

# INSTITUTE WAS HELD WEDNESDAY AT CLOVERDALE

MEMBERS ATTEND SESSIONS HELD IN AUDITORIUM OF HIGH SCHOOL

BERT COFFMAN PRESIDED

Robert Reid Elected President For Coming Year. New Members Are Reported

Farm folks from the area surrounding Cloverdale went to the members' institute, held in the auditorium of the school building of that town, Wednesday, and participated in an interesting program.

Bert Coffman, president for the institute, presided. Arthur Adams was vice president. Mrs. Anna Doyle was secretary-treasurer and Mrs. Virginia Lewis was assistant.

The new officers elected, to serve in 1943, were the following: President, Newton Reid; vice president, Chas. Herbert; secretary-treasurer, Mrs. Virginia Lewis; assistant, Mrs. Frank Davis. The membership committee reported 44 new members, which brought a vote of appreciation from the audience for the committee members.

School students gave interesting programs just before the noon luncheon and at the opening of the afternoon program.

Mrs. Crosby, of the AAA county organization, spoke on work of her department.

Mrs. O. A. Scipio, of Lafayette, talked at the forenoon session on "Leisure Time Activities in the Home." In the course of her address, she said:

After eight years of study, a professor at Northwestern University says if you are a typical American and spend your leisure time in a typically American fashion you will divide your leisure time doing the following: 1. listening to the radio; 2. reading newspapers; 3. attending movies; 4. playing bridge; 5. motor-ing; 6. attending parties. He calls this the "rut of American leisure."

People have been more leisure-conscious the past few years. We have learned that by taking time out for recreation we can be more efficient in our work. With the complexity of problems confronting the world today we need more than ever to maintain a happy family life as normal as possible.

Emotional stress, such as worry, reflects itself in the lives of our children. Why not plan for good times together? Some families have family orchestras, others make an outdoor fireplace and have picnics, each one helping. A workshop in the basement for dad and the children solves the problem for some. Keeping scrap books of interesting events, family trips, etc., all have their places. It is just as important to teach our boys and girls how to spend their leisure time as to teach them how to work.

Otis Crane, of Marion, spoke on "Farming Then and Now."

The advancement of agriculture in America has been a late thing. In my own father's time, he cradled wheat. I have bound oats after his cradle in new ground where the stumps were so thick a reaper could not get the grain out without waste; 75 per cent of the people lived on farms in this state when I was a boy and there never was a time when a person needed to be unemployed.

But advancement in machinery and methods came. A straw stacker, a hand cutter, and self-feeder, traction engine. Similar advancement is being made in all farm machinery.

I can remember when hens were not expected to lay in the winter and women put up eggs in the fall so they would have them to cook for Thanksgiving and Christmas. Hy-

# Edgar D. Seller Expired Thursday

FORMER GREENCASTLE GROCER DIED IN INDIANAPOLIS THIS MORNING

Edgar D. Seller, age 55 years, passed away at his home in Indianapolis Thursday morning. He had been ill for some time. Mr. Seller moved to Indianapolis about twenty years ago, but before that he lived in Greencastle and at one time operated a grocery store here.

He is survived by the wife, the former Miss Margaret Lemmick, who has been ill at the City Hospital in Indianapolis for three months, due to an infection in the blood stream. Six sons and four daughters also survive, two brothers, Elmer Seller of this city and James Seller of Indianapolis, one sister, Mrs. John Layman of Morton and his father Walter D. Seller of near Hazelwood. Funeral arrangements will be announced later.

# University Forum Will Open Tonight

DISCUSSION OF POST WAR PERIOD IS OPEN TO THE PUBLIC

In keeping with its war program, the University announces a new feature, a forum type meeting, which will discuss the nature of the post-war settlement. Beginning this evening, it will be held in 103 East College on Thursday evenings from 7 to 8.

Each meeting will begin with an introductory talk of approximately twenty minutes on some phase of the topic to be followed by open discussion and questioning. Townspeople, students, and faculty are all invited to attend and participate.

Dr. Wildman will preside at the first meeting this Thursday. Professor Manhart of the history department will introduce the question, "What can we learn about the requirements for a peace settlement from the study of the origins of the last two wars?"

Later discussions will include a study of the relations between the methods by which this war is fought and the peace settlement, the political and economic readjustments which the peace settlement should include, and the ideals which must animate the settlement and its later enforcement.

It is felt that a meeting such as this will be available to more students. Too, it will have the advantage of more varied types of discussion and influence than a specific course in post war readjustment problems which only a limited number of students and faculty could participate.

# SCOUT CEREMONY

Local Boy Scouts presented a brief but impressive ceremony at the Voncest theater last evening in observance of the 32nd anniversary of the founding of this great organization. The Pledge of Allegiance to the Flag by the Scouts and the audience featured the ceremony which will be repeated tonight.

# U. S. STAND IN BATAAN SLOWS JAP SCHEDULE

GUNS OF MANILA BAY FORTS BIG FACTOR IN JAP DELAY

ALL-OUT DRIVE EXPECTED

Gen. MacArthur's Valiant But Weary Defenders Outnumbered Nearly Ten To One

# BULLETIN

WASHINGTON, Feb. 12.—(UP)—Japanese troops today occupied the island of Masbate, near the center of the Philippine archipelago.

WASHINGTON, Feb. 12.—(UP)—Japanese preparations for a "knock-out" of Gen. Douglas MacArthur's resistance on the Philippine island of Luzon have been battered and thrown off schedule by the squarely aimed guns of the U. S. forts in Manila bay, military observers believed today.

Supporting MacArthur's rugged stand on Bataan peninsula that has thrown back repeated Japanese frontal and flanking assaults, the guns of Corregidor fortress and nearby Forts Drum, Hughes and Frank have been "effective" in recent days in silencing the enemy's concealed batteries around Cavite naval base below Manila.

The planes of the tiny air force remaining to MacArthur have hunted out the concealed guns and directed the fire of the U. S. forts upon them, army communiques revealed.

Despite their overwhelming superiority in manpower on the Bataan battlefield—perhaps 150,000 men against MacArthur's 20,000 weary defenders—the Japanese sought to silence the four forts at MacArthur's rear before going all-out against his lines stretching across Bataan peninsula.

MacArthur's American and Filipino forces will be driven back into these forts, particularly the bastion of Corregidor just off the tip of Bataan, if they are overwhelmed in the Japanese grand assault which MacArthur expects to be unleashed at any hour.

The Japanese attempted "knock-out" on Bataan undoubtedly would have come before now, qualified military observers said, had not the fire of the American fortress guns—some of them 12-inch weapons—taken up every challenge of the Japanese batteries around Cavite.

So effective has been this answering fire, it was reported, that the Japanese have been compelled to shift their guns, thus delaying the attempted blasting of the forts. So long as the forts and their batteries hold out Manila bay can be virtually no use to the Japanese.

Sixty-six days after the Japanese invaders poured into the Philippines the men of MacArthur still were holding out valiantly, but the latest word received by the War Department carried the ominous message that still more Japanese reinforcements were on the way.

# Feb. 12--The Birthday of a Great American

THE VOICE OF LINCOLN DOWN THE AGES—"I always feel inclined, when I happen to say anything to soldiers, to impress upon them the importance of success in this contest. It is not merely for today, but for all time to come, that we should perpetuate for our children's children that great and free government which we have enjoyed all our lives. . . . Still, let us not be over sanguine of a speedy, final triumph. Let us be quite sober. Let us diligently apply the means, never doubting that a just God, in His own good time, will give us the rightful result."

# Awards Are Made At Belle Union

INSTITUTE HELD IN JEFFERSON TOWNSHIP PROVED BIG SUCCESS

At the farmers' institute held at Belle Union, on Tuesday, Oliver Stringer presided as chairman for 1942, and Zella Cummings was secretary-treasurer. The nominating committee for 1942 reported, naming Walter Keller chairman for 1943, Dora Prichard, vice chairman, and Miss Alma Hill secretary-treasurer for the next year. The attendance was 43 in the afternoon with all of the school pupils in addition, making a fine audience.

Mrs. Scipio and Mr. Crane, who have been the speakers at the preceding institutes in the county this week, delivered the principal addresses at the Belle Union gathering, in their usual happy manner.

Awards were made as follows: Eggs—Malcolm Neier; 2, Roland Neier; 3, Dillard Walters.

# 20 YEARS AGO IN GREENCASTLE

Prof. L. E. Michael, principal of the Cloverdale schools, spent the day in Greencastle.

Miss Mildred Wells, of the Central Normal school was here visiting her parents, Mr. and Mrs. Lee Wells.

Mrs. Walter Brown was ill with the grip. DePauw defeated Rose Poly in basketball, 64 to 14.

# HAS FOUR COMPOSITIONS OF OUTSTANDING MERIT

If music were rated as movies are, Dr. Van Denman Thompson, director of the DePauw School of Music would receive "four bells." His bell-ringing compositions follow: Bell-one—His motet for mixed voices, "Blessed Art Thou, O Israel," was listed by J. Fischer & Bro., New York City publishers, as a "best seller" for 1941.

Bell-two—His volume of Organ Meditations on Hymn-Tunes, published by the Lorenz Publishing Co., was listed as a "best seller" in its field for 1941.

Bell-three—Lyon and Healy of Chicago list his anthem, "Ride On!" as a "best seller" in Palm Sunday music. Another of his Lenten anthems, "Father In Thy Mysterious Presence," was a runner-up.

Bell-four—"Spring Bursts Today," was again selected on the "best seller" list of Easter Carols for the sixth consecutive year.

Truly, a four-bell tribute to DePauw's organist and composer.

# Death Summons World War Vet

BERT SMITH WAS EMPLOYED FOR MANY YEARS AT ZINC MILL

Bert Smith, age 62 years, passed away at his home on Crown street this morning. He was well known in Greencastle, having spent most of his lifetime in this vicinity. He was a World War veteran and was employed for many years at the American Zinc Products Company, until failing health forced him to give up his work a short time ago.

Mr. Smith was born May 9, 1879 at Manhattan, the son of Volney and Josephine Baker Smith.

Survivors include the wife, Mrs. Anna Layman Smith, one daughter, Mrs. Dorothy Hedge of Indianapolis, and one stepson, Jasper Miller of Michigan City. Two children preceded him in death.

Funeral services will be held at 10:30 o'clock Saturday morning from the Rector Funeral Home, in charge of the Rev. V. L. Raphael. Burial will be in Forest Hill cemetery. Friends may call at the Rector Funeral Home.

# FIREMEN MAKE NOON RUN

A fire in the roof at the Ward Mayhall home on Anderson street, soon after noon today, called out the fire department and inflicted some damage in the roof.

# Mrs. Sam Sweet Called By Death

WELL KNOWN LOCAL WOMAN PASSED AWAY THURSDAY AT FAMILY HOME

Mrs. Barbara Ellen Sweet, age about 92 years, well known Greencastle woman and the widow of Samuel J. Sweet, passed away Thursday morning at about 6 o'clock at the family residence on south Jackson street road.

Mrs. Sweet, born near Greencastle on May 22, 1850, the daughter of Mr. and Mrs. George Brown, had been a life long resident of Putnam county. She had spent all of her married life at the home on south Jackson street. Mr. Sweet died in 1929.

Survivors are four children, Mrs. Will Burks, Mrs. James J. Harold and Dora Sweet, all of Greencastle, and Thomas Sweet, of Anderson; 11 grandchildren and eight great grandchildren.

Funeral services will be held Saturday afternoon at 3 o'clock from the Rector Funeral Home. Interment will be made in Forest Hill cemetery.

Friends may call at the Rector Funeral Home at anytime.

# Fire School To Be Held Tonight

PART OF CIVILIAN DEFENSE PROGRAM FOR STATE OF INDIANA

Instructions in fire fighting will start tonight at 8 o'clock at the city fire department with the opening of a Fire Auxiliary School here.

This program is a part of the Civilian Defense program for Indiana and the local school will be in charge of city fireman William Lawrence. About 25 local men, selected from various organizations in Greencastle, are expected to attend the session this evening.

According to Fireman Lawrence, the work in the school will be taken up in units. Tonight's instruction will be on Forcible Entry. Other units are Ladder Practice, Hose Practice, and Incendiary Bombs.

The main purpose of the school is to have local men available to step into the fire department in case the regular force is called out in an emergency, such as a bad fire at one of the nearby defense plants or due to bombing of industrial areas in this section of the state.

# Disaster At Singapore Jolts Britain

FAIR-REACHING PARLIAMENT REPERCUSSIONS PROBABLY WILL BE RESULT

LONDON, Feb. 12.—(UP)—The Singapore disaster today shook Britain more than anything since the fall of France and symptoms appeared of "far-reaching parliamentary repercussions."

It was admitted frankly that if Burma and Java follow in the wake of Singapore even the personal position of Prime Minister Winston Churchill may be jeopardized.

The London Evening Star reported that Churchill will broadcast to the nation Sunday night, discussing the war situation in general and the Far East in particular.

LONDON, Feb. 12.—(UP)—A British military commentator said at 3 p. m. today that communications to Singapore appear still to be functioning.

However, the spokesman said he had no new report on the gallant stand of the outnumbered, out-gunned, out-planned garrison of British, Australian and Indian troops who are fighting on against an inferno of Japanese attack, ignoring a demand that they surrender.

The spokesman said that he had no information to confirm or deny the reports of the Japanese radio that an attack has been launched to clean up "the remnants" of the British forces in Singapore.

TOKYO, Feb. 12.—(Official broadcasts recorded by United Press at New York, London and San Francisco)—The main Japanese army entered Singapore city today for the decisive move in a campaign of annihilation against British troops who ignored advice to surrender, a Japanese Imperial headquarters announcement said.

Radio Tokyo said the Japanese soldiers had been unable to capture the entire city because they had been helping non-combatants.

The advance of the main army followed pressure against British defense lines by other Japanese troops advancing from Bukit Timah hill six miles from the city. These forces drove wedges deep into enemy positions in the city proper and cleared the way for the climactic advance.

SINGAPORE, Feb. 12.—(UP)—(Singapore radio broadcast recorded by UP in Calcutta)—Women and children are being evacuated to The Netherlands East Indies today. Stubborn fighting is underway.

A great pall of smoke lies over the city. The Imperial troops are destroying all materials which the Japanese might use.

The Singapore radio said that "when the history of the second world war is written Singapore will be a golden page," and paid tribute to all classes of the population for undergoing their ordeal with fortitude and without panic. It said that the Japanese had used three divisions of crack troops withdrawn from China "but they have not escaped punishment."

## CHINA WAS DISCUSSED AT ROTARY LUNCHEON

With the eyes of the world on the Far East theatre of war, the discussion of China by Mrs. A. R. Standing, hostess of St. Andrew's Episcopal Church, before the Greencastle Rotary Club on Wednesday was well timed.

Mrs. Standing's many years of experience as a missionary to China makes her well suited to talk on the background of China and the attitude of the Chinese people toward the war in which they have been engaged with the Japanese since 1937. According to Mrs. Standing, China was not prepared for war either from the state of mind of its people or from the standpoint of equipment. After over four years of fighting under Chiang Kai Shek, it's man power is better trained with the help of material sent to them by the United States and the people are more determined to free themselves from the Nipponese yoke.

bird corn was never heard of and a yield of from 60 to 80 bushels was marvelous.

But we are getting larger as more machinery is used. Before the war five million farm boys were not needed on the farms. They now have jobs in munition factories or are in the army or navy.

Mr. Crane closed his address with many illustrations of what is being accomplished by farmers of today, contrasted with those of past decades.

**ALL-STAR TILT HELD AT LOCAL GYM; BAND, DRUM CORPS PERFORM**

There was a good turnout last night in the local high school gym for the all-star basketball contest, between picked Greencastle and Putnam county teams, sponsored by American Legion Post 58. The game was held to stimulate the sale of United States Defense Stamps and the response to this cause was splendid.

As features of the evening, in addition to the ball game, the Greencastle high school band under Danny Hanna gave a most enjoyable concert. The Drum Corps presented its colorful Salute to Victory which also made a big hit with the crowd.

It was unofficially announced this morning that approximately \$400 in Defense Stamps were sold as admission to the encounter.

The Greencastle All-Stars won the tilt by a score of 22 to 15, from their friendly rivals from out in the county. The former local players held a 12 to 7 advantage at the half. Lineup and summary:

**Dutch Inflict Toll On Japan**

BATAVIA, Feb. 12—(UP)—Netherlands Indies mines and coastal guns have sunk three Japanese cruisers, a destroyer and a submarine off Ambon island since the Japanese attacked that naval and air force base 10 days ago, a Netherlands navy communique said today.

The success of the Netherlands forces was announced a few hours after Vice Adm. C. E. L. Helfrich, commanding the Netherlands navy, was named commander in chief of united nations naval forces in the southwest Pacific succeeding Adm. Thomas C. Hart, United States Navy, who was relieved because he was ill.

The first Japanese cruiser to enter the Ambon mine field struck a mine and sank within a few minutes, the communique said.

Two days later a submarine struck a mine in another field off the island, it was said, and was considered definitely sunk.

Another two days later, witnesses on the island shore saw a Japanese cruiser shaken by half a dozen heavy explosions, evidently caused by mines, and this cruiser also was listed as destroyed.

In the early phase of the fighting, 15-inch Dutch coastal guns at Ambon hit a cruiser and a destroyer, and late reports indicated that both sank, the communique said.

The Netherlands Indies news agency quoted well informed sources as predicting that Helfrich would continue the policy of closest coordination among Allied fleets in his new command.

**Cordell Hull Plans Vacation**

WASHINGTON, Feb. 12—(UP)—Secretary of State Cordell Hull, said by his associates to have been very tired and dispirited since the outbreak of war, today plans a southern vacation of several weeks.

An attack of gripe has kept him from his desk for more than a week.

His absence may revive reports that the 70-year-old secretary is contemplating retirement from active government service. They were current last spring when he went to White Sulphur Springs, W. Va., for a rest.

There was no official indication that his present plans for recuperation and vacation mean anything more than appears on the surface.

While Hull is away—probably in Florida—undersecretary of state Sumner Welles will be acting secretary.

The attack on Pearl Harbor was a tremendous blow to Hull because he had foreseen such a development and had done everything possible either to prevent it or to delay it until the United States was ready for quick and crushing counter-blows.

**REPAIR and PROTECT**

Every home that is made more usable by remodeling obviously requires far less materials than to build it new.

**The Government Recognizes This—Remodeling Has The Green Light**

IF YOU WANT TO BUILD A NEW HOME, NEW BARN OR OTHER BUILDINGS ON A FARM, YOU SHOULD HAVE NO TROUBLE. AMERICAN FARMS MUST BE MADE MORE LIVABLE, PROVIDE INCREASED STORAGE SPACE FOR CROPS, AND HAVE SHEDS TO HOUSE FARM MACHINERY IN LINE WITH THE GOVERNMENT PROGRAM.

### SLOW JAP SCHEDULE

(Continued from Page One)  
ments were moving into position for attack.

There is every indication, MacArthur said, of an "early resumption" of the enemy's big push.

Military equipment bearing U. S. markings which MacArthur himself sent to Japan 19 years ago as a gift of mercy—to relieve distress caused by the disastrous earthquake of 1923—is being used against him now by the Japanese, a War Department communique revealed.

From specially built barges which MacArthur's men captured on the west coast of Bataan peninsula were taken equipment marked "United States Army Transport Merritt."

This equipment, the War Department said, was part of a relief shipment sent to quake-torn Japan in 1923 from Manila under the direction of MacArthur, then commander of the Philippines Scouts Brigade.

RANGOON, Burma, Feb. 12.—(UP)—Empire defenders fought in a battle of mounting intensity today against a Japanese offensive driving northwestward from Martaban toward the Burma road, and blasted with artillery at a Japanese pincer effort to cross the Salween river in the north.

The "real battle of Burma" was underway, with the invaders estab-

lished on the west shore of the lower Salween, at Martaban, and smashing with increasing force in efforts to bridge the upper river at Faan, 30 miles north of Martaban.

The apparent Japanese strategy was to close a pincer first on Thaton, a key railroad center 28 miles northwest of Martaban, and then drive directly for the Rangoon-Man-dalay railroad portion of the Burma road only 70 miles from Thaton.

The loss of Martaban was acknowledged yesterday. It was the first Japanese break-through in force west of the Salween.

Imperial defenders smashed heavily on land at the invaders and ranged far to strike by air.

### FOUR ARMY FLIERS DIE IN CRASH OF BOMBER

SEATTLE, Feb. 12.—(UP)—A twin-motored army bomber from McChord Field crashed near Tolt, north of here, today. Sheriff's officers said four men were killed.

Military and civil authorities found wreckage scattered over a wide area of swamp land. Witnesses said the plane had been flying low.

Two bodies were found 100 feet from the main wreckage. Part of the fuselage was submerged in the swamp, hampering investigation.

Witnesses said they heard the plane's motors apparently running perfectly, then the crash.

## SIMPLE STONE MARKS LAST RESTING PLACE OF ABRAHAM LINCOLN'S MOTHER

A lonely, windswept hilltop in Spencer county where a simple stone marks the resting place of Nancy Hanks Lincoln was the scene of the annual memorial exercises this afternoon (Thursday, Feb. 12) as officials of the Indiana Lincoln Union and the Department of Conservation joined in placing a wreath on the grave.

Participating in the ceremony was Col. Richard Lieber, chairman of the executive committee of the Indiana Lincoln Union, and Hugh A. Barnhart, director of the Department of Conservation. Both spoke briefly, calling attention to the significance of the memorial area which encompasses the site of the home in which Abraham Lincoln lived for fourteen years, the grave of Nancy Hanks Lincoln, and the Commemorative Building—now nearing completion—which will finish development activities. The transformation of this area into a shrine of national importance, was cited as a demonstration of how civic minded people can work with government in worthwhile accomplishment.

Following the ceremony at the grave, the official party visited the Commemorative Building to inspect progress on the completion of the structure. It was recalled that just a year ago when a similar visit was made, the foundation of only one building had been completed. Today exterior construction work has been completed on both buildings and on the cloistered court connecting them. Work is progressing rapidly on the interiors but no attempt has been made as yet to determine a date for Lincoln, and the Commemorative dedication ceremonies.

### FILLMORE

Mrs. Lullie Clift entertained Saturday and friends extend hearty shower for her niece Mrs. Madonna Robinson English who lives in Lebanon. There were twenty-five friends and relatives present who showered her with many useful gifts.

The Day Gleaners Class of the Methodist Church assembled at the home of Mrs. Ruby Robinson Tuesday afternoon. The work was piecing on a quilt top. Plans were made to serve dinner at the sale of Charles Bowman Feb. 16th. A splendid idea has been adopted by the class to discontinue refreshments during the war. Twelve members were present to enjoy the meeting. The class will meet in March with Miss Mary Burks.

Mr. and Mrs. John Clark quietly observed their 60th wedding anniversary Monday. Their many relatives and friends extend hearty congratulations to them.

Beachwood Pleasant Circle convened at the home of Mrs. Elsie Ruark February 4th in an all day meeting. Ten members were present and they had an exchange of tea towels. A bountiful pitch-in dinner was served to which all did justice. The afternoon was devoted to the regular business meeting and entertainment. Mrs. Clara Talbott gave two interesting contests which were won by Mesdames Della Smyth and Jonnie Thomas. All departed at a late hour having spent a most enjoyable day with Mrs. Ruark. Mrs. Jessie Arnold will be hostess to the club March 4th.

Rev. Robert Crocker, Greencastle, and Mr. and Mrs. Wm. Oliver were entertained at dinner Sunday at the home of Mrs. Mattie Oliver.

Miss Josephine Ader who is taking nurses training at the City Hospital,
