

PROVED TO BE WHAT HE NEEDED

Keely Was Forced To Give Up
His Trade Because Of
Rheumatism.

"I had to give up my trade as a furnace setter about three and a half years ago, but since taking Tanlac my health has improved so much that I hope to be back on the job in a short time," said Samuel J. Kelly, who is well known in this section, and who lives on R. F. D. No. 2, Indianapolis, Ind., while talking to a Tanlac representative the day other day.

"I have been bothered with rheumatism off and on for about six years," he continued, "but it has been especially bad for the past three years. Every part of my body was affected with this trouble. Sometimes my legs would be so stiff in the mornings that I would have to rub them for half an hour before I could get around on them. My kidneys gave me lots of trouble, too, and the pains in my back were so severe at times I could hardly stand it. Finally my stomach went back on me, and this added to the rest of my troubles just about put the finishing touches to me. It just seemed that the more medicine I took the worse I got. I had to take a laxative of some kind every day on account of being so badly constipated, and my nerves were in such bad condition that I never got a good night's sleep."

"My sister came to see me one day, and told me how Tanlac had built her up, and advised me to give it a trial. Well, Tanlac proved to be the very medicine I needed, for I commenced to get better by the time I had finished my first bottle, and now I am as free from rheumatism and kidney trouble as any man in this country. The pains in my back are gone, and my stomach was never in better condition. I have a fine appetite and eat just anything that is put before me and I never suffer a particle afterwards. I don't mind doing a hard day's work now, and when night comes I feel just fine and dandy. If I keep on gaining in weight I will soon weigh as much as I ever did, and I can just feel myself getting stronger every day. Tanlac is certainly a wonderful medicine, and as long as I live I will never lose an opportunity to boast it."

Tanlac is sold in Syracuse by R. E. Thornburg and by the leading druggist in every town.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test. No Syracuse resident who suffers backache, or annoy-

ing urinary ills can remain unconvinced by this twice-told testimony.

Eli Helser, retired farmer, 1121 E. Center St., Warsaw, Ind., gave the following statement February 23, 1909: "I had a whole lot of trouble with my kidneys. My back was weak and ached and every once in awhile, I got down with this trouble. Doan's Kidney Pills proved thoroughly effective. I now seldom have any complaint, but when my kidneys do bother me a little, I take a few of Doan's and the trouble always immediately disappears."

On January 30, 1919, Mr. Helser said: "During the last few years, Doan's Kidney Pills have done fine work whenever I have used them for any sign of kid-

ney weakness. I hold Doan's in the same high esteem as when I first endorsed them."
