FARM OFFICER WILL WORK IN U. S. CAPITAL

L. D. COHEN GOES TO OFFICE
OF COORDINATOR OF IN-
FORMATION

WAS WELFARE SUPERVISOR

Mr. Cohen Granted Leave Of Ab-
sence Says Supt. Hemmer In
Making Announcement

L. D. Cohen who has been super-
visor of welfare at the Indiana
State Penal farm for the past four
years, has been chosen from a wide
field for special work in the office
of the Coordinator of Information in
the office of the President of the
United States and has been granted
a leave of absence by the State Farm
officials. It was said today by Floyd
J. Hemmer, superintendent, Mr. Cohen's
activities will be under the di-
rection of the Coordinator, William
J. Donovan.

In commenting on the selection of
Mr. Cohen for this important phase
of war-time work, Mr. Hemmer said:
"The work of this department
deals with any phases of secret in-
formation necessary to the prosecu-
tion of the war and proper safe-
guards against propaganda and fifth
column activities in the various
parts of the United States.

"A representative of the United
States Army called at the office of
the Indiana State Farm today and
stated that Mr. Cohen's qualifications
seemed outstanding in the field.
That his work as director of welfare
at the Indiana State Farm indicated
that he was qualified to assume the
duties of this new post for which
precedence and previous experience
are not available. Mr. Cohen will be
assigned to the offices of this division
of the executive branch of the
government at 28th and E street,
Washington, D. C. He has been in-
formed, however, that he will be im-
mediately removed for a period of
time from the Continental United
States, but the destination to which
he will be taken is not revealed even
to Mr. Cohen.

Mr. Cohen has many friends in
Greencastle and among the staff
and faculty of DePauw University.
I chose him approximately four
years ago from a wide field of candi-
dates to pioneer a system of classi-
fication and education here at the
Indiana State Farm. His success has
been outstanding and has gained
recognition from the American Prison
Association and numerous other
groups interested in the Welfare and
Education Programs of Penal Institutions.

"We are very reluctant to lose his
services here at the Farm, but feel
that it is a patriotic duty to grant
him this leave of absence.

"The Board of Trustees of the in-
stitution have been contacted and
agree to this arrangement. Harry
L. Hawkins, assistant to Mr. Cohen,
will assume the duties of Supervisor
of Welfare during Mr. Cohen's
absence at the institution."

WASHINGTON'S BIRTHDAY OBSERVED BY ROTARIANS

With the approaching birthday of
George Washington, the Greencastle
Rotary Club commemorated the
event with a special program at their
weekly luncheon on Wednesday.

Through the courtesy of Dr. Her-
old T. Ross, a DePauw sophomore,
Ralph Sheppard, gave an excerpt
from the play Valley Forge by Robert
Sherwood. The tribulations be-
setting the continental army during
the harassing winter were adeptly
drawn by Mr. Sheppard, and he suc-
ceeded in etching a vivid picture of
this great American with his tena-
city and determination to continue a
fight against great odds.

CAN REGISTER SATURDAY FOR FIRST AID COURSE

Preliminary registration for a
Standard First Aid course may be
made at the Second Ward school
building Saturday, Feb. 21 at 11:30
o'clock. General information will be
given at this time and text books
may be purchased.

The course proper will begin Tues-
day, Feb. 24, at 7:00 o'clock and will
continue for five weeks, meeting on
Tuesday and Thursday evenings for
a two hour period each class night.

This group will be taught by Miss
Leah Cumutt who has just completed
an instructor's course given by
Thomas Costello, Red Cross repre-
sentative.

FIGHTING IN BURMA

Dick Terry

Dick Terry, is probably the only
Putnam county boy to be in Burma
at this time. He is supposed to be in
or near Rangoon, where some bitter
fighting is now going on. He is a
member of a ground crew of the
famous Fighting Tigers, the Yankee
fliers in China's army, which is aid-
ing in the defense of the famous
Burma road. He is sergeant in the
Fighting Tigers and was released
from the Yankee flying forces to
enter the war under Chinese colors.
He went to Rangoon via of Singa-
pore, which is now in Jap hands.

British Battle Japs In Burma

RANGOON THREAT GROWING
AS NIPPON INVADERS
STEADILY ADVANCE

CHUNGKING, CHINA, Feb. 19
(UP)—Chinese forces have met and
defeated Thailand troops in Northern
Burma and the Thais are re-
treating on Cheing-Mai, an impor-
tant base 80 miles on the Thailand
side of the frontier, it was announ-
ced officially today.

RANGOON, Burma, Feb. 19.—
(UP)—Imperial defenders battled
desperately to hold the Japanese in-
vaders at the lower Bilin river today
as a second major front developed in
the north and the climactic hour
drew near in the struggle for Burma.

The Japanese on the Bilin front
were hammering toward Kyaik-to
which is only 25 miles by air from
Pegu, on the Rangoon-Mandalay rail-
road portion of the Burma road, and
appeared to be launching a second
offensive some 175 miles to the
northeast, in the general area west
of Chiangmai.

There was no confirmation here of
reports broadcast by the Indo-China
radio, that the Chinese had launched
a counter-invasion of Thailand.

(Chungking sources said nothing
was known of a Chinese thrust into
northern Thailand, but that allied
troops were massing in north central
Burma for a climactic battle with an
estimated 100,000 Japanese.)

15 More Putnam Men Left Today

Burns Whisenand, Fillmore, Ray
Alva Woodall, Cloverdale, John Wil-
liam Carter, Harrodsburg, Kentucky,
Patrick Edward Keller, Cloverdale,
Stanley E. Staley, Cloverdale, Her-
schel Lee Campbell, Greencastle,
and Theodore William Soper, Green-
castle.

Stanley E. Staley acted as leader
of the group with Kenneth John Eitel
as assistant leader.

JAP REGIMENT WIPED OUT BY BATAAN FORCE

NATIVE TROOPS MAJOR FAC-

STOPPED MAJOR OFFENSIVE

American General In Philippines
Reports Filipinos Now Mopping
Up Invaders

WASHINGTON, Feb. 19 (UP)—
Strong Japanese forces using flame
throwers and supported by a non-
stop artillery barrage are hammer-
ing at Gen. Douglas MacArthur's
lines in apparent preparation for "a
resumption of the offensive" aimed
at a knockout conquest of the Philip-
pines.

By Frank Hewlett

WITH GEN. MACARTHUR'S ARMY
IN THE PHILIPPINES, Feb. 19.—
(UP)—Gen. Douglas MacArthur's
Philippine troops have wiped out a
Japanese regiment in the most suc-
cessful American counter-attack of
the war, and frustrated what was to
have been the start of a major Jap-
anese drive.

In the battle, which is now in the
mopping up stage after a week of
savage and difficult fighting on the
American left wing, the Filipino
troops whom MacArthur organized
and trained, answered the most vital
question of the campaign.

That was whether they would be
able to stand up in battle against
veteran Japanese regulars. They
answered it with a positive and in-
spiring affirmative. Side by side
with the famous Philippine scouts
who are a part of the American regu-
lar army, they met and disposed of
a crack Japanese regiment including
its commanding colonel.

(It should be noted that Hewlett's
dispatch covers a battle already ended,
in its main phase, and does not
conflict with official dispatches in-
dicating that the Japanese are
launching a new major offensive.)

The battle was fought on the
American left wing.

The Filipinos, many of them re-
cruits, fought with the bayonet and
hand grenade coolly and cunningly
under their young American officers,
who by personal bravery set the ex-
ample as they battled beside the
hardened, seasoned scouts.

A high officer, here at the front,
gave an illustration of this leader-
ship.

The company in which First Lieut.
Willibald Bianchi, of New Elm,
Minn., was an officer was in reserve.
Bianchi, carrying a rifle, voluntar-
ily took part of the company into
action.

Early in the fighting, he was
wounded in the left hand.

He threw away his rifle, drew his
pistol which he could handle with
one hand, and continued to lead his
platoon.

It was not long before Bianchi
and his men were advancing into the
fire of a Japanese machine gun nest.

Bianchi's men located the nest and
he disposed of it with a hand gre-
nade.

Later he spotted another machine
gun and directed fire against it. As
he did so he was wounded again.

The platoon kept on, Bianchi in
the lead. It reached an American
tank which had been abandoned the
previous day when a land mine dis-
abled it.

Bianchi climbed, despite his two
wounds, into the tank and with its
gun wiped out the second machine
gun nest.

He was wounded a third time, this
time seriously.

The officer who told his story
said he had just heard from a field
hospital that Bianchi had passed the
crisis and was expected to recover.

In the same action, First Lieut.
R. K. Roberts, of Bisbee, Ariz., led his
infantry platoon and himself wiped
out an enemy machine gun nest with
a hand grenade.

He reached his objective with only
two of his men. The rest had fallen
before Japanese machine gun fire.

CLAUDE ETCHESON SEEKS TRUSTEE'S NOMINATION

Claude Etcheson, trustee of Mon-
roe township, has announced his in-
tention to become a candidate in the
May primary election for renomina-
tion and re-election to the same of-
fice, on the Democratic ticket. Mr.
Etcheson is in business in Bain-
bridge, and has resided in Monroe
township practically all of his life,
thus being well known to the voters
of that township.

MERCURY HIT 2 ABOVE ZERO THIS MORNING

COMMUNITY EXPERIENCED DE-
CIDEED COLD SNAP ON
THURSDAY

A temperature of 2 degrees above
zero at 6 and 7 o'clock this morning
reminded Putnam county residents
that Winter does not end for a month
yet. Some thermometers, becoming
ambitious, let their markers drop
down to several degrees below zero.
The temperature at 6 and 7 was
reached from a mark of 8 degrees
above at midnight, indicating a
descent of a degree an hour from
the middle of the night until morn-
ing.

Persons having to go to work at
7 o'clock or soon thereafter, find no
cheering sunrise to brighten their
rising from their couches. Instead
of the sun showing above the hori-
zon, however, there is the bright
planet, Venus, which shines clear
white above the eastern hori-
zon some time before the sun begins
to show. Venus became a morning
star early in this month and will
continue to have that distinction un-
til winter comes again. But Venus,
bright as it is lacks very much of
being the sun in that respect, and
it gives off no warmth, appreciable
on the earth, at least.

The bulletins of the weather bu-
reau are so scanty in their infor-
mation that the prospects for the next
day or so are not made known. With
the breeze coming from the south-
west this morning, it is quite likely,
however, that the cold will not last
long. In fact, the advertising
calendar says today is a poor day
to fish.

DR. BARTLETT TO ATTEND CONFERENCE AT CHICAGO

Edward R. Bartlett, dean of the
University, will represent DePauw
university at the conference on pre-
induction military training to be held
under the auspices of the Institute of
Military Studies of the University
of Chicago February 20-22 at Chi-
cago.

The conference, attended by dele-
gates from 108 colleges and univer-
sities in all parts of the nation, will
consider the problems of pre-induc-
tion military training and the special
defense training courses which are
being introduced into educational in-
stitutions.

MEETING TONIGHT

The regular meeting of General
Jesse M. Lee Post No. 1550, will be
held this evening at 8 o'clock at city
hall. The meeting will not interfere
with the defense class which is also
being held at the hall tonight.

Americans In Java

BATAVIA, Feb. 19.—(UP)—For-
eign troops including Americans
have arrived to aid in the defense
of Java, the Aneka newsagency said
today.

The agency said the Americans
were a relatively small body.

American ground troops as well as
bomber and fighter pilots are "now
seen frequently in Java," according
to the agency statement.

Americans are often seen in wait-
ing rooms of the telephone exchange
placing calls to their home towns, it
added.

Auditor Calls County Council

MEMBERS WILL MEET AT THE
COURT HOUSE ON FRIDAY,
FEBRUARY 27TH

A meeting of the Putnam County
Council has been called by Auditor
Eddie Buis for 10 o'clock, Friday,
February 27, in the Commissioners'
room in the court house. The call is
addressed to all the members of the
council who are John Sinclair,
George Aker, George Ensign, Roy
Hillis, C. J. Ferrand, Lonie Steele,
and Fred Boatman. "All taxpayers"
of the county are invited to attend,
if they so desire. The business to be
considered by the council, as stated
in the call, includes "to consider an
additional appropriation to pay the
salary of the county superintendent
of schools for the year beginning
August 16, 1941," and also to ap-
propriate the balance of \$3823 left
in the gasoline fund of the county at
the close of last year.

FDR HAS COLD

WASHINGTON, Feb. 19.—(UP)—
A slight head cold today kept Presi-
dent Roosevelt confined to the White
House but Presidential Physician
Ross T. McIntire said the indisposi-

TERRE HAUTE GROUP TO DRILL FOR OIL IN MADISON TOWNSHIP AREA

That Madison township sub-ter-
rain will soon be tested for the pres-
ence of oil is said to be assured by
leases of many hundreds of acres of
land within that township now being
taken. The area included within the
leases centers, it is said, in the
vicinity of Fern Cliffs, but the exact
location of the proposed well has
not been made public.

The bulk of the acreage under
lease lies south of the greater part
of the land which was leased by the
Standolind company, which drilled a
well on the Wells farm, north of the
Brunerstown road, and west of Lit-
tle Walnut creek, starting it in De-
cember, 1939.

That well was dry, as was one
which was drilled later on the E4
Cooper farm on the National road,
west of the intersection with road 43.
Although the new well in Madison
township will not be many miles
distant from the Standolind effort,
it is claimed by the promoters of the
new project that the Standolind

Hay And Pasture School Tomorrow

ALL-DAY SESSION SPONSORED
BY CENTRAL BANK IN
THIS CITY

The annual Putnam county hay
and pasture school, sponsored by the
Central National Bank of Greencas-
tle and backed also by various
groups of farmers and stock raisers
of the county, will be held in the Go-
bin Memorial church in Greencastle,
Friday, beginning at 10 o'clock. In-
teresting speakers are on the pro-
gram.

David L. Grimes, county farm
agent, acting chairman of the hay
and pasture organization, will call
the group to order at 10 o'clock, with
introductory remarks, and will pre-
sent Fred L. O'Hair, president of the
Central Bank, who will speak briefly.

At 10:30, Ora A. Day, chairman of
the Putnam County Conservation
Association, will talk on Triple A
and what it has done for the pasture
program.

At 10:45, Floyd J. Hemmer, super-
intendent of the Indiana State Penal
Farm at Putnamville, will speak.

The forenoon program will be closed
by the address of C. M. Long, of
Lafayette, on "Modern Soil Conser-
vation Service."

Luncheon will be at the church.

Jim Poole, of the Arcady Milling
Company of Chicago, will speak at
1:15 in the afternoon, and at 2
o'clock the bank will present inter-
esting films on "Grasslands,"
"Muddy Waters," and "Harvest of
Tomorrow."

The program will close at 3
o'clock.

"WORLD DAY OF PRAYER" MEETING HERE TOMORROW

The "World Day of Prayer" meet-
ing which is to be held Friday at the
First Baptist church will begin at 2
o'clock instead of at 2:30 as pre-
viously announced. Practically all
of the churches in the city are co-
operating in this observance.

PORT DARWIN IN AUSTRALIA IS JAP TARGET

OPEN SAVAGE ATTACK ON
CONTINENT DEEP IN
SOUTH PACIFIC

RAID LASTED ONE HOUR

Darwin Is Key North Coast Defense
Base; First Direct Attack On
Australia

SYDNEY, Australia, Feb. 19 (UP)—
A strong Japanese air force of
about 100 bombers protected by
fighters heavily bombed the north
port of Darwin twice today, inflict-
ing considerable damage on military
installations in the vital Allied base.
At least four enemy bombers were
shot down.

"Our armed forces and civilians
behaved gallantly," Prime Minister
Curtin said.

"I have no information regarding
casualties but it is most obvious
that we suffered."

SYDNEY, Australia, Feb. 19—
(UP)—Japanese planes, opening the
attack on the Australian continent,
savagely bombed Darwin, key north
coast defense base, for one hour to-
day and damaged military installa-
tions.

The Japanese planes in their first
direct attack on continental terri-
tory, concentrated on Darwin itself
and on shipping in the harbor, the
only north coast port, a commu-
nique of the Royal Australian Air
Force said.

Details were not immediately
available, but it was hoped here that
the anti-aircraft batteries which had
been rushed to the Darwin area as
soon as the war started had account-
ed for some of the attacking planes.

Prime Minister John Curtin had
made the first announcement of the
raid personally, from his sick bed at
a hospital where he is recovering
from acute gastritis.

At that time it was known only
that a number of bombs had been
dropped.

WAR FLASHES

LONDON, Feb. 19 (UP)—Radio
London said today that the Russians
are using a new secret weapon.

It is a pump, driven by an electric
motor, which squirts cold water up-
on the Germans who are quickly
covered with ice, in the below-zero
weather.

BATAVIA, Feb. 19.—(UP)—Brit-
ain's \$100,000,000 naval base at
Singapore, British naval officers said
today, was blown up before being
abandoned to the Japanese.

PARK BRYAN LOCATED IN AUSTRALIAN CITY

Park Bryan, son of the late Julius
Bryan of this city, and well known
here where he lived for many years,
is perhaps the only Putnam county
resident now living in Australia,
where he has represented one of the
great rubber companies for some time.
Prior to going to Australia, he was
located in Shanghai, China. No re-
ports have been heard from him re-
cently, friends here today stated.

FIRE SCHOOL TONIGHT

Local men who attended the Aux-
iliary Fire School last Thursday night
at the city fire department will meet
again this evening for class work.
The instructions will be in charge of
Fireman William Lawrence. This
school is a part of the Civilian De-
fense program for Indiana and much
interest is being manifest here in the
training.

DePauw Chapel

Rabbi Maurice Goldblatt, well known Indianapolis Jewish leader, spoke at a DePauw chapel Thursday on "Where Jews and Christians Meet." Rabbi Goldblatt has been attached to the Indianapolis Hebrew congregation since 1931 when he was ordained.

Rabbi Goldblatt outlined the outstanding differences between Judaism and Christianity. The greatest point of division is in a matter of theology—the Christian doctrine that Jesus is the Messiah. This doctrine was taken from an Old Testament prophecy. The Jewish position was based on the fact that the Messiah was supposed to bring political as well as religious unity and Christ did not accomplish anything politically.

Old Gold Points To Butler Battle

Having scratched Franklin off the list of teams DePauw hopes to defeat and avenge earlier season losses, the Tigers turn their attention to Butler. DePauw will invade the Fieldhouse Saturday night. The Tigers are inspired for their match with the Bulldogs by the victory registered by Wabash which toppled Butler from a share of the Indiana Conference title.

DePauw has but two games remaining and those are against old rivals. Following the Butler fray, the Tigers close their season with Wabash here next Wednesday. Butler defeated DePauw 41 to 34 early in January and Wabash won from the Old Gold 38 to 32 four nights later.

DePauw will enter the Butler game with a record of ten wins and six losses and a conference mark of .500. Coach Umbreit is still undecided about his starting line-up but it will probably be Etcheson and either Jones or Crane at forward; Biggs at center; Prewitt and Dooley at guard. Four of the six, Crane, Biggs, Prewitt and Dooley are seniors.

BRAZIL HAPPY!

Needless to say, Brazil was happy over the 55-45 defeat handed the Tiger Cubs by the Bricks. In commenting on the game the Brazil Times says:

Brazil gave Greencastle one of the worst beatings in history of competition between the two schools and it is about time. The Tiger Cubs have been far too much on the winning side over the past four years to keep the spirited, friendly rivalry going.

Greencastle fans tell us that the Brazil-Greencastle game there is the best they have had and the crowd was the largest. The crowd Tuesday night was hardly up to the customary throng, but it was nice to have good seats for all.

Goodman, the Greencastle star, is an inoffensive looking little fellow, but is the Dead Eye Dick when he gets set for a shot. His favorite is just outside the foul circle, but he can make the long ones too.

Grimes, the htd working, rough, aggressive, cocky, smiling forward might have drawn a technical foul because of the manner in which he protested a foul called by Mr. Conover. Later in the game the visitors threw caution to the winds and literally hugged the Brazil players, which accounts for most of the total of 18 fouls called on them. They were easily apparent to the crowd.

Greencastle's band, with its big section of drummers, goes in for cheer music in a big way. They may not win symphony contests, but they do fill the hall full of rafter vibrating music.

Greencastle's snappy, cheer music band, is directed by Gene Pennington, a DePauw product. Gene got started in music at Brazil high school where he was a student of J. Guzzie Davis, former supervisor from Brazil and he did not finish here. The G-C band gives a series of summer concerts when they are more on the sweet music side with its tone and harmonies and all that.

The visitors put on quite a show between halves. A heavy of nine pretty drum majorettes, seven sweat-shirt girls, led by a snappy blonde, formed the big victory "V" while they twirled their batons to band accompaniment. Then Joe Kimble, a DePauw University student, put on

a lively exhibition of plain and fancy twirling, leaping about in the style of ballet dancer while twirling his baton. Then the lights went off and he twirled his electrically lighted baton to make many gyroscopic designs. When the lights came on, Joe was standing in the center of a circle of the girls, holding a large, beautiful silk flag, while the band played "The Star Spangled Banner," a mighty good job of putting the thrillers in the national anthem.

The best compliment we heard from a Greencastle visitor was on the well kept, nicely painted seats and clean gymnasium. The Greencastle gym built, about the same time, is beginning to show its age since the kids have used it roughly. We understand that NYA and WPA have helped us in that respect.

The man who sat next to us witnessed the Notre-Dame-New York University game before 18,000 fans at Madison Square Garden a few days ago, but admitted for a real thriller, it was nothing like the game Tuesday night.

PLAN PEP SESSION

A special pep session is planned tomorrow by the Greencastle high school student body in preparation for the Tiger Cub-Columbus game Friday evening in the local gym. Miss Betty Mullins, Harry Berry, Don Jones and Wally Etcheson will be the speakers. All are former G. H. S. students with the exception of Etcheson, who with Jones, are the regular forwards on the DePauw basketball team.

A special entertainment is also planned by the drum corps and the high school majorettes between halves of the first team game Friday night.

War Plants Will Forget Holidays

ALL NATIONAL HOLIDAYS ARE ABOLISHED FOR THE DURATION

WASHINGTON, Feb. 19.—Most, if not all, of the nation's customary holidays were virtually abolished for the duration of the war today, as far as factories producing war supplies are concerned.

Asserting that the country is "fighting for its life," Donald M. Nelson, war production director, issued a peremptory "request" for full production on Washington's birthday, which is to be celebrated next Monday.

"If in any plant a holiday is scheduled for next Monday—cancel it," he said.

The decree was officially regarded as a likely precedent for following holidays, including Memorial Day, the Fourth of July, which both fall on Saturday, and perhaps even for a request that workers stay at their tasks on Labor Day, Sept. 7, which is written as a holiday into virtually every labor contract.

Nelson told both industry and labor:

"If we lose the battle of production we lose the war. . . . We must not have a Washington's birthday shut-down anywhere on the production line."

He offered services of the War Production Board to settle disputes arising under contract terms over working next Monday.

"The most effective way to honor George Washington's memory," said Nelson, "is to work full time so that the nation to which he gave independence can make that independence stick."

Charles H. Barnaby Jr. and Fred L. O'Hair were guest speakers for the Conservation Club Wednesday morning. Their talks concerned national defense in relation to conservation.

The Latin Club under the direction

of Miss May is working on a Latin play to be given to the different Latin classes. The play entitled "Voyage to the Underworld" is a satire in beliefs of the ancients in regard to the after world.

Thursday morning the students received their first chance to buy the "Victory Minaret." This minaret will be published in the spring and will probably be the last one until after the war. Aura May Durham is editor-in-chief and Dean Chapman is the business manager.

Monday, the Junior High team traveled to Brazil where they played the Brazil Junior High team. They were downed by the Brazil team as were the Tiger Cubs Tuesday evening. The final score was 28 to 14.

Seniors who have completed their safety course in High School will have the opportunity to take a course in First Aid. This course will be taught by Miss May, Mrs. Heest and Miss Kestner.
