

Sheriff's Sale.

BY virtue of a writ of Fi. Fa. to me directed from the Clerk's Office of the Knox Circuit Court, I will offer at public sale before the Court House door in Vincennes, on Saturday the 28th inst. between the hours of 10 o'clock A. M. and 4 o'clock P. M. according to the third section of the law subjecting real and personal estate to execution, all the right, title, interest and claim of Richard Patterson and Ellen Patterson, of, in and to the following tract or parcel of land to-wit:—one hundred and nineteen acres and fifty one hundredths (119 51-100) off of the South Corner of Donation Lot Number 73, with the appurtenances therein belonging, taken as the property of Richard Patterson and Ellen Patterson, to satisfy an execution in favor of Robert Dunin and Thomas Scott.

JOHN PURCELL Sheriff K. C.
Vincennes, Nov. 5th 1835.—23-3t.

THE only specific ever offered to the public from which a permanent and radical cure may be obtained of that disagreeable pain, the Toothache, with all its attendant evils; such as fracturing the jaw in extracting the Teeth, which often proves more painful than the Toothache itself, and cold passing from the Toothache to the Jaw, thence to the head, producing a rheumatic affection, with many other unpleasant effects, such as a disagreeable breath, bad taste in the mouth, &c.; all of which are produced from foul or decayed Teeth.

I am happy to have it in my power to offer to the world a remedy that will not only remove the pain nine times out of ten, if properly applied, but preserve the teeth from further decay, and arrest the disease in such as are decaying and have not commenced aching, restoring them to health and usefulness.

VEGETABLE RHEUMATIC DROPS.
MANY articles are before the public, as a cure of that most obstinate and tormenting disease, the Rheumatism;—and from close observation we are led to believe, that they have, to a very great extent, failed to produce that desirable result, and may it not be attributed to the fact, that articles said to cure this troublesome disorder, are also recommended to cure almost every disease with which our frail bodies are attacked, and in their preparation that object is kept in view, viz: to have the medicine a cure for all diseases.

The Vegetable Rheumatic Drops are offered to the public as a remedy for Rheumatism, and as no case is known where a perfect cure was not effected, we are justified in declaring it a valuable medicine for that painful disease, and for no other is it recommended. Price fifty cents.

L. A. MOIT'S COUGH DROPS.
VALUABLE MEDICINE FOR COUGHS AND CONSUMPTION.

THIS Elixir, in its original form of prescription, has stood the test of twenty years experience, in the general use of it, and is now offered, with the addition of some articles from the vegetable kingdom, the virtues of which have been fully attested and highly appreciated which render this composition peculiarly adapted to the present prevailing disorders of the breast and lungs, leading to consumption.—Common colds and coughs, which are occasioned by obstructed perspiration, will readily yield to its influence, removing those troublesome irritations, which act as a constant stimulant to coughing. It cures pain, and induces rest to an eminent degree. Persons afflicted with pulmonary complaints, bleeding of the heart, &c. experience no pain, palpitation of the heart, and consumptive affections, even in the most advanced periods of life, will find immediate relief, from its remarkable power of diminishing irritability of the system, and the velocity of the circulation, and by cleansing and healing the disordered parts. It also affords immediate relief in the whooping cough.

DR. JUDELYN'S SPECIFIC OINTMENT

THIS valuable medicine is celebrated for curing the following diseases: White Swellings of every description—Sore Legs and Ulcers of long standing—Glandular Tumors—Felon or Catarrhs—Rheumatic pains of the Joints, Sprains, Bruises, and Tetters; Chlains; or parts affected by frost. It is also good for Scalds and Burns.

For glandular swellings, it is superior to any medicine yet known. It is much safer than mercurial applications, (as it does not contain the smallest atom of that mineral) because it does not lay the patient liable to injury from exposure of cold.

It cures the worst Felons or Whitlows on the application of forty-eight hours. Rheumatism which have stood as long as to become a systematic disorder, require medicine to be taken inwardly to remove them entirely. But in most cases, by applying this ointment externally as directed, it will give relief.

Certificates of important cures—also directions for using, accompany each bottle.

For sale by Hunt & Sawyer, J. Maddox, Vincennes; Daniel & Devin, Princeton; Barton, Swift & Barton, New Harmony; Ia. Roddick McCormick, & Co, Washington; Daviss county, Ia.
