DR. T. WHITE'S
VEGETABLE TOOTHACHE DROP.
THE only specific ever offered to the public for the relief of a permanent and radical cure may be obtained of that disagreeable pain the Tooth-ache with all its attendant evils; such as fracturing the Jaw in extracting the Teeth which often proves more painful than the tooth-ache itself, and cold passing from the decayed Teeth to the jaw, thence to the head, producing a rheumatic affection, with many other unpleasant affections, such as a disagreeable breath, bad taste in the mouth, &c.; all of which are produced from foul or decayed Teeth.
I am happy to have in my power to offer to the world a remedy that will not only remove to pain nine times out of ten, if properly applied, but preserve the teeth from further decay, and arrest the disease in such as are decaying and have not commenced aching, restoring them to health and usefulness.
CERTIFICATES:
Mr. Thomas White—I have the pleasure to inform you, that I have been using your Vegetable Drops in my practice for some time past, and I must acknowledge that I find them far superior to any thing I have ever yet known for that purpose.
I am well convinced that it will cure most cases of Tooth-ache, when it is timely and properly applied, and from a few weeks' experience, I am decidedly of the opinion that it will have a very beneficial effect in preserving the teeth; and recommend it, hoping it may prove a blessing to humanity, and advantageous to yourself.
WM. F. A. BERKELY, Surg. Dent. No. 59 South Fifth St., Philadelphia, Pa.
September 12, 1829.

BALTIMORE, July 7, 1829.—Some time in May, Dr. Thomas White left with me some of his Vegetable Tooth-ache Drops, and requested me to use them in my practice. I accordingly did recommend it to six of my friends, and some of them had been complaining of the tooth-ache for more than three months; and out of the six, it had perfectly cured five. I am now fully convinced of its salutary effect, not only curing the tooth-ache, but preventing the teeth from further decay.
J. H. WINCHESTER, M. D.

VEGETABLE RHEUMATIC DROPS.
MANY articles are before the public, as a cure for that most obstinate and for mending disease, the Rheumatism; and from close observation we are led to believe, that they have, to a very great extent, failed to produce that desirable result, and may it not be attributed to the fact, that articles said to cure this troublesome disorder, are also recommended to cure almost every disease with which our frail bodies are attacked, and in their preparation that object is kept in view, viz. to have the medicine a cure for all diseases.
The Vegetable Rheumatic Drops are offered to the public as a remedy for Rheumatism, and as no case is known where a perfect cure was not effected, we are justified in declaring it a valuable medicine for that painful disease, and for no other it is recommended.
Price, 50 cents. 203-6m.

LA MOTTE'S COUGH DROPS.
VALUABLE MEDICINE FOR COUGHS AND CONSUMPTION.
THIS Elixir, in its original form of prescription, has stood the test of twenty years experience, in the general use of it, and is now offered, with the addition of some articles from the vegetable kingdom, the virtues of which, have been fully attested and highly appreciated which render this composition peculiarly adapted to the present prevailing disorders of the breast and lungs, leading to consumption. Common colds and coughs, which are occasioned by obstructed perspiration, will readily yield to its influence, removing those troublesome irritations, which act as a constant stimulant to coughing. It cures pain, and induces rest to an eminent degree. Persons afflicted with pulmonary complaints, bleeding of the lungs, &c. spasmodic asthma, palpitation of the heart, and consumptive affections, even in the most advanced periods of life, will find immediate relief, from its remarkable power of diminishing irritability of the system, and the velocity of the circulation, and by cleansing and healing the disordered parts. It also affords immediate relief in the hooping cough—203-1

Dr. Judkin's SPECIFIC OINTMENT.
THIS valuable medicine is celebrated for curing the following diseases: White Swellings of every description—Sore Legs and Ulcers of long standing—Glandular Tumors—Felon's or Catarrhs—Rheumatic pains of the Joints; Sprains; Bruises; and Tetters; Glandular, parts affected by frost. It is also good for Scalds and Burns.
For glandular swellings, it is superior to any medicine yet known. It is much safer than mercurial applications, (as it does not contain the smallest atom of that mineral) because it does not lay the patient liable to injury from exposure of cold.
It cures the worst Felon's or Whitlows on the application forty-eight hours. Rheumatism which have stood as long as to become a systematic disorder, require medicine to be taken inward to remove them entirely. But in most cases, by applying this ointment externally as directed, it will give relief.
Certificates of important cures—also directions for accompany each bottle. 203-1y
The above articles are sold by D. McCulloch Vevay and Jacksonville, and Lyman W. Mix, Mt. Sterling.
