## Plain Questions to Walkerton People.

Every Walkerton Reader Will Admit the Soundness of the Logic.  
Would Walkerton people recommend Doan's Kidney Pills as they do? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:  
Mrs. George Belter, Walkerton, says: "I had severe pains all over my body and my back ached constantly. I was very nervous, my hands were swollen and I had rheumatic pains. Doan's Kidney Pills helped me from the start and gave me wonderful benefit."

LASTING RESULTS  
Over five years later, Mrs. Belter said: "I haven't needed Doan's Kidney Pills in a long time. Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Belter had. Foster-Milburn Co., Mfrs., Buffalo, N. Y."

## WHAT OUR CUSTOMERS SAY

Judson Creamery & Produce Co., Feb. 23, 1920.  
North Judson, Indiana.

Sirs:—Your letter of 17th received and in reply will say:

Yes, the Reo's always ready,  
All her nuts and bolts are tight,  
And the wife and I are steady,  
Milk making Bossey morn and night,  
You should see our milk pails shining,  
Milk stools always steady too,  
For with Butterfat still climbing  
It would be a loss tis true,  
Should it accidentally happen,  
That we spilled a quart or two.

Sure the De Laval is humming,  
Taking all the milk right through,  
And we sure have found the market  
Where we get a square deal too.  
Where the prices are the highest,  
And the service is the best,  
For we ship to Judson Creamery,  
Where we get the weight and test.

Yours very truly,

H. O. Brugh,

ROCHESTER, INDIANA.

## MUDDY STREET

This spring puts us in mind of some men—quite windy.  
Clyde Miller and wife visited Levi Miller's on Sunday.  
Clyde Divine moved to Teegarden Monday.

Had quite a hail-storm Sunday.  
Frank Coil spent Sunday afternoon with the Pelts family.  
Clyde and Ben are going to run Ford out of business.

Jess MacKesson butchered Wednesday Frank Coil and Will Mory were his helpers.

Ben Cover lost one of his work horses last week.

Frank Head lost a valuable colt Friday night.

Sunshine is delicious, rain is refreshing, wind is bracing, snow is exhilarating. There is really no such a thing as bad weather.

The telephone line is out of commission since the storm in Muddy Street.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## Lowe's

Next time, paint your barn with a paint that's made for painting barns

Your barn is too valuable an investment to be insulted with a coat of cheap paint. It is an investment that should be protected with paint made especially for barns; a paint that will make your investment an asset instead of a liability. We have never heard of a paint for barns that's anywhere near as good as Lowe Brothers Standard Barn Paint. It's made for painting barns and nothing else. That's why it has made so many friends among barn owners. Come in tomorrow and ask us about it.
