IN OUR CHURCHES

United Brethren in Christ

"Say, Mister Man, how much
would your HOME be worth
without the Church? Just give
this a thought, and COME to
CHURCH."

Did you know the world was
reserved for Judgement? In
Christ's own words we hear
about it in the Sunday School
lesson next Sunday. Come, and
find what He has to say about it.

Wm. L. Eiler, Pastor.

Grace Lutheran Church

Rev. R. N. McMichael, Pastor.
Should a Christian fear the
Day of Judgement? It is per-
haps the most inevitable emer-
gency which every person faces.
It is absolutely certain. There
will be a Judge from whom
nothing can be hid. He can not
be bluffed or bribed. He will
tear off the mask of decency and
sham which we have cloaked
about our deeds, our lives and
even the secrets of our hearts.

What He finds there He will pass
judgement on with stern right-
eousness. And that judgement
must either be "Come ye blessed
of My Father, inherit the king-
dom prepared for you," or "De-
part from Me, ye cursed, into
everlasting fire prepared for the
devil and his angels." But need
a Christian fear that kind of
judgement? If you have an an-
swer, turn out for Sunday School

o'clock.

NO BARNACLES WANTED

Owners of bus lines and trucks
met in Indianapolis last week
and resolved that another cent
be added to the gasoline tax. In
other words the 600,000 motor-
ists of Indiana were asked to
pay \$3,000,000 a year more to
pave roads for the trucks and
buses to wear out. We are for
the trucks and buses. The public
needs them, but we do not want
them to be barnacles. They
should be under the Public Ser-
vice Commission, the same as
other common carriers, and un-
der no other commission. Auto-
mobile transportation is past
the experimental stage and
needs regulation the same as
other transportation agencies.—

BERLIN'S LATEST

Berlin, Germany.—Snake skin
designs are the latest in wom-
en's hosiery here. They come in
various colors but the most pop-
ular is a sort of coffee and milk
shade with vertical stripes. Then
there is the garter snake stock-
ings with long yellow stripes
and there is a touch of brown
or black.

The new postal rate program
advocated by Mr. New would re-
sult in increased receipts of \$12-
000,000 from parcel post, \$18-
000,000 from third-class mail,
\$12,500,000 from first-class, and
\$10,876,000 second-class. This
would only provide sufficient
funds to meet the increased pos-
tal pay which has been passed
by Congress.
