

AGLORIOUS CHANCE

for obtaining real property worth at least

\$6,000.

FOR THE SMALL SUM OF

820!!

THE undersigned wishes to dispose of the following real estate in the town of Vincennes, to-wit: That well known TAVERN STAND at the corner of Market and Fifth sts., fronting on Market 84 feet, and running back the full depth of two lots to Vigo st. The improvements on said lots, are, a new two story brick building 50 by 45 feet, containing below, two large rooms and a hall, six bed-rooms above stairs, with a passage, and a commodious gar. et suitable for five bed-rooms. A two story frame building 28 feet front by 60 feet deep, a brick kitchen, stable and other out buildings, making it a desirable Tavern stand. Title undisputed.

This property was leased about eighteen months since, for three years, at an annual rent of four hundred dollars, payable quarterly, nearly one half of which term has yet to run.

As the present embarrassed state of our country renders it almost impossible to sell real estate for cash or upon a reasonable credit, at a fair price, the undersigned has, for the purpose of disposing of, and realizing a fair price for this property, been induced to present to the public the following scheme, to-wit:

He will dispose of 260 tickets, and, if that number can be sold in time, on the first Monday of April next, or as soon thereafter as the sale of tickets will justify, the number of tickets bearing similar numbers, will be placed in a wheel, and the first drawn number will be entitled to the prize. To ensure perfect fairness, the tickets will be placed in the hands of Mr. Ross, who will receive the money and a deed for the property, with a warranty against all incumbrances, placed in the hands of the Hon John Law and A. T. Ellis, to be delivered to Mr. Ross as agent of the fortunate drawer of the prize as soon as the proceeds of the said tickets shall be paid over to the undersigned.

Drawing to be public, and will be superintended by Messrs. Ross, Law, and Ellis. Price of tickets, twenty dollars.

NO cure no pay.—Price \$1 Day's Liniment—no fiction. This extraordinary chemical composition the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death bed bequest has twice gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant Solomon Hayes, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the Piles, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. Externally in the following complaints:

For Dropsy.—Creating extraordinary absorption at once.

All Swellings.—Reducing them in a few hours.

IMPORTANT DISCOVERY
The public are hereby directed to the medicinal advertisements of Dr. HARRICH's celebrated Compound Strengthening Tonic, and German Aperient Pills, which are a Medicine of great value to the afflicted, discovered by O. P. Harich, a celebrated physician of Altdorf, Germany, which has been used with unparalleled success throughout Germany. This medicine consists of two kinds, viz: the German Aperient, and the Compound Strengthening Tonic Pills.—They are each put up in small packs, and should both be used to effect a permanent cure. Those who are afflicted would do well to make a trial of this invaluable medicine, as they never produce sickness or nausea while using. A safe and effectual remedy for

Dyspepsia or Indigestion,
And all stomach complaints; pain in the side, Liver complaints, loss of appetite, Flatulency, Palpitation of the heart, general debility, nervous irritability, sick headache, Female diseases, Spasmodic affections, Rheumatism, Asthma, Consumption, &c. The German Aperient Pills are to cleanse the stomach and purify the blood. The Tonic or Strengthening Pills to strengthen and invigorate the nerves and digestive organs and give tone to the stomach, as all diseases originate from impurities of the blood and disordered stomach. This mode of treating diseases is pursued by all practical Physicians, which experience has taught them to be the only remedy to effect a cure. They are not only recommended and prescribed by the most experienced Physicians in every daily practice, but also taken by those gentlemen themselves whenever they feel the symptoms of those diseases, in which they know them to be efficacious. This is the case in all large cities in which they have an extensive sale. It is not to be understood that these medicines will cure all diseases merely by purifying the blood—this they will not do; but they certainly will, and sufficient authority of daily proofs asserting that those medicines, taken as recommended by the directions which accompany them, will cure a great majority of diseases of the stomach, lungs, and liver, by which impurities of the blood are occasioned.

Important to Females.
Dr. O. P. Harich's Compound Strengthening Tonic, and German Aperient Pills. Those pills remove all those distressing diseases, which Females are liable to be afflicted with. They remove those morbid secretions which when retained, soon induce a number of diseases and often times render Females unhappy and miserable all their lives. Those pills used according to directions, immediately create a new and healthy action throughout the whole system by purifying the blood, and giving strength to the stomach and bowels, at the same time relieving the pain in the side, back, and loins, giving appetite and invigorating the system again to its proper functions and restoring tranquil repose.

Riches not Health.
Those who enjoy Health, must certainly feel blessed when they compare themselves to those who are afflicted with the above distressing diseases which the human family are all subject to be troubled with. Diseases present themselves in various forms and from various circumstances, which, in the commencement, may all be checked by the use of Dr. O. P. Harich's Compound Strengthening and German Aperient Pills, such as Dyspepsia, Liver complaints, Pain in the Side, Rheumatism, general debility, Female Diseases, and all Diseases to which human nature is subject, where the stomach is affected. Directions for using these Medicines always accompany them. These Medicines can be taken with perfect safety by the most delicate Females, as they are mild in their operation and pleasant in their effects.

Rheumatism.
Entirely cured by the use of Dr. Harich's Compound Strengthening and German Aperient Pills.

Mr. Solomon Wilson, of Chester co. Pa., afflicted for two years with the above distressing disease, of which he had to use his crutches for 18 months; his symptoms were, excruciating pain in all his joints, especially in his hip, shoulder, and ankles, pain increasing always towards evening attended with heat. He was at one time not able to move his limbs on account of the pain being so great he being advised by a friend of his to procure Dr. Harich's Pills, sent to the agent in West Chester, and procured some, on using the medicine the third day the pain disappeared and his strength increasing fast, and in three weeks was able to attend to his business, which he had not done for 18 months; for the benefit of others afflicted, he wishes those lines published that they may be relieved, and again enjoy the pleasures of a healthy life.

Causes of Dyspepsia.
This disease often originates from a habit of overloading or distending the stomach by excessive eating or drinking, or very protracted periods of fasting; an indolent or sedentary life, in which no exercise is afforded to the muscular fibres or mental faculties, fear, grief, anger, deep anxiety, taking too frequently, strong purgative medicines, dysentery, miscarriages, intermittent and spasmodic affections of the stomach and bowels; the most common of the latter causes are late hours and he too frequent use of spirituous liquors.

Symptoms.—Dyspepsia may be described from a want of appetite or an unnatural and voracious one, nausea, sometimes bilious vomiting, sudden and transient distensions of the stomach, after eating, acid and putrescent eructations, water brash, pains in the region of the stomach, costiveness, palpitation of the heart, dizziness and dimness of sight, disturbed rest, tremors, mental depression, flatulency, spasms, nervous irritability, chilliness, sallowness of complexion, oppression after eating, general debility; this disease will also very often produce the sick headache, as proved by the experience of those who have suffered of it.

Treatment.—The principal objects to be kept in view are 1st, to free the stomach and intestine from offending materials. 2nd, to improve the tone of the digestive organs and energy of the system in removing noxious matters from the stomach, and obviating costiveness. Violent drastic purgatives should be avoided and those agents should be used which act gently, and raise by soliciting the peristaltic motions of the intestines to a laborious excitement. There is a medicine better adapted to the completion of this than Dr. Harich's German Aperient Pills.

To improve the functions of the debilitated organs and invigorate the system generally, no medicine has ever been so prominently efficacious as Dr. Harich's Compound Tonic Strengthening Pills, whose salutary influence in restoring the digestive organs to a healthy action, and re-establishing health and vigor in enfeebled and dyspeptic constitutions, have gained the implicit confidence of the most eminent physicians, and an unprecedented general testimony.

Remember Dr. Harich's Compound Tonic Strengthening Pills, they are put up in small packs with full directions.

PROSPECTUS
OF THE
HARRISON WHIG.

To be published weekly, in Vincennes, Ia., by T. H. Cavanaugh & Co., and edited by Ethan A. Allen and T. H. Cavanaugh.

The "HARRISON WHIG," will be printed on a medium sheet, with beautiful type, and mailed to distant subscribers every Thursday morning, at One dollar in advance, for a single subscriber; to commence on the 23d day of April, and be continued until the close of the Presidential election.

It is a subject of honest pride, and just congratulation, that the experienced Patriot and Statesman, GEN. WILLIAM H. HARRISON, has been presented for the first station of trust and honor in the gift of a grateful country; and, as the title of our paper indicates, it will be firmly devoted to the advocacy and diffusion of his well known political principles, under a solemn conviction, that the restoration of our prosperity and perpetuation of our freedom and union will be rendered certain by his success, in the mighty antagonist struggle now in progress, of the PEOPLE against VAN BUREN, and his wily adjuncts—who have by party schemes, caused the States, and the Union, to become involved in debt and consternation. Our course shall be marked and decided. There are, at this time, two weekly newspapers at this point, yet, it has become apparent to many intelligent and reflecting Whigs, that, to defend the Whig candidates, and explain the salutary principles which will be called into action under the auspices of HARRISON & TYLER's administration, now grossly misrepresented and distorted by the Van Buren party papers sent about gratuitously, "sugared o'er" to deceive the unwary—to concentrate the energies of well known Whig disciples in active support of the true creed, with which the cause of the PEOPLE is emphatically identified—to expose the frauds and impositions practised by Van Buren's unscrupulous stipendiaries; and for the other considerations which the FARMER, the MECHANIC, and the MERCHANT, will not, on reflection, fail to appreciate—the success of our undertaking is of the first importance.

In a land abounding in all the elements of personal thrift and national advancement, it is with deep concern that every sound Republican has witnessed the party schemes and diversified experiments of men in power, blighting, poisoning and leading to embarrassment and ruin, every calling and industrious pursuit—no one prospering, Van Buren's office-holders excepted.

The God of nature has bountifully blessed the toil of the Husbandman, but the Van Buren spoils party has destroyed and proscribed the reward of honest labor and enterprise—rewarding with the People's money, a venal and deceptive retinue of party editors, who, under the guise of false pretenses to "DEMOCRACY," disregard the public welfare; and this party now in power, seek to calculate upon rendering Van Buren the Legislature! the Treasurer!! and in fact, the "GOVERNMENT!!!"

We oppose the Humbuggers, and submit this brief outline to induce essential patronage.

We believe, that with correct and full advisement, every freeman's heart, should at this moment become a citadel of Whig Strength. We are willing to do our duty as faithful sentinels on the Watch Tower. As we feel no lukewarmness, we have no doubts.

Col. Ethan Allen, (father of the writer) is not unknown to the readers of the history of that glorious Revolution, which tyrannical foreign rulers occasioned. The writer of this served in the army of the U. States during the late war, and with his humble abilities sustained that government for which his father fought, and saw "a little service."

The Whig principles of this concern, will
