Syracuse boasts of having the largest apple tree in the county. It grows in the yard of Sheriff Stoner's property and its fruit is of the Vandevier variety. The circumference of the trunk, measured half way between the lower limbs and the ground, is 9 feet. Its greatest extension of limbs from tip to tip is 55 ft. 5 in., and its height about 45 ft. Let us hear of any larger in the county.

A painful accident befel Mr. Benj. Cullers while at work in Francis Ott's saw mill at this place last Wednesday afternoon. A piece of lath upon which he was working snapped and struck against his spectacles, breaking the glass, and driving a small fragment of glass into his eye.

He immediately sought the assistance of Dr. Hoy, who removed the particle. Had the glass penetrated a little deeper the sight would have undoubtedly been destroyed.

We Have Met The Enemy And They Are Ours.

The much advertised game between the Syracuse and Nappanee ball clubs at Milford was played to a finish last Friday and was won by Syracuse, in the presence of not less than a thousand people. The features of the game was the good batting of the Nappanees, Syracuse's splendid fielding, the fine work of both batteries, an extraordinary running catch by Joe Miller in left field, another by Jacobs, catcher for the Naps, and a nice double play by Kehr, Kindig and Landis that shut out the Naps in the sixth. Nine men were caught out by Miller and Erwin, for Syracuse, while the work of the infield was sharp, and was marked by few errors. Rosebrough pitched a fine game for the Naps, but was insufficiently supported.

The game throughout was the finest and most exciting one played anywhere in this part of the state this year. Every man in each team went into it fully determined to win. Syracuse tallied a score in the first inning on hits by Kehr and Landis, and took the lead in the second, Holloway getting a base on balls, and Brady and Colwell each hitting safe, scoring Holloway and getting around themselves through Nappanee's errors. They were unable to score again until the eighth, when, with two men out and two strikes charged against Holloway, at the bat, a wild throw to third by Jacobs let Landis home and scored the winning run. Nappanee tallied once in each the second, third, fourth and fifth innings, after which not one of them was able to cross the plate.

Mr. Neff, of Bremen, umpired the game to the entire satisfaction of all concerned, we believe. His decisions were prompt and always impartial. Milford treated her guests nicely, and seemed much pleased at the splendid game that was put up for her. In fact, the occasion was most enjoyable and ended in such manner as should strengthen friendships between the people of the three towns, which is what Syracuse has all along desired.

The Milford Band discoursed splendid music for the occasion as they always do.

The score by innings:—

Innings.	1	2	3	4	5	6	7	8	9
Syracuse.	1	1	3	0	0	0	0	1	1
Nappanee.	0	1	1	1	1	1	0	0	0

Syracuse did not bat in the ninth. Struck out:—by Kehr, 5; by Rosebrough, 12. Passed balls:—none.

Bases on balls:—Kehr, 1; Rosebrough, 3. Double play:—Kehr to Kindig to Landis.

Time of game:—2 hours.

Umpire:—Neff.

Don't miss the excursion to Indianapolis, Sept. 25, round trip only \$1.75. Train leaves Milford at 6:20.

E. goes to Elkhart, Ind., where he suffered from a dreadful cold, approaching consumption, tried without result everything else then he bought one bottle of Dr. King's New Discovery and in two weeks was cured. Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvellous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little intermission and it seemed she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results. Trial bottles free at Hoopingartner & Miller's drug store. Regular size 50c and \$1.

The success of Mrs. Annie M. Beam, of McKeesport, Pa., in the treatment of diarrhoea in her children will undoubtedly be of interest to others. She says: "I spent several weeks in Johnstown, Pa., after the great flood on account of my husband being employed there. We had several children with us two of whom took the diarrhoea. I got some of Chamberlain's Colic, Cholera and Diarrhoea Remedy from Rev. Chapman. It cured both of them. I know of several other cases where it was equally successful. I think it cannot be overpraised and cheerfully recommend it." 25 and 50 cent bottles for sale by Hoopingartner & Miller drug stores.

CHICAGO INTER OCEAN.

Chicago newspapers have lately gone into merchandising in connection with their efforts to increase their circulation to such an extent as to involve them in some difficulty with their large advertisers who object to the low price and good values offered. The most notable instance of this is The Inter-Ocean, which was compelled to discontinue its very popular Book Department for no other reason. It continues its World's Fair Portfolio Department however, which is delivering about 11,000 per day at present and has just added a comprehensive series of "Views of the World," and a book of music called "Harmonized Melodies," on the same plan. They are sold at a certain price provided the purchaser presents a certain number of coupons cut from the paper.

Let us remind you that now is the time to take Dr. Witt's Sarsaparilla. It will do you good. It recommends itself. Hoopingartner & Miller.

If so, buy one that cannot be stolen. The only thief-proof Watches are those with
