Sectional Tourney Returns To Warsaw

The Indiana High School Athletic Association announced eight sectional tournament site changes on Tuesday when it announced sectional lineups for this year's classic.

Among them has been the one in which the Wawasee Warriors will be a participant. This area's sectional has been changed from Triton back to Warsaw.

The lineup of teams participating, however, will remain the same, with other schools besides Wawasee being Warsaw, Triton, Rochester, Akron and Mentone.

Starts Feb. 21
Sectionals this year being the week of February 21, with regionals the following week, beginning the week of March 4.

The Warsaw sectional winner will again feed into the Elkhart regional, with the semi-state being held at Fort Wayne's huge Coliseum as in years past.

Warsaw lost the sectional to Triton last year, the first time in a seven-year stint.

In the IHSAA announcement on Tuesday, it was noted that 426 teams will play at 64 sectional centers, 10 less teams than a year

ago due to consolidations primarily.

The 68th annual state tournament will move to Bloomington this year to be held in the spanking-new 16,662-seat Indiana University Assembly Hall. The finals classic has been held at Hinkle Field house in Indianapolis for many years past.

Warsaw athletic director Darrell Boling said, "We are happy to again host the sectional tourney. We always felt our facility could do an excellent job of accommodating tourney fans."

101, Pauls 002, Burchard 201 and Acton 210. Totals, 31 field goals, 12 free throws and 15 fouls.
FAIRFIELD (20): Clayton 301, Thwaites 101, Smith 032, Stutzman 102, Tarman 125, Becker, 632, Showalter 011, and Hershberger 302. Totals, 15 field goals, 9 free throws and 16 fouls.

INDIANA BEATS BRIGHAM
Indiana beats Brigham Young and Old Dominion and don't ask Old Dominion who for they were were a good ball club. When a team is red hot, at home, fired for an upset and you win you have to be glad you got out alive.

Joby Wright was the most valuable player. He seems to have matured and humility is becoming to anyone. His relationship with Bob Knight may be one of our key factors in the season. There were many anxious moments. I.U. fans know about these but did they notice Davy Shepherd's debut, as a passer? Always a superb shooter he served notice that a zone would be in trouble against us but his passing to the inside man was most impressive. His strength and mobility are not yet up to par so when it went to a man to man defense Bootsie White came back. Both are around next year and have to look at Steve Ahlfield and Laskowski from the freshman squad and wonder who will be the starter. It will be a relief to have depth.

The tournament should not be passed over without comment upon the steady improvement of walk-on Jerry Mermering. The Vincennes lad was labeled too slow by many but came on a scholastic scholarship and stayed to make the doubters very much aware of his presence. His relief was important.

If the person or persons who took the two speakers from the Village Car Wash in Wawasee Village, Syracuse, will return them, there will be no prosecution.

Chit Chat Home Ec. Club

The annual husband-wife Christmas dinner meeting of the Chit Chat Home Ec. club met recently at the Chapman Lake home of Mr. and Mrs. Jack Briggs. The rooms were appropriately decorated for the holiday season as 30 people gathered around the brightly lit Christmas tree reminiscing of the happy events of 1971.

The Christmas committee composed of Mrs. Jack Briggs, Mrs. Nick Cindrich, Mrs. George Paton III, and Mrs. Murvel Whitehead chose Christmas red and miniature pine cones to highlight the table decorations and centerpiece. A delicious carry-in dinner was enjoyed by everyone followed by the opening of gifts and the unveiling of each club member's secret sister. Each member drew a new secret sister for the coming year.

The remainder of the evening was spent playing cards and discussing holiday plans.

Those in attendance were as follows: Mr. and Mrs. Al Andres, Mr. and Mrs. John Barry, Mr. and Mrs. Robert Beam, Mr. and Mrs. Richard Boggs, Mr. and Mrs. Jack Briggs, Mr. and Mrs. Nick Cindrich, Mr. and Mrs. Harry Gigous, Jr., Mr. and Mrs. Leon Horn, Mr. and Mrs. William Landrigan, Mr. and Mrs. Joe Lozier, Mr. and Mrs. Richard McElroy, Mr. and Mrs. George Paton III, Mr. and Mrs. Jake Pritchard, Mr. and Mrs. Murvel Whitehead, and Mr. and Mrs. Kent Harting.

How Is Life Sustained?

How is life actually sustained? This is a question to be examined Sunday at Christian Science church services.

"Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God," a passage from Matthew reads in the Bible Lesson-Sermon on "Life."

From Science and Health with Key to the Scriptures by Mary Baker Eddy, this citation will be read: "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life."
