

PARAGRAPHIC BITS ABOUT HOME FOLKS

Notes of the Week on the Coming and Going of People You Know.

Aviators and senators are both masters of air.

Frank Harsh and wife visited in Elkhart over Sunday.

Mr. Public's leg for the most part is getting elongated.

J. V. Traster and Frank Bailey were at Pierceton Monday.

Don't throw away that old suit; give it to the Salvation Army.

Miss Ola Garrison spent Sunday afternoon with Miss Thelma Darr.

Mr. and Mrs. Neal Phebus spent Sunday with Mr. and Mrs. Wm Bowers.

Mr. and Mrs. Charles Shannon spent Sunday with Mr. and Mrs. Ora Shannon.

Mr. and Mrs. Jesse Darr called at the home of Walter Stiffler Sunday afternoon.

Your old togs would make somebody comfortable. Salvation Army knows who.

Old boks, old hats, old toys—let the Salvation Army place them where they are needed.

Harry Crouch left Monday morning for Three Rivers, Mich., where he has secured employment.

Mrs. Mary Wogoman returned home after spending a week in the country with her sister, Mrs. William Strieby.

P. W. Soltan is moving to Elkhart and his place at the Oakwood Park hotel is being taken by N. G. Skidgel.

Some people here in Syracuse who blame the newspapers for printing so much personal gossip are often the ones who find fault because they are not mentioned often enough.

Mr. and Mrs. Ira T. Howard, in company with friends, drove here Sunday from Nappanee and spent the day visiting with relatives. Mr. Howard is employed in newspaper work at Chagrin Falls, Ohio.

Mr. and Mrs. John McCloughan returned home Wednesday evening after attending the funeral of their son Charles at LaSalle, Ill., after which they visited with Mr. Cloughan's brother, Oscar Leedy, at LaMoille, Illinois.

CO-OPERATION FOR FARMER-

"There must be a Department of Agriculture in full and intelligent co-operation with the farmer, and the great farmer organizations."—(Leonard Wood.

SCHOOL CARNIVAL

Preparations for the carnival are well under way. The children of Mrs. Rapp's and Mrs. Seider's rooms will present a Mother Goose play. Owing to the strike a large part of the great three-ring circus has not arrived. However, some acrobats, clowns and some animals arrived and you can see them perform in the school house garret.

The high school assembly will be used for motion pictures, government war pictures, entitled, the Price of Peace, will be shown. Good music will be provided and the show is continuous.

There will be two bouts of boxing, a vaudeville program, equal to Keith's; native Hawaiian girls will sing, you can see the Siamese twins, the fat lady, the million dollar beauty, a green goose, a one legged calf, a show for men only, the Brown family, a swimming match and some of the largest vegetables in the world. You may win a prize throwing balls and you may be made beautiful at the beauty parlor.

Merchants of the town have very generously contributed many valuable articles of merchandise and these will be sold at auction. The domestic science department will conduct a Japanese tea room where you can buy delicious eats.

Mr. Thornburg has very kindly consented to bring one of his big Edison machines over to the school house that evening.

Remember, there is no charge for admittance to the building. Don't fail to be there Friday evening at seven-thirty. 4221p

RURAL EDUCATION

"Education for farm children should be as easily accessible and on as high a plane as that of

city children. They should have vocational training in a practical consolidated school system."—Leonard Wood. 4221

NOTICE SYRACUSE PEOPLE

The impression seems to have gone around that The Wawasee Tire & Rubber Co. is unwilling to accept stock subscriptions from Syracuse people. This impression is entirely false in every respect, as is proven by the fact that the leading business men of Syracuse are numbered among its stock holders.

The erroneous idea probably arose from the fact that the company did not fix a set amount of stock to be taken as a condition of its building its factory here, as is usual with other companies in other cities.

Our people are cordially invited to visit our office and learn all about the strength and purposes of the company, and to purchase as much stock as they desire, and thereby share in the prosperity of the enterprise that has come to build up and promote the welfare of Syracuse and vicinity.

Respectfully,
The Wawasee Tire & Rubber Co.

PROFIT AND REWARD

"The equitable distribution of profit and reward depends upon constructive, efficient service."—(Leonard Wood. 4221

**Just Where and How
Is the Money
to be Spent?**

A businesslike Answer to a businesslike Question

THIRTY denominations cooperating in the Interchurch World Movement have budgeted their needs. No business could have done it more scientifically.

They have united to prevent the possibility of duplication or waste. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

Each denomination has arranged its budget under six main heads:

1 FOR THE CHURCH'S WORK AT HOME. A score of millions of people are under this head. Consider only one. Five and a half million people in the United States cannot even read and write the English language. Who is to carry forward this vast work of Americanization if the church does not?

2 FOR HOSPITALS AND HOMES. Every year thousands of men and women seriously ill are turned away from Church hospitals because of lack of room. The children's homes are compelled to turn away more children than they can receive.

3 FOR HIGHER EDUCATION. Of the 60,000 American students in institutions of higher grade, one-half are in institutions founded and supported by the Churches. Many of these institutions have had no great endowment campaigns, but their needs are just as pressing as the needs of larger schools; and you have only to read their list of alumni and alumnae to measure the value of their contribution to America.

4 FOR RELIGIOUS TRAINING. At least 12,000,000 children and young people under 25 years of age are entering American life without any religious training at all. Remember the faith of Washington and Lincoln, do you think that America will continue to produce Washington and Lincoln if faith dies out of the hearts of its youth?

5 FOR THE CHURCH'S WORK ABROAD. Influence came first from the Orient thirty years ago; nearly all plagues are Oriental plagues. So long as China has only one physician to every 400,000 people the Orient will continue to be a menace. So long as one-third of the babies of India die before their second year our own babies are not safe. A Christian doctor or teacher sent abroad is working for America as truly as though he worked at home.

6 PREACHERS' SALARIES. The preacher is called the "forgotten man," and well he may be. Eight out of ten preachers are paid less than \$20 a week!

Each denomination has its own detailed budget, and will administer its own funds. Your pastor has copies of the budget; examine them for yourself. In the week of April 25th-May 2nd you will be given your opportunity to help. You can do it with the full satisfaction of knowing that every dollar of your gift has its post assigned to it in advance.

Every dollar for better America and a better world. When your church calls on you give—and give with your heart as well as your pocket-book.
