This year the basketball queen will be chosen by popular vote of the student body. Three senior girls, Carolyn Biller, Connie Hartter, and Anni Lange, were chosen by their class. One of these girls will reign during the 1963-64 basketball season. The other two girls will be princesses. Freshmen, sophomore, and junior girls were also selected to be princesses; they are Vicki Beer, Connie Biller, and Arlene Anglin, respectively.

This year's "TROJANETTE" will have a white padded cover with green trim and lettering. Subscriptions may be purchased from Sally Keller, Anni Lange, and Jeff Dippon.

Next Tuesday the photographer from Robert's Studio will be here to take group pictures.

SENIOR OF THE WEEK

ROXANNA BIRD

Whenever there are tickets to be made, money to be counted, or figures to be added, the senior class calls on Roxie. She is the daughter of Mr. and Mrs. Albert Henry Bird. Roxanna was born September 1, 1946. Her hair is reddish brown; her eyes, grey, green, or blue, by turn.

Roxanna belongs to the home-making club, Rekamemoh; plays the cymbals in the high school band; and types for the "TROJAN TELLER AND TROJANETTE". She is majoring in English, social studies, home economics, and commerce. Roxanna's ambition in life is to be a secretary. Her secret ambition is to be the secretary at MHS. After graduation she plans to go to business school and study to become a secretary.

Roxanna's pet peeves are gossip and two-faced people. If she could change our institution of public education, she would add a larger range of commercial subjects and more comfortable seats. Her advice to underclassmen is "Study before you become a senior, and don't talk about upperclassmen." A famous person she would like to be is Miss America. Roxanna will never own a cat. (She is allergic to them!) If she had a million dollars, she would move to Arizona.

Roxanna's favorites are color, navy blue; sport, basketball; food, bar-b-que chicken; book, "Les Misérables"; singer, Pat Boone; song, "Love, Makes The World Go Round"; actor, Vincent Edwards; actress, Carol Lynley; movie, "Forty Pounds of Trouble"; subject, bookkeeping; pastime, sewing.

SENIOR NEWS

By SALLY KELLER

A senior class meeting was held Friday, Oct. 18. We decided to have white roses as our class flower.

Report cards were handed out for the first six weeks. Some of the facial expressions were indescribable. But I guess all survived and, naturally, the seniors did well.

Mrs. Haab, our director, said she is waking up nights reciting parts of our play. We want to express our gratitude to her for being so patient and being a really good play director. Without her our play could never have been presented so well.

Senior pictures have been taken. There has probably been a rise in the sale of sedatives as parents anticipate the bills. It took four periods to complete the picture taking of thirteen girls; however, it took only three periods to snap twenty-five boys. But the greatest senior class ever made a superior showing and we really have a class to be proud of.

In English we have been given the task of writing a 10-page, type written, short story by the end of this six weeks. If you have any ideas don't be bashful to send them in. We can sure use them!

Last Friday we held our third class meeting of the year. Nancy Wilson opened the meeting and asked the party committee what parties we could have. We then voted. Our first semester party will be a Halloween party. We also decided that our dues this year will be one dollar.

The Gulf station donated an old car for which people paid a dime to give it two good blows with the sledge hammer. Don Coy was able to knock the hood off, but couldn't succeed in getting the trunk lid. This was held out on the black top basketball court.

SYRACUSE SUMMARY

Last week "practice" was the word at Syracuse. This week relaxation is foremost on the mind of nearly every student. Teachers Institute will give everyone but the teachers a needed rest and a chance to recuperate from those bruising exams.

At 2 p.m. on Wednesday of this week the members of the Pep club met in the old gym and the juniors met in the cafeteria. The business of these two meetings will be reported at a later date.

This week the junior high and high school basketball teams are busy practicing on plays to dazzle their fans and followers and beat all opponents. Best of luck to all of you and keep up the good work.
