DEMOCRATIC NOMINATION.

Elect. Tuesday October 11th, 1853.

Supreme Court Reporter,

ALBERT G. PORTER, of MARION COUNTY.

17 AN APPRENTICE WANTED at this office immediately. A lad between 15 and 17 years of age would be preferred.

17 We are authorized to announce HIRAM SMITH, as a candidate for re-election for County Commissioner from the 2nd District, at the coming October election.

The Election.

Voters, do not forget, that on Tuesday next, the election for Supreme Court Reporter and County Commissioner, takes place. Go to the polls, and vote as becometh freemen, and rejoice in the fact, that you have the right to exercise this inestimable privilege.

17 We have read with interest and pleasure, the reply of our venerable Secretary of State, Gov. MASON, to the letter of Mr. Hulsemann, the Austrian Minister, containing the protest of the Austrian Government against the conduct of Commodore Ingraham, in the Koszta affair. It is replete with argument and noble sentiment, and indicates clearly, the high and honorable position that the President of the United States occupies, relative to this transaction. In it, there is no dodging the question, no truckling to tyranny and power, but a bold and fearless avowal of the facts, the law, the determination and views of our Government in the case. It will be read, with becoming pride, by every citizen of this wide spread Republic, and by the lovers of right, justice and liberty, throughout the world, with hearts full of rejoicing and hope. We wish that we could lay it before our readers, but owing to its length, it will be impossible so to do, we therefore content ourselves by giving the last paragraphs, which show conclusively President Pierce's position in the premises.

The conclusion at which the President has arrived, after a full examination of the transaction at Smyrna, and a respectful consideration of the views of the Austrian Government thereon, as presented in the Hulsemann note, are, that Koszta, when seized and imprisoned, was invested with the nationality of the United States, and they had, therefore, the right if they choose, to exercise it to extend their protection to him; that from international law, the only law which can be rightfully appealed to for rules of action in this case, Austria could desire no authority to obstruct or interfere with the United States in the exercise of this right in affecting the liberation of Koszta, and that Capt. Ingraham's interposition for his release was, under the extraordinary circumstances of the case, right and proper.

These conclusions indicate to Mr. Hulsemann the answer which the undersigned is instructed by the President to make to the Emperor of Austria, to the demand presented in Mr. Hulsemann's note. The President does not see sufficient cause for disavowing the acts of the American agents which are complained of by Austria. Her claim for satisfaction on that count, has been carefully considered, and is respectfully declined.

Being convinced that the seizure and imprisonment of Koszta was illegal and unjustifiable, the President also declines to give his consent to his delivery, to the Consul General of Austria, at Smyrna, but after a full examination of the case as herein presented, he has instructed the undersigned to communicate to Mr. Hulsemann his confident expectation that the Emperor of Austria will take proper measures to cause Martin Koszta to be restored to the same condition he was in before he was seized in the streets of Smyrna, on the 21st of June last.

The undersigned avails himself of this occasion to renew to Mr. Hulsemann, the assurance of his high consideration.

W. M. L. MARCY.

Harris' Mirror of Intemperance and Crime. We learn that this interesting Panorama will be in this place, in a short time, and we have no doubt, but it will be liberally patronized by our citizens. We take pleasure in copying the following notice from the *State Sentinel*:

CRIMES.—This beautiful Panorama was opened for the first time on public exhibition on Monday night to a very large and crowded house. The Masonic Hall, the largest in the State, was so crowded that many persons could not get in. Again last evening the Hall was filled with an admiring audience. This Panorama is destined to be one of the most popular ever exhibited in our country, and our young native artist will, no doubt, be richly rewarded for his labor.

Everybody should go and see it. From its life-like size and beautiful design, it cannot fail to please all, except the *ross sellers*, who never like to see themselves presented in their true characters.

Parents take your children to see it—Young men all should go and see it, and mark the certain destruction that awaits the tippler.

We understand that Mr. Harris, the artist, will himself explain the scenes this evening, and to-morrow evening.

The Sub-Treasury of the City of New York is said to contain ten millions of dollars in gold coin, and the surplus in the Treasury of the U. S. is stated to be thirty millions.

17 A man in Guernsey county, Ohio, has contracted with Philadelphia to deliver 1,000 hogs in Pittsburgh at the gross.

Our New Advertisements. Don't forget to read the new advertisements in to-day's "Journal." They are from several of the best houses in the city, whom we can safely recommend to the community.

The card of LIVINGSTON & CO. (successors to Merwin & Co., and E. S. Wolfe,) Forwarding and Commission Merchants, will be found among the new advertisements. Their principal office is in H. B. Smith's new Warehouse. They will give prompt attention to all business in their line.

Mr. S. BEAL, New Boot and Shoe Store. See card of this house in another column.

N. LEVINGTON's New York Clothing Store has been removed to the east side of the Public Square where he has on hand any article of Ready Made Clothing of all varieties, to suit the most fastidious. Call, see, and be dressed.

MESSRS. ALSHULER & GOODMAN, has just received a most extensive and elegant supply of Ready-Made Clothing, which from their card in to-day's paper they are determined to dispose of upon the most reasonable terms. Not a day passes but many a shabby specimen of humanity goes in, and comes out an altered man. Go thou and do likewise.

The attention of Carpenters is directed to the advertisement of A. LANGE, county auditor, in to-day's paper.

17 The October Term of the Court of Common Pleas commenced its session on Monday last. Judge KINNEY, opened the Court, but being in ill health retired, and by agreement of the parties, Blackford B. Mofat, Esq., was chosen as Judge in the case of the State vs. Martin Harrell, for Public Indecency. The case was tried and submitted to the jury, under the instructions of the Court, without argument, who in a very few minutes returned a verdict of not guilty. This verdict was just and proper, it being clear from the evidence that he did not commit the act with which he was charged. Salmon Wright, for the State, John Baird and T. H. Nelson, for defendant. We learn that the Court has adjourned, until next Monday.
