## 11 More Killed In Traffic; State Toll For Year Is 974

Three multiple-fatality accidents pushed Indiana's weekend traffic toll to at least 11 and the statewide count for 1963 to 974 compared with 895 a year ago.

Isaac Pillow, 74, Calhoun, Ky., died in a Linton hospital Sunday night and his wife, Annie, 70, died early today as the result of injuries in a two-car head-on collision near a Salsberry road. Six other persons remained hospitalized, some in serious condition.

Police said Pillow apparently disregarded a stop sign at the intersection of Indiana 45 and Indiana 54 near the Crane Naval Ammunition Depot.

Irene Corner, 62, Elkhart, was killed in a two-car wreck at a street intersection on Gary's west side Sunday night when a car witnesses said ran a red light hit one operated by Sidney Collins, 36, Gary.

Robert Short, 18, Fountain-town, and his brother, Larry Gene, 16, were killed when another car crashed against their convertible on U.S. 52 southeast of Indianapolis.

Marion County officials arrested A. P. Smith, 34, Indianapolis, on a reckless homicide charge.

Ivan Perry, 21, Attica, and Herman Burkett, 39, New Ross, were killed in a head-on collision on U.S. 41 north of Sterling in Fountain City.

Joseph Kinley, 30, Anderson, died of injuries suffered in a two-car crash on Indiana 67 near Muncie.

Wendell Carpenter, 57, Bronson, Mich., died in Parkview Hospital at Fort Wayne of injuries he suffered in a car-truck crash Saturday on U.S. 27 north of Angola.

Lionel Tyra, 19, Tipton, was killed Saturday night when his auto hit a tree in downtown Tipton.

## 14 Yankee Explorers Are Missing

CHIHUAHUA, Mexico UPI — An aerial search resumed today for 14 U. S. adventurers and three Mexican rescuers feared lost and starving along a treacherous, swollen Sierra Madre River.

A search plane Sunday spotted three deserted rubber rafts along the Rio Urrique that the expedition had used, but no survivors were sighted. An airplane and helicopter were sent out today.

"I am confident they will be found," said James C. Dean, 31, of Salt Lake City, a party member who stumbled out of the desolate country Friday and told of his companions' plight.

The semi-scientific group ran short of food when their rubber rafts got into deadly rapids, protruding boulders and had to portage their floats over jagged obstacles. Dean said some days they floated only 100 yards.

Dean expressed hope the explorers may have scaled the brush-littered walls of Barranca de Cobre Copper Canyon and started walking through the mountainous country toward civilization.

The Weather Bureau said unseasonably warm temperatures were expected again from the middle Mississippi Valley to the lower Great Lakes region. Only the upper Great Lakes and upper Mississippi Valley regions and parts of the upper plains could expect relief.

Records were broken from Dayton, Ohio, to Norfolk, Neb., Sunday, some of them dating back to the 1800s.

Where there were lakes, people gathered in masses for a respite of splashing and water skiing.

## Russ Cosmonauts Plan To Marry

MOSCOW UPI — Moscow buzzed today with reports that Soviet cosmonaut Andrian Nikolayev and pioneer spacewoman Valentina Tereshkova will marry.

Well-informed sources said the dimpled, 26-year-old Valentina will wed the handsome, 33-year-old "most eligible Soviet bachelor" early this winter.

Russians have been calling them "the star crossed lovers" for months.

There was no formal announcement. But reports of the engagement came from Moscow's suburban "space town," the community of Soviet cosmonauts.

The romance was no surprise. Even as Miss Tereshkova was orbiting the earth to become the world's first woman in space last June, there were reports that there was more than professional comradeship in her friendship with Nikolayev, who had joined Pavel Popovich in the first joint flight of two spaceships the previous August.

Valentina now is on a tour of Cuba. Nikolayev is living at the space town.

WASHINGTON UPI — President Kennedy today signs documents to complete U.S. ratification of the nuclear test ban.

The U. S. Senate voted 80 to 19 on Sept. 24 to ratify the treaty.

Kennedy planned to sign four copies of the ratification document—one each of Moscow and London, one for formal "despot" in Washington and another to be kept in the national archives.

Today's ceremony marked the first major treaty signing in the White House treaty room since Aug. 12, 1898, when a peace pact was signed with Spain. The room recently was refurbished.

The treaty room once was a waiting room for President Lincoln's office. From the Andrew Johnson administration to Theodore Roosevelt administration, it was used as a cabinet room.

The test ban treaty resulted from U. S.-British-Soviet negotiations on Oct. 31, 1958 in Geneva. For years the talks were bogged down over the issue of inspection against cheating.

The treaty has ushered in a new phase of U. S.-Soviet relations—a period of cold war lull, in which both sides are cautiously exploring possibilities of further tension-easing agreements.

**DODGERS COLLAR YANKIES 1-0**—Los Angeles Dod-  
gers' third baseman, Jim Gilliam scores the winning run in  
the first inning of the third game of the World Series  
against the New York Yankees as a delighted capacity  
crowd looked on. Dodger pitcher Don Drysdale, following  
fine pitching performances by teammates, Sandy Koufax  
and John Podres, shut-out the American League cham-  
pions 1-0, striking out nine chagrined Yankees who had  
scored only three runs in three games against the daz-  
zling Dodger pitchers.

## Dodgers Defeat Yanks 4 Straight

LOS ANGELES UPI — On  
the banquet circuit this winter  
they'll toast Sandy Koufax of the  
Dodgers as the man who contrib-  
uted most to the misery of the  
proud Yankees in 1963.

Koufax started the Yankees on  
the skids to their most humiliat-  
ing World Series defeat last  
Wednesday in New York. And he  
dealt the knockout blow Sunday  
with a superb six-hit, 2-1 victory  
that completed the Dodgers' four-  
game sweep before 55,912 fans in  
sunsoaked, Dodger Stadium.

He gave up six hits in each  
game, yielded a total of only  
three runs, and struck out 23  
Yankee hitters, including a record  
15 in the opening game.

But while Koufax is the  
glamorous hero who won the sports  
car as the outstanding player in  
the series, there were several  
other Dodgers who turned in  
"clutch" performances in the final  
game of the sweep.

There was Jim Gilliam, the  
cagey "old pro" who took ad-  
vantage of the lapse in the Yan-  
kee defense to scoot all the way

to third base on an error by first  
baseman Joe Peplone in the sev-  
enth inning.

servative suits, entered the Good-

from ages 18 to 52. Prepare now for U. S. Civil Service job openings in this area during the next 12 months. Government positions pay as high as \$446.00 a month to start. They provide much greater security than private employment and excellent opportunity for advancement. Many positions require little or no specialized education or experience. But to get one of these jobs, you must pass a test. The competition is keen and in tests, some cases only one out of five pass.

LINCOLN SERVICE, Dept. 257 Pekin, Illinois  
I am very much interested. Please send me absolutely FREE (1) A list of U. S. Government positions and salaries; (2) Information on how to qualify for a U. S. Government Job.

skip today's column. The sad fact is that some players fall short of perfection, and if you count on this possibility you can bring home many "impossible" contracts.

When this hand came along last month in the regional tournament in San Francisco, Harry Reichman made a very pretty play. Fortunately for the Los Angeles expert, the defense was

not equally pretty.  
West opened the seven of hearts, East put up the queen, and Reichman paused for thought. He was surely going to lose a heart, a spade, and a club. The problem was to prevent West from ruffing a heart.

Reichman solved his problem by dropping the jack of hearts at the first trick. Back came a low heart, and declarer was able to play low from his own hand, winning in dummy with the nine.

**IMPORTANT DISCARD**  
Having arrived in dummy, declarer was able to cash the ace of diamonds, discarding the ace of hearts from his hand. This discard was a key play, since it removed the danger of a heart ruff by West.

Reichman could lead a trump from dummy, ruff high when East returned a heart, draw trumps, and take two finesses in clubs. Since one club finesse worked, declarer lost only one club, one heart, and one spade.

Of course, you've seen the defensive error. East should see what is going on when South drops the jack of hearts on his queen. At the second trick, East should return the king of hearts instead of a low heart.

South must take the ace of hearts but cannot reach dummy to discard a heart on the ace of diamonds. (If South leads a club to dummy's ace, he will eventually lose two club tricks instead of only one.) When East gets in with the ace of spades he leads a third heart for West to ruff.

Answer: Bid one heart. Avoid opening with 1 NT when you have 5-card major suit, particularly when you have a 4-card side suit. A 5-4-2-2 distribution is far from ideal for no-trump.
