## GLAD SHE TOOK FRIEND'S ADVICE

Mrs. Messick Has New Strength  
Life and Energy Since  
Taking Tanlac.

"I just cannot say enough in praise of Tanlac for the way it has given me new life, strength and energy," was the statement made a few days ago by Mrs. George Messick of Dallas City, Ill., when she called at Henry's drug store in Burlington, Iowa.

"When I began taking Tanlac I had practically lost my appetite and I suffered so bad from

stomach trouble that the little I did eat disagreed with me," continued Mrs. Messick, "I was nervous and restless and at night I could not sleep well. I was losing weight constantly and I was so run down generally that it looked like I had lost all the strength and ambition I ever had."

"I started taking Tanlac on the advice of a friend and now after finishing four bottles I am feeling just like a new woman I have a fine appetite and can eat anything I want without suffering any bad effects at all. My nerves don't give me any more trouble and I can sleep sound all night long. I have gained eight pounds and I just feel so fine and strong that I know I am going to enjoy the Christmas holidays more than I have in years."

"My husband has just bought three bottles of Tanlac and has started taking it and says he wants an appetite like mine so he can eat as much as I do and not have to suffer for it. I am certainly grateful to Tanlac and without doubt I consider it the best medicine ever made."

Tanlac is sold in Syracuse by R. E. Thornburg and by the leading druggist in every town. (Advertisement)
