THE SULLIVAN MEETING.—An interesting meeting of the citizens held at Union headquarters last night, it was determined to pay a visit to our friends in Sullivan on Thursday night. A special train has been secured for that purpose, to leave Terre Haute at 5 o'clock P. M., returning at 11 P. M. Fare for the Fighting Boys 50 cts. round trip. All others \$1.00. The Battalion will assemble at Headquarters at 4 o'clock Thursday afternoon and march to the depot.

THE POST OFFICE is to be removed to its new location the first of December—two months from this date.

A SHEEPISH AFFAIR.—Fifty sheep were slaughtered at Sullivan to ration forty-five "White Boys."

THE JOURNAL'S attack upon Judge Hughes is like the assault of a lion upon a lioness.

PERSONS wishing to engage stands for the sale of refreshments at the Fair Grounds on Friday next, can do so by applying to Capt. John Hane.

THE EXPRESS advertised a grand torchlight affair for Tuesday night last—*typo!*

We know a bondholder, a "bloated" Democratic bondholder, who will bet from \$500 to \$6,000, that the above is a rooster, intentional lie.

THE MEETING AT PRATERTON.—The Republican meeting at Praterton last night was attended by a large number of earnest Republicans, all in good spirits, and warm in the cause. The meeting was addressed by John G. Crain, Esq., in one of his best speeches.

NEVINS TOWNSHIP MEETING.—The Nevins township Republican meeting was well attended yesterday. Hon. H. D. Scott, candidate for State Senator, addressed the meeting in one of his able speeches. Old Nevins is wide awake and will do his duty at the coming elections.

THE ELMWOOD MEETING.—The meeting at Elmwood last night was a very fine one, a hundred and twenty-five voters present. Hon. H. D. Scott, E. Hamilton, L. F. Muzzy and W. W. Rumsey made excellent and telling speeches.

THE LOCKPORT MEETING.—The Democratic rally at Lockport last Saturday was a complete and gratifying success, there being several hundred people present—*typo!*

When the fact is known that not more than sixty or seventy people attended the above meeting, we are led to exclaim: "How this world is given to lying!"

MAN KILLED.—A bridge carpenter, whose name we could not learn, was killed at Coatsburg, on the T. H. and Indianapolis road, yesterday morning. He was engaged in repairing a bridge and in raising a heavy timber it fell, crushing his head and causing instant death.

VOTES.—A vote was taken Monday on the train carrying the stockholders of the E. & C. R. R. to the annual meeting at Evansville, resulting as follows: Grant 60; Seymour 50. On the return trip yesterday afternoon vote was taken, resulting: Grant 55; Seymour 40. The ladies voted for Grant 36; Seymour 9. It must be borne in mind that the train carried a large number of Sullivan stockholders.

ACCIDENT.—Monday evening when the westward bound train on the Indianapolis road stopped at Carletonsburg, Mr. George Likert was in the act of passing a gun out of the baggage car, when the hammer caught and the place was discharged, the ball passing just in front and over his head, lacerating the skin and causing an ugly wound. At first it was thought he would lose one or both eyes, but we are glad to learn these fears are groundless. Mr. Likert returned to his home in Indianapolis.

CIRCUIT COURT.—Yesterday morning the Grand Jury returned a "batch" of indictments, and the defendants, who were in custody of Sheriff Kizer, to the number of at least a half dozen were brought into Court and duly arraigned. The pleas of "guilty" numbered three, while two of them were disposed of, to-wit: State vs. Sarah N. Serber—potholary; plea of guilty, fined three dollars and costs, and five days in County Jail. Her offense was stealing a lady's necklace.

State vs. Frank Kelly—grand larceny—fined three dollars and twenty days in County Jail.

VOORHEES, in his inebriate ravings on Monday night, alternately roared like a mad bull and whined like a sick calf at the fact that he was pleased to call the "attacks" of the Express on him. He had better school his nerves to stand fire. What he termed "attacks" was only a preliminary firing on the skirmish line. The engagement is now opening. His record of political criminality, in all its appalling blackness, must be placed before our readers. If he cannot endure the sight of the specter which our review of his political career calls up, he is not the first man whose brain has been affected by such an array. He can find a precedent for his conduct in Macbeth—let him study the "banquet scene" in that great drama and learn to improve upon the conduct of his illustrious model.

A MASS MEETING will be held at Van Gosen next Thursday night, the eighth instant. Speeches will be made by Hon. H. D. Scott and Hon. E. Hamilton. Hon. James Johnson is invited, and is expected to be present.

THE DEMOCRATIC BARBECUE at Sullivan was simply attended by the "White Boys." Twenty-five were on the ground on Wednesday and forty-five yesterday, including six or seven from this city.

LEONARD, in "Evangelical" style, said that "Affection never was wasted." The great American poet had never seen Dan Voorhees loving the soldiers, else he could not have made so reckless an assertion.

THE FREEDOM OF DAN VOORHEES invitation to Major Carter, to give up his appointments and attach himself to Dan's caravan, is regarded as indicative of an early winter.

LINTON TOWNSHIP MEETING.—The Republican meeting Thursday at Hartford was a great success, 1,000 persons in attendance. 400 persons participated in the torchlight procession.

Major Carter made one of his best speeches, and was followed by Messrs. Ramsey, Turner, Filbeck and Rankin.

FRANK BLAIR will be here on the 10th inst. He will not speak at Gilman's Co-op Shop this time. It has not been fully decided who of our colored population will be induced to share his dormitory accommodations.

THE HONEY CREEK MEETING.—The Democratic meeting in Honey Creek township yesterday was attended by a large number of people, the crowd being estimated at fully eight hundred people.

We have the word of one of the best citizens of Honey Creek, that there were not more than one hundred Democratic voters, fifty Republicans, and with women and children, an audience of three hundred, all told.

BE WARNED.—The principle which induces the pickpocket to cry "stop thief!" impels the Journal to warn its readers against frauds on the ballot box. We have to say in relation to this matter, as we said two weeks ago, that, to our positive knowledge, the work of colonizing Kentucky, and other rebels, in this Congressional District, in order to elect Voorhees by fraud, has been, for some time, systematically prosecuted, and is still being carried forward, quietly, of course, but with persistent energy, and with every appearance of perfectly organized industry. We earnestly repeat the warning heretofore given and trust our friends in every township in this District, will take immediate and effective means to prevent the consummation of the crime which the friends of Voorhees are preparing to perpetrate.

KEEP IT BEFORE THE PEOPLE that immediately after the joint discussion at Carlisle Mr. Voorhees made three propositions in writing, earnestly inviting Major Carter to attend his meetings and divide time with him from now until the election—*typo!*

And the people will say that DANIEL was either playing the demagogue in a very shallow manner, or acting the fool in dead earnest, if he imagined that Carter, after Voorhees had sneaked away from his original proposal for a joint canvass, would give up his own appointments and travel about to Voorhees meetings. All intelligent people will say, as an honest Democrat remarked on reading the correspondence in the Express of the 30th ult., "that Voorhees made a proposal which the Democracy of the District would consider disgraceful." Said he, "I felt heartily ashamed when Dan refused Serber's invitation at the opening of the canvass, and I was glad that nearly all our editors had the good sense to keep the correspondence out of their papers."

QUALIFICATIONS OF VOTERS.—The following are the qualifications of voters as laid down in the Constitution of Indiana: "In all elections not otherwise provided for in this constitution, every white male citizen of the United States, of the age of twenty-one years and upwards, who shall have resided in the State during the six months immediately preceding such election, and shall have been born in this State, or who shall have been born in any other State, and who shall have been a citizen of the United States, conformable to the laws of the United States on the subject of naturalization, shall be entitled to vote in the township or precinct where they may reside."

No person shall have lost his residence in the State by reason of his absence either on business of the State or of the United States.

The ninth section of the registry law shows the process of registration. We quote it.

Section 9. It shall be the duty of said Board at their meeting for revising and correcting said lists, to erase the name of any person inserted therein, who has been proved by the vote of two legal voters of the precinct, to the satisfaction of said Board, to be a non-resident of said precinct, or otherwise not entitled to vote in said precinct at the election then to be held. Any elector residing in said precinct, and entitled to vote therein, may appear before said Board and require his name to be recorded on said alphabetical list.

Any person so requiring his name to be entered in said list, shall make the same statement as to street and number thereof, and where he resides, required by the provisions of this act of persons offering to vote at elections, and shall be subjected to the same penalties for refusing to give such information, for falsely giving the same, and shall also be subject to challenge by the Judges or Inspectors, or either of them, or by any other elector, whose name appears in said alphabetical list, and the same oaths may be administered by the Judges or Inspectors as provided in case of persons offering to vote in an election, and in case no challenge is made of any one requiring his name to be entered on said alphabetical list, or in case of challenge, if such person shall make oath that he would abide him to the same penalties for refusing to give such information, and in case of challenge, and prove by the oath of a freeholder and registered voter the precinct in which he seeks to be registered, that he knows him to be a resident of the precinct and entitled to be registered, and, if in any city, giving the residence of such person within said precinct, the name of such person shall be added to the alphabetical list of the last preceding year.

The Boards of Registry will be in session to-day and to-morrow. The places of meeting are given elsewhere.

WE would advise all the afflicted in our midst to give Dr. Spinnery's advertisement a perusal.

CIRCUIT COURT.—On account of the heated canvass in progress, it has been found impossible to transact business in the Circuit Court with proper dispatch, and that body on assembling Monday morning, took a recess until Thursday after the election, the 10th inst.

ON DRY.—That a few days since Voorhees is accompanied with some friends put down the majorities handpicked in each county for and against, and found when he added and subtracted, he was beaten by his own figures one hundred and twenty votes. John T. Scott was not present.

THE FAIR GROUNDS FREE.—An impression has got out, and is probably being circulated for effect, that a charge will be made for admittance to the Fair Grounds, on the occasion of the Republican Rally, next Friday. Such a report appears ridiculous on its face, but we take occasion to say that the gates will be thrown wide open, and a cordial invitation is extended to everybody, man, woman and child of both political parties, to come with baskets well filled, prepared to spend the whole day in a "feast of reason and flow of soul."

THE REPUBLICAN MEETING AT SUGAR CREEK TOWNSHIP HOUSE on Saturday evening was very well attended. L. F. Muzzy, Esq., with his family, was present, and, in addition to furnishing good music for the occasion, made an excellent speech, occupying about an hour. W. W. Rumsey, Esq., followed in a short, stirring speech, and L. N. Pierce, Esq., closed the engagement with a spirited and successful charge on the enemy's center.

The audience seemed fully awake to the importance of doing their full share in the pending canvass, and there is no doubt of a good report from that township on the night of the 10th inst.

THAT QUAKER MOB AGAIN.—William Pickard, a venerable member of the Society of Friends, who resides in Bloomington, Parke county, called on us yesterday. He assured us that the entire story of the Journal about the "Quaker mob," at Annapolis, is, as every one knew it, a sheer falsehood. He says the Rockville Republican was mistaken, however, in saying there was not a Quaker at the Democratic meeting. There was one Friend present, Solomon Hunt, an elderly gentleman, and one of the best citizens of the county. Friend Pickard further assures us that every legal voter in the county, who belongs to the Society, will go to the polls this year and that every Friend there, and elsewhere, will vote the Republican ticket. This fact explains the Journal's characteristic malice.

CIRCUIT COURT.—In addition to the criminal business, the Circuit Court during its session last week:

Thell vs. Kizer, Sheriff—dismissed.  
Wm. Job vs. J. K. Roseland, et al—dismissed.  
Nathaniel Sanford vs. Elizabeth Sanford, divorce—granted.

J. B. Bailey vs. J. M. Limeral—judgment for plaintiff.  
Margaret Hoberg vs. Martin Grace—foreclosure, and judgment for plaintiff.

CIRCULATE the intelligence that half-fare trains will be run on all our railroads next Friday, the day of the grand charge on the enemy's lines.

HALF FARE TRAINS will be run on all the railroads centering here, to accommodate all who may wish to attend the Grand Republican Demonstration at the Fair Grounds next Friday.

"KEEP IT BEFORE THE PEOPLE" that every respectable Democrat in this District are spokes Voorhees of sneaking out of a joint canvass with his competitor.

THERE are but few days in which to arrange for the great demonstration, at the Fair Grounds. Let every Republican get ready to turn out with all his family next Friday.

THREE MAJORS of the 71st Indiana, Majors W. W. Carter, O. J. Smith and D. A. Conover, took breakfast together at the Terre Haute House, Saturday morning.

A RED RIBBON was tied on a Wheat Drill and Seed Sower Combined, entered by Mr. Ira Grover, at the recent County Fair. This was in some way omitted in the published list of premiums awarded.

HAILED IN!—Our polite request to A. T. Lanning, of the Bowling Green *Boys*—all us, to "put up or shut up" seems to have had the anticipated effect. The last number of his paper comes to our table with his boastful proposition to disprove his office payable when Dan Voorhees is elected to Congress, withdrawn. As an honorable gentleman however, he should make good his proposed bet with Capt. John McFaul, of this county.

"KEEP IT BEFORE THE PEOPLE" that the Democratic papers of this District are so heartily ashamed of the part Voorhees, has played, in avoiding a joint canvass with Major Carter, that they will not publish the correspondence on that subject between the candidates.

SOMETHING LESS than half an acre of canvas suspended across Main street, from Edsall & Co.'s to Barr, Gulick & Berry's, invites Republicans to get ready for the Grand Rally, at the Fair Grounds, on the 9th.

THE Congressional Globe, to which Voorhees appeals for his vindication, shows that he was absent from his post of duty more than half the time. Is it possible that this great economist of public funds, this pure patriot (?) took thousands of dollars from the Treasury for services that he did not even try to render?

THERE will be no discount on Mr. Voorhees when the returns of the October election are received.—*Sullivan Democrat*. That's a fact. If he has any political paper that he wants discounted, he had better throw it on the market at once. No one will discount it "when the returns of the October election are received."

THE Journal is engaged in a gigantic effort to defame the character of Judge Hughes. The character of the Judge is too well established to be injured by that vile sheet, and he is too well known here as a man of honor to require any defense. The Journal's commendation might do him an injury: its abuse can harm no one.

VOORHEES' old habit of a bad memory is on him again. He said at Carlisle that he couldn't remember how he voted on the proposition to pay the interest on the five-twenty in gold. What a splendid Representative in Congress is that "can't remember" he voted on the most important measure of the session. But the Congressional Globe has a better memory, and it charges Voorhees, Vaidenham, Pendleton, et al, with carrying through the House against the vote of a large majority of Republicans, the very measure about which Voorhees is now bellying himself hoarse.

GRAND REPUBLICAN RALLY.—One of the most enthusiastic meetings of the campaign was held at Rosedale, Saturday. Fully twenty-five hundred people were present. Speeches were made by Major W. W. Carter, Hon. John G. Crain and Capt. James Johnson, and were listened to with marked attention. The Rockville Brass Band was present and discoursed excellent music. The processions from the surrounding country came in with music, banners, flags and mottoes. Although the meeting was of the most enthusiastic character, its orderly character was in marked contrast with the Voorhees meeting held near that place a short time since. The Republican ladies of Rosedale entertained the visitors from this city and other places in the most hospitable manner, for which they will be kindly remembered. Old Parke may be safely set down for a round thousand men for Major Carter and the State ticket.

A CARD

SULLIVAN, Ind., Sept. 30, 1898.

Mr. Voorhees is saying in his speeches that, in our joint discussion last Saturday at Carlisle, I said that he had voted for every appropriation of money, while a member of Congress, necessary to pay, ration and cloth the army, during the rebellion. Mr. Voorhees ought to tell the whole of what I said on that occasion. I said that while Mr. Voorhees voted for appropriations of money out of the Treasury, that he persistently and uniformly introduced to vote for any of the measures of raising revenue and that while he voted these appropriations out of the Treasury, that Treasury was empty.

I said then, and I still say, that he refused to vote for any measure, having for its object, the vigorous prosecution of the war and the support of our armies while in the field.

I hope the people will understand this, and that Mr. Voorhees will do me the justice in his speeches, to tell the whole of what I said in the discussion referred to.

Very truly,  
J. W. W. CARTER.

THE FOURTH WARD TANNERS say they have the handsomest pole in the city.

REMEMBER that the grand charge on the enemy's lines occurs on the 9th inst.

THE prohibitions of the game law on shooting game have ceased until next February.

LET REPUBLICANS get ready for the last grand rally of the State campaign on the 9th instant.

THAT PORTABLE OBSERVATORY still traveling with Voorhees, protected by a "patent" from Hon. E. K. Holden.

THE DEMOCRACY are already preparing for their trip up Salt River. They have the Hull of their craft ready for the rigging.

WOOLY.—The wool from the sheep slaughtered to feed the squad of "White Boys" at Sullivan is to be presented to Frank Blair.

ELECTION OF RAILROAD OFFICERS.—At an annual meeting of stockholders of the E. & C. Railroad, held at Evansville Monday, the following named gentlemen were elected Directors: John Ingle, Jr., Evansville; Samuel Orr, Evansville; J. S. Hopkins, Evansville; William Baker, Evansville; Lucius S. French, Patoka; J. M. Maddox, Vincennes; Joshua Alsop, Carlisle; H. K. Wilson, Sullivan; Chauncey Rose, Terre Haute; James H. Turner, Terre Haute; W. R. McKean, Terre Haute; George K. Steele, Rockville; J. J. Daniels, Rockville. John Ingle, Jr., was re-elected President and Superintendent, and J. E. Martin, Secretary and Treasurer.

No Clothes Wringer can do its work evenly and easily with one end of the Rollers pinned together. The Novelty and Champion Wringers have not this objection. Examine before you buy.

WHY is the UNIVERSAL WRINGER the best? Because it has Rowell's Improved Double Gear, and the PATENT STOP, which prevents the cog from entirely separating.—(See advertisement.) w4t-d4t8

The Rollers in the Novelty and Champion Clothes Wringers can be separated at BOTH ENDS. Buy no others.

B. Weisz received, on every Indiana State Fair, since 1885, the first premium for best Hoop Skirt made. [7,dwt]

No Clothes Wringer can be durable with the double friction of cogs at both ends, which can play out of gear and not touch together when most needed. The "UNIVERSAL" has not these fatal objections, and is WARRANTED DURABLE.

Is Samson's strength actually laid in the length and abundance of his hair, a liberal use of the famous "Barrett's Vegetable Hair Restorative" ought to impart many times the strength of that doughy ancient warrior, for there is no limit to what can be achieved by properly applied.—[N. H. Patriot. dw1w]

THE FIRST PREMIUM.—B. Weisz received the first premium at Indianapolis State Fair, 1888, for best Skirts made. [7,dwt]

THE Journal's corps of shattering pettifoggers seem to have had "tyrannical law firm" on the brain lately—the nearest approach to law the brains of those faddling will ever know. Wedding youngsters, lift is any relief to you. Your South American money style of fighting is your best hold. You would never get even in the Court House.

NATURALIZATION PAPERS.—Persons of foreign birth, who have been in this country one year, in the State six months, and in their voting precinct twenty days previous to the election, can apply to the County Clerk for their "first papers," which will entitle them to vote, after being registered. This should be attended to at once.

SPEER'S STANDARD WINE BITTERS is highly recommended by physicians for Dyspepsia, on account of its tonic properties, its purity, and its delicious flavor.

THE Novelty Clothes Wringer has cog-wheels on BOTH ends of the Rollers, which gives it great strength and durability, besides obviating the necessity of pinning down one end of the upper Roller to keep the cog-wheels in gear, which must be done where COMMON cog-wheels are used ONLY on ONE end. w4t-d4t8

HAVE you ever read what Dr. Whittier's Medical papers relating to the diseases mentioned in his card appearing in another column? The information imparted is invaluable to all and particularly to young men. dw1w

CONSTITUTIONAL DIFFERENCES.—There are many constitutions so inherently defective in energy as to derive great benefit from a moderate use of pure liquor combined with such vegetable medicines and extracts as enter into the composition of Roback's Stomach Bitters, and there are many situations in which even the healthiest derive additional security from its occasional use.

If healthy persons are exposed to unusual and continued exertion in confined air, or under the heat of the sun, or to the influence of depressing weather, or to the rank rise bottoms of the West and South, there can be no doubt but a careful use of Roback's Stomach Bitters with the food would surely be the means of warding off actual disease and enabling them to bear up unaffected where, without the Bitters, they would likely have succumbed to the disease. They strengthen, tone and invigorate, aid digestion and increase the appetite. sell-dw1w

LAST CREEK TOWNSHIP.—At Township House, Thursday, Oct. 8th, at candle light. Speeches will be made by Col. W. E. McKean, Hon. E. Hamilton and O. W. Barbour. The candidates for county office will be present. All are invited to attend without distinction of party. The Republican organizations of the township are requested to be present. The ladies are especially invited to attend.

DR. ARMISTEAD'S COMPOUND LIVER PILLS, act with great certainty on the Liver, but do not grip or distress the patient, and are perfectly safe because they do not contain any dangerous medicine.

THE BEST TONIC YET.—We have recently had sufficient evidence of the excellence of Mr. Speer's Port Grape Wine which not only convinces us that all we say in its praise is deserved, but that we are really conferring a favor on our readers in advising them to use it. The wine is a pure grape wine, entirely unmixed, and the most agreeable and delicious in flavor of any we ever tasted. Its medicinal qualities, we ascertain the very highest opinion, and upon the evidence of our own observations. Two bottles of this wine have nearly effected a perfect cure in the case of our little boy who has been seven years afflicted with incurable colic of the bowels. A great number of remedies have been tried without benefit, and the most eminent physicians consulted with a like result. Speer's Port Grape Wine is doing a cure. We have given this testimony without the knowledge of Mr. Speer, in the hope that others may be benefited by the virtues of this wine. Mr. Pangborn, Editor of Jersey City Times. Sold by druggists. dw1w

DR. HALE, MAY BE CONSULTED AT THE TERRE HAUTE HOUSE, THURSDAY, OCTOBER 8. dw1w

LOCAL NOTICES.

An Anti-Milions Specific.—This is the season of the year when there is great danger of the liver's tendency to chronic action. It is the largest gland in the body, and is liable to a number of diseases. Now, then, is the time to use a preventive medicine like MISHLE'S BLOOD BITTERS, so as to check at once any such course. This advice is founded on experience, and is fully followed. The Bitters is the most successful anti-milions specific extant, and is highly induced by medical gentlemen for bilious epidemics and ailments, such as Ague, Jaundice, Fever and Ague, Ac. People who live in climates where the influence of these complaints prevail, ought to guard themselves at once with the Bitters, as a protection against sickness from these causes, and to use it as a remedy when these diseases are already present, and a foothold in their systems. Sold everywhere. dw1w
