

## SAFE—

So are his clothes. They are DUBBELBILT. The kind that are not easily torn or ruined.

Why not make it "safe" for your boy to play even if he is all dressed up?

You can practice economy by buying him clothes that are dressy in appearance, well tailored, and of sturdy fabrics and made to withstand hard usage.

Examine the DUBBELBILT suits at our store and you will appreciate why we recommend them for your wide-awake, future president.

## POLITICAL MEETING

Walkerton, Ind.

**Saturday Evening  
October 16**

Congressman

**Andrew J. Hickey**

OF LAPORTE

and

Attorney

**Arthur Gilliom**

OF SOUTH BEND

Will speak upon the political issues from a Republican standpoint. Come and hear the problems of the day fairly and ably discussed.

THE MEETING WILL BE HELD IN THE OPEN AIR IF THE WEATHER PERMITS. IF NOT THE HIGH SCHOOL AUDITORIUM WILL BE UTILIZED FOR THE PURPOSE.

MEETING WILL OPEN AT 8 O'CLOCK

DO YOU BELIEVE IN THE PHILOSOPHY OF SITTING DOWN?

Are You A Disciple Of "What's The Use?"

You are not; you don't dare bet that's one thing you do not dare do. No man does. You can't afford to give up. Things do pay. And there is use and need for every right fellow.

There is a proposition waiting for you. Just the kind of a job an active man likes. It is clean, healthy outdoor work, and the harder you push it, the more it pays you—not the other fellow.

This sounds good to you. It is the kind of a job you have been wishing for, and want right now. If you mean business, it is yours for the asking. Men with some kind of conveyance are preferred.

Address

Wilmer Atkinson Co., 1513 Mallers Bldg., Chicago.

their deciding game. It were better to have postponed it indefinitely. The visitors got all the tallies but one. It was protested nothing could prevent them from scoring short of being hobbled with a ball and chain. Our boys batted some lovely fouls, made several sensational errors, got the 14th man up to first base. Howard and Glen Peathers pitched, Barthel and Taylor caught for Stillwell.

Bunnell Bros. pitched, Morrison and Harness caught for Kankakee. This is the first game that ever had twin brothers pitching in both teams.

There was a large and enthusiastic crowd present. Our manager was fortunate in having relatives with him from Ohio at the last sad end. They promised they would never tell.

At this date we don't know if we will ever see a game down here again. Possibly may play Pumpkin Center or George Corle's Indians.

S. E. Thomas and Will Pazel are building—don't know what until completed.

L. Wray had his buildings all repainted.

Albert Hayter has a new wind pump.

The county has promised us a new bridge and to fix the road.

The boys going home after 12 o'clock are requested to close their cut-out.

Some of us are getting along in years to have our rest broken. May shorten some useful lives.

All farmers are invited to the Carlyle school house Tuesday evening, Oct. 19. The county agent and other speakers will be there.

An Expression of Appreciation.

I wish to express my thanks and gratitude to all my customers who by their patronage and fair dealing made it possible for me to remain in business so long.

## DELCO-LIGHT

Better Living and Working Conditions.

Delco-Light was developed by men who early in life realized there was need for great improvement in the living and working conditions on the farm. Electricity was the only solution. Delco-Light is the result.
