A JOINT RESOLUTION in relation to the improvement of the Wabash River, as contemplated by an examination and survey made under the authority of the United States, with a view to promote the public interest in the navigation of the river.

Resolved by the general Assembly of the State of Indiana, That our Senators in Congress be instructed, and our Representatives be requested, to use their best endeavors with every proper effort to obtain an appropriation during the present session of that body, of public land or money, for the purpose of improving the navigation of the Wabash.

Resolved by the general Assembly of the State of Indiana, That our Senators in Congress be instructed, and our Representatives be requested, to use their best endeavors with every proper effort to obtain an appropriation during the present session of that body, of public land or money, for the purpose of improving the navigation of the Wabash.
