

Progress is key word for South Putnam School Board officials

By Frank Puckett, Jr.
Banner Staff Reporter

Progress is the key word of the new South Putnam Community School Superintendent Julian Polk and his board of trustees as the 1967-68 school year started rolling for Fillmore, Reelsville, Belle Union, and Putnamville schools.

Naturally, the new proposed Senior High School highlights the agenda for the school officials and progress has been made. At a regular meeting Monday September 18 the school board entered into a lease-rental agreement with Center School Buildings, Inc. The lease

provides for the rental to be payable in semi-annual installments of \$75,201.40 for 27½ years. At the end of such time, the building will become the property of the school corporation as directed by the 1957 law.

The target date for completion and occupancy of the new high school has been set for the fall of 1969. It will be located on a thirty-six acre tract of land on the southeast corner of the intersection of Route U.S. 40 and State Road 43, approximately five miles south of Greencastle.

The architects for the project are C.

H. Byfield and Associates, Inc., of Indianapolis. They have designed a sound, low maintenance school complex using a contemporary concept that is attractive and a credit to the community.

Center School Buildings, Inc., is providing the facilities for the senior high school through a private method of financing that is characterized by its flexibility and has been chosen by numerous school corporations throughout the state that have needed more modern facilities.

The high school has been designed for approximately 600 students with expandable facilities for as many as 800.

It is a single story, steel frame structure, containing approximately 100,000 square feet, with a face brick exterior and will include the following:

- A. Academic
 1. Library—designed for year around usage
 - 2.—13 General purpose classrooms
 - 3.—Administrative area
 - 4.—Science rooms
 - 5.—Business Education rooms
 - 6.—Modern Home Economics area
 - 7.—Band room and practicing area for 120 members
 - 8.—Arts and Crafts area
 - 9.—Industrial Arts area including drafting

B. Physical Education

A large gymnasium with folding bleachers that will have a seating capacity of approximately 2,400 with locker facilities that will service both the gymnasium and the pool.

C. Physical Education

An official size pool providing for year around physical education and recreation with provisions for spectator seating.

The pool is situated such that it can be closed off from the rest of the school, allowing for night time and year around usage by the students and members of the community.

D. Physical Education

Full Athletic Field including a football field, track, and scoreboard.

E. Special Area

A Cafetorium with an adjoining stage that provides multi-use facilities for lectures, school dramatics and musical presentations. This includes a complete food service kitchen and lends itself to a pleasant atmosphere for community activity.

F. Planetarium

A unique feature that will add to the overall science education program.

The building will be lighted throughout with fluorescent lighting, and the corridors, cafetorium, and other areas will be equipped with terrazzo floors.

The building will be heated and cooled electrically and controlled by temperature controls.

The area designated for parking will be paved and access to the school will be from both Route U.S. 40 and State Road 43.

South Putnam has twenty-six new additions to the teaching and administrative posts with the beginning of the school year. Leading the list is Superintendent Polk. He received his BS degrees from Indiana State University, has served as a high school principal, Superintendent of Kentland-Jefferson Community Schools and came to this

area from the Spring Valley Community Schools at French Lick. A native of Knox County, Polk resides in Greencastle with his wife, Mary.

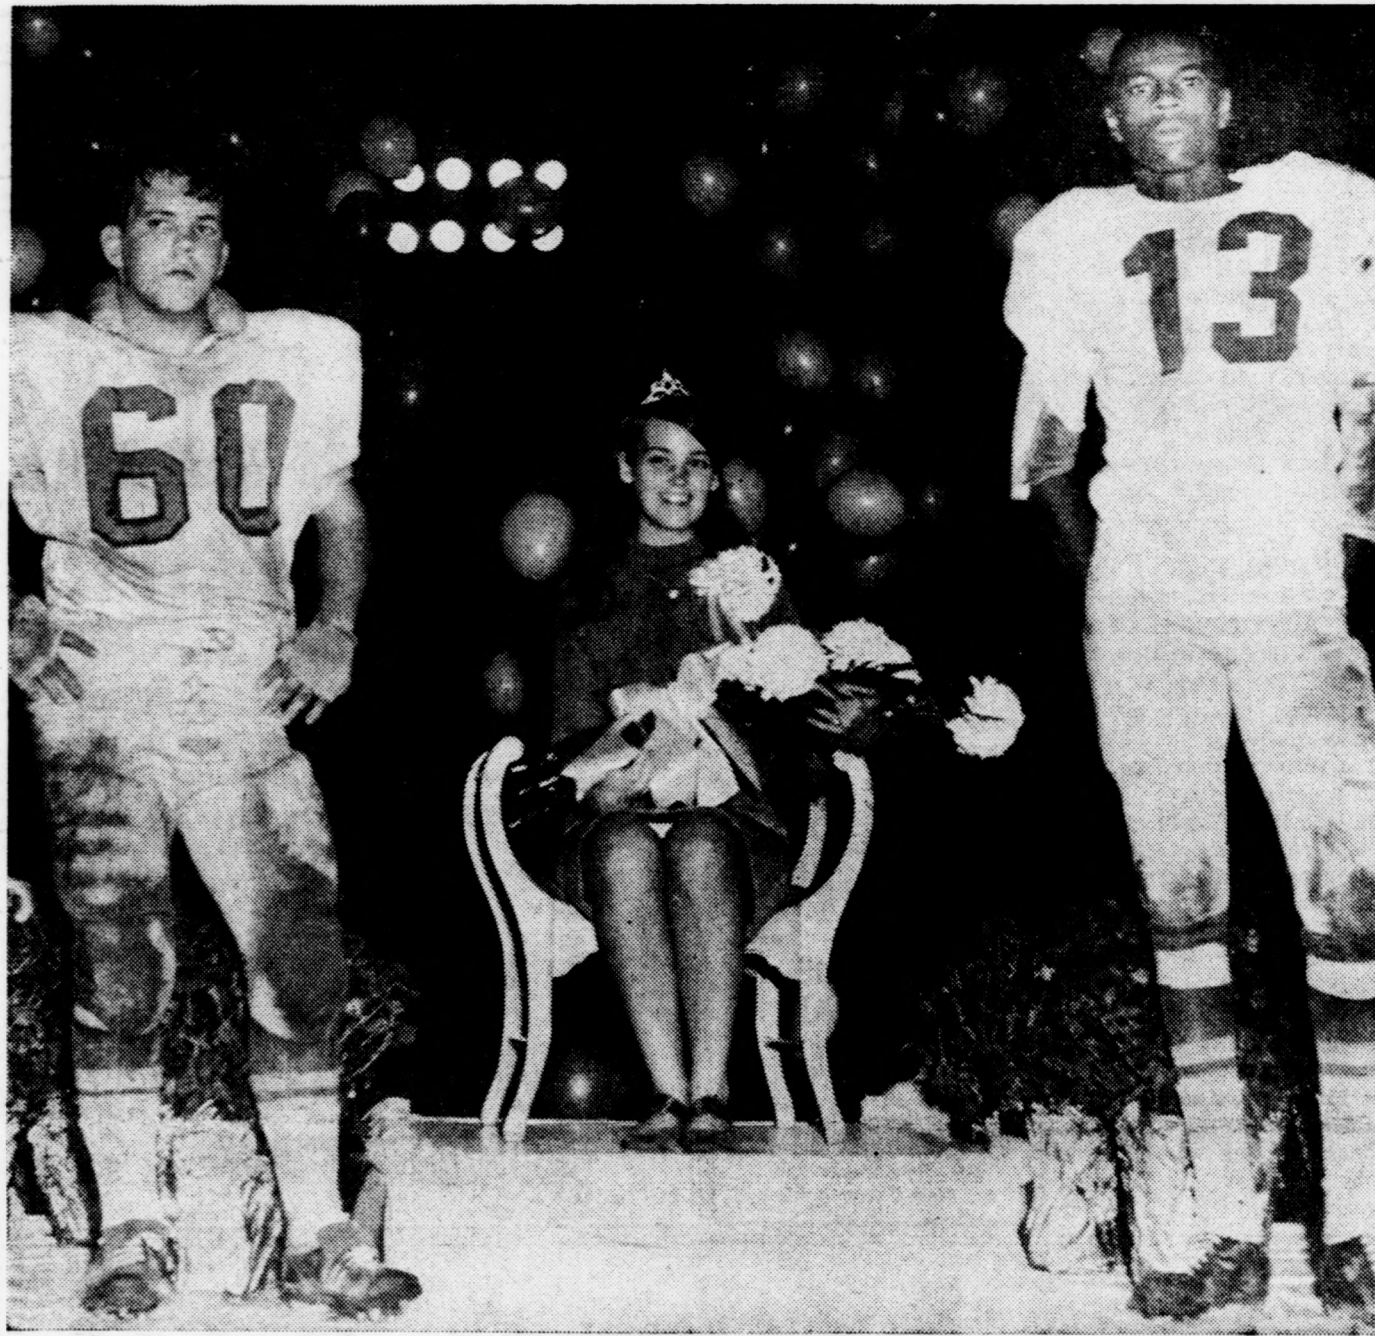

No stranger to this area, Jim Hammond is serving as principal at Fillmore High School this year. He received his BS and MS degrees from Indiana State University, is a sixteen year veteran in the education department, serving eight in the administrative ends, and came to Fillmore from the Mill Creek Community Schools where he last served as principal and Superintendent. A former principal at Fillmore in 1961-62 and coach at Belle Union High School he resides at Route 5, Greencastle, with his wife and three children.

New teachers in the school system this year are: John Barber, music and band; David Bussing, head coach and social studies; George Douglas, mathematics; Allen Hawkins, boys' physical education and assistant coach; Patricia Lightfoot, first grade; and Martha Schneider, fourth grade; all new at Reelsville.

New teachers at Fillmore are: Sara Alig, English-Spanish, Grace Cox, business education; Jay Inch, English-Speech; Arthur Masten, musical and vocal; David Metzger, art; Eugene Quick, science and physics; Norma Stwalley, home economics; Linda Tague, health and girl's physical education; Michael Williams, music and band; Margaret Modlin, first grade; Alice Masten, third grade; Muriel Rockhill, third grade; Virginia Boyce, fourth grade; and Paul Carver, sixth grade.

Belle Union teachers new this year are: Peggy Headley, first grade; Elizabeth Bliss, third grade; and Marya Yeager, special education.

Members of the Board of Trustees, who meet each third Monday of the month at the Putnam County Court House, are Truman W. McCamack—President, Estal Scobee—Vice President, Max Zaring—Secretary, Frank Jarrell and Glenn Skelton—both members.

GHS HOMECOMING QUEEN—Miss Cheryl Purdy was crowned Greencastle High School Homecoming Queen Friday night by Charles Farber and Pete Norris. The corona-

tion took place between halves of the Tiger Cub-West Vigo football contest. A senior, Miss Purdy was chosen as queen by members of her class.

Bossart assumes DPU chapel duties

Administrative responsibility for DePauw University's chapel programs will be assumed for one semester by Dr. Donald E. Bossart in addition to his duties as director of the campus Methodist Student Foundation.

The appointment of Dr. Bossart as Interim Coordinator of Chapel Services was announced today by DePauw President Dr. William E. Kerstetter. He will serve during the first semester as the university seeks a permanent appointee to fill the post of University Chaplain.

Dr. Bossart's specific duties will be to conduct the chapel services, complete the second semester chapel program, prepare liturgy for worship, assign other participating personnel for chapel services, and make necessary on-campus arrangements for chapel speakers.

Dr. Bossart also will be available to students who would normally seek counseling through the Office of the University Chaplain.

Bossart assumed the directorship of the Methodist Student Foundation in August after serving four years as a campus minister at the University of Wisconsin Wesleyan Foundation. He held a similar position at the University of Massachusetts for six years.

He is a graduate of Harvard College and was awarded the S.T.B. by Boston University School of Theology and the Ph.D. by Boston University.

In announcing the appointment President Kerstetter expressed "great appreciation" for Dr. Bossart's "high competence and his willingness to accept these additional duties and to assist the University in this important way."

Plans final tour

PARIS UPI—Singer Maurice Chevalier, who turned 79 less than a month ago and is already celebrating his 80th, said today he plans to leave for the United States Monday on his "last tour abroad."

He said he will appear in New York, Chicago, Los Angeles, Miami and Kansas City, then continue on to Japan and Australia.

Chevalier said he has already started celebrating his 80th birthday because "I want this celebration to last a year."

S.S. on Monday

SKOGAHLIN, Sweden UPI—Sunday school is being held on Monday in this central Swedish town because of a teacher shortage.

Officials explained there are not enough teachers in town to conduct classes for all the Baptist congregations on Sundays, so a few are put over until Monday.

Boy Scout membership campaign is scheduled

The most extensive recruiting program ever undertaken by the Wabash Valley Council of Boy Scouts is now underway and will climax with an open house held in schools throughout the council district where the boys signed cards indicating their desire to get in and work in the Scouting program. Schools will be open Oct. 19 at 7:30 p.m. with scout leaders in charge of the programs.

The program was launched in May when all school superintendents were contacted and the program explained. Their approval was given and their support pledged at the same time. During September the principals were contacted and a survey made of all interested boys. The cards signed during the survey are now being processed at Terre Haute and letters sent to the parents of interested boys explaining the school night program.

The Council goal for this year is 5,474 boys. With this many boys divided into units it will take several hours of devoted service from many volunteers. Hope is to recruit others to help with this program.

Scheduled on the Scout Calendar for the following week are: Roundtable, Monday at 7:30, Oct. 9, at the American

Legion Home in Cloverdale; Monthly district meeting Wednesday, Oct. 11, 6:30 p.m., at the Reelsville Fire Station. These are for all institutional representatives of this district and all other interested people. School night schedule and program will be discussed in each of these meetings.

4 are lodged in Putnam Co. jail

Four arrests were made by State Trooper Ted Settle and Sheriff Bob Albright Friday and early this morning. William F. Ball, 51, Roachdale, Route 2, and Richard L. Malayer, 41, Roachdale, Route 1, were jailed by Trooper Settle at 12:30 this morning.

Malayer was booked for driving while under the influence of intoxicants and Ball was slated for public intoxication.

Robert Leon Ward, 28, city, was jailed by Albright on a contempt of court charge.

Ricky L. Hinkle, 20, city, was jailed by the sheriff on a Putnam Circuit Court warrant for contributing to the delinquency of a minor.

Foreign officials will visit here

Thirteen credit and cooperative officials from six Asian, African and European nations will arrive in Greencastle Sunday, Oct. 15, to make an extended study of agricultural credit in this area beginning with a one-week detailed look into the operations of the Federal Land Bank Association and Production Credit Association here.

Robert F. Wolfe, manager of the Federal Land Bank Association of Greencastle, reports the group will include five from Uganda, four from Nepal, one from Turkey, one from Pakistan, one from the Republic of China, and one from Ethiopia. They will be staying at the Hedges Motel.

The international visitors hold highly responsible management and supervisory positions in rural credit, farm cooperative and land and water development institutions in their respective countries. As government officials they are in a position to exert major forces

in the stabilization of the rural programs at home.

They are visiting agricultural institutions in the United States under the auspices of the U. S. Agency for International Development.

Most of the group will be coming to Greencastle from Louisville, Ky., after spending a week studying the operations of the three District Farm Credit Banks with which the Greencastle Production Credit and Land Bank Associations are associated. The Louisville banks included in their study are the Federal Intermediate Credit Bank, Federal Land Bank of Louisville and Louisville Bank for Cooperatives.

During the first week in Greencastle their study of the Federal Land Bank Association will include its organization and operation, its loan procedures and its analysis of loan applications. Their Credit Association will direct their at-

tention particularly to its background and agricultural policy and philosophy in making loans, loan procedures, analysis of loan applications, servicing loans and the rule of cooperative credit in the farm economy of the area. In charge of the PCA study will be Edward F. Neary, general manager, and Robert W. Fischer, Indiana supervisor for the Federal Intermediate Credit Bank.

The group will visit several farms to observe attitudes of farmers toward use of credit and see how farming is carried on in this area.

51 from county are enrolled at university

Fifty-one Putnam County students have enrolled for the fall semester at DePauw University.

They are: Juliann Bergmann, Terry Boesen, William Boyd, Mildred Longden Buchanan, Ann Carmichael, Stacia Chadd, Fred Coan, Rebecca Sue Collins, Richard Dean, John Erdmann, Victoria Erdmann, Robert Ferrand, Richard Fletcher, Mary Foxen, Wendy Gifford, Helen Godfrey, Steven Gooch.

League Meetings Here Next Week

October unit meetings of the League of Women Voters will be devoted to a consideration of United States policy toward Red China. This is a continuation of a study started last year, and the discussion will center around the questions of: our trade with Red China; our diplomatic recognition of it; the matter of UN membership for it; the possibility of cultural exchanges with it; and the question of persuading it to subscribe to a nuclear controls policy. As several alternatives to present United States policy exist, there will be explored.

There will also be a re-evaluation of our present national program items. The units will be held as follows:

Tuesday, October 10—9 a. m. Hostess, Mrs. James Martindale, 425 E. Franklin. Disc. Leader, Mrs. Charles Rector, Jr.

Tuesday, October 10, 8 p. m., Hostess, Mrs. Henry Pehan, 700 E. Washington. Disc. Leader, Mrs. James Findlay.

Wednesday, October 11, 8 p. m., Hostess, Mrs. John Morrill, 633 E. Seminary. Disc. Leader, Mrs. James Cooper.

FHA NEWS

The Greencastle Junior Chapter of Future Homemakers of America, met Tuesday in the Home Ec. Building. The meeting was called to order by Jeanie Mishler, President. Karen Earle, Secretary, was then asked to read the minutes. Projects Chairman Debbie Graffis, then told the club about money raising campaigns, which would be such things as selling candies, candy, etc.

Recreation leaders, Cindy Black, and Peggy Eppelheimer, led us in an activity to learn the FHA creed.

The FHA State project, People Need People, was explained to us by Kathy Ruark. She explained that we all should help one another and that is what we are planning to do. We are going to clean up yards, homes, etc., for elderly or invalid people during October. Our FHA club is over fifty strong and we are looking forward to helping the community by being Future Homemakers of America.

Dear Heloise:

As a manufacturer of corduroy, I would like to give your housewives some tips on how to wash this material.

We always suggest that you turn the garment inside out before washing or drying it! This way it can be washed either by machine or by hand. Because in the washing process you are buffing the naps against each other which makes for cleaner corduroy.

If it must be pressed, always press on the wrong side. We recommend using a steam iron. This must be done lightly and quickly. And the reason is that the nap should not collect too much steam.

If any corduroy garment has a lining, dry cleaning is recommended—either professional or by coin-operated dry cleaning machines.

The reason for this is that manufacturers of corduroy do not know what kind of lining is used. Sometimes the lining in garments will shrink (especially if it's an inexpensive cotton), so I urge you to pass (Continued on Page 3)

HEADS FOR END ZONE—Greencastle halfback Kevin See (24) carries the ball and heads for the end zone against West Vigo defenders Mike Miller (92), Bill Griffen (90), and Steve

Leak (87) in last night's action at Greencastle. See scored one of the two Tiger Cub touchdowns.

Tiger Cubs down West Vigo in Homecoming contest by 12-6 score

By Frank Puckett, Jr.
Banner Sports Editor

Greencastle scored two first half touchdowns and limited visiting Western Indiana Conference foe Terre Haute West Vigo to one second half tally in capturing their fourth season win in six starts last night, 12-6.

Both teams has made attempts with the pigskin when Vigo was stopped on the Tiger Cub 30 yard line by Greencastle's bruising 5-11 senior guard Harold Henry who burst through the line and smashed the Viking quarterback for a loss of ten yards. The next play found the Vikings firing an incomplete pass down field and the Cubs took over on their own 25.

Senior halfback Kevin See was the first carrier of the drive making a three yard gain. Quarterback Pete Norris then used See as a driving wedge and trotted around the right end for forty yards to get the Cubs a first down. Operating in West Vigo's territory, fullback Jay Frye carried the ball straight down the middle and picked up another first down in four plays. It was Norris going all the way on the next play when he chose to hang on to the ball. The 6-1 senior quarterback rolled around his favorite end and using Jay Frye and Chuck Evans as blockers, moved the ball from

the seventeen yard line into the end zone. With 1:12 in the first period remaining the Cubs led 6-0.

The Vikings started a drive on their own 40 where 145 pound halfback Nick Lee gained thirty yards and three first downs before being halted on the Cub 13. In scoring position the Viking quarterback, Tim Athey, decided to fire a bomb into the end zone, but it was Henry who crashed through the line and dealt the veteran signal caller an eight yard loss. Henry and John New combined on the next two series and set Athey back for 17 more yards and Vigo handed the ball over to the home ground Cubs.

With clock showing 3:24 remaining in the second stanza the Cubs set up for another TD. Vigo had made it to about their own 40 when Henry and J. New put their efforts together once more and drove the Viking quarterback for a seven and eight yard loss. Facing a fourth and twenty-five situation, the Vikings elected to boot the ball. Taking the ball on the Vigo 40 Norris ran it first for six yards. Jay Frye was thrown for a one yard loss, Kevin See picked up

four yards, and Frye was landed for another loss. With the ball near the thirty-five yard line Norris elected to lay a screen pass down the middle to See who promptly seeded behind five blockers and plowed his way into the end zone for the Cubs' second touchdown. The extra point never got off the ground and Greencastle led at the end of the half 12-0.

The Vikings were within range four times during the second half, but each time the crushing blows of Harold Henry, John New and Kirk Hammond spoiled their chances until the closing minutes of the third period.

The Cubs had just lost the ball on their own 39 and halfback Ken Gaston drove nine yards. McCleary picked up the first down and Gaston carried again to get four more yards, but had to be carried off the field when he sustained a leg injury. It was the same old story on the next play as Henry and Hammond teamed up to break through the line and throw a perturbed Athey for a loss but a penalty on the play enlightened things for Vigo and they found themselves holding

the ball on the Cub 14. Fired up with the goal line within reach, 145 pounder Nick Lee took the ball on the hand-off and dashed into the end zone. That was the only Vigo score.

Greencastle gained 163 yards the first half and dwindled down to 16½ the final half while Vigo ground out 95 the first half and 68 the second half. Norris completed 3 of 6 throws while Vigo surprisingly passed 9 of 14.

The Cubs will travel to Cascade for non-conference action next Friday night.

The Cardinals are favored 3-2 to win the third game and 9-5 to win the series.

But first there is the weather—something that has not interrupted a series since the Giants-Yankees classic of 1962.

Showers fell here Friday and more were forecast today and Sunday, with a possibility they would become thunderstorms. In view of the uncertain weather, the managers of both teams were hedging on their pitching plans.

Their idea, of course, is to get as much work as possible out of their aces—first-game winner Bob Gibson of the Cards and second-game winner Jim Lonborg of the Red Sox.

Cardinal skipper Red Schoendienst, who originally talked about using Briles in the third game and then Steve Carlton in the fourth on Sunday, has

switched twice. First he said his Sunday pitcher would be either Carlton or Gibson—and would definitely be Gibson if the Cards lost the third game and had to get even.

Now he's hinted that in the event of a rainout today he might drop Briles from the rotation and use Gibson on Sunday anyway.

Perfect prep teams now 7

INDIANAPOLIS UPI — The number of major Indiana high school football teams with perfect records was down to just seven today, headed by Richmond, ranked No. 1 in the state by the UPI coaches' board.

Four teams, including ninth-ranked Gary Froebel, slipped from the perfect ranks in Friday night's action and at least one more will fall tonight when fifth-ranked Bloomington and 10th-ranked Jeffersonville match 5-0 records in a South Central Conference scrap at Bloomington.

Richmond pushed its season record to six wins, tops among the major teams, with a 20-6 victory Friday over Chaminade of Dayton, Ohio. It was only the second touchdown given up by the Red Devils this season. Froebel had its five-game string snapped by Valparaiso in a mild upset, 18-14. Valpo came from behind in the second half and Dave Garbison scored the winning touchdown on a one-yard plunge with 1:14 left to play.

Froebel was the only team in the "Big 10" to go down Friday night.

Third-ranked Evansville Reitz won its fourth in a row, downing city foe North, 53-13, as Galen Avery and Chuck Brunson each scored three times for the winners. Fourth-ranked East Chicago Roosevelt downed South Bend LaSalle, 35-14.

Once-tied Indianapolis Washington, the sixth-ranked defending mythical state champ, beat city foe Secunia, 27-20, and seventh-ranked North Central downed Marion foe Ben Davis, 44-0.

Other major teams which suffered their first losses Friday night were Fort Wayne Central, Shelbyville and West Lafayette.

Fort Wayne South snapped Central's four-game string, 21-12; Columbus handed Shelbyville its first loss in six games, 32-12, in a South Central Conference game, and Frankfort broke West Lafayette's 18-game unbeaten string, 13-0. It was the first loss for West Lafayette since Frankfort turned the trick in 1965 but there was one tie in the string.

Fort Wayne Concordia ran its string for the season to five with a 28-21 victory over Garrett.

Perfect records also came to an end Friday night for some of the state's smaller powers. In a battle of unbeatens, Concord edged Jintown, 20-19. Both had 5-0 records before the game. And Gary Wirt handed Calumet its first loss, 19-6.

Delphi, which saw its 33-game winning streak snapped a week earlier, came back for a 20-6 victory over Delphi. Brebeuf of Marion County, which had a 24-game streak snapped last week, will try to get another one going tonight against unbeaten Indianapolis Chatared.

The Lighter Side

(By DICK WEST)
WASHINGTON UPI — More bad news: The Republic Molding Corp. has redesigned the egg cup.

According to the press release imparting these tidings, this is the first basic change in egg cup design in at least 1,000 years.

The press release does not say what the last change was. I assume it was making egg cups double-ended, with a large end for big eggs and a small end for medium-sized eggs.

No self-respecting hen will admit to laying small eggs. All I can see that the double-ended egg cup accomplished was to create confusion among egg eaters.

Often times, an egg will fit in either end of the cup. Then you have to decide which end to put the egg in. Nobody likes to

make important decisions so early in the morning.

I personally always have my eggs scrambled, simply because I detest having to resolve the doubt that arises from soft-boiled eggs.

Republic Molding has returned to the single end concept. To that extent, the new design is a backward step forward. However, it fails to correct one of the fundamental faults in egg cup architecture.

Even with a double-ended cup, one end is always on the bottom, making it tough on people who want two soft-boiled eggs.

Republic Molding retains that structural defect, its new cup being unable to accommodate more than one egg at a time.

Ideally, an egg cup should have two ends of equal size with both ends pointing upward, like a candleabrum. How Republic Molding could have missed so obvious a solution is mystifying indeed.

Its chief innovation was to combine the egg cup and the saucer into one piece and to lower the center of gravity, thus making it less tipplable, and hence less spillable.

Conceding this could be advantageous to people who breakfast in a necktie, I remain depressed by the development.

If, as the press release asserts, egg cups have persevered in the same basic form for an entire millennium, this is no time to change them. You can immediately see what is certain to happen.

Some competing egg cup industry will be bringing out new models every year, like Detroit.

And who among us with any regard for social status will be found in 1969 using a 1968 egg cup? It's the same old rat race on a new track.

In the face of that prospect, a little yolk on the necktie seems a small price to pay for egg cup longevity.

NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIATIONS
Notice is hereby given the taxpayers of the State of Indiana, that the Board of Tax Commissioners, which Board will hold its regular meeting place, on 25 day of October, 1967, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Township Fund:
Fire Protection \$700.00
Printing & Advertising 150.00
J. P. Bond 21.00
Total \$881.00
Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners, which Board will hold a further hearing within fifteen days at the County Auditor's office of Putnam County, Indiana, or at such other place as may be designated. At such hearing, taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

Try and Stop Me
By BENNETT CERF

WHEN THE floor nurse at Saint Mary's Hospital answered the phone, a voice asked, "Can you tell me how Mr. Donovan is getting along?" "He's doing splendidly," she answered enthusiastically. "I believe he'll be going home tomorrow. Who shall I say called?" The answer was, "This is Donovan. Those doctors won't tell me a darn thing."

Dean Martin, the most relaxed, unhurried star in television, does not believe in too much rehearsing. For some shows, in fact, he doesn't rehearse at all. For him, at least, the system works perfectly. Once he was in Mexico, supposedly polishing up a show due to be taped forty-eight hours later, when his producer called from Hollywood, to be fobbed off by the well-trained Martin secretary. "Dean can't come to the phone just now," she reported with genuine regret in her voice. "He's taking his siesta lesson."

QUICKIES:
On a California highway, Steve Allen passed a building labeled "TIMBER SCHOOL." "I know a fellow who studied there," remarked Allen. "He majored in sawdust."
"I quit," insisted a husband, "because the boss used repulsive language." "What did he say?" demanded the wife. The husband explained, "He said 'You're fired.'"

Wall street chatter

NEW YORK UPI—E. F. Hutton & Co. says that as long as the bulk of the stock market volume is concentrated in the stronger issues no serious decline seems to be in prospect. The company says the list apparently will continue in a relatively narrow range on the near term though many individual issues will do well.

Graham Loving & Co. says the "significant" declines of last week displayed all the earmarks

of the beginning of another intermediate decline. The analyst says it anticipates this dip—comparable to the one in May—will last almost until the end of the month.

Weis, Voisin, Cannon, Inc. says the bull market, now almost a year old, has carried many stocks past their fundamental and technical objectives. Thus, the analyst says, selectivity in market commitments takes on added significance.

DAILY CRYPTOQUOTE — Here's how to work it:
A X Y D L B A A X R
is LONG FELLOW

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

"This do in remembrance of me"

This Sacrament

What a privilege to have seen Jesus in the flesh . . . to have talked with Him, and supped with Him. To His disciples that was a never-to-be-forgotten experience.

Though 1900 years intervene, the Man of Galilee still stands in our midst and says, "This do in remembrance of me." This outward and visible sign of inward and spiritual grace separates man from the world and commemorates the death of Our Lord. He said, "Do it in remembrance of me."

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

This message is dedicated to the building of a more spiritual and a greater church going community under the auspices of the Greencastle Ministerial Association and is being sponsored by the following individuals and business firms who want, as their only return, to see more people attending church. The church needs your support. The community needs the church.
