

COATESVILLE PHONE SURVEY COMPLETED

MISS OHIO CANDIDATES

OXFORD, Ohio—Miami University has three candidates among the 27 young women entered in the Miss Ohio Pageant at Cedar Point this week. From the left: Nancy Lee Borden, of near Roachdale, Ind., as Miss Miami University; Jeanne Esther Fox, of near Convoys, as Miss Western Ohio, and Julie Ann Peck, of near Lebanon, as Miss Southwestern Ohio.

"The 20" Exhibiting Works At University

A traveling free exhibition of paintings and sculpture including 23 works of Indiana artists is now on view through July 30 in the Union Building at DePauw.

Organized in 1937, the group derives its name from the fact that it is limited to 20 artists throughout Indiana. Three additional guest artists are invited to exhibit with the group and become members as vacancies occur. The purpose of the organization is to provide and maintain a traveling exhibition of fine art for the state of Indiana. The work has recently been shown at Indiana University and the Riskey Gallery in Evansville, after having traveled the principal cities of eastern Indiana.

Though largely conservative in nature, the exhibit includes a variety of styles and techniques in both water color and oil, including landscapes, seascapes, still-life, portraits and floral paintings.

Represented are many instructors of art in Indiana, from Indianapolis: Ruth Anderson, Simon Baus, William Eydien, William Kaesser, Paul Sweany, Louise Symons, Evelyn Mess, Jane Messick, Mildred Niese, Adolph Wolter and Harry Davis. Louis Bonsh of Fort Wayne, June Burkholder and Lloyd Moser of West Lafayette, Burling Boaz Jr., Carmel, Marliou Crisman, Logansport, Floyd Hopper, Noblesville, Elmira Kempton, Esther Nussbaum and Ray Needham of Richmond, Kenneth Reeve, Columbus, Fred W. Ringley of Nashville, and Josephine McGee of Evansville.

McNamara, Lodge To Decide Viet Future

WASHINGTON UPI — Defense Secretary Robert S. McNamara and new Ambassador Henry Cabot Lodge leave tonight for Saigon to establish what "new and serious decisions" America may have to make in Viet Nam.

President Johnson, in his news conference Tuesday, warned that such decisions may be forthcoming after McNamara and Lodge report on the results of their week-long mission to embattled South Viet Nam. McNamara was expected to discuss the trip, his sixth in little more than three years, at a news conference today.

One of the decisions Johnson referred to could be a call-up of the military reserves such as that of the late President John F. Kennedy during the 1961 Berlin crisis.

The Chief Executive put it this way:

"Any substantial increase in the present level of our efforts to turn back the aggressors in

South Viet Nam will require steps to insure that our reserves of men and equipment of the United States remain entirely adequate for any and all emergencies."

Shortly after the President made his statements, Senate Republican Leader Everett M. Dirksen, Ill., told newsmen at the Capitol he expected the administration to ask Congress very soon for "additional authority and money — a good deal of money" for the Viet Nam war. He said it was a matter of "speculation" that reserves might be called up.

House GOP Leader Gerald Ford, Mich., called on Johnson to deliver what he termed a "state of the emergency" message to squelch or confirm rumors and speculation about prospects in Viet Nam.

Among these rumors he mentioned one that military reservists are to be recalled to active duty, and another that the President plans to ask for an enlarged defense budget.

20 Years Ago

Mrs. Walter Bundy was a patient in the Putnam County Hospital.

Mr. and Mrs. Robert D. Patton were visiting their son, Bob, who was taking his boat training at the Great Lakes, Ill.

Mrs. Ray Herbert was hostess to the Current Book Club.

Heavy rainfall temporarily stopped all harvesting in Putnam County.

Picnic Enjoyed By Farm Bureau

Putnam County Farm Bureau members and families enjoyed a bountiful picnic dinner Sunday at the Hendrich grove north of Greencastle.

In the afternoon the men took a tour of some of the Hendrich's farm and equipment. The women enjoyed a hobby and flower show.

Nine different hobbies were exhibited. The winners being Mrs. Worth Arnold, 1st., with a knitting exhibit; Mrs. Carol Clodfelter, 2nd., with basket weaving, and Mrs. Freeda Hendrich with a doll collection, 3rd. place.

The class for flower arrangements was won by Mrs. Glendon Herbert, 1st and 2nd place, and Mrs. Alma Hillis 3rd. The class of 3 blooms was won by Mrs. Mary Blue, 1st and Mrs. Glendon Herbert, 2nd.

A short business meeting was conducted by the president, Clifford Hillis, at which time delegates to the State Convention were elected as follows: Mrs. Maurine Aker and Malcolm Clodfelter, Morris Evens was elected as 1st alternate and Chester Haltom as 2nd alternate.

Mrs. Glendon Herbert, 5th District women's leader, presented program plans for the district talent contest and hobby show, the pork promotion meeting and the Farmer's Day at the Indiana State Fair.

The Farm Bureau will sponsor a pet and hobby parade at the county fair on Aug. 6 at 6:00 p.m. Those wishing to participate should contact the Farm Bureau leaders, Mrs. Maurine Aker and Mrs. Cyril Johnson.

Man, 80, Tries To Re-Enlist

VENTURA, Calif. UPI — Since it was founded nearly 190 years ago, the U. S. Marine Corps has glorified in the boast of its veterans—once a Marine, always a Marine.

Binger F. Westergard is no exception. But Westergard is fighting mad these days because the Marines apparently don't want him back. Repeatedly, the Marines rejected Westergard's offer to return to the corps he served for 22 years and two months.

"I would like to re-enlist to free a stateside Marine for more active duty," Westergard said Tuesday. "I'm in the best of health and proud of the corps. I can't understand why they've turned me down."

Westergard is 80.

TO ALL GREENCASTLE MOTORISTS:

Traffic experts predict the number of motor vehicles on Indiana highways and the miles they travel will break all records for the last six months of this year. The current rate of traffic accidents and fatalities on Indiana streets, country roads and highways indicates that 1965 may be the most tragic year for vehicle slaughter in the history of our state.

All Hoosier motorists must develop the constant awareness that thoughtless, careless or reckless acts behind a wheel are the ingredients of suicide.

That wanton disregard for personal and public safety characterizes the driving of many persons in our state is attested to by the alarming toll of death during recent months.

I urge all motorists to drive carefully and observe all traffic laws. The police department is to make a concerted attack on all traffic law violators.

Raymond S. Fisher, Mayor
Greencastle, Indiana

Spacecraft Poised To Snap Mars Pictures

Adlai Dies

LONDON UPI — The U.S. embassy today announced that Adlai Stevenson, U.S. representative at the United Nations, has died in London. He was 65.

Stevenson, U. S. ambassador to the United Nations, met earlier today with British Foreign Secretary Michael Stewart in London. He was on his way to New York from the Geneva U. N. Economic and Social Council conference. During the weekend he had met with British Prime Minister Harold Wilson.

Fillmore Rites For Ex-Resident

Mrs. Larue A. (Duncan) Lobdell, 85, former Fillmore resident, died Tuesday at the Home Hospital in Lafayette.

Mrs. Lobdell had resided in Fillmore the past forty years, until three years ago when she went to Lafayette to make her home with her daughter, Mrs. Thelma Weigand.

She was a member of the Fillmore Christian Church and the Ladies Aid of that church. Survivors are one daughter, Thelma Weigand; two sons, Wilbur, Louisville, Ky., and Donald H., Indianapolis.

Funeral services will be held Thursday at 2:00 p.m. at the Fillmore Christian Church. Rev. George Pyke will officiate, with burial in Fillmore Cemetery.

Friends may call at the Hippensteel Funeral Home in Lafayette after 6 p.m. Wednesday. The body will lie in state at the Fillmore Christian Church one hour before the service.

PASADENA, Calif. UPI — The U.S. Mariner 4 spacecraft mission to Mars reaches its climax today in an historic attempt to take the first closeup photographs of the mysterious red planet.

The first crucial step in the complex picture-taking process—more than 134 million miles from earth—takes place at 7:15 a.m. PDT when an electronic sensor on Mariner 4 starts searching for Mars.

Some 10 hours later, if all goes well, the spacecraft's "cosmic eye" will begin its picture-taking encounter in a 25-minute period during which 21 photographs will be snapped for transmission to earth starting Friday.

Radio data received from Mariner 4 at earth tracking stations indicated the windmill-shaped spacecraft was on course.

"We are ready to go," said Dan Schneiderman, Mariner project manager for Caltech's Jet Propulsion Laboratory.

But scientists were at the nail-biting stage since they conceded they had no way of knowing in advance if the camera would work.

JPL Director Dr. William H. Pickering had this comment: "I don't want to sound pessimistic, but I want to admit the possibility that we may get no pictures at all."

Pickering said JPL scientists would know Thursday morning whether the photographic phase of the experiment had collected "reasonable data."

The first picture may be available to the world Friday, Pickering said.

Each picture will take eight hours and 35 minutes in transmission.

82% In Favor Of Private Service

Nicholas Announces R. E. Andis Promotion

Promoted

R. E. Andis

Lininger Will Speak at Gobin

Rev. Clyde H. Lininger will be the guest minister at the 10:30 morning worship service at Gobin Memorial Methodist church July 18, speaking on the theme, "Thy Kingdom Come."

Rev. Lininger is a graduate of DePauw University and Garrett Biblical Institute. He did graduate work at Chicago University in preparation for his chaplaincy service at Gary Methodist Hospital, where he served as senior chaplain for 11 years. He is a member of the National Protestant Hospital Association.

Rev. Lininger's pastorates in the Northwest Indiana Methodist Conference includes 7 years a Speedway Methodist Church, Indianapolis; 5 years at the Methodist Church, Rockville; 16 years as the popular pastor of First Methodist Church, LaPorte.

Since retirement, June 1964, Rev. and Mrs. Lininger are living in their new home on Canaan Lake, near Coatesville, where he is minister of the Canaan Methodist church.

B. S. Nicholas, IBM Plant Manager, announces the promotion of R. E. Andis to Personnel Manager at Campbell, California.

Mr. Andis joined IBM at Greencastle in April 1955 as Secretary to the Plant Manager. He has received many promotions within the IBM Corporation since that time including Secretary to the Manager of Manufacturing at the Supplies Division Headquarters and Staff Assistant in manufacturing.

In 1961 he was transferred back to Greencastle to assume administrative responsibilities in Personnel Service and then to a Manager involved in financial controls. In 1963 he was promoted to Project Manager concerned with production control. He has held his position until receiving his present assignment.

Mr. Andis resides on Rural Route 4, Greencastle, with his wife Nancy and their five children.

Mr. Andis attended Indiana Business College where he received formal training as an Accounting Secretary.

Mrs. Stafford's Rites Thursday

Mrs. Blanche R. Stafford, 80, died at 10:30 a.m. Tuesday at Small's Nursing Home in Waynetown. She had been ill over a year.

A member of the Roachdale Christian Church, she was born Jan. 7, 1885, in Morgan County to John and Nancy Carter Reese. She married James M. Stafford Nov. 11, 1914, in Roachdale.

Survivors include two sons, Charles and Robert, both of Roachdale; a step-daughter, Mrs. Mary V. Ford of Heltonville; a foster son, Ronald E. Shannon of Indianapolis and three grandchildren.

Services will be at 2 p.m. Thursday at the Perkins Funeral Home in Roachdale. Burial will be in the Roachdale Cemetery. Friends may call at the funeral home after 2 p.m. Wednesday.

Fills In Date

CATANIA, Sicily UPI — Retired teacher Agrippino Bellissima 63, Tuesday shot himself in front of a tomb he personally ordered some time ago.

Before pulling the trigger, he pencilled in the only thing missing in the long-prepared inscription on the tombstone—the date of death.

In a recent subscriber survey of the Coatesville Area by the Clay County Rural Telephone Cooperative, 82% of the subscribers favored all private line service.

The private line rate for residence phones will be \$5.50 plus tax and the one party business rate will be \$8.50 plus tax. This rate applies to the rural and town subscribers alike.

The Clay County R. T. C. is able to provide the all one party service due to a high percentage of the system that will be constructed new and will be buried cable.

The subscribers density in the Coatesville Area is approximately 6 subscribers per mile which is a factor in the providing of all private line service.

The Engineers have completed the plans and specifications for the outside plant construction and also the plans for the new dial equipment building.

The bid opening for the new building will be held on August 17, at 10:00 a.m. The opening of the bids for the outside plant construction will be at 1:30 p.m. on the same date. The bids opening will be held in the Coatesville Community Building.

The contract for the new dial equipment has been approved and delivery and installation is expected to be completed during the spring of 1966.

A new area coverage design is being completed by Burns Engineering for the Poland, Reelsville, Mt. Meridian, Eminence, Cloverdale and Patrickburg areas.

When the new design is completed and cost studies made, an accountant will determine the rate schedule necessary to provide one party service, and also one and four party service. A subscriber survey will then be taken to determine the desire of the telephone users.

Church Picnic At Bainbridge

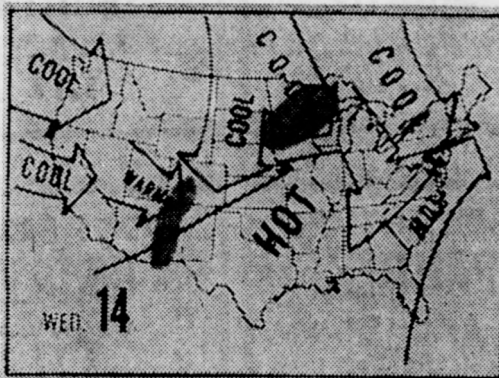

Bainbridge Christian Church members and friends and their children are all looking forward to the Family Picnic.

Don South, board chairman, and Ernie Boswell, Bible school superintendent, announced the Family Picnic would be held at 6:30 p.m., Saturday, July 17, in the church yard.

Attendance and interest in the church program is the highest in the history of the Bainbridge Church, and all members, friends, and visitors are urged to come and share together the joy of fellowship and fun.

Bring hamburger or weiners to grill or broil, table service, and salad or dessert or covered dish.

NATIONAL WEATHER OUTLOOK

Editorial-Wise Take A Card And Vote

(From: Detroit Free Press)

You may be voting by punch card one of these days. The possibility is being explored. It arises from a new briefcase-sized voting device produced by IBM—International Business Machines Corp. IBM is out to sell the six bound unit, which is priced at a mere \$185.

The six-pound vote recorder got its first major test in last November's elections in California, Oregon and Georgia.

IBM's product offers up to 240 voting positions on a single punched card. This is worth noting in view of the trend toward longer and longer ballots.

We aren't in a position to say that IBM's innovation is the answer to voting problems. Still, we are glad to see that somebody is trying to help the voter.

U.S. Is Warned By Red China

TOKYO UPI — Communist China warned Tuesday that violations of its airspace by U.S. planes bombing North Viet Nam would bring an immediate counter attack.

"The Johnson administration is like a big gambler who will not give up until he has lost everything," an editorial in the Peking Peoples Daily said. "But the Viet Nam battlefield is no gambling den in Chicago."

The official publication of the Chinese Communist party

said the Red Chinese army was "in full battle array." It reiterated charges that U. S. planes were intruding in the area of Hokow, Yunnan Province, while bombing targets near the border.

"We will not attack unless we are attacked," the editorial said. "If we are attacked, we will certainly counter attack."

Special Party At Windy Hill July 17

Windy Hill Country Club members and guests will be entertained on Saturday night, July 17, with a "Sound of Music" party. Leo Baxter's orchestra will play for the dance and there will be a sampling of numbers from the forthcoming musical presented by the cast of "Sound of Music."

In keeping with the setting of the play, which is in Austria, there will be featured a Bavarian "Bier Garten." Preceding the dance, there will be dinner at the club house.

Mr. and Mrs. Forst Fuller will chairmen the party assisted by Mr. and Mrs. Kenneth Eitel, Mr. and Mrs. Hal Hickman, Mr. and Mrs. James Houck, and Mr. and Mrs. Fredrick Bergmann.

Visits Britain

LONDON UPI — President Eduardo Frei of Chile arrived here on a tour designed to sell his idea of an alliance for progress between Latin America and Europe. It was the first state visit to Britain by any Latin American president.

Bible Thought

All that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. I John 2:16.

When we refuse to think heavenly thoughts we become mere animals. Dare we befool with animalism the glory of the son's of God?

Personal And Local News

Mr. and Mrs. Robert Sweeney and Mrs. Arthur Sutherland left today for Swartz Creek, Michigan, for a visit with Mrs. Sutherland's sister and family, Mr. and Mrs. Gordon Hull.

The Mt. Meridian community club will have an all day meeting at the home of Mrs. Mae Truex Wednesday, July 14. Please bring food and table service.

Trudy Etcheson, daughter of William E. Etcheson Jr., 410 S. Ind. St., Roachdale, is attending the Indiana University Music Clinic at the I. U. School of Music in Bloomington.

The women of the Deer Creek Coon Hunters Club are holding a wiener roast Sunday, July 18 at 7:30 for everyone who worked in the food department at the Autumn Oak Hunt. This is to be held at the Coon Hunters Club.

The 6th District VFW meeting will be held July 19th at Rockville. There will be a picnic at noon. Meat and rolls will be furnished. Members bring covered dish and own table service. The meetings of the three Units will start immediately after the dinner.

Robert M. Friend recently completed four years service with the U. S. Marine Corps, and is now at home with his wife, Luayne and daughter, Robin at 505 South Jackson Street.

New Mayaville Club Picnic

The members of the New Mayaville Club had an indoor picnic at the home of Mr. and Mrs. Fred Lasley and family on July 9th. We all enjoyed a delicious carry in dinner, ice tea and lemonade. After the dinner the president called the meeting to order for a short session. The August meeting will be with Mrs. Mary Sanders and each member is reminded to bring or wear something you had ten years ago. The rest of the afternoon we had contests, relay races, card toss, puzzles and quizzes. All had a real good time in spite of the heavy rain. There were ten members present and the Lasley family. We thank the host and hostess for having us to come on such short notice.

News Of Boys

FORT RILEY, Kan. — Cadet Joseph R. Keenan, son of Mrs. Reid L. Keenan, 1002 S. College Ave., Greencastle, Ind., is attending an extensive six-week training program at Fort Riley, Kan., ending Aug. 7.

Cadet Keenan will be given advanced training in the military subjects he has been studying at Purdue University in Lafayette, Ind., under the Reserve Officer Training Corps (ROTC).

Card of Thanks

We wish to express our most sincere appreciation to our good friends and neighbors for their courtesies, food and flowers during our recent sadness. Also the efficient services of the Doctors and the Staff of the Putnam County Hospital, and especially Dr. Stephens, Rev. Berry and the Whitaker Funeral Home.

Vivian Burkhardt and the Family.

County Hospital

Dismissed Tuesday:

Achsa Cassity, Bainbridge
Kathleen Skelton, Fillmore
Addie Allee, Stilesville
Andrew Black, Quincy
Wanda Sparks, Greencastle
Donald Carrington, Greencastle
Ernestine Cooper, Greencastle
Births:

Mr. and Mrs. Ronald Phillips, 408 West Franklin Street, a girl, Tuesday.

Mr. and Mrs. George Pingleton, 1124 Avenue D, a boy, Tuesday.

WEDDING SET FOR SEPTEMBER

Mr. and Mrs. Louis H. Williams wish to announce the approaching marriage of their daughter, LaVerne, to A/2c Finoi Groves who is stationed at Minot Air Force Base, Minot, South Dakota. The wedding will take place September 25, at 1:30 p.m., in Gobin Church. A reception will then be held in the Charterhouse.

Mars Photos

The photographic information is transmitted in digital form—ones and zeroes—and then is placed in a computer which "unscrambles" it.

Because of weight limitations, only a small radio transmitter of 10-watt power was put on board the 575-pound spacecraft. The information must be sent back literally bit by bit. Six bits of information must be received before either a one or a zero is compiled. This makes one dot on a line of 200 dots. One picture is composed of 40,000 dots, thus accounting for the long transmission time.

Another factor in the time element is the great distance to be covered—134 million miles. The radio signal travels at the speed of light—186,000 miles a second—but it takes 12 minutes to reach earth.

The pictures may provide new information on the Martian terrain—features about two miles long should be visible—but even without photographs the mission is considered a scientific success.

Cope Reunion Held Sunday

A reunion of the family of the late Mr. and Mrs. Albert Cope was held Sunday, July 11th in Robe-Ann Park. Their children, grandchildren and great-grandchildren attended. One hundred and ten were present.

Those from a distance were Dema Steers, Cliff Points, Ky., Mr. and Mrs. Luther Shalley and Mr. and Mrs. Bob Puthoff of Ohio; Mr. and Mrs. Roscoe Sites and son, Mr. and Mrs. Keith Sites and sons and Mr. and Mrs. Phil Goe and sons, Mr. and Mrs. Dan Adams and son of Indianapolis; Mr. and Mrs. James Cope, Mr. and Mrs. Frank Cope and children, Mr. and Mrs. Don Cope and children, Mr. and Mrs. Bob Cope and children, Mr. and Mrs. Larry Cope and son and Mrs. Donnis Dowden and Martha Cope from Crawfordsville; Mr. and Mrs. Donald Behmyer and children from Danville; Mr. and Mrs. Stanley Cope and Debbie.

Mr. and Mrs. Rex Cope and children, Mr. and Mrs. Millard Cox and girls from Brazil; Mr. and Mrs. Harold Rusk from Roachdale; Mr. and Mrs. Fred Cox and Gayle, Mr. and Mrs. Charles Cox and children, Mr. and Mrs. Dale Cox and children, Mr. and Mrs. Lowe Snapp and daughter, Mr. and Mrs. Wayne Kelly and children, Mr. and Mrs. Paul Heavin and children and Larry Leonard and Annie and Andy Heavin and Mr. and Mrs. Frank Heavin all of Greencastle or nearby.

All enjoyed a beautiful and joyful day and plan to hold another one next year.

Two Killed In U.S. 231 Crash

By United Press International

Indiana's 1965 traffic toll stood at least at 731 today, compared with 611 a year ago, following four deaths Tuesday, including those of a mother and her young daughter near Parkersburg.

Mrs. Marvel Twiford, 39, Goshen, and her nine-year-old daughter, Susan, were injured fatally in a two-car wreck on U. S. 231 in Montgomery County.

James David Henson, 20, McRae, Ark., told police he went asleep at the wheel, causing a crash with a car driven by Jay Twiford, 48, the dead woman's husband.

Henson's two-month-old boy, James, was hospitalized in critical condition.

-Viet Future

(Continued from Page 1)

Asked specifically whether he was giving any thought to calling up reserves or increasing draft calls, Johnson said: "The government is always considering every possibility and every eventuality. No decisions have been made in connection with the reserve of increasing draft calls. We will be in a better position to act upon matters of that kind after the secretary McNamara returns from his trip."

Engagement Announced

Mr. and Mrs. Warren Ensor of Route No. 2, Greencastle, announce the engagement of their daughter, Miss Sherry Lynn Ensor and Darrell Woodall.

Mr. Woodall is the son of Mr. and Mrs. Dewey Woodall of Route No. 2, Greencastle.

A fall wedding is being planned.

The draft calls for April through August have averaged 15,800, with the peak at 17,100 this month and 16,500 set for August.

In 1961, when Soviet Premier Nikita S. Khrushchev turned the heat on the Allied position in Berlin, Kennedy

called up approximately 150,000 reserves and National Guardsmen. Johnson can summon 1 million reserves and guardsmen merely by declaring that an emergency exists. Congress would not have to be consulted under this procedure.

THREE BIRTHSTONES

The birthstones for those born in July, August and September include gems of special beauty and interest to gemologists. The rich, deeply glowing ruby, the July birthstone, is a "sister" gem to September's sapphire since both are the mineral corundum, second in hardness to the diamond.

Peridot, one of the two August stones, is a flashing olive-green stone of great translucency and one that is found principally on the Island of St. John in the Red Sea.

In ancient lore, the ruby was endowed with the strongest powers. It was also believed to hold healing powers, and assure a lifetime of peace and good fortune. Sapphire was endowed with the ability to bring success and deflect envy. From the earliest times, it was widely used for ecclesiastical rings and religious artifacts. Among the theatrical people, sapphire was considered an antidote for "stage fright."

When worn by men, the August peridot was said to ensure his generosity. Many women in medieval days gifted their husbands with peridot-set rings in accordance with this belief, but there is no record as to its effectiveness. The other gem for the August-born is the sardonyx, a rich reddish-brown opaque gem that is regarded as the jewel of deep and lasting friendship.

Should you celebrate your birthday in one of these middle-year months, you should have no trouble finding an attractive piece of jewelry set with the appropriate stone, for all of these gems have long been popular and well regarded for jewelry use.

Sheinwold On Bridge

Sympathetic Expert
Acts As Peacemaker
By Alfred Sheinwold

When an opponent pounces on his partner, the best procedure is to make peace between them. There's no harm, of course, in giving a little ammunition to the opponent who seems to be getting the worst of it.

East dealer

Opening lead — ♦ J

If you think that Lew Mathe overbid the South hand, practically everybody will agree with you. It's hard to find fault with him, however, because he has the annoying habit of making his impossible contracts.

Mathe ruffed the opening diamond, cashed the ace of clubs and ruffed a club in dummy. He ruffed a second diamond in his hand, a second club in dummy and a third diamond in his hand. Then he led the fourth round of clubs.

After deep thought West discarded his last diamond. Mathe ruffed the club in dummy and returned the king of diamonds. East put up the ace, and declared carefully discarded a spade.

DEFENSIVE SLIP

East now slipped by leading the queen of diamonds, hoping West could over-ruff declarer. Mathe took advantage of the slip by discarding another spade.

East shifted to a trump, but

it was too late. Mathe took the ace of trumps, led a spade to the ace and ruffed a spade to win his tenth trick.

"You gave him the hand by leading the last diamond," West complained. "Just lead a trump, and he never sees daylight."

As East was getting ready to apologize, Mathe innocently asked West: "What would happen if you ruffed the fourth club with the king of hearts and returned a trump?"

It was East's turn to pounce on his partner, since this simple defense would have defeated the contract. Mathe said he was sorry he had brought it up since the opponents squabbled for fifteen minutes before he could make peace between them. It's a bad year for peacemakers.

DAILY QUESTION

Partner opens with one spade, and the next player bids two hearts. You hold: S-A 10 7 6 4 - 8 3 2 D-K 7 6 2 C-7. What do you say?

ANSWER: Bid two spades. You would bid four spades if the overall had been two clubs, but you should not jump to game with three small cards in the suit bid by an opponent. If partner has good distribution, he will bid again and you can then accept an invitation to game.

Two Appointed

INDIANAPOLIS UPI — Bryce B. Bottom, Winslow, was reappointed Democratic deputy state examiner of the Indiana State Board of Accounts Monday by Governor Branigin.

Branigin also appointed James O. Mathis, Plymouth, to a vacancy as Republican deputy state examiner. Bottom has held the position since 1961. He has been with the board 26 years, Mathis 17 years.

Computer Failure Has Space Experts Puzzled

SPACE CENTER, Houston, UPI — The mystery of the malfunctioning Gemini-4 computer might be one puzzle that never gets solved.

The computer designed to make re-entry easy for astronauts Jim McDivitt and Ed White during their four-day orbital flight last month was about the only thing that did not work. Since that flight, the computer has been tested and re-tested and scientists still do not know what went wrong.

"I don't have an extremely high degree of confidence we will find anything," said Gemini project head Charles W. Mathews Monday. He said, however, that a search for clues in the mystery would go on.

Mathews discussed at length Monday the computer failure and other aspects of the 14th month's flight and the upcoming Gemini missions. He said, among other things, that an

excess of dry lubricant was to blame for the difficulty White had closing the capsule hatch when he returned from his space walk, and that White and McDivitt kept a mighty clean house in the sky.

Mathews also said that the astronauts came closer than it was first thought to a "rendezvous" early in the mission. He said that McDivitt steered the capsule to within a half mile of the Titan-2 second-stage booster, but that the rocket slipped away while McDivitt was busy with another part of the flight.

Returning to the computer trouble, Mathews said that nothing has been found wrong with the inner workings of the device. It was to have plotted a course of re-entry for the space-pilots, but the astronauts were forced to endure a "ballistic" re-entry that produced more "C" forces on their bodies.

Rains Bring Pros and Cons

LAFAYETTE, UPI — Experts reported today there are advantages and disadvantages to the substantial rains Indiana has received during the past two weeks.

Agricultural statistician Robert E. Staszheim said in his weekly crop report that soil moisture was on an upswing as a result of rain average from nearby an inch to more than two inches in various areas.

"Growing crops generally benefited from the increase," he said, and state climatologist L. A. Schaal said "large areas of the state are in good positions moisture-wise as the time of year approaches when moisture demands by crops and losses by heat and evaporation reach their peak."

But Staszheim said the rain delayed the small grain harvest, hay making and late cultivation and "mounting weed problems are being reported."

"Topsoil moisture moved from a rating of adequate to a rating of mostly adequate to surplus. Subsoil moisture remained mostly adequate. Pasture condition continued its upward trend and is now rated fair to good," the report said.

"The corn crop continues to develop rapidly. About 15 per cent of the corn has tasseled compared with both the 5-year and last year's average for the date of 10 per cent. The blooming rate of soybeans is about on par with both last year and usual. About 20 per cent of the soy-

beans are blooming.

"Small grain harvest fell further behind. Only 30 per cent of the wheat has been combined. Last year 60 per cent of the wheat had been combined, and the 5-year average for the date is 50 per cent.

"Oat harvest is also progressing slowly with 10 per cent of the crop harvested. This is the same as last year, but the average is 20 per cent.

"Showers slowed or halted haymaking. Some hay cut last week was reported as damaged by showers."

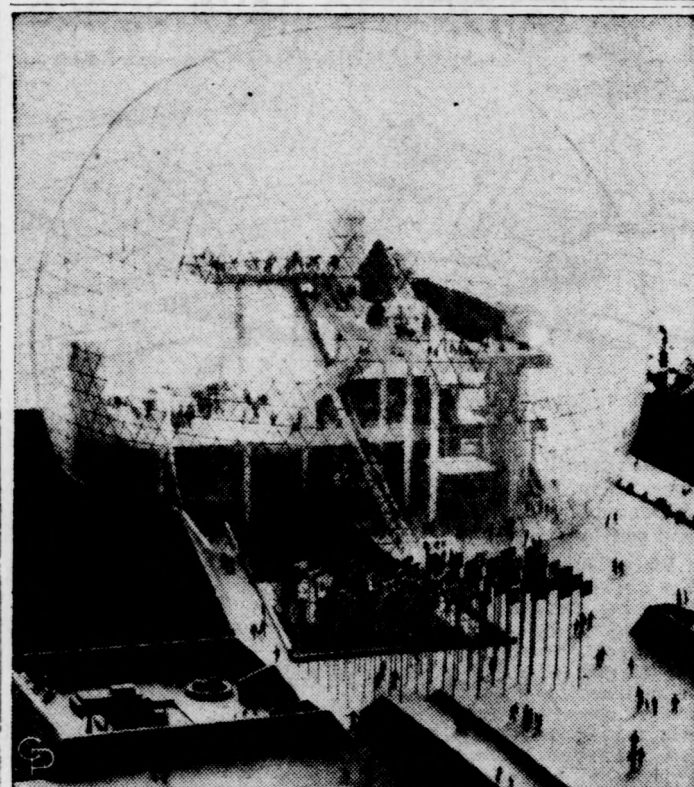

Card Of Thanks

I wish to express my sincere thanks to the entire staff of the Putnam County hospital for the splendid care, to all my friends and neighbors for all the lovely flowers, cards and visits during my stay in the hospital and after my return home. A special thanks to Dr. Schauwecker, Letts and Wiseman for their wonderful care. Again thanks to everyone and God Bless you.

U.S. EXHIBIT FOR CANADA'S WORLD'S FAIR—The model of the United States exhibit for Canada's 1967 World's Fair was unveiled in Ottawa, Ont. Described as a first step toward "lunar housing," the transparent bubble will be 19 stories high and 250 feet in spherical diameter. Work on the \$9.3 million project is to start in October.

LBJ Is Serious As To Viet Nam

WASHINGTON UPI — President Johnson has taken the lead in an administration effort to prepare the American people for the "dangers and difficulties" which lie ahead in Viet Nam.

The Chief Executive told his news conference Tuesday that while no one could predict what would happen in Viet Nam "it is quite possible that new and serious decisions will be necessary in the future." The gravity of his manner made his meaning clear.

It was the second time in less than a week that Johnson had emphasized the possibility of hard times ahead for the United States in Viet Nam's anti Communist struggle. His warnings have been echoed also in recent days by, among others, Secretary of State Dean Rusk and Gen. William C. Westmoreland, U. S. commander in Viet Nam.

Last Friday, Johnson told a news conference in his White House office that he expected the Viet Nam war to "get worse before it gets better." He indicated that America's troop commitment might well go over the previously announced goal of 75,000.

Reunion Is Held By Hand Family

About forty members of the Hand family enjoyed a reunion at the park at Danville, on Sunday July 11.

Those present came from B a i n b r i d g e, Indianapolis, Franklin, Plainfield, Danville, Whiteland, Union City, Bloomington, and Xenia, Ohio.

PROHIBITED FROM MARRYING under Missouri law, St. Louis residents Benjamin Aguinaldo Jr. and Diane Greenwald, sweethearts since high school, take their vows in an old log church in Cahokia, Ill. A Missouri law more than 100 years old forbids Negroes and Mongolians to wed Caucasians. Aguinaldo is part Filipino, and Missouri officials said he qualifies as a Mongolian.

New Rocket Use

MOSCOW UPI — The Soviet Union is using rockets in the Soviet republic of Moldavia to successfully break up hailstorms, Izvestia reported Tuesday night.

New A-Trigger

PARIS UPI—France has developed a smaller and more powerful atomic bomb to trigger its hydrogen bomb, reliable sources said today. It is small enough to be carried in supersonic Mirage IV bombers, the sources said.

Official Report

WASHINGTON UPI — Official casualty reports show that 469 Americans were killed in action in Viet Nam between Jan. 1, 1961 and July 5, 1965.

A weekly Pentagon summary also shows 237 deaths in Viet Nam from other causes in the same period. There have been 2,604 men wounded and there are 43 currently missing in action. Sixteen persons are listed as captured.

Fincastle News

By Maude Brothers
Fincastle Correspondent

Mr. and Mrs. Glenn Crodian called on friends and relatives here last week.

Mrs. Mary Virginia Clodfelter and Mrs. Maude Brothers visited Mrs. James Carroll and daughters Monday, the occasion being Vickie's birthday.

Mr. and Mrs. Joe Brothers and sons Johnny, Billie and Jimmie attended a ballgame in Indianapolis Thursday evening.

Mr. and Mrs. Fred Bridges, passed away last week in Lafayette. He has several relatives living near here.

Mr. and Mrs. Dick Reed and family spent the weekend of the fourth at their cabin on the lake.

Becky and Ronnie Brothers spent Thursday night with their aunt, Mrs. Mary Virginia Clodfelter. Becky remained the re-

mainder of the week with her aunt.

Mrs. Maude Brothers spent a few days last week in Indianapolis with her children and their families.

Mrs. Gene Clodfelter received a very painful injury to a finger Saturday while working on his mother's farm near here.

Mrs. Olive Baird visited her cousin, Mrs. Mona Shumaker, in Roachdale. They called on Mrs. Wm. Hanna.

Mr. and Mrs. Paul Shillings and family and Mr. and Mrs. Paul Stewart and family attended a reunion at Robe Ann Park Sunday in honor of their mother's birthday.

Sunday supper guests of the Shillings family were Mr. and Mrs. John Baker and family, Mr. and Mrs. James Thomas and family, and Mrs. Eugene Ralston and children.

Robert Shillings visited his grandparents, Mr. and Mrs. Elmer Black, in Crawfordsville Saturday evening.

Mrs. Ralph Jeffries called on Mrs. Olive Baird Saturday.

Clinton-Madison Club Observes Anniversary

The Clinton-Madison Friendly Club celebrated their 50th anniversary by going to the Hollandburg County side Inn for Smorgasbord at noon Thursday, July 8th. There were thirty members, former members and guests present to enjoy the bountiful meal.

The table was beautifully decorated with yellow roses and candles as the centerpiece.

After the meal the president, Lucille Hutcheson, welcomed the guests. Mrs. Maude O'Haver gave a brief history of the club and told some of the most interesting hi-lites of the past years.

There were 23 charter members, 11 of which are living, 5 are still active members. Gifts were given to the five active charter members present.

Mrs. Serena Burk and her committee gave a very interesting program. Mrs. Dorothea Miller closed the meeting with a prayer.

We were happy to have Mrs. Edith Frank become a member again after an absence of several years.

Persons lacking a birth certificate may be able to obtain proof of birth by applying to the Personal Census Service Branch, Bureau of the Census, Pittsburgh Kan.

A Woman's View

By Gay Pauley

NEW YORK UPI —The uniform for the fashionable keepers of the night watch come fall and winter will be the jeweled, floor-length evening dress.

Or, for a choice, all's well too for the woman who wishes to slip into a black wool or silk crepe also reaching the floor.

Both are the dominant fashions for the winter evenings, spent at home or doing the charity ball bit, and in each the silhouette remains basically a willowy one. Major exception—chiffon formal which call for yards of that billowy fabric.

Evening fabrics spell luxury, with a king's ransom in the cutting rooms and en route to stores of velvets, chenille textured laces, caviar beading new term for jet beads, wrap print silks, heavy satins, and a glittering array of metallics. Add on yards of trim of ostrich and fur, both the flat broadtail and fluffy fox.

The opulence showed throughout collections of the New York couture group of designers who with auxiliary members in al-

lied fashion fields started Monday a week of shows for visiting fashion reporters. The reporters will see day and evening ready-to-wear, millinery and other accessories, furs, beauty products, and to cap the busy schedule will be flown for the weekend to the Bahamas for more shows, mostly of sports clothes.

Designers bat not an eyelash at quoting wholesale prices ranging up to \$1,000 per garment for dresses beaded and rhinestoned from neck to hem. But lest some of the prices scare you off, any number of the handsomely jeweled numbers are within the more modest clothes budget.

New looking for evenings are the costumes, with jackets or floor-length coats buttoned and trimmed with stones matching those on the dresses beneath. A favorite combination: Wool coat sweeping the floor in color coordinated with the glittering dress beneath. Many of the long formal have overblouse tops jeweled, coupled with soft clinging skirts of solid shade crepe or chiffon.

Canaan News

Mr. Eugene Huber returned home from the Putnam County Hospital last week. Mr. Huber is slowly improving.

Michael, the small son of Mr. and Mrs. Don Stewart of Danville, who was run over by a truck, is slowly improving at the Community Hospital. Mr. Stewart was formerly of this community.

Mrs. Howard Smith, Mrs. Vern Lydick, Mrs. John Willhoite, Mrs. Marcia Coopridge, Mrs. Alice Lambert of Amo, Mrs. Oral McCullough and daughter Janice, Miss Joellen Elmore, Mrs. Frank Woods, were visitors recently of Mrs. Iona Goss, Joellen Woodall, who has been with her for a few days, returned home with her mother, Mrs. Donald Woodall, Thursday.

Mr. and Mrs. Leon Arnold and family of Mt. Meridian, visited her parents, Mr. and Mrs. Eugene Huber, Wednesday evening.

Mr. and Mrs. Wayne V. Merritt and daughter Chieri of Clear Lake Oaks, Calif., who were called here by the illness of her mother, Mrs. Iona Goss, returned home Sunday.

A pitch-in dinner in their honor was held Sunday. Besides the honored guests were Mr. and Mrs. Robert Bradley, Jr., Mr. and Mrs. Charles Goss, Peggy Lynn, and Lorna of Clayton. Mr. and Mrs. Raymond Goss, Mary Jane and Patricia, Mr. and Mrs. Donald Woodall, Shir-

ley, Joellen, Teresa and Glenda Lee of Monrovia.

Mrs. Harvey Stewart visited her grandson Michael Stewart at the Community Hospital Thursday afternoon. He will remain in the hospital for four weeks.

Mr. and Mrs. Laverne Ditcher and John of Angola, N.Y., Mr. and Mrs. Arthur Martin, Mr. and Mrs. Roland Martin of Plymouth were Sunday guests of their sister, Mrs. John Willhoite and Mr. Willhoite.

Miss Shirley Jane Woodall of Monrovia was the guest of her cousins, Misses Mary Jane and Patricia Goss a few days this week.

Mr. and Mrs. Eugene Bassett, Mr. and Mrs. Lloyd Greenlee visited Mr. and Mrs. Eugene Huber.

Mrs. Vern Lydick attended the Fillmore Garden Club Picnic at Robe Ann Park at Greencastle Friday.

Ketchikan, Alaska, is the wettest city in the continental United States being inundated by 150 inches of rain annually, says the National Geographic.

The National Student Association was founded in 1947 to serve the American student community through services, programs and publications.

The horn fly, one of the worst pests of U. S. cattle, spends its entire life on a cow, concentrating on the back, neck and base of the horns.

How to Save Space

— by GAILE DUGAS, CFN Women's Editor —

Let's face it, this is a day in which nearly everyone could use more room. House or apartment, we're just plain short of space. Expanding families and shrinking rooms place space at a premium and can turn even a single overnight guest into a real problem.

Where does the solution lie? You can add another room to the house but that's costly. Find a larger apartment but that means higher rent. There is, however, one solution at hand which is saving the day in many American homes: convertible furniture. A sofa that converts to a double bed, a hassock that converts to a single bed, a nest of chairs in which a single chair flips out to become four! And not folding bridge chairs but full-size dining chairs!

Perhaps the most magic of all the Castro Convertible tables is a handsome, well-designed coffee table that converts in a matter of seconds to a dining table that seats eight. It also converts in a flash to a beautiful console. When your dinner party is ended, the table— presto!—becomes a coffee table once more and your precious space is saved.

There's an extra bonus for the homeowner in the fact that the extroptic top is heat and stain re-

sistant: the only attention it needs is a wipe with a damp cloth.

This good-looking contemporary table can be ordered by mail in a number of wood-tone finishes, ranging in shades from light to dark and in combination colors as well. But it also has been done in other style versions, one a formal version in white with gold trim, another with a nautical design.

The young couple with limited space and finances, the young and expanding family, the career girl with a one room apartment, the retired couple who do not want to be burdened with the upkeep of a large house—all these and many more will find an ideal solution to the always-pressing space problem in this Castro Convertible table.

For a free, fully illustrated booklet containing detailed information, just write Castro Convertibles, 1990 Jericho Turnpike, New Hyde Park, N.Y.

Violent Weather Lashes Midwest

By United Press International

A midsummer nightmare of violent weather was unloosed Tuesday night by the collision of hot and cool air masses over the Midwest. Two storms, packing high winds and drenching rains, continued today.

The Chicago area was hit with blinding, wind-driven rain that stopped traffic. A spectacular siege of lightning ounded the city's northern suburbs for hours Tuesday night.

Quincy, Ill., on the Mississippi River was battered by a severe thunderstorm early today that swept across the bluffs with 69 mile an hour winds and belted the city with 2.15 inches of rain in just one hour.

Hard, straight winds hurled hail at communities in northern Illinois and southeastern Wisconsin. Sycamore, Ill., was

slugged with more than 2 inches of rain in an hour. Trees were uprooted at Fox Lake, Ill., and Milwaukee, Wis., where the temperature dropped 20 degrees when the storms rode through.

Some areas were without electric power for a time. More than one inch of rain drenched Topeka, Kan., and hail up to a half inch in diameter filled the streets. The storms extended down to Texas and New Mexico.

The weather bureau said the strong thunderstorms would move into the Atlantic states later today.

\$70,000 Blaze

TIPTON UPI — An early-morning fire destroyed a one-story concrete block building housing the Swift Tool & Die Co. today.

Thomas Trageser, owner of the firm, estimated the loss at \$70,000. He said the building and machinery were ruined.

Meeting Is Held By Club Council

The Putnam County Home Demonstration Club Council held its third meeting in the Community Building on Monday, July 12. Twenty-six clubs were represented by 45 county officers. The two main items of business were the Putnam County Adult Fair Exhibit Booths and the meeting of the National Extension Homemakers Council for which the Indiana Home Demonstration Clubs are hostesses.

All Indiana Home Demonstration Club members are invited to attend this meeting at Purdue University Aug. 9-13. At present sixteen Putnam County Home Demonstration Club members are registered to attend full time.

State Home Demonstration Clubs are no longer limited to one delegate. Dr. Eva L. Gobie, state home demonstration leader and assistant director of Indiana Cooperative Extension Service, said. She urged all interested homemakers to attend. Women wishing to attend the conference either on a full-time or daily basis must register by July 22.

Registration blanks and program details are available at the local Putnam County Extension Office.

Both state and national associations will hold their annual business meetings and elect officers. The Indiana State Home Demonstration Association will hold their business meeting from 2:00-4:00 p.m. in the Purdue Hall of Music on Monday, August 9. Any Home Demonstration member may attend this meeting. Only those having the official delegates card may vote.

Homemakers role in community development is the theme of the national meeting. Speakers from the Federal Extension Service and the Department of Labor, Washington, D. C., will join with a dean and professors of universities in educational programs outlining women's potential in guiding their communities.

Informational programs include news from foreign countries, aspects of homemaking and personal improvement.

Entertainment plans feature the Indiana Home Demonstration Chorus of 1,800 members, the State 4-H Band, Purdue Musical Organizations, international dancers, puppet shows and theatrical presentations.

NOTICE OF ADMINISTRATION In the Circuit Court of Putnam County, Indiana. Notice is hereby given that Central National Bank of Greencastle was on the 8th day of July, 1965, appointed administrator of the estate of Florence A. Woodrum, deceased.

All persons having claims against said estate, whether or not now due, must file the same in said court within six (6) months from the date of the first publication of this notice or said claims will be forever barred.

Dated at Greencastle, Indiana, this 8th day of July, 1965. Probate Cause No. 10,531

Jack P. Hinkle Clerk of the Circuit Court for Putnam County, Indiana.

Roy C. Sutherland Attorney July 14-21-28-31

NOTICE is hereby given that the Local Alcoholic Beverage Board of Putnam County, Indiana, will at 11 AM on the 8th day of August, 1965 at the Clerk's Office, Court House, in the City (or town) of Greencastle, Indiana in said County, begin investigation of the application of the following named persons, requesting the issue of the applicant at the location hereinafter set out, of the Alcoholic Beverage Permit of the class hereinafter designated and will, at said time and place, receive information concerning the fitness of said applicant, and the propriety of issuing the permit applied for to such applicant at the premises named:

Room of the Month

By Gaile Dugas CFN Women's Editor

This, the ultimate in bathroom luxury, is a beautiful room designed by Betty Cavallon, A.I.D. for Yale & Towne at the National Design Center, New York. Towne hardware accessories are plated with 24 karat gold and decorated with genuine semi-precious stones, white mother-of-pearl here; green jade, blue sodalite and pink quartz are also available.

What every woman wants in a luxurious, elegant yet practical bathroom has been achieved. In other words, it's here, girls. You really couldn't ask for more. Honestly.

Looking around this bath-dressing room, you see design completely attractive to the eye and color to enchant. The room is compartmentalized for maximum efficiency (all those wet towels!) into three areas: sit-down vanity and clothes storage area; bathing, lavatory and dressing areas; and the water closet area.

In the bath-dressing room, Yale & Towne has introduced new bath-room hardware accessories plated with 24 karat gold and decorated with genuine semi-precious stones. The colors are meltingly beautiful: white mother-of-pearl stones and jade green, blue sodalite and pink quartz. Exhibited at the National Design Center, New York, the room was created for Yale & Towne by Betty Cavallon, A.I.D. After all, it takes a woman to know a woman, doesn't it?

The room displays for the first time, jeweled bathroom hardware accessories: towel bars and stirrup towel rings; switchplates and electric outlets; combination toothbrush and glass tumbler holder; combination soap dish and grab bar for bath-shower section; cabinet and drawer pulls; robe hook; jeweled showerhead.

Colors for this unique bathroom are gold and white. The bath area is recessed and framed by a pair of fluted antique gold columns with white shower curtain flecked in gold. Tub is sunrise yellow with bright brass fittings; over it is a mural reproduction of Piranesi's etching, "Ponte Roma". Shower head, soap dish and grab bar are jeweled with mother-of-pearl stones.

In the dressing-lavatory area, rug is gold and towels are gold-and-white, reflecting the classical motif etched on the putty-white surfaces of cabinets and drawers. Two washbowls are in accent citron with bright brass fittings. Walls of this area are covered with foil-on-fabric which is coated. That luxury of all luxuries that you've always longed for is here: generous towel storage! Shelves are near the washbowl and are topped by a screened compartment for hi-fi music or radio speakers. The area is lighted by a crystal chandelier, sconces and complete with gold framed mirrors, dressing table and jeweled, gold-plated Towne hardware accessories.

The water closet area is spacious, has a sunrise yellow plumbing fixture with golden accessories.

In the vanity and clothes storage area, all cabinets, drawers and dressing table are the same style as the lavatory area, but have white ceramic pulls ringed in gold. Two vertical strips of jeweled vanity lights provide truly effective make-up lighting. Flooring throughout is onyx white tile which quiets sound, is easily cleaned and which repeats the classical motif throughout. There is a gold-and-white acoustical ceiling. Separating the dressing and water closet areas is a pair of fully mirrored folding metal doors.

There. Doesn't it sound delicious? Wouldn't you love to wallow in all that luxury? And gloat over the practicality? Whoever said that a woman spends most of her life in a kitchen had the wrong room. The right one is the bathroom, isn't it, girls?

This unusual bath-dressing room was developed by Yale & Towne, with such leading manufacturers as American Biltrite Rubber Company, Columbus Coated Fabrics, Fieldcrest Mills, Formica Corporation, Kohler Vanity Company, Lightolier and Marsh Wall Products, Inc.

The bath-dressing room is on free exhibition at the National Design Center, 415 East 53rd Street, New York, daily 10:30 to 5:30 through July.

White Is Editor Of Negro Paper

CHICAGO UPI — The Chicago Defender, one of the country's leading Negro daily newspapers, Tuesday named a white newsman managing editor.

Named to the post was Ward Caille, 53, a night editor of the Chicago Daily News and a member of the Daily News editorial staff for 20 years.

Defender editor and publisher John H. Sengstacke said the paper is "expanding its operation along numerous fronts." He said, "we are pushing ahead in directions already well established, and we believe that the addition of Caille to our staff will greatly step up the pace."

Military Pay Raise Cleared

WASHINGTON UPI — A \$1 billion military pay raise was cleared by the House Rules Committee amid indications it also will sail through the House. The only concern voiced by rules members was whether the increase was enough.

The traffic cop rules group gave the bill a green light for early House action after Chairman L. Mendel Rivers, D-S.C. of the armed services committee, said "the most critical problem" facing the nation today is the inability of Army, Navy and Air Force to retain skilled personnel.

Flier Sentenced

LAFAYETTE, UPI — Alpha Hanns, 42, West Lafayette, was fined \$100 and costs and given a six-month suspended sentence to the Indiana State Farm on a charge of dangerous operation of an aircraft.

Authorities charged that on June 1 Hanns flew his plane too low over a residential area.

Report Gripping By Red Seamen

NEW YORK UPI — Soviet seamen are gripping over the "miserable luck" which forces them to work cargo ships taking supplies to Communist North Viet Nam, Radio Liberty reported Tuesday.

The sailors have been heard to wish out loud they won't become "fishfood for the sake of a few Vietnamese," the Iron Curtain network said.

The low morale of the Russian mariners indicates a fear of being bombed by U. S. planes while in North Vietnamese ports. Radio Liberty said the quotes were obtained from authentic Community sources.

Radio Liberty broadcasts programs in Russian and 16 other languages around the clock. The Western, privately sponsored network also maintains reporters in many cities.

Mayor Available

MUNCIE, UPI — Muncie Mayor John V. Hampton said he may run for Congress from the 10th District next year.

Hampton said he was "interested in serving in Congress" and intends to let the Republican leaders of the district know he is available if they should desire him to be a candidate.

Health Hazard Warning To LBJ

WASHINGTON UPI — The House Tuesday passed and sent to the White House a bill requiring a health hazard warning on cigarette packages. Some members described it as "Onnecuous and meaningless."

The measure requires that after Jan. 1, 1966, all cigarette packages carry the label: "Caution: Cigarette smoking may be hazardous to your health." At the same time, the bill bars the Federal Trade Commission FTC from extending the warning requirement to cigarette advertising.

Russ Agree To Talks In Geneva

WASHINGTON UPI — President Johnson announced Tuesday that the Soviet Union had agreed to reconvene the 18-nation disarmament conference in Geneva.

Johnson told his news conference that the Soviet agreement was "an encouraging development." He said the United States hopes to resume discussions no later than July 27.

Since the Soviet reply to the U. S. proposal for resumption of the talks came Monday, Johnson said, American officials are checking to see if the proposed July 27 date is satisfactory to the other 16 nations.

On The U. S. Farm Front

By Gaylord P. Godwin

WASHINGTON UPI — A new major factor in international grain trade is the big volume purchase of free world wheat by Communist countries during the past few years.

Raymond A. Ioanes, administrator of the Agriculture Department's Foreign Agricultural Service, said the Communist purchases of wheat have af-

fecting the production patterns of some exporting countries and bolstered incomes of commercial wheat growers, particularly those in Canada and Australia.

During the four fiscal years 1961-64, the West-East movement of wheat amounted to about 40 million metric tons. This is some 1.44 billion bushels. This export volume compares with the 1964 U. S.

wheat crop of 1.29 billion bushels.

Ioanes said Red China was the leading buyer, taking more than 615 million bushels in 1961-64. Red Chinese satellites of Albania, North Korea, and North Viet Nam have taken another 25 million bushels.

The Soviet Union imported 375 million bushels, most of it after the disastrous wheat crop there in 1963.

Ioanes said Communist buying of Western wheat has continued at a lively clip in recent weeks.

The Agriculture Department said deductions for financing the wool and lamb producers' self-help promotion program to be made from payments for the 1965 marketing year under the National Wool Act will be the same as in the past.

Deduction rates are 1 cent per pound from shorn wool payments and 5 cents per 100 pounds of liveweight from unshorn lamb payments.

The promotion program is conducted by the American Sheep Producers Council, Inc. The program involves advertising, sales promotion, and related market development activities on wool and lamb.

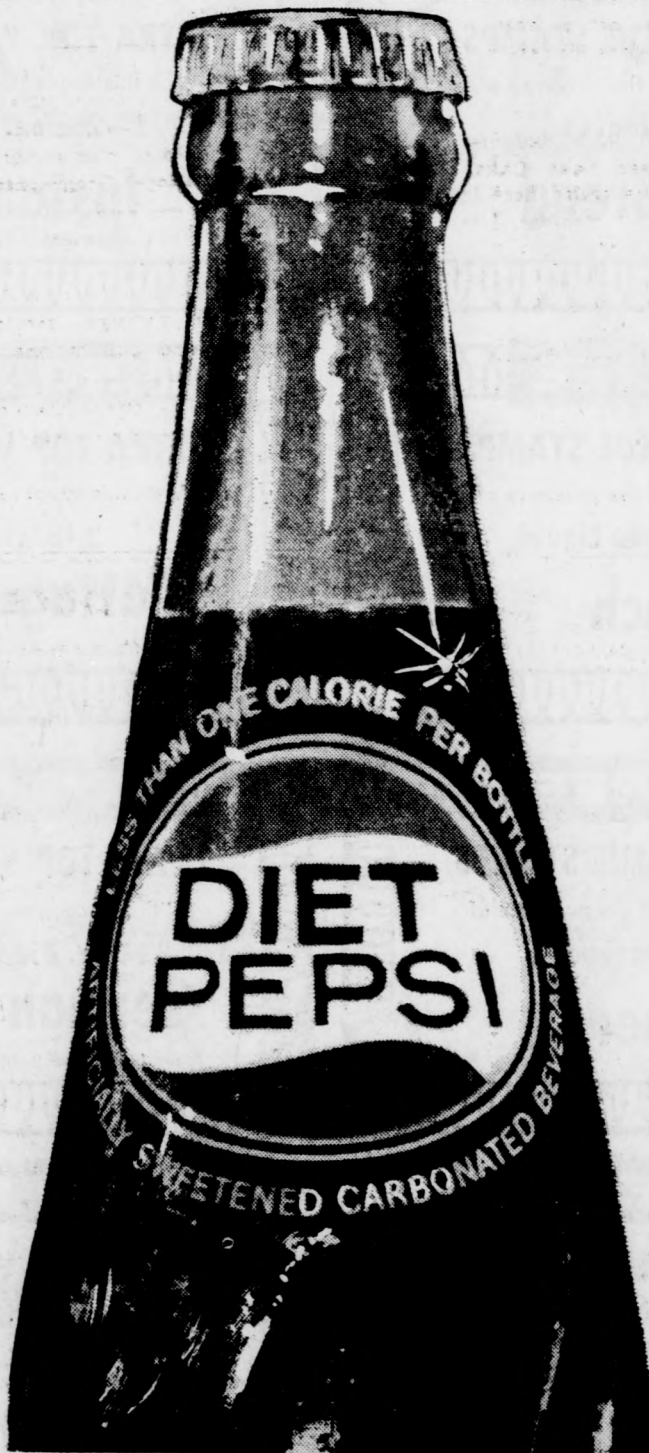

Deduction from payments for financing the council's activities for the 1964 marketing year were estimated at \$2.5 million.

Eliminate Charge

INDIANAPOLIS UPI — The State Depository Board Tuesday eliminated the one-fourth of 1 per cent insurance charge on \$137 million in certificates of deposit in all Indiana state banks.

The action, effective Aug. 1, means the certificates will pay a net 2 1/2 per cent interest and ends payment of the charge to a state reserve fund created to insure against a bank failure.

State treasurer Jack New said the action will affect all Indiana banks, with the exception of a small number of private banks which do not accept certificates of deposit.

4-H CLUB

On July 7th the Merry Maids last meeting was called to order by president, Jerretta Baker. The pledge to the flag was led by Nina Ader. The 4-H pledge was led by Kathy Davis. The singing was led by Sandy

Evans. Roll call was answered by your favorite color. Secretary, Diane Dozier, read the minutes. The Health & Safety report was then read by Diane Edwards. Then Darleen Price gave a demonstration on "how to measure things." The meeting was then adjourned for recreation.

The Greencastle Clovers 4-H Club met on July 8, at 9:30 a. m., at the Junior High School Home Economics Building. The meeting was called to order by the president, Kathy

Cooper. Barbara Archer led the pledge to the flag. Tamara MacPhail led the 4-H pledge. Mrs. McClure helped the girls with their sewing projects and checked all record books.

The Greencastle Clovers and the Ridpath 4-H Girls Club will have a joint bake-sale on July 16, at 1:00 p. m. to 3:30 p. m. in front of the J. C. Penney Co. Store. All members of these two clubs are to bring a contribution of a cake, cookies, pie, etc.

The next meeting will be held on July 15, at 9:30 a. m., at the Home Economics Building, of the Junior High School.

The seventh meeting of the Working Farmers was held on July 7, 1965 at the Wilsons. The American pledge was led by Larry Wilson. The 4-H pledge was led by Gary Nelson. For old business, we discussed our completion trip at Van Bibbers. For new business we discussed our tour. The next meeting will be held on July 14, 1965 at 1:00 p. m. at the Alcorns.

Mr. and Mrs. Avery Hopkins were the hosts for the Franklin Twp. Swine Day held at their country home on July 11.

The evening was spent in

showing how to wash, trim, oil, and prepare a hog for the show ring. They also had a show ring built and different 4-H'ers showed how to show them. Byron Gough, the Roachdale 4-H leader, acted as judge giving them points on what they were doing right or wrong.

After the hog show, recreation was enjoyed, closing with a wiener roast.

Those attending were, Mike Risk, Mr. and Mrs. Byron Gough, Ed Britton, Mr. and Mrs. Charles Skelton, Pat, Cheek, Mr. and Mrs. Max Call, Ricky, Rex, Robin, Mr. and Mrs. Charles Miller and family, Mr. and Mrs. Cliff Crosby,

Janet and Steve, John Risk, Ron Winton and Rick Gilstrap, Gary Long, Mr. and Mrs. Frank Ford, Nancy and Nelson, Mr. and Mrs. Nobel Fry, Ralph and Philip, Mrs. Kay Clappitt, Bob, Pam, Virginia and the hosts Mr. and Mrs. Avery Hopkins, Terry, Brenda, Trent and Todd. A total of 47 people in all went home hoping to attend again next year.

Urges Measure For Migrants

WASHINGTON UPI — Con-

gress was urged by a labor union spokesman to enact legislation to provide a minimum wage, collective bargaining rights and other benefits for migrant farm workers.

The appeal was made to the Senate Migratory Labor subcommittee by Arnold Mayer, lobbyist for the Amalgamated Meat Cutters and Butcher Workmen AFL-CIO. He testified in support of a five-bill legislative package to aid migrant workers.

Mayer said that although Congress had done much to correct shocking injustices, migrant workers "still suffer from

low wages, miserable housing, impossible working conditions."

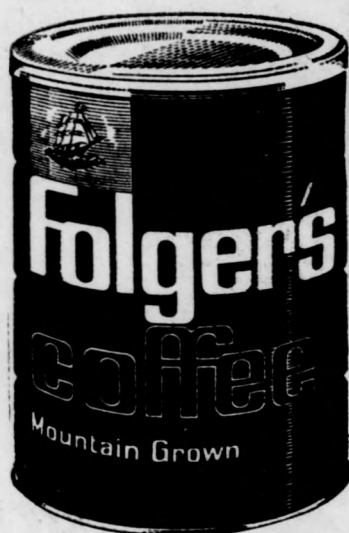

The union spokesman recommended that the minimum wage proposed in the legislation be raised from \$1.15 to \$1.25 and the minimum age for farm work be fixed at 16 instead of 14 as proposed.

Scott Neilsen, a spokesman for the American Friends Service Committee also urged a minimum wage for farm workers. He said lack of fair labor laws for farm workers was a major contributing factor to their poverty.

Foreign News Commentary

By Phil Newsom
UPI Foreign News Analyst
Notes From the Foreign News Cables:
U.S. On The Offensive:
Saigon sources say to expect the first real American offensive in South Viet Nam during the month of October. Until then, American troops will be tied up defending their coastal bases against the Viet Cong's monsoon offensive, the serving as "fire brigade" reinforcements for hard-pressed Vietnamese units. The Viet Cong

offensive is expected to recede when the dry season comes in October. In South Viet Nam by then will be about 80,000 American servicemen. Their base defenses will be dug in and the weather will favor their air power and helicopter tactics. American forces will be free then for the first time to take the offensive against Viet Cong base areas.
Disarray In Europe:
With the Common Market in disarray over the question of farm subsidies, Britain has all but shelved for the time being efforts at "bridge building" between the rival European Free Trade Association and the six nations of the Common Market.

British Prime Minister Harold Wilson who talked over the idea with French President de Gaulle earlier this year in Paris, has been pushing it since within the EFTA alignment and experts have been at work to prepare concrete proposals for possible future co-ordination between the two rival blocs. All is at a standstill now while the future of the Common Market itself is uncertain.
De Gaulle Strategy:
President de Gaulle can be expected to continue his boycott of the Common Market until after the September West German elections, French officials say. If and when he does agree to reopen talks on the

Common Market crisis, it probably will be on a basis of two-day discussions with each member country. In this way De Gaulle would set aside the Common Market executive which De Gaulle dislikes because it is "supranational."
Block Red China:
Highly-placed government sources in the Philippines believe there will be another postponement of the Afro-Asian conference in Algiers... over Red Chinese objections the meeting first was postponed until November because the new Algerian government had not yet had time to consolidate itself after the overthrow of Ahmed Ben Bella. If the meet-

ing is held in November there is doubt that a Philippine delegation will attend because it is too close to the Nov. 9 Philippine presidential elections. But, the Philippines are working closely with other Asian "moderates" determined to prevent Red Chinese domination of the meeting. The group includes Japan, India, Thailand, Ceylon and Laos.
Korea Powder Keg:
On the first orders of business facing the extraordinary session of the Korean National Assembly is ratification of the Korea-Japan normalization treaty. The government is determined to press it through. The anti-Japanese opposition is

equally determined that it shall fail. The anti-Japanese opposition assemblymen are talking of mass resignations from which they could benefit in the ensuing political confusion.
Predict Large Corn Crop
WASHINGTON UPI — The Agriculture Department Friday forecast a 1965 corn crop of 3,912,036,000 bushels and a wheat crop of 1,353,813,000 bushels.
The first production estimate

The Daily Banner, Greencastle, Indiana, Wednesday, July 14, 1965 9

of the year of the 1965 corn crop compares with last year's output of 3,548,604,000 bushels and the 1959-63 average of 3,817,311,000 bushels of the key livestock feed.
This is the fifth consecutive year that the corn crop has been grown under a voluntary feed grain reduction program.
The wheat forecast was made up of 1,069,000 bushels of winter wheat and 283,844,000 bushels of spring wheat.
The wheat estimate compared with prospects last month of an all-wheat crop of 1,282,-

986,000 bushels. This was made up of 1,016,587,000 bushels of winter wheat and 266,399,000 bushels of spring wheat.
The estimate for the spring wheat crop last month was based largely on prospective planted acreage planted in March.
Last year the all-wheat crop was 1,290,468,000 bushels. The five-year average production was 1,189,763,000 bushels.
The alligator snapping turtle of the central-southern United States may grow to a weight of 200 pounds.

National League Wins Annual All-Star Tilt 6-5

MINNEAPOLIS—St. Paul—UPI—You couldn't blame Al Lopez if he made a date with a psychiatrist today, but the congenial Chicago White Sox skipper had no such plans.

Lopez has managed the American League squad in six All-Star games and six times he has gone down to defeat.

"I'm not frustrated," Lopez said after Tuesday's 6-5 loss to the senior circuit stars. "We threw the book at them and it was a hell of a game."

The "Senior," however, saw his game strategy shattered in the first inning and in playing catch-up he had to alter his plans.

"I had planned to use Milt Pappas for three innings and come back with Sam McDowell, a lefthander," he said. "But when they got so far ahead I had to change my plans."

Although five home runs were hit in the game, Lopez agreed that a high-hopping ground ball by the Cubs' Ron Santo in the seventh and the American League's inability to drive in

Sore Hand The Price of Success

MINNEAPOLIS — St. Paul UPI—Fast-baller Bob Gibson and catcher Joe Torre of the National League both had a pair of souvenirs they didn't want today for their winning efforts in the 1965 All-Star game.

Gibson, who worked with only one day's rest, has a sore arm from his two-inning cleanup stint, during which he struck out sluggers Harmon Killebrew and Joe Pepitone in the ninth with the tying run on second base.

Those balls Killebrew and Pepitone missed ripped into the glove of Torre, adding to the pain already inflicted by five other National League hurlers.

Torre, of the Milwaukee Braves, wasted no time in calling for a tub of hot water as soon as he got in the dressing room Tuesday. Displaying his swollen hand, he said, "I had some real hummers coming out of that bullpen."

Gibson, St. Louis Cardinal

Fourth Round Indiana Amateur Golf Championship Underway

COLUMBUS, UPI — A pair of "old-timers" were still very much alive today going into the fourth round of the Indiana Amateur Golf championship, matching shots with the "young old guard" over the steaming Otter Creek course.

By dusk, only the four semi-finalists will be left to go the final two rounds Thursday and Friday.

Still much in evidence were such "old pros" among the play-for-fun fairways enthusiasts as four-time winner John David and Ed Tutwiler, the two Indianapolis swingers.

Results of Tuesday's second-round action follows:

Terry Winter, West Lafayette, defeated Rick Lee, Indianapolis, 1 up in 20.

Mike Gery, Lafayette, defeated Dick Perk, Indianapolis, 2 and 1.

Mack Phillips, New Albany,

GREENCASTLE CITY SOFTBALL LEAGUE

1965 SCHEDULE OF GAMES

DAY	DATE	TIME	TEAMS PLAYING*
Mon.	12	8:15 p.m.	Torr's R. vs. Cloverdale
Wed.	14	8:15 p.m.	Cloverdale vs. Old Topper
Thur.	15	8:15 p.m.	Torr's R. vs. Old Topper
Mon.	19	8:15 p.m.	Cloverdale vs. Danville
Wed.	21	8:15 p.m.	Danville vs. Buis Feeds
Thur.	22	8:15 p.m.	Old Topper vs. Old Topper
Mon.	26	8:15 p.m.	Buis Feeds vs. Torr's R.
Wed.	28	8:15 p.m.	Danville vs. Buis Feeds

*Teams in the right side column will be the home team.

All postponed games will be played as a double header on the following scheduled night, weather permitting. If possible the games are to be played within one week of the postponed date. The postponed game will be the first of the double header and starting time will be 7:00 p.m. If the first game is not completed by 8:15 p.m., the second game will start 15 minutes after the completion of the first game.

Awards will be given to the League Champion, Play-off Champion, Sportsmanship including Most Valuable Player (to be voted by the team managers), and the Highest Batting Average.

SUMMER RECREATION - 1965

Week of July 12 - 16

Recreational Basketball	7:30-9:30	Hi School Bldg.	M-T
Park Recreation	7:00-9:00	Robe-Ann	M-T-W-Th

base-runners in the eighth and ninth were the key factors in the contest.

Santo's high bouncer came with one out and Willie Mays on third and Rolando Clements on first. When the ball finally came down, Mays had broken a 5-5 deadlock and everybody was safe.

"Santo's grounder never hit the grass part of the infield," Lopez said. "It hit in the dirt in front of the mound, hopped over McDowell's head and then hit the dirt in front of second base."

Shortstop Zoilo Versalles of Minnesota and New York Second baseman Bobby Richardson never had a chance to get Mays or start a double play.

"There was nothing I could do," Versalles said, "I was watching the ball with one eye and Mays with the other. If the ball had been hit more toward the hole between shortstop and second base I think I could have cut it off on the short hop and maybe got Mays."

Indians Triumph 8-5 Over Padres

SAN DIEGO, Calif. UPI — Indianapolis snapped San Diego's three-game Pacific Coast League victory string Tuesday night with an 8-5 triumph.

The Tribe, which meets the Padres again tonight, struck for five early runs and added a clinching pair in the ninth inning for the win. Dave DeBusschere needed an assist from reliever Warren Hacker as he picked up his seventh victory against 10 losses. Jim Coates was the loser.

Lee Elia's home run and single drove in three Indianapolis runs. Triples by Marve Staehle and Gene Stephens, plus Tommie Agee's two-run double and Danny Murphy's round-tripper accounted for the Indianapolis tallies.

Froehling, Graebner Enter Third Round

CHICAGO UPI — Frank Froehling, Clark Graebner and Marty Riessen today entered the third round of the National Clay Courts championships after eking out three-set victories Tuesday.

Froehling, third-seeded in the tournament, came back from an initial setback to beat Mexico's Marcello Lara 5-7, 7-5, 6-1.

CLYDE BEATTY, 62, world famed trainer of jungle beasts, is in "poor" condition with cancer in a Ventura, Calif., hospital.

Tourney All-Stars on Way to Terre Haute

By FRANK PUCKETT, JR.

Sports Editor
The Terre Haute-bound Greencastle Little League All-Stars squeaked past their teammates under the lights last night at Robe Ann Park 8-6.

The lighted tilt looked as if it were a pitching duel between National League opponent hurl-

er Newgent and American League moundsman Aubrey until late in the fourth inning when the All-Stars started to show their stuff.

All-Star catcher Blacketer started things with a line drive through the second baseman for a single. First sacker Gorham then dropped a bunt to the third

baseman that allowed Blacketer to advance to second. Shortstop Loring came through with a long single that gave him the first RBI of the game and the first run scored of the contest.

After Hurst fanned, Gorham stole home on a wild pitch to score the second run of the game. Still not through, the all-

stars second sacker Torr snagged a high fast ball and chalked up two RBIs. Hurler Aubrey then added to his own victory caused by slugging a long triple. The bottom of the fourth ended with the all-star squad in the lead 5-0.

Staging a rally in the top of the fifth inning the American

League opponents came through with a quick 5 runs that tied the score. Thomas, the right fielder, started things by singling. S. Crawley drew a base on balls, Lear singled, and Litchford singled over the left fielder's head to score the first run of the game for the opponents. The fifth inning story was told when Newgent stole home on an all-star error to tie the game. The top of the fifth ended with both teams holding 5 runs.

In the bottom of the fifth, Howard singled, driving in Star. Blacketer then walked and right fielder Zeller stepped to the plate. Zeller blasted a long fly ball past the right-fielder to score two runs and put the all-stars in the commanding lead of 8-5.

After the opponents managed one more run by Tzounanakis the all-stars made quick work of their opponents and laid claim to the practice victory.

The all-stars travel to Terre Haute Wednesday, July 21, where they will meet the West Vigo team.

Named as Team Captain

ST. ANDREWS, Scotland — UPI — Controversial Harry Westman, plagued by misfortune in his ill-fated bid to make the British Ryder Cup golf team, today was recovering from the "wonderful shock" of being named team captain by the PGA Executive Committee.

The hard-hitting Westman was an unexpected choice to lead the British team against the United States of the Royal Birkdale Course, Oct. 7-9, because his name never had been linked to the position.

The position was expected to go to PGA chairman Peter Alliss, Max Faulkner, last Briton to win the British Open, or Dai Rees, who aroused Westman's anger while leading Britain to its last Ryder Cup victory in 1957.

To Represent U.S. at Jamaica

NEW YORK UPI — Jim Ryun of Wichita, Kan., and seven other national track and field champions have been selected by the Amateur Athletic Union to head the United States team to the third Independence Day international meet in Jamaica Friday and Saturday.

Ryun, the 18-year-old schoolboy flash who set an American citizen's record in winning the AAU mile, is one of eight men and five women plus the Boys N. Y. High School sprint relay and one-mile relay teams who will participate in the meet for the U. S.

Indianapolis Golfers Qualify

PITTSBURGH UPI—Two Indianapolis golfers, Lee Evans and Henry Birk, qualified Tuesday for the National Public Links finals.

Evans posted a 36-hole score of 147, just three strokes off the 144 by medalist Stanley Poploski of Pittsburgh, and Henry Birk shot 152.

WHITFIELD WINS
BOSTON UPI — Ted Whitfield, 145, Springfield, Mass., outpointed Charley Scott, 147½ Philadelphia 10 in a bout Tuesday night.

HEALTH CAPSULES

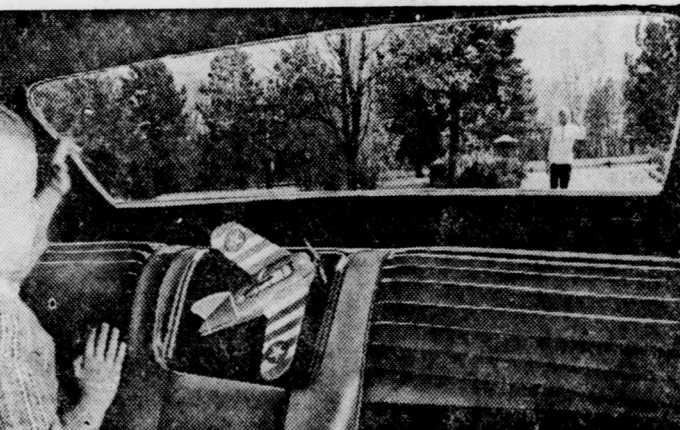

by Michael A. Petti, M.D.

IF YOU HAVE A FRESH SCAR, IS IT O.K. TO GET A SUNTAN TO OBSCURE THE SCAR?

NO. IF YOU TAN A SCAR IN THE FIRST FEW MONTHS, THE SCAR MAY BECOME PERMANENTLY DARKER THAN THE SURROUNDING SKIN.

TOMORROW: FRANKFURTERS.

Health Capsules gives helpful information. It is not intended to be a diagnostic nature.

MOMMY CAN BE WAVED AT lots longer when she's seen so clearly through the convertible's back window. That's because this is one of the new back windows of safety plate glass developed by Libbey-Owens-Ford. Glass in the convertible's back window gives permanently clear rear vision, adding to motoring safety and convenience.

A Touch Of Elegance

PATIO DINING gets a touch of elegance with new Terrazzo lace cloths in choice of five decorator colors, each with contrasting colored liner of Belgian linen, and matching linen napkins.
This patio buffet setting features turquoise lace over moss green liner. Other combinations of this popcorn-and-chain-stitch pattern include pink lace over red linen, green lace over blue linen, antique gold lace over orange linen and beige lace over cocoa linen.
A helpful note for homemakers: Terrazzo cloths are a blend of rayon, cotton and dacron which wash easily, need no stretching and little or no ironing.

Dance Acts Taboo
OMAHA, Neb. UPI — Residents here have only a few weeks to take in night club strip tease acts, including that of Sally Rand, whose arrest led to the downfall of the ancient art.

The arrest of the well-known fan dancer resulted in Tuesday's meeting between police and night club operators. Police Chief L. K. Smith said it was agreed that "exotic dancing acts and strip teasers" will be taboo after Aug. 1. The agreement allowed club owners to meet contract obligations.

Viet Cong Stage Air Base Raid
SAIGON UPI — Communist guerrillas raided the Bien Hoa air base 15 miles north of Saigon today in a bold display of strength for 2,976 American soldiers of the 1st Infantry Division who had just landed in South Viet Nam.

The hit-and-run attack was premature. The new American arrivals were waiting to board transport planes 55 miles away when the guerrillas struck and there were no casualties.

The first C130 transport planes began landing without incident after the guerrillas melted into the jungle.

But other Communist forces today attacked a government garrison at an Hoa village 20 miles southwest of the American air base at Da Nang, killing 26 Vietnamese soldiers, and the important district capital of Dak Sut on the Central Highlands.

In air action, 150 American and South Vietnamese warplanes carried out a saturation bombing raid on a two-square-mile patch of jungle 40 miles south of Da Nang where a full division of guerrillas was believed holed up. Pilots were unable to assess damage because of the heavy foliage.

The commando-style raid on Bien Hoa was apparently timed to coincide with the arrival of the 1st Infantry Division troops by air from their landing area at Vung Tau, a seaport complex 35 miles southeast of Saigon.

The planes were delayed, and the guerrillas pulled back after penetrating the extensive Bien Hoa defenses and opening up with mortar and automatic weapons fire at exactly 10 a.m. The first of the transport planes touched down 2½ hours later.

Ten mortar shells crunched in near the base perimeter less than 500 yards from the runway area where the Americans finally debarked from the planes.

Another guerrilla band attacked a small Vietnamese training camp near the western end of the Bien Hoa runway but retreated after a 15-minute fire-fight.

Man Suffocates
LAFAYETTE, UPI — Russell Walters, 58, Lafayette, suffocated when he fell asleep while smoking in his apartment and the cigarette ignited a davenport.

Coins Stolen
INDIANAPOLIS UPI — Robert Jackson reported to police today that a \$2,500 coin collection in a large red wooden box was missing from his home when he returned Monday from a weekend trip.

Rebels Burn Flag
SANTO DOMINGO UPI — A group of young rebels, perched atop a Dominican national shrine, set fire to a large American flag Monday, heeding a crowd's roar to "burn it. Burn it."

Rebel leader Francisco Camacho Deno said later the flag burning incident was the natural result of the "flagrant intervention" of United States troops in the Dominican Republic.

WHOOPIE!—Jennifer Mathews, 2, goes deeply western in Salinas, Calif., where residents are wearing such garb for a 10-day period as an "Old West" revival.

Senator Praises Nation's Press
DETROIT UPI — The nation's press "did a superlative job" during the Dominican crisis, Sen. Philip A. Hart, D-Mich., said Tuesday night.

The press "generated a very real public demand that the Dominican problem be shared with the Organization of American States," he said.

Hart addressed the 32nd annual convention of the American Newspaper Guild.

He told the newspapermen that "it's not the power of the press that counts—it's the power of the people that the press can reach."

"This was demonstrated during the Dominican crisis where the press did a superlative job—although somewhat to the embarrassment of some federal officials," Hart said.

Hart said the public demand for OAS intervention "was a clear indication that Americans are ready—even eager—to work within the framework of such international organizations."

He also spoke of problems between newspapermen and politicians.

"The fact of the matter is that politics and the press are joined in an irrevocable marriage... a stormy marriage that alternates between admiration and contempt, hope and despair, cordiality and rudeness."

The only sure thing about this "uneasy marriage," he said, "is that there will be new courtships, new honeymoons, new quarrels and new charges of unfaithfulness."

He said he would like to give "one politician's views on slanted news stories."

"I don't regard them as a malignant tumor that must be immediately attacked and slashed away," he said. "They are inherent in the system—it happens to be operated by humans—and are not necessarily fatal to the American way of life."

Senators Debate Housing Program
WASHINGTON UPI — Senators began debate today on President Johnson's \$7.3 billion housing program.

Critics of the controversial provision to the House-approved bill banded together in an attempt to block it. They were led by Sen. Harry F. Byrd, D-Va., who labeled the plan "renticaine" and said it would be "another bottomless pit for federal spending."

Among amendments being offered to the bill was one by Sen. John G. Tower, D-Tex., to remove the subsidy provision.

In the addition to the plan for federal payments to allow certain needy persons to move to better housing, the bill also would extend present low cost housing, urban renewal and other programs.

Negroes Reject McKeithen Plea
Negro leaders at Bogalusa, La., rejecting a plea by Louisiana Gov. John McKeithen for a truce, vowed Tuesday night to intensify civil rights demonstrations in the tense town.

Negroes at Jackson, Miss., planned their first demonstration today in a voter registration campaign. Negroes were to march to the Hinds County courthouse to test recently enacted changes in Mississippi's voting laws that ease restrictions.

Civil rights leaders at Bogalusa rejected McKeithen's plea for a 30-day ban on marches because they received no concessions. They called on civil rights groups around the nation to descend on Bogalusa to participate in marches until "there is total equality" in the Louisiana paper-mill town.

McKeithen called the decision "a tragic mistake" and said about 370 state troopers would remain in Bogalusa as long as necessary.

About 370 Negroes marched through the town Tuesday, under heavy police protection. A few whites shouted catcalls at the marchers.

In Washington Tuesday, President Johnson said he hoped the voting rights bill would open the way for repeal of all poll taxes. He said Atty. Gen. Nicholas Katzenbach will work with congressional leaders on a provision to put a legal end to such taxes.

Fast Body, Slow Spirit
HOLLYWOOD UPI — Of her frequent trips between Broadway and Hollywood, Maureen O'Sullivan says: "It seems the body comes in by jet and the spirit by covered wagon."

Cities In North Rights Targets
WASHINGTON UPI — The Johnson administration's next civil rights target probably will be the problem of the Negro in the great cities of the North, particularly education.

The Chief Executive indicated as much Tuesday when he told his news conference the voting rights bill, now on the brink of final congressional approval, "is not going to solve the problem completely itself."

"There will be much to be done in the years ahead. I think the problem of the American Negro is one of the two or three most important problems that we must face up to with our legislation again next year."

"I am particularly sensitive to the problems of the Negro and the problems of the city and the problems which the shift in population has caused, such as the problem of education. I have task forces working on these things."

Most of the civil rights legislation of the past several years has been aimed at correcting inequities which Negro leaders believed were most apparent in the status of the Old South. The thrust of the voting rights bill, for example, is principally aimed at the South.

JUDICIAL SALE OF REAL ESTATE

The farms known as the Wilson C. Blue and Isa J. Blue farm approximately one mile west of Eminence, Indiana, will be sold at private sale for Cash at the Farmers State Bank, Eminence, Indiana, on Monday, August 9, 1965 at 11:00 o'clock A.M. Good farm land and well located.

Wayne Branneman, Auctioneer
Lunch will be served. Phone 795-4403

A New Era in Entertaining
GET THE MOST OUT OF LIFE

NEW YORK (CFN)—A New Era of Entertaining is upon us, very much a part of suburban life in 1965 and very much a departure from the casual ways of the past years.

It has developed largely through the astonishing cultural explosion in these United States. Apathy has been transformed into enthusiasm as Americans across the country take an active part in the arts. Fortune Magazine reports that Americans are spending an absolute minimum figure of \$3 billion for culture yearly, exclusive of public funds. This is considerably more than the sum spent annually by the television and radio industries in combination.

Book sales are soaring. The figure for book sales is almost \$1.6 billion and Arnold Mitchell of the Stanford Research Institute reports that more servicemen visiting New York go to the Museum of Modern Art than to any other single place with exception of the Empire State Building. This is not odd, for Americans have become museumgoers on a large scale, a survey of 21 major museums shows clearly.

The American Symphony Orchestra League reports the increase in symphony attendance to be phenomenal. The same thing is true of opera. And people swarm through record stores, taking home with them 17.5 million long-hair records annually.

Seven Identified
OTIS AFB, Mass. UPI — The Air Force today identified three more of the nine crewmen known dead in Sunday night's crash of a radar patrol plane in the North Atlantic.

The latest release of names brought to seven the number of dead crewmen identified by the Air Force.

The bodies of two other crewmen, still unidentified, were recovered following the crash 100 miles off Cape Cod. Seven others are still missing and three were saved.

Better Off Home
NEW YORK UPI — The crew of the fireboat Sen. Robert F. Wagner would have been better advised to let the vessel remain at its mooring Tuesday.

While the craft was on a routine dock inspection tour of the East River, the marine fire house caught fire.

Although five land-based companies and the returning fireboat fought the blaze, damage to the fire station was extensive.

NOTICE OF ADMINISTRATION
In the Circuit Court of Putnam County, Indiana.

Notice is hereby given that Glenn M. Lyon was on the 28th day of June, 1965, appointed Administrator of the estate of Kileen K. Truitt, deceased.
