To the south of Lake Wawasee a new lake is being formed in a basin that has heretofore contained six small lakes. A substantial dam has been built and it is expected to raise the water seven feet, and flood the entire basin, forming a lake several miles in extent. The lake will contain four large islands and have about seven miles of wooded shore line. The new lake will be known as Lake Papakeeche after an Indiana warrior, who for many years lived in that region. The editors visited this resort Friday.

### A Pleasant Surprise.

The friends of Miss Carrie Strieby gave her a pleasant surprise and a handkerchief shower, Friday evening July 22, at the home of Pearl Kitson, being the date of her 11th birthday. Those who took part in the surprise were Claudia Snyder, Helen Hoy, Lillie Deardorff, Georgia Myers, Wilma Kitson, Emma Strieby, Cecil Howard, Fern McElroy, Olga Beckman, Ida Carlson, Helen Hendrickson, Ada Hinderer, Ruth Snyder, Mabelle Strieby and Mrs. Jessie Zerbe.

The evening was spent in games and contests and music furnished by Olga Beckman and Mrs. Zerbe. Miss Carrie was the recipient of twenty-two handkerchiefs. Light refreshments were served and the guests departed feeling that they had spent a very pleasant evening.

### Watch For Bogus \$10 Bills.

The banks of the state have been notified by the government that there was in circulation a new counterfeit ten-dollar gold certificate of the series of 1901. While the counterfeit is declared a poor one and not particularly dangerous, it appears that in other sections of the country a number of them have been passed. The bill is a photograph reproduction on bond paper with the color applied with a brush. The silk fiber of the original is imitated by red and blue ink marks.

### Would Establish Game Preserve.

Game Warden George W. Miles has written Elkhart county parties if they will set apart a piece of timber he will do all in his power to establish a game preserve. Arrangements are being made to have a piece of timber set apart on the Neff farm north of Syracuse.—Milford Mail.

### Horse Stung To Death.

A horse belonging to Capt. A. M. Jones of Jones' Landing, kicked over a hive of bees on Wednesday of last week, and was so badly stung by the infuriated honey-makers that it died on Thursday.

## FREE EMPLOYMENT BUREAU.

[Continued from page 1.]

since October 1, 1909, when it was set in regular running order. Had these persons sought employment through private agencies, they would have been required to deposit \$2 each for registration fees, making a total of \$3,000. Had they received work, as they received from free bureau, they would have been compelled to pay the private agency 10 per cent of the first month's wages, or an average \$5, according to statistics concerning the wages of persons provided with work by the free bureau. This would have meant an additional outlay of \$10,500.

### How About This Man?

A Mr. Bolan of Auburn, is said to be the only man in the state of Indiana who drives an auto with one hand. He handles his machine well without the missing member.—Goshen Democrat.

Mr. Bolan may be the only one-handed auto driver in Indiana, but we can boast of having the only handless auto driver in the state, that gentleman being Mr. Ira Gantz who resides near Vawter Park. Mr. Gantz, whose hands were taken off just above the wrists, not only runs his machine but has been repeatedly seen to procure the necessary tools from the machine's tool box to make needed repairs then carefully clamber under the mammoth touring car and attack its machinal parts with the same ease and the usual good results of a skilled garage machinist.

This is not all of Mr. Gantz's accomplishments. He is also a thorough horseman, and can harness hitch a team of horses as quickly as any one, and his management of fractious animals when in the harness is truly wonderful.

### May Rebuild Vawter Park Hotel.

It is rumored that Dr. W. R. McGarvey, who sustained a heavy financial loss through the destruction by fire of Vawter Park hotel some weeks ago, is trying to interest some parties of means in the building of a modern hotel on the old site.

The site of the old hotel is one of the most beautiful spots of ground on the shores of Lake Wawasee and the old hotel under Dr. McGarvey's management had grown in favor as an ideal place to spend the summer months that those wishing to secure accommodations had to arrange far in advance for reservation of rooms.

That the building of a modern hotel at Vawter Park would be a good investment is without questioning, and we hope that Dr. McGarvey is successful in his efforts to build one.

### Will Give Vaudeville Show.

Alive to the wants of its guests, the lake cottagers and the people in general in this community, the management of Wawasee Inn at no small outlay of money, have secured high class vaudeville artists of the American Music Hall Co., of Chicago, to give an afternoon and evening performance at the Wawasee Inn opera house on tomorrow (Friday) July 29.

The company engaged is said to be of the best in Chicago and the repertoire of vaudeville used is the same as produced at Chicago's largest and most popular vaudeville theater.

### Gets Limb Crushed

A man giving his name as Will Rothwell had his left leg badly crushed at the B. & O. gravel pit at Leeland, last Thursday. He was riding a bumper and a sudden jerk of the train dislodged him with the result of his getting badly pinched. He was taken to the Hospital at Garrett.

The old settlers of Noble county, are going to come together for a social day August 11th, at Albion. A splendid program is being arranged, and if the weather is favorable will have an enjoyable day without a doubt.

### Thrasher Fatally Injured.

George Hunsberger, aged about 27 years and unmarried, was fatally injured while helping to thrash wheat at a farm near Wakarusa last Friday. He was working about the separator and got caught in the belting of the machine, tearing his left arm off, crushing his skull and injuring him internally. His condition is so serious as to render his chances for recovery hopeless.

### Additional Locals.

Miss Lizzie Wetzel, who has been visiting her sister, Mrs. Fred Hoch, for several weeks, returned to her home at Archibald, Ohio, Thursday.

Mrs. Rebecca Stetler and Mrs. Joe Kindig and son and daughter, of York, Penn., left Saturday morning for Yellowstone Park. They expect to be gone two weeks.

Mr. Charles Hammon wife and daughter, of North Baltimore, Ohio, are spending a few days with Earl Hammon and wife, living south of town. On their return home they will go by the way of Michigan, making the tour in their automobile.

Jesse Blough moved his family to Benton Harbor, Monday, sending his household goods over the interurban via South Bend and Niles. Mr. Blough will engage in business with his brother.—Milford Mail. Syracuse people will remember Mr. Blough, he having owned the city drag here for a long time.
