Pittman, leading the administration's fight to repeal the arms embargo, gave his views to the United Press while the Senate began a week-end recess of its debate on neutrality.

"There is no doubt that the people of this country would welcome peace in Europe and that they have approved in the past the President's efforts in such behalf and would approve future efforts for peace by the President," he said.

"They must realize, however, that no such efforts would be effective unless welcomed by both sides to the controversy. Until the spirit of adjustment between the warring parties is definitely manifested, it probably would be considered by one or both parties engaged in war as an impudent interference in an existing war, if not uncalled-for intervention.

"Such matters are governed by the rules of diplomacy and international friendship and the President is best able to determine when conditions are such as to justify him in offering his services for peace.

HI-Y CLUB PLEDGES ELEVEN NEW MEN

The local chapter of the Hi-Y club, at a meeting at the high school on Thursday evening, passed on the names of eleven new men for membership into the organization.

The present club is composed of thirteen members and at the meeting they agreed to accept eleven new members. These men were pledged and will be initiated on Thursday evening at the high school.

The men now serving as pledges are: Bob Bills, Harold Quebbeman, Felix Cook, Charles Conklin, Dean Chapman, Bob Agnew, John Bamberger, Bill Mosely, John James, Wallace Martin and Frank Huestis.

At the meeting Thursday the club also decided to elect an advisory committee in addition to the sponsors. This committee is made up of Mr. Boston, Mr. Davis and Mr. Knebel. The sponsors are Mr. Elson and Mr. Ross.

Prolonged Case Comes To An End

ENTER JUDGMENT AWARDED COMPENSATION IN CONDEMNATION CASE

One of the most prolonged and expensive condemnation cases which has been tried in the Putnam Circuit court in recent years—that of the State of Indiana vs. Juanita M. Bly, Ernest Bly and the Home Owner's Loan Corporation, of Plainfield—came to an end, apparently, in the Putnam court Friday afternoon when the court entered a judgement awarding compensation totalling \$2,000.

The word "apparently" is used for the reason that the case seemed to have died once before but came to life again and had enough strength to fight vigorously through another bout in court.

The case was heard twice by juries, the first time the case being taken from the jury before completion and temporarily dropped, after a two-day hearing, but on its second appearance before the jury the latter was engaged five days or so and then disagreed.

The suit arose from the appropriation of a strip of ground along the side of a residence lot in Plainfield, needed, so the Indiana State Highway Commission claimed, for the widening of a state road extending north in that town from the National road.

Judge Jacob B. Lindsey appeared for the state's attorney general, with John H. James and Hughes and Hughes, Local attorneys for the defendants were Matt J. Murphy and Roy C. Sutherland, according to the notation on the docket.

In the finding as entered upon the docket the H. O. L. C. receives \$1500, of which \$100 is to be paid their attorney, Roy C. Sutherland. Mrs. Bly receives \$500, all of which is to be distributed among the four attorneys who represented her. Mrs. Bly receives nothing for herself.

LEGION NOTICE

The firing squad of the American Legion is asked to report at the Legion home Sunday afternoon at one o'clock to go to Roachdale to attend the military funeral of Levi S. Worrell.

The Putnam County Tuberculosis Association will meet at 12 o'clock Tuesday, October 10, at the College Inn.

WILL MAKE PROPOSALS IF FDR AIDS

HITLER WILLING TO MAKE SPECIFIC OFFER WITH MEDIATION OF PRESIDENT

DISCUSS DESIRABILITY FREELY

Leaders Feel A Call For An Immediate Armistice Would Be First Move

BERLIN, Oct. 7.—(UP)—Adolf Hitler is willing to make peace proposals in specific form if President Roosevelt will mediate between Germany and the allied nations, influential and responsible Nazi sources said today.

The "desirability" of mediation by the President, on the terms laid down by Hitler in his Reichstag speech yesterday, was freely discussed in leading Nazi circles.

A call for an immediate armistice would be the first move in any peace program, as they saw it, with an international conference to follow.

Nazis said Germany would accept the present status in Europe and to ask for herself only the return of the colonies taken from her as the result of the World war.

They said also that Germany would agree to immediate drastic reduction of armaments, to be effected by all powers.

Despite the almost decisive rejection of Hitler's "peace" speech in London and Paris, authoritative quarters, Nazi informants, in position to know the attitude of the government, professed to believe that Great Britain and France would not "remain cold" to mediatory offers.

Coupled with the suggestion that it would be nice if President Roosevelt cooperated with Hitler in arranging peace on Nazi terms as outlined in his Reichstag speech, the Nazis hinted that if the President failed to take advantage of his opportunity, a "peace move" by Benito Mussolini, in collaboration with Pope Pius and Gen. Francisco Franco, Spanish nationalist leader, would be essayed.

The Italian-Vatican-Spanish peace move "really was" imminent, the Nazis hinted, but the President would have time to act if he did so quickly, and would really be so qualified as head of a leading neutral nation far removed from Europe.

Levi S. Worrell Succumbed Friday

WAS VETERAN OF U. S. ARMY CAMPAIGNS AND DIED AT CRAWFORDSVILLE

Levi S. Worrell 87, retired farmer and a veteran of the U. S. army campaigns against the Indians, died in Crawfordsville Friday night at 7:40 o'clock. He had been ill for the past six months with a complication of diseases.

Mr. Worrell was a member of the United States army from 1878 until 1883, during which time he saw action against the Indians in western states.

He was born July 19, 1852, in Virginia, the son of James and Susan Boyd Worrell. He was married many years ago to Louisa Fields, whose death occurred in 1914. He was married a second time to Martha E. Stringer, who died Nov. 3, 1929.

Mr. Worrell was a member of the Roachdale Primitive Baptist church and of Roachdale Lodge, No. 602, F. & A. M.

Survivors include a daughter, Mrs. Otto Stewart, of near Roachdale; three grandchildren; one great-grandchild and a brother E. D. Worrell, of Lebanon.

Funeral services will be held at 2:30 o'clock Sunday afternoon from the Cholden Funeral home in Roachdale with burial in the Roachdale cemetery. Rev. Hancock of Orleans will be in charge. A military service will be given at the grave.

NEARS SHIP

(Continued from Page One)

Cobb, Ireland Tuesday.
To avoid hysteria, the 584 passengers, virtually all Americans fleeing from European war zones, were not informed of German Grand Admiral Erich Raeder's tip to the U. S. Government that he had information "on which he relied" that the vessel would be sunk just before it reached the eastern coast of the United States. Raeder required the U. S. naval attaché in Berlin to sign a receipt acknowledging that he had been given the warning.
High government officials placed little confidence in the German statement.

MANY TO ATTEND DAR CONVENTION; MRS. PORTER CANDIDATE FOR REGENT

Mrs. Lafayette Levan Porter is a candidate for the office of state regent of the Daughters of the American Revolution at their state convention to be held at the Claypool Hotel in Indianapolis Tuesday, Wednesday, and Thursday, October 10, 11, and 12.

Mrs. Porter will unveil a bronze tablet placed by the society under the picture of Caroline Scott Harrison at the Harrison Home Wednesday afternoon.

Following this the Caroline Scott chapter will entertain with a tea from 4 until 5:30 Wednesday afternoon at the chapter house for delegates and visitors to the state conference in honor of Mrs. Henry M. Robert Jr., president general of the national society, who will attend the conference. It is also in honor of Mrs. William H. Schlosser of Franklin, state regent, and national and state officers. Wednesday evening Mrs. Robert will speak to all of the delegates and guests. The election of officers will be held Thursday and the new officers will be announced Thursday afternoon.

Tuesday evening the processional

will include the members of Junior DAR with the Golden Wheel chapter of Greencastle being represented by ten members. Tuesday evening will be devoted to the younger members of the society.

Some of those from Greencastle planning to attend include Mrs. John Cook, Miss Grace Browning, Mrs. S. R. Rariden, Miss Virginia Rariden, Mrs. Lafayette Levan Porter, Mrs. Wilbur Donner, Mrs. Horace Askew, Miss Florence Evens, Mrs. Esther Jones, Miss Minnetta Wright, Miss Elizabeth Rariden, Miss Wilhelmina Lank, Miss Lenore Alsapugh, Mrs. Harry Wells, Mrs. H. J. Taylor, Mrs. C. J. Arnold, Mrs. Charles Rector, Mrs. Walter Ballard, Mrs. W. O. Timmons, Mrs. A. A. Brothers, Mrs. Donald McLean, Miss Emma Beckwith, Miss Ella Beckwith, Miss Virginia Dean, Mrs. W. R. Dean, Miss Ruth Robertson, Miss Nancy Porter, Mrs. T. G. Yunker, Mrs. Betty Yunker, Miss Elizabeth Peck, Miss Helen Browning, Mrs. Frank Stoessel, Mrs. Elmer Seller, and Mrs. J. W. Hellinger, Mrs. Ferd Lucas, Mrs. Ray Trembley, and Mrs. L. D. Snider.

Over-The-Tea Cups Club

Met With Mrs. Allen

Mrs. J. P. Allen, Jr. was hostess to the Over-The-Tea Cups Club for the first meeting of the year. Miss Genevieve Ames, Mrs. F. W. Hixson and Miss Pearl O'Hair were the assistant hostesses. Mrs. L. L. Messersmith gave a review of "The Need We Have" by A. Hamilton Gibbs. During the social hour refreshments were served to the members and guests.

Home Economics Club Meeting Postponed

The West Madison Home Economics Club meeting which was to have met October 19, has been postponed until October 20. Members are asked to please note change in date.

Willard Gough Honored On Sunday

Sunday, October 1 at the home of John Gough fifty-two relatives met in honor of Willard Gough's 82nd birthday. A large decorated birthday cake centered the dining room table baked by Mrs. Irene Gough. The following were present: Lee Williams and wife and daughter Elizabeth, Phil Williams, Albert James, Mr. and Mrs. James Hastings and son, Grover Gough and wife of Indianapolis, Wayne Gilen and wife of Dunkirk, J. Willard Gough and wife, Paul Hater, and family of Greencastle, Max Gough and wife, Martha Higgins and Junior Faller of Roachdale, Howard Gough and family, Arthur Sanders and family of Pittboro, Nettie Underwood and daughter Evelyn, and Lowell Underwood and family, Mrs. Dennis Richardson and family of Crawfordsville, C. Simpson and family of Wayne-town, Mr. and Mrs. Edgar Heaney and the honor guest Willard Gough.

Tune in W. F. B. M. at 12:45 and hear Asher and Little Jimmy. 5-3t.

Modern Priscilla To Meet Monday

The Modern Priscilla Club will meet Monday afternoon at 2:30 o'clock with Mrs. H. E. Williams, 105 west Poplar street.

Country Reading Club Held Annual Party

About fifty members and guests of the Country Reading Club met at the home of Mr. and Mrs. David Houck on Thursday evening for the annual family party. A delicious and bountiful dinner was a feature of the evening. Mrs. B. Frank Jones, the guest speaker, presented an interesting and instructive discussion of the Welfare Work in Putnam County, particularly as regards Old Age Assistance. Mrs. Verner Houck and Maurice Kersey sang two numbers and the company joined in singing familiar songs.

Hallowe'en Party Will Be Given

The Kum-Join-Us class of the Christian church will have a Hallowe'en party in the church basement at 7:30 o'clock Monday evening, October 9.

Come masked! The committee in charge will be Mr. and Mrs. Roland Heady, Mr. and Mrs. Elmer Abbott, Mr. and Mrs. Edmond Torr, and Mr. and Mrs. John Torr.

WORTH OF HOME INVESTMENT IS SEEN IN QUERY

QUESTIONS GIVE HOME BUYER IDEA OF STABILITY OF INVESTMENT

The present and future worth of proposed home investments can be determined by the answers to ten questions which Federal Housing Administration officials have devised. These questions are:

1. Does this structure conform to standards set up by the FHA, would the house qualify for an insured mortgage loan?

2. Has the subdivision been approved by the FHA as an area where will insure loans?

3. Does Demand Exist?

4. Is there evidence of a healthy active demand for homes in the neighborhood at the prices asked?

5. Are there any factors which make the neighborhood undesirable, such as fog, smoke, obnoxious odors, excessive noise, etc?

6. Are there good, rapid, cheap means of transportation to schools, employment, amusement, and shopping centers?

7. Do the water supply and sewer disposal systems meet with state and local sanitary and health requirements; and will the streets be paved in a manner acceptable to the community?

8. Properly Zoned?

9. Is the subdivision designed in accordance with general plans and zoning authorities, if they exist?

10. Do the deed restrictions give at least as much protection to home buyers as those recommended by the FHA?

11. Are the assessments and taxes reasonable and in line with the type of development contemplated?

12. Can the developers show that they are financially able to complete their sales and development programs?

13. Iron Railings

Simple iron railings may be effectively used on both the exterior and interior of the home, but they should be their widest service as a stairway and porch guard. Attractive designs are available for those who wish to add a decorative touch to their front-porch railing.

14. SAYERS INSURANCE AGENCY

As a buyer of INSURANCE do you give careful consideration to the standing of the COMPANY and the insurance experience of your agent? It costs no more to have the best.

EFFICIENCY IN FIREPLACE CUTS HEATING COSTS

Fall and Spring heating costs can be reduced by an efficient fireplace, and in extremely mild climates it is often found that no other heating equipment is needed.

Factory-made fireplace units, designed to circulate heat throughout the entire room and even into adjoining rooms, are being manufactured and may be installed in the home with funds obtained from qualified lending institutions under the Modernization Credit Plan of the Federal Housing Administration.

Fireplaces are also growing in popularity as a source of heat for basement recreation rooms.

Valuable Space May Be Redeemed From Attic Area

MODERNIZATION JOB CAN INCREASE LIVABILITY IN HOME

More and more home owners are learning that there is valuable space in the attic which can be reclaimed from cobwebs and old trunks and converted into bedrooms, study rooms, or play space. In planning this reclamation, the home owner should examine all details of the project as many problems are likely to arise before the job is completed.

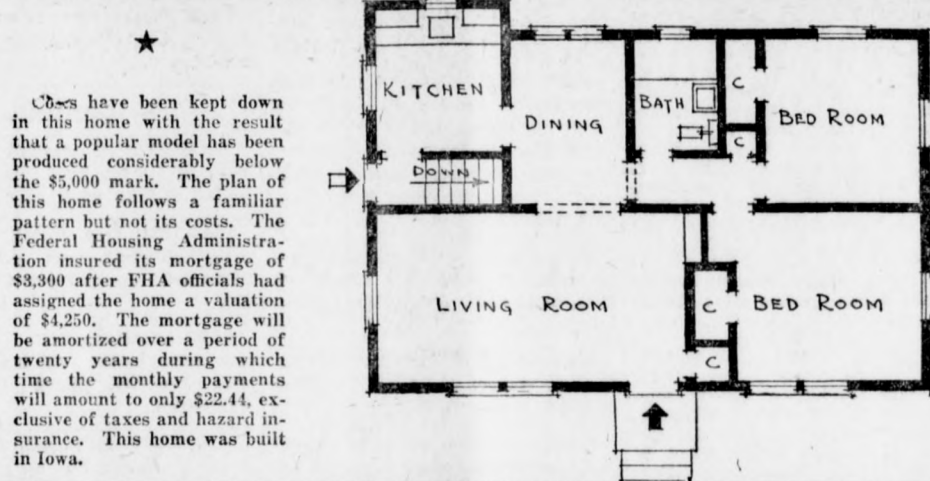

One feature of the modernization which must be handled properly to achieve a neat appearance is that of finishing the chimney. Plaster authorities say that if plaster is applied directly to the chimney, the shape of the bricks will soon show through. Also, they add, the bond between the bricks and the plaster is usually so poor that the plaster will crack and perhaps much of it will fall off.

If the chimney is slightly inclined, as is said to be the case frequently in older buildings, the sloping faces of the chimney will be too rough for plastering.

Encasing the chimney brickwork in metal lath to serve as a base for the plaster is said to be one way of overcoming these difficulties. Where the Modernization Credit Plan of the Federal Housing Administration is used to reclaim attic space, all of the work is included in one loan advanced by private lending institutions qualified by the FHA.

A Standard Plan

HINTS FOR HOME OWNERS

Fuseless Protection
Circuit protection without use of fuses is now available. A new breaker protection offers a convenient way to restore electrical service in case of overload. Moving the handle of the fixture restores service unless there is serious trouble in the line.

Like many other repairs or improvements to the electric wiring system of the home, these new circuit breakers may be installed with funds obtainable from qualified lending institutions under the Modernization Credit Plan of the Federal Housing Administration.

Dust Harms Varnish Job
Dust is an enemy to good results in varnishing, so when a job of this kind is undertaken it is well to remember that all materials and tools used should be kept as free from dust as possible.

Paint authorities advise that the rooms be kept dust free and that the brushes be kept clean and varnish cans closed except when in use.

Glass Showers Modern
A glass-enclosed shower bath adds a modern note to any bathroom. Ideal for the "extra bath," the one that does not contain a tub, glass cabinets accomplish much in stamping a home as modern and desirable.

Period Hardware
Colonial hardware is finding considerable use in small-home building, as it is well suited for use on Colonial and Cape Code type homes.

BUIS PLUMBING & HEATING

Good Design Needed In Homes
The principles of plan efficiency, economic use of materials, and proper equipment, which are important in any class of dwellings, become paramount in the design of small low-priced houses, Federal Housing Administration officials maintain.

Every square foot of space, every odd corner, every length of pipe, every pipe connection, every foot of lumber that can be eliminated must be saved.

At the same time, FHA officials explain, these economies and efficiencies may not be obtained at the sacrifice of substantial construction or of minimum standards for convenience and comfort.

The planning of the small house thus becomes a special art, rigidly limited by the necessity for low cost, yet none the less exacting in its requirement for functional arrangement and esthetic satisfaction.

Disappearing Stairway
Waste attic space may be eliminated by installing disappearing stairways and making access easier. Strong, rigid, and nonfolding, they are easily installed in either old or new buildings.

When not in use the stairway rests on the attic floor and thus does not take up valuable space in the room below.

BATHROOM ACCIDENT RATIO LOW, SAFETY COUNCIL STUDY SHOWS

Fewer fatal and non-fatal accidents occur in bathrooms than almost any of the rooms in the house, the National Safety Council reports in the 1939 edition of "Accident Facts," a statistical yearbook.

The Council analyzed 4600 home accidents occurring in Chicago. The study disclosed the following rating of the various rooms in the house with respect to the number of accidents:

Stairs and steps	23 per cent
Yard	19 per cent
Kitchen	18 per cent
Living room	9 per cent
Porch	7 per cent
Bedroom	7 per cent
Basement	6 per cent
Other rooms, including dining room, bathroom, pantry, vestibule, and hallways	11 per cent

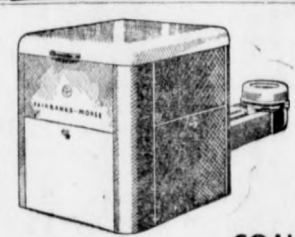

As a means of still further reducing the number of accidents in bathrooms, the Plumbing and Heat-Industries Bureau suggests the replacement of high tubs on legs with the modern low streamlined baths only 16 inches from floor to rim; the replacement of china faucet handles with metal handles; and the installation of grabbars over the tub, particularly if there is a shower.

MORE SUNLIGHT ENLIVEN OUTMODED HOME

Many home owners, in modernizing their houses, are making provisions for larger glass areas which bring life to a dull or slightly outmoded building, Federal Housing Administration officials say.

The free entry of sunlight and air into the home, from the attic to the basement, is being accomplished in many homes through the increasing use of corner windows, glassed-in dining alcoves, French doors, and even room-length walls of glass.

Old homes which do not have enough natural light may be remodeled to provide a more generous glass area with funds obtainable under FHA's Modernization Credit Plan from qualified lending institutions.

Century Old Home Now Replaced

FARM DWELLING, WEST OF BRICK CHAPEL, TORN DOWN

One of the old county landmarks was torn down at the farm of Joe Costa, a mile west of Brick Chapel, so as to make room for a new farm dwelling that is now being erected. The new dwelling is frame with asbestos siding and a shingle roof.

The old home that stood on the farm was built over 100 years ago. Rumors have it that the home was built 108 years ago. While over a century in age it was still in very good condition in many respects. The uprights and sills in the old house were of black walnut as were many of the timbers. The rest of the wood is poplar. Black walnut is no longer obtainable in many areas and the cost is prohibitive to use in ordinary construction.

The lumber being used in the new house will be well seasoned and will all come from the Metzger Lumber Company. The house will be a plain, modern 5 room farm dwelling.

Many New Roads

Cleve Thomas, at the corner of Bloomington and Washington streets is having his roof reshingled and some concrete work done on the driveway.

At the N. C. O'Hair farm on highway 43 north of here about seven miles, a new roof is being put on the barn.

Also getting ready for the winter with a new roof is Chas. Boatright on Hanna street.

On west Washington street, Mrs. H. Callender is having a new asphalt shingle roof put on the house.

Many other county residents are having minor repairs made on their roofs in preparation for the winter.

Let that furnace repair job slide until it breaks down on one of winter's coldest days... or let us recondition your heating plant now and be warm and comfortable all winter long. Estimates without obligation.

Coaches Drilling
Basketball TeamsTWENTY RECRUITS ANSWER
GLEN STEELE'S CALL
AT ROACHDALE

Coaches all over the county now have their basketball candidates in action as they prepare for their opening games which will begin with November.

At Roachdale the call for material was issued over a week ago and about twenty recruits answered the call. Coach Glenn Steele ordered the men into action on the outside court and drilled them in fundamentals.

Roachdale held several veterans last season, chief among them being Willard Eggers, Junior Young and Homer Rice. Old fans around Roachdale predict chances for a winning combination as being good even with this loss.

Roachdale's first game of the season will be at Jamestown on Nov. 1. Their 1939-40 schedule is as follows:

Nov. 1—Jamestown, there.
Nov. 3—Russellville, here.
Nov. 10—Pinnell, there.
Nov. 17—Linton, here.
Nov. 22—Bainbridge, there.
Nov. 29—Ladoga, there.
Dec. 8—Fillmore, there.
Dec. 15—North Salem, here.
Dec. 22—Beile Union, there.
Jan. 5—Ladoga, here.
Jan. 6—Linton, there.
Jan. 19—Fillmore, here.
Jan. 26—Bainbridge, there.
Feb. 2—Waveland, here.
Feb. 9—New Market, here.
Feb. 16—Cloverdale, here.
Feb. 23—Russellville, there.

Tune in WFBM at 12:45 and hear Asher and Little Jimmy. 5-3t.

VOLLEY BALL
MAY BE NEW
COUNTY SPORTSEVERAL TEAMS ALREADY
PLANNED; OTHERS
PROPOSED

WILL BEGIN PLAY SOON

A desire for some sport to keep them active in the winter has caused the formation of several volley ball teams. While most of the players who have expressed a desire to play are inexperienced it is hoped that some healthful exercise can be gained from the sport.

Lowell Hamilton, organizer of the teams, is hoping to have all the teams lined up as soon as possible. If it can be arranged there will be a meeting of all the captains on Tuesday and the first games will be played Thursday evening. The first few games will be practice sessions, however, so that any individual player or team desiring to enter the league may do so any time prior to Thursday.

At the present time Murphy's, Montgomery Wards and the Kiwanis have teams partially organized while the Rotary Club, the Christian Church and the Putnam County Graphic are planning to enter teams.

A volley ball team should be comprised of six players. The league will probably have six teams and the games will all be played on Thursday evening.

As there will be neither seasoned teams nor players it is hoped that anyone interested in entering a team or playing on a team get in touch with Lowell Hamilton at 312 or Frank Knebel at the Banner office.

Previews and Reviews
AT LOCAL THEATERS

Granada
Against the colorful setting of a prize-fight manager's office, an impatient woman was castigating an infuriated youth. He grabbed her arm, halting her hurried exit. The woman stopped, turned, and declared: "No, not that way, Bill. Grip my arm so tightly it hurts. Your audience must know you're so angry you don't know what you're doing. They must know I have to wrench my arm free."

And the scene for "Golden Boy," new Granada Theatre attraction with Barbara Stanwyck, Adolphe Menjou and young William Holden starred, was started over again.

Chateau
One of the gayest and fastest college romances to reach the screen in many months will be unveiled at a gala premiere at the Chateau Theatre Sunday, Monday and Tuesday when Walter Wagner's "Winter Carnival," co-starring Ann Sheridan America's comest girl, and Richard Carlson, will be presented to local audiences.

The story of "Winter Carnival," penned by Budd Schulberg, Maurice Rapp and Lester Cole opens with Bill Baxter played by Miss Sheridan, on the college special bound for the carnival. The temperamental young lady is running away from her recently divorced Duke who wants to win her back.

Voncastile
Melodrama that has never been surpassed in sea thrills, plus three superb performances from Wallace Beery, Chester Morris and Virginia Grey, make "Thunder Afloat," which opens Saturday midnight at the Voncastile Theatre, one of the ace productions of the season. Story of the improvised subchaser fleet and its courageous, untrained men who met the U-boat menace off the Atlantic coast in 1918, "Thunder Afloat" combines sea action even more exciting than that of "Captains Courageous," with a stirring story based on actual naval history and characterizations as authentic as the film's backgrounds. As a tugboat captain who joins the navy after a U-boat has sunk his craft, Beery turns in a portrayal that compares in all ways with the best of his previous hits, while Morris gives him two-fisted support and Miss Grey proves the wisdom of her selection for this, her first important feminine lead, as Beery's daughter.
