

## R. ENJOYS ANNUAL DINNER PARTY TUESDAY

IN OBSERVANCE OF  
WASHINGTON'S BIRTHDAY  
ANNIVERSARY

### NOBLE ENTERTAINS

Louis F. Hays, Washburn  
chapter Regent, Presided At  
Well Attended Meeting

The annual Washington's birthday  
meeting of Washburn Chapter  
of the Daughters of The American  
Revolution, was held Tuesday even-  
ing at the Goble Memorial church  
close to 100 members and  
guests present.

Each card was Defense Stamp  
bearing a 10 cent stamp  
starter gift from Washburn  
chapter. "Corsages" of stamps of  
various denominations were present-  
ed to guests and officers of the  
chapter.

Louis F. Hays, chapter Regent,  
presided. Mrs. Pierce lead the  
singing in repeating the pledge to the  
flag and Mrs. Omer Beck gave the  
 Invocation. Mrs. Hays presented  
Mrs. LaFayette L. Porter, state Regent  
and a member of Washburn  
chapter who spoke briefly on the  
present conditions and the part the  
Daughters in Indiana as well as the na-  
tion is doing to aid the country. She  
also presented Miss Ella Beckwith  
and Miss Emily Beckwith, charter  
members of the Chapter who were  
present. Mrs. John Cook was chair-  
man of the Social committee.

Mrs. Ray Trembley is chairman of  
the program committee and she pre-  
sented Dr. Thomas B. Noble, Jr., of  
Indianapolis whose hobby is a study  
of the Navajo Indian and the making  
of pictures of the Indian and his na-  
tive country in the southwest United  
States.

In 1916, Dr. Noble was a camera  
man. Having snapped all the scenery  
around Indiana, he went to Arizona  
to find new landscapes.

He found the shots, all right, but  
when he came back, he had another  
hobby.

It wasn't just another fad, like  
posting butterflies in an album, or  
looking for seashells. He had discov-  
ered the Navajo Indians.

Dr. Noble had gone to the Navajo  
reservation to take pictures, and  
ended to admire the stately, digni-  
fied Indians, who now number 50,000.

Today Dr. Noble can show you  
the combination of two hobbies.  
Twice a year he visits the reservation,  
and each time he returns, he has  
more beautiful, breath-taking pic-  
tures.

In the doctor's private office is a  
running panel, about midway from  
the floor and ceiling. It's an inven-  
tion of his, built so that it is a simple  
matter to take an old picture out,  
and insert a new one.

In the backyard of his home at  
4801 the Michigan Road, Dr. Noble  
has built a glorified "hogan," or Na-  
vajo house. The real ones are tents,  
made of frames and skins. The doctor's  
is made of brick, with a round roof.

Inside is a collection of everything  
Navajo that can be moved. Arrow-  
heads, rugs, baskets, beads, head-  
dresses—almost every example of  
Navajo handicraft, is there for the  
inspection of his friends.

The doctor also has reels of color  
movies, showing all phases of the  
Navajo life, and especially their cere-  
monial dances. He spends part of  
his spare time lecturing to various  
groups about the Indians, and show-  
ing his pictures.

Although Dr. Noble knows several  
Navajo words of the Navajo lan-  
guage, he doesn't claim to be pro-  
ficient at it. He says it has been  
found that the language has no  
common root, or link with any other  
language. There is no written re-  
cord.

When things get just too hard to  
do, as happens every so often to a  
doctor, Dr. and Mrs. Noble  
travel for Chinle, Ariz. That's the  
thing off place. From there on  
it's a case of where-do-we-want-to-  
go.

The doctor recommends the coun-  
try highly, even to those who don't  
know Navajo or photography.  
"When you get out there," he says,  
"you see no living thing, you can  
show you've been worrying over  
nothing. It lets you relax."

### AWARDED SCHOLARSHIP

Superintendent Frank Jarrell re-  
solved word Tuesday that Miss Hel-  
ene Farrow of Clinton Center  
school has been awarded the  
Putnam county scholarship to But-  
ler university for the school year  
1942-1943.

## SERVING COUNTRY

Russell Gostage

Staff Sergeant Russell Gostage is  
the son of Mr. and Mrs. Fred Gos-  
tage of this city. He is a member  
of the 10th Air Base Sqd., Chanute  
Field, Rantoul, Ill. He enlisted in  
May, 1939.

## Legion Sponsors Oratorical Event

CONTEST TO BE HELD BY HIGH  
SCHOOL STUDENTS AT  
UNIVERSITY

At seven-thirty o'clock next Thurs-  
day evening representatives chosen  
from the various high schools in  
Putnam county will compete in an  
oratorical contest sponsored by the  
American Legion. The subject of  
the addresses will be the American  
Constitution, and the winner of the  
local contest will become eligible to  
compete in a district contest.

The American Legion hopes that  
through these contests, which are  
being held throughout the state, the  
young people of the high schools  
will become more vitally interest-  
ed in our democratic form of govern-  
ment. The public is cordially invited  
to attend the local contest, which  
will be held in Room 5, Speech Hall.  
The addresses will be brief, and the  
contest should be finished within an  
hour. The local chapter of the Leg-  
ion desires that, if possible, you sup-  
port with your presence this phase  
of its Americanization program.

## Farm Bureau To Meet On Friday

ANNUAL SESSION OF STOCK-  
HOLDERS WILL BE HELD  
IN THIS CITY

The Putnam County Farm Bureau  
Co-Op Association will hold its an-  
nual stockholders meeting Friday,  
February 20, at 10:00 o'clock at the  
Presbyterian church. A report of  
the last year's business will be given  
in the morning, also the election of  
five directors.

Lunch will be served at noon. The  
afternoon speakers will be Arthur  
Mullins, district supervisor, and F. K.  
Wadsworth of the accounting depart-  
ment of the Indiana Farm Bureau  
Co-Op Association.

All stockholders are urged to at-  
tend.

## OUTLINE WORK FOR WOMEN IN CIVIL DEFENSE

TRAINING COURSES OFFERED  
LOCAL WOMEN IN STATE  
PROGRAM

### THREE PRINCIPAL FIELDS

Namely, Nutrition, First Aid And  
Home Nursing Open To Women  
Of Greencastle

An outline of training courses to  
be offered women locally for their  
part in the civilian defense program  
has been developed and coordinated  
by Mrs. David Houck, chairman of  
women's division of Putnam County  
Defense Council and Mrs. Simpson  
Stoner, executive secretary of Put-  
nam County Chapter of the Red  
Cross, it was announced by C. H.  
Barnaby, Jr., County Chairman Civil-  
ian Defense Council.

The training courses center on  
three main fields, namely nutrition,  
first aid and home nursing.

### Nutrition

Mrs. Ivan Ruark has been ap-  
pointed county chairman of nutrition  
for the civilian defense council and  
the Red Cross. The program is be-  
ing set up by the State Board of  
Health, and is to get under way lo-  
cally as soon as plans are received.  
Classes will be formed to study prob-  
lems of nutrition, as proper diet is  
recognized as essential to health,  
stamina and courage. "Good food for  
America is ammunition for war," the  
American housewife is setting the  
training table for total war"—  
Paul V. McNutt.

### First Aid

In further coordinating the work  
of civilian defense and the Red Cross  
classes in first aid will be organized  
in the school buildings, DePaul  
University, Putnam county hospital  
nurses home, and other locations as  
interest in various sections of the  
county requires, it was announced  
by Mrs. John Cartwright, chairman  
of Red Cross First Aid activity. In-  
structors who have been recently  
trained will be assigned to these  
classes which will be scheduled for  
two afternoons or evenings each  
week for a five-week period.

It is planned to make this class  
work available to every woman in  
Putnam county desiring to take in-  
struction, as the Red Cross has just  
completed a training course which  
qualified sufficient instructors to  
cover the entire county.

A certificate in Standard First  
Aid can be obtained only if twenty  
hours of class work is taken under a  
certified instructor.

### Home Nursing

Mrs. L. H. Dirks and Miss Pauline  
Smith have been named co-chairmen  
of the important activity of home  
nursing. They advise that a course  
of 24 hours of either 6 weeks of 4  
hour classes or 8 weeks of 3 hour  
classes in afternoon or evening  
classes as each group desires will be  
conducted by registered nurses. A  
certificate for completion of course  
is awarded.

All registered nurses in Putnam  
county interested in teaching and  
conducting the Home Nursing courses  
are urged to contact Miss Pauline  
Smith immediately, in order that  
organization work may be completed  
by the time necessary material  
for the class work arrives.

Class work in Red Cross Home  
Nursing course teaches prevention  
of illness and accidents in the home,  
as well as care of the sick, care of  
mothers and children, and commu-  
nity health in the prevention and con-  
trol of communicable or contagious  
diseases.

### RECEIVES PROMOTION

Kenneth Scott Kirkham, son of  
Mr. and Mrs. William Kirkham,  
Highland street, has been promoted  
from private first class to the rank  
of corporal. The Greencastle boy  
is stationed at Pine Camp, New  
York. Private Robert Kirkham, an-  
other son of Mr. and Mrs. Kirkham,  
is a mechanic and is stationed at  
Camp Chorrera, Balboa, Canal Zone.

### TERHUNE DIES

POMPTON LAKES, N. J., Feb. 18.  
—Albert Payson Terhune, 69, inter-  
nationally famous as result of his  
stories about dogs, died today of a  
heart ailment. He had been in ill  
health for two years.

### DANCER RESIGNS

PHILADELPHIA, Feb. 18.—(UP)—  
Mayris Chaney, dancing friend of  
Mrs. Franklin D. Roosevelt, who was  
appointed to a \$4,600 a year job in  
the civilian defense program, resign-  
ed today.

## FILLMORE DEBATERS WILL GO TO BRAZIL

The Fillmore High School is listed  
as one of the four schools that will  
participate in a contest debate at  
Brazil next Saturday. The debates  
will be held in the form of a tourney  
with the affirmative and negative  
team of each school meeting the  
affirmative and negative teams of  
the other four schools.

The question debated this year  
by the Indiana State Debate League  
is: "Resolved: That every able bod-  
ied male citizen should have one  
year of full time military training  
before reaching the present draft  
age."

## Snow Follows Mercury Drop

WINTER WEATHER AGAIN VIS-  
ITS COMMUNITY ON WED-  
NESDAY MORNING

The robin that visited a West  
Side home a few days ago, and the  
flock of blue birds that Dr. Frank  
C. Tilden saw some weeks ago at  
his farm on Manhattan road, may  
be blaming their present predicament  
as regards the temperatures to the  
federal censoring of weather  
prognostications. Not finding the  
full reports of the probable weather  
changes in the newspapers, they  
had to rely on their own guesses,  
and guessed erroneously.

At midnight, last night, the ther-  
mometer reading was 24 degrees  
above zero and at 6 and 7 o'clock  
this morning it was 20 degrees. The  
wind came from the northwest, and  
it evidently had contact with snow or  
ice on its way here, as it was snappy  
with cold.

This cold snap will stop for a  
while the breaking up of road sur-  
faces in Putnam county, and else-  
where, but that trouble is merely  
postponed by the freezing of the  
road surfaces. However, the stiff  
crust on the roads now will permit  
the highway department to haul  
patching material to the breaks al-  
ready existing, over surfaces that  
had been too weak to stand up un-  
der heavy hauling while the sur-  
faces were soft from the thawing.

The freezing temperature has  
mowed down shoots of hyacinths  
and other early flowering plants that  
already had broken through the soil  
in lawns, and some wild flower  
plants in the woods and fields were  
beginning to appear above ground.

With the start it had this morn-  
ing, the day developed into a typical  
winter day, with a dropping tem-  
perature which reached 17 degrees  
above zero at 11 a. m.

The light snow of early morning  
became one that for a time was the  
hardest downfall of the winter so far.

## Damaged Warship Being Repaired

JAPS CLAIMED THEY HAD DE-  
STROYED U. S. DESTROY-  
ER "SHAW"

HONOLULU, Feb. 18 (UP)—The  
1,500 ton destroyer Shaw, which the  
Japanese "destroyed" in their sneak  
attack on Pearl Harbor Dec. 7, has  
reached the United States under her  
own power for reconditioning, the  
navy disclosed today.

The Shaw, which was in drydock  
when the Japanese attacked, was hit  
repeatedly by bombs, the navy said,  
one of which exploded her magazines  
and wrecked her forward section.

An emergency bow was construct-  
ed to enable the Shaw to reach a  
west coast port, it was announced.

The Shaw was launched in 1935  
at the Philadelphia navy yard. She  
was the second destroyer of that  
name. The first was cut in two by  
the British troopship Aquitania in an  
English Channel fog in 1918, but its  
commander, now Vice-Admiral Wil-  
liam A. Glassford, sailed the after  
part of the ship to Portland, England,  
50 miles away, receiving the navy  
cross for the feat. A new bow was  
constructed and the first Shaw  
served with the fleet until 1928.

## 20 YEARS AGO IN GREENCASTLE

Shelbyville defeated Greencastle  
31 to 24; Cloverdale defeated Emin-  
ence 31 to 21.

The elementary schools of Russell  
township led the list of townships  
of the county in attendance and New  
Maysville led in the high school list.

## Twelve More Young Men Enter The Army

These young men are the latest group from Putnam county to join the  
armed forces, the group going to Ft. Benjamin Harrison through the Selective  
Service Board.

Front Row — Robert Steele Allen, Orris Clay Johnston, Ernest Lane  
Steele, Edwin Oliver Coffin.

Second Row — William Stanley Foster, Carl Allen Torr, John Arthur  
Dobson, Harold William Coffman, Voris Anderson Etcheson, Cecil Bryan  
Perkins, Ernest Richard Bain, Forest Enos Williams.

### 311 IS PLANE TOTAL

Cecil Brown, Post Commander of  
the Greencastle Legion, reported a  
total of 311 foreign planes shot down  
to date by the Yankee fighters. Last  
week's total was 75 planes. Those  
who joined the Penny a Plane club  
are paying a penny for each plane  
shot down.

## Justin Godwin New Fire Chief

MAYOR W. D. JAMES ANNOUNC-  
ES HIS APPOINTMENT WED-  
NESDAY MORNING

Mayor W. D. James announced  
Wednesday morning that he had ap-  
pointed Justin Godwin as Fire Chief  
of the Greencastle fire department.

Godwin succeeds Harry Ragsdale,  
who recently went to LaPorte as a  
fireman at a defense plant. Rags-  
dale had asked the council for a 90-  
day leave of absence which was  
granted at the regular session of the  
Greencastle officials Monday night.

Chief Godwin has been with the  
department as a city fireman almost  
eight years, being the oldest member  
of the force in point of service since  
Ragsdale's departure. He was ap-  
pointed to his post by the late Charles  
F. Zeis when he became mayor  
his second term on January 1, 1935.  
Mr. Godwin is well known here. He  
is a World War veteran and a mem-  
ber of American Legion Post 58.

### LEGION MEN WILL HOLD DISTRICT MEETING FEB. 26

There will be a Sixth District Leg-  
ion and Auxiliary meeting at Craw-  
fordsville on February 26, it is an-  
nounced by members of the local Leg-  
ion Post. A large number of the  
Putnam county posts will attend the  
meeting.

### RURAL YOUTH MEETING

Fifty-four Putnam county young  
folks, members of the Rural Youth  
Club, attended the meeting in the  
Community Hall at Morton Tuesday  
evening. They participated in the  
round and square dancing, and in the  
program, which followed the busi-  
ness session.

Clinton township members were  
hosts and hostesses for the crowd.  
There were guests also present from  
Hendricks county. The next meet-  
ing will be held at the home of Eric  
Boesen, March 17.

## ALBERT ALBAUGH BACK HOME AFTER 17,000-MILE TRIP THROUGH 17 STATES

Albert E. Albaugh returned to  
Greencastle Tuesday afternoon from  
a trip of nearly 7,000 miles which  
took him through seventeen states  
in addition to Indiana.

Mr. Albaugh, who is 84 years of  
age, and one of the best known resi-  
dents of this community, left here  
on November 27th, for Seattle,  
Wash., for a visit with his son, Ralph  
and granddaughters, Oma, a senior  
in the University of Washington,  
and Mrs. Marian Albaugh Short. He  
said he was attending a church ser-  
vice with Marian on Sunday, Dec.  
7th, when the Japanese treacherously  
attacked Pearl Harbor. The min-  
ister interrupted his sermon to give  
the news to the congregation.

That night, according to Mr. Al-  
baugh, Seattle had its first blackout  
and no buses or autos were allowed  
to operate. While in Seattle, he also  
visited Miss Marjorie Smith, daugh-  
ter of Prof. and Mrs. O. H. Smith,  
city, who is to be married on Feb-

## Americans Flee Dutch Islands

U. S. CITIZENS DEPART AS JAP  
THREAT GROWS IN EAST  
INDIES

BATAVIA, Feb. 18 (UP)—Evacu-  
ation of Americans from the Nether-  
lands East Indies was speeded today  
as the threat of a Japanese invasion  
of Java increased.

Consul General Walter A. Foote,  
of Greenville, Tex., assumed charge  
of all evacuation arrangements and  
sought sailing accommodations for  
an estimated 100 Americans who re-  
main in Java.

It was revealed that Consul John  
B. Ketcham, Bayshore, N. Y., and at  
least eight American oil workers  
were trapped in Sumatra when the  
Japanese attacked Palembang.

However, it was believed that  
Ketcham was making his way safely  
through the jungle on the west side  
of the island from his post at Medan,  
past Palembang to Java.

Eight Standard Oil workers in the  
Palembang area were believed to  
have left there and were expected  
here today.

Two American missionaries, named  
Williams and Mow, have arrived  
in Java after escaping from Borneo  
by marching through the interior  
jungle and sailing to Java in Chinese  
junks.

## Extend Dollar Day Through Saturday

MERCHANTS GIVING PUBLIC  
ADDITIONAL DAYS TO PUR-  
CHASE VALUES

Due to the bad weather the mer-  
chants of Greencastle decided today  
to extend their Dollar Day specials  
through Saturday unless their supply  
is exhausted. They have many  
wonderful bargains offered to the  
public and everyone is invited to  
come in and look them over.

The merchants have offered these  
special values to accommodate the  
public and with prices and stocks as  
they are now the public should take  
advantage of these special opportu-  
nities which the merchants are giving  
them.

The quality of the merchandise is  
above average and such values as  
these should not be missed.

## VALIANT STAND IN BATAAN NOT FUTILE GESTURE

MACARTHUR'S EPIC DEFENSE IN  
PHILIPPINES TIES UP HALF  
OF JAP TROOP POWER

### EVEN JAPS PAY TRIBUTE

Americans Waging One Of Greatest  
Rear-Guard Delaying Battles In  
History Of Warfare

WASHINGTON, Feb. 18.—(UP)—  
Gen. Douglas MacArthur's epic  
stand in the Philippines is immobil-  
izing one-half of the entire Japa-  
nese manpower spread over the Pacific  
battlefronts, military experts es-  
timated today.

With his outnumbered and weary  
men still "fighting like demons"—  
the enemy's own tribute to their val-  
or—MacArthur was described as  
waging one of the greatest rear-  
guard delaying battles in the history  
of warfare.

"When strategy on this far-flung  
Pacific battlefield is considered, as  
well as the hopes of the United Na-  
tions in defending their other Pacific  
bastions, it is ridiculous to speak of  
MacArthur's resistance as a hope-  
less fight," said a military official.

The Japanese, according to the  
best estimates available in Washing-  
ton, have between 400,000 and 450,-  
000 men in action on the fronts  
stretching for more than 4,000 miles  
from the Philippines to the Indian  
Ocean, but not including China.

More than 200,000 of these troops,  
including some of the best shock  
troops of the Japanese war machine,  
are in the Philippines, either facing  
MacArthur's defenders on Bata-  
naan peninsula or policing Manila  
and the occupied areas.

MacArthur's men are understood  
to number only about 20,000, with  
perhaps two Filipinos for every  
American. And every man of them  
knows as he beats off attack after  
attack that he has virtually no hope  
of evacuation or reinforcements of  
men or planes.

But so long as the fighting rages  
on Bataan peninsula the Japanese  
cannot divert many men or weapons  
for their big thrusts at the Burma  
road, at Sumatra and Java 1,500 and  
2,000 miles to the southwest across  
the China Sea.

In fact, the enemy is being com-  
pelled to move up reinforcements of  
troops, artillery and warplanes in  
evident preparations for an attempt-  
ed knockout of MacArthur's 72 days  
of resistance, communiques of the  
past 48 hours revealed.

Military observers speculated that  
the Japanese commander-in-chief in  
the Philippines, Lieut. Gen. Masar-  
ahu Homma, probably will unleash  
his all-out attack soon in hopes of  
being able to send a large part of  
his 200,000 or more men to other  
fronts.

If MacArthur were to be driven  
from the island of Luzon and back  
upon Corregidor fortress, Homma  
would be able to release thousands  
of men, because the final phase of  
the battle of the Philippines would  
then become a siege assigned largely  
to dive-bombers and Japanese guns  
around Cavite on the eastern shore  
of Manila Bay.

## CUB PACK 99 WILL GET CHARTER TONIGHT

Cub Pack 99 will receive its char-  
ter tonight at a pack meeting to be  
held in the basement of the First  
Christian church. Robert Dean,  
Scout commissioner, will present the  
charter. In addition to the charter  
presentation Cubs and their leaders  
will receive registration cards. Those  
Cubs who are ready for advancement  
will receive their awards. All par-  
ents and Den Chiefs should make a  
special effort to be present. The  
program will open promptly at 7:30.

## High School Highlights

(By Georgia Anne Zeis)

In recognition of National Negro History Week, the Langston Hughes Literary Society of Greencastle furnished the program at the high school convocation Tuesday.

Mary Pittman, president of the society, introduced Margaret Pittman Lassiter who outlined the purposes of the week and gave an account of some of the contributions the negro race has made. Among those mentioned as outstanding were Marian Anderson Carver and Percy L. Julian in science, Booker T. Washington and Richard B. Harrison in education, Joe Louis in sports, and Paul Lawrence Dunbar and Richard Wright in literature.

Mary Lou Pierce sang "Summertime" from "Porgy and Bess" and William "Pat" Buckner read three original poems, "Pipe Dreams," "Paying Time," and "Prayer."

The program closed with the singing of James Weldon Johnson's hymn, "Life Every Voice and Sing," after Ruth Richard's explanation of its writing and adoption as the negro national anthem. Others participating in the program included Mary Buckner, Julia Rickard, and LaVerta Buckner.

### INTEREST AROUSED

The appearance this morning of newspaper publicity from Clinton of the possibility of the dismemberment of Vermillion county, because of the taking of so large a tract of its land for military purposes, and the assignment of the parts to adjoining counties, or to the state of Illinois, has aroused the interest of politicians of the county.

Vermillion is one of the ten counties of the Sixth Congressional district, which also includes Putnam county. It is composed of a strip of land only a few miles wide, extending lengthwise north and south along the Wabash river. The county adjoins Fountain and Parke counties along most of its east line, and Vigo county is along its narrow south extremity.

The interest of politicians is in the effect on the vote of the district if

the territory comprised within the county now were to be divided, among other counties, and particularly if it were to go to the state of Illinois. The latter is probably, only a very remote possibility but the Wabash river, which is the state line farther south, flows north and south along the eastern edge of the county, and if the river were to be taken as the state line in that area, as well as in other areas, the greater part of the present Vermillion county would fall within Illinois.

The votes of Vermillion county are of importance in congressional contests. In 1936, it cast 6702 votes for the Democratic candidates for secretary of state, and 4475 for the Republican candidate for that office. However, its vote-alignment is uncertain, and that uncertainty will be increased by the impending influx of thousands of new residents because of the new defense project.

Any change made in the county boundaries, or their elimination, would have to be made by the Indiana Legislature.

### SUCCESS INDICATED

The annual "Profit From Pasture" meeting sponsored by the Central National Bank of Greencastle should be the success this year as in previous years when many Putnam county farmers have gained by their attendance. With Jim Poole, well known radio commentator on the program, and with C. M. Long scheduled to talk on soil conservation, the entertainment and instructive values of the meeting are well assured.

The Central National Bank is asking all who will be their guests at noon luncheon to kindly notify them in advance of the meeting which will be at the Gobin Memorial Methodist church on Friday, February 20th.

The identity of names of Estel McCloud of Jackson township, and of Estel McCloud, son of Mrs. Forrest McCloud, Hanna street, city, has caused some little confusion. The Jackson township McCloud was a defendant in the Putnam circuit court last week and received a sentence. The Greencastle young man of the same name has never been in court on any charge.

Mrs. Joseph McCord was a visitor in Indianapolis Wednesday.

### Tri Kappa Met With Mrs. Killinger

Active Chapter of Tri Kappa met Tuesday evening at the home of Mrs. D. W. Killinger. Announcement was made at the meeting that the state organization of Tri Kappa has purchased a motor unit and presented it to the Red Cross. This motor unit is valued at \$1500 and will be used to collect blood plasma and is one of many such units being used all over the country. Each organization of Tri Kappa has made this fine gift possible.

Mrs. Joe Bamberger, who is in charge of knitting for local Red Cross chapter, was a guest at last night's meeting. She explained the great need for knitters for Red Cross and she announced the large quota recently received for the chapter. Tri Kappa answered this urgent call and will undertake as much of the knitting as possible. Many orders were placed last night for yarn for socks, cap mufflers, beanies, scarfs, mittens, gloves and sweaters. Mrs. Moseley was made chairman to take care of the Tri Kappa knitting.

## DePauw News

Thursday will bring two interesting programs to the DePauw campus. Rabbi Maurice Goldblatt, well known Indianapolis Jewish leader, will make the regular chapel address, and the second meeting of the DePauw Forum for the Discussion of the Post-War Peace Settlement will be held that night.

Rabbi Goldblatt's address will be made in Meharry Hall at 10:00 o'clock. He will speak on "Where Jews and Christians Meet." Later in the day Rabbi Goldblatt will speak in a class in Religious Education in the community and to the Religious Education Club that meets Thursday at 7:15 in the Gobin Memorial chapel.

Rabbi Goldblatt is a native of Springfield, Illinois, and a 1929 graduate of the University of Cincinnati. He was ordained a rabbi in 1931. Since then he has been associated with the Indianapolis Hebrew Congregation and is a member of the Commission on Jewish Education of the Union of American Hebrew Congregations and the Central Conference of American Rabbis.

The DePauw Forum for the Discussion of the Post-War Peace Settlement will hold its second meeting Thursday in Room 103, East College. The meeting will begin at 7:00 o'clock and will be presided over by Sam Hanna.

Dr. Hiram Jome of the DePauw economics department, will open the discussion with a talk on "The Methods By Which This War is Conducted, and Their Relations to the Peace Settlement." Each meeting includes a talk approximately twenty minutes in length, followed by open questioning and discussion. Greencastle citizens as well as members of the faculty and student body of DePauw are invited to attend and participate in the discussion.

Dr. Clyde E. Wildman, president of DePauw University, will be the principal speaker at the Chicago DePauw Alumni Club luncheon held Saturday in connection with the Hoosier Art Salon at Marshall Field & Company in Chicago. Dr. Wild-

## Tiger Cubs Weak On Defense As Brazil's Bricks Win Contest, 55-45

The Tiger Cubs failed to guard their own basket last night over at Brazil and consequently the Bricks won a high-scoring high school basketball encounter to the tune of 55 to 45. Yes, sir, the Greencastle boys were woefully weak on defense. Not once, but at least ten times, three Brazil boys dashed down the hardwood court with the ball and not a Cub player was back on defense, possibly with the exception of Don Goodman, who turned in the best performance of any boy on either team. We certainly hope that Elson brushes up on defensive tactics before the sectional tourney next week.

Greencastle made enough points to win most any contest—45. But on the other hand, Brazil rang up 55. You might say that the Brazil defense was 10 points better than Greencastle, and that wouldn't be saying any too much.

The Cubs led at the half, 27 to 26, and registered 18 points in the last half while the Bricks, almost unopposed around the hoop proceeded to collect 29 more points to take the tilt hands down.

In our opinion, and we have played and watched basketball games since 1917, Elson's best combination consists of Grimes and Goodman, forwards; Westfall, center; York and Houck, guards. We, and a lot of local fans, would like to see these boys get a chance to play longer at a time together. Of course we believe it is all right to substitute, but when a quintet is clicking we can't see the advantage of breaking up a group of net tossers who are turning in a creditable performance.

Now the Cubs have another tough opponent Friday night in the local gym when the Columbus Bulldogs invade the city. Our prayer is that Elson will have a defense that won't let the visitors hit the jackpot for 55 points.

We don't know who was assigned to guard Redenberger, Brazil forward, who wore a No. 9 on his jersey. This young man found Greencastle's defense to his liking and hit 10 field goals and 6 free throws for a total of 26 points.

Goodman connected for 8 buckets and a toss from the charity stripe for a total of 17 points. Houck with 5 baskets and a foul shot was right behind Goodman with 11 points.

Greencastle's B team managed to crash through and take the measure of the Brazil reserves by a score of 30 to 29. Frye, Hanlon and Bowles led the offensive for the locals.

An unusual kind of a damage suit was determined in the Circuit Court this forenoon in which an eight-year-old boy, by his next friend, who, in this case was his father, was given a judgment for \$100 for personal injuries. The defendant was the Franklin School Township of Putnam county and the plaintiff was Melvin Ford, son of Jesse Ford. The suit arose from the fracture of the boy's thigh when he fell from a rotating swing on the school ground at Roachdale. It was shown that the swing was slippery from weather conditions. He was confined to the

**TAXES BEING PAID BETTER THAN USUAL**

A few days ago the county treasurer, Miss Catherine Long, pointed with some pride to the depleted collections of personal property tax receipts left in the filing cases in her office. A year ago, those boxes were full to the brim with receipts. The presence of a receipt in a filing case means the taxes represented by the receipt have not been paid, because the receipts are made out in advance and filed, ready to be handed to the taxpayer the moment he turns in the cash represented by the receipt. If the receipts are left on hands, it signifies the taxes have not been paid.

But, this winter, the repositories of the receipts have taken on a lean and hungry look, because personal property taxes are being paid by persons owning automobiles or trucks, who never before gave a thought to the paying of little matter of paying taxes on the machines and other pieces and articles of personal property. But, under the law now in operation, a license for such a motor vehicle cannot be issued by the branch license agency unless the request for such a license is accom-

panied by a receipt for the payment of personal taxes.

This month is a short one, and the

dead-line for securing these vehicle licenses, which is March 1, will arrive within less than two weeks, one week from next Sunday, in fact.

On the streets and highways of the county the new plates greet the eye on apparently less than half of the total number of such vehicles in the county, which signifies there will again be the last-day rush at the license agency.

Forty-six hundred automobile plates are accredited to Putnam county, as the number probably needed throughout the season, but, as a rule, an additional order of plates by the agency is needed later in the season.

**APPELLATE COURT SETS  
DATE TO ARGUE OLD SUIT**

The State Appellate court notes this morning announce the setting of a date in that court for oral arguments in the old suit of the State Public Service Commission against the city of Greencastle. The date fixed is March 10, at 10 a. m. Each side is allowed one hour for its argument.

This is the suit brought by the Public Service Commission for the collection of slightly more than \$3,000 in fees for two appraisements of the Greencastle water works property in connection with rate-changing petitions, at the time the water works system was owned by an incorporated company and long before it was bought by the city.

The commission maintains the unpaid fees became a lien upon the property itself and followed the property through its change of ownership to the city. The city denies the contention. The suit was filed in the Putnam circuit court but was sent to Danville and was tried there a couple of years ago

before Judge Horace Hanna, who ruled in favor of the city. The Public Service Commission appealed the case to the Appellate Court and it is now being advanced toward a final decision.

A finding by the state court against the city would put upon the city not only the burden of paying the old fees but also the costs which have accrued.

**NUTRITION LESSONS**

One of the best ways to get nutritional information into the home is to have the homemakers carry it there. A series of six nutrition lessons will be offered to parents of the Bainbridge community beginning on February 19, at the school building, 7:30 p. m. These classes are to be conducted by Bernice Steward, vocational home economics teacher.

Why not attend these classes? Home defense is being emphasized throughout the nation. Mothers are concerned over rising food prices and the problem of providing nutritious meals within limits of a fixed food budget. Everyone must be well nourished if he is to be healthy. Healthy people add to the strength of our nation.

Meal planning, marketing, and food preparation are among the subjects which will be taught during these lessons. There are no fees for attendance.

The Store of Furniture

...When you patronize your home-town stores, you are helping yourself, your local merchants, and your country...

• **WHETHER** you need pants, pianos or pickled herring, your local merchant has them! If he doesn't, he can get them for you just as quickly, and cheaply as the merchant in another town, miles away. In fact, your local dealer can supply your needs more cheaply because you have to drive maybe 24 or 37 or 61 miles to buy your prunes or percolators out of town, and then drive back. And if you aren't your own

delivery boy, then the out-of-town store has to send somebody on the same round trip you made. Either way—the cost of the gasoline, rubber tires, etc., certainly must be included in the ultimate cost of your out-of-town purchase.

Patronize your home town folk—for your own sake, first; and, second, for the local merchant's sake (he helps you maintain fire and police protection, libraries, schools, and

everything else). And remember that by doing so, you're playing the NATIONAL ECONOMY game. The gas, the tires, the dollars and cents you save—all these are vital to winning the war!

Yes, it's an ill wind that blows no man good. Priorities and other war-time conditions have made it more profitable than ever before to do your shopping right here at home!
